How Important is Your Education to All of Us at Calvary?

Peter exhorts Christians to “prepare your minds for action, keep sober in spirit, fix your hope completely on the grace to be brought to you at the revelation of Jesus Christ” (1 Pet 1:13).

There are many good ways to prepare, and a formal education can be a significant part of that preparation. As you work through the process of choosing a school, you have probably realized that there are multiple good options available to you.

Calvary is certainly not the only quality; Biblically grounded university, but we would love to be the school you choose because we work very hard *to provide undergraduate and graduate education which prepares Christians to live and serve in the church and the world according to a Biblical worldview*. For us, that means a commitment to excellence in

helping you prepare for the action God has in store for you. No matter whether you are preparing for vocational ministry or simply preparing for a vocation – there is ministry action ahead for you, and we want to make sure you gain the knowledge and develop the skills and character you need to be effective and faithful in meeting present-day challenges.

In our striving for excellence, Calvary University provides a Bible-rich curriculum to ensure that every field of study is firmly rooted in the Biblical worldview. You will also find a welcoming community of staff, faculty, fellow students, churches, and community partners that are all happy to contribute to your growth and preparation at Calvary. Calvary’s music, drama, and athletic programs also reflect our commitment to excellence and will add depth and enjoyment to your time at Calvary.

Calvary is committed to continuing to grow and expand to meet our students’ needs, and just as we hope to help shape you, we look forward to your helping to shape us. We relish the opportunity to walk with you during this part of your journey.

May God bless you as you continue to walk with him, and as you prepare for the action ahead!

CALVARY'S EDUCATIONAL PHILOSOPHY

The curriculum of Calvary University is designed to prepare Christian men and women to live according to biblical standards and to serve in professional or lay Christian ministry with a biblical worldview.

STATEMENT OF FAITH

The Scriptures

We believe the Holy Scriptures of the Old and New Testaments to be the verbally and plenary inspired Word of God (Matt 5:18; 2 Tim 3:16-17). We hold the Bible to be inerrant in the original writings, infallible, God-breathed, and the complete and final authority for faith and practice (2 Pet 1:20-21).

We believe that the Scriptures, interpreted in their normal, literal sense, reveal divinely distinguishable economies in the outworking of God's purposes. These dispensations are not ways of salvation, but rather divinely ordered stewardships by which God directs man according to His purposes. Three of these – the age of law, the age of the church, and the age of the millennial kingdom – are the subjects of detailed revelation in Scripture (Gen 12:1-3; John 1:17; Rom 4:1-5; 2 Cor 3:7-18; Gal 3:13-25; Eph 1:10; Col 1:24-25; Heb 7:19; Rev 20:2-6).

The Godhead

We believe in one Triune God, Creator of all (Gen 1:2; Deut 6:4; 1 Cor 8:6; Col 1:16), eternally existing in three distinct persons – Father, Son, and Holy Spirit (2 Cor 13:14), yet one in being, essence, power, and glory, having the same attributes and perfections (John 10:30).

The Person and Work of Christ

We believe in the deity of the Lord Jesus Christ. He is very God, the express image of the Father, who, without ceasing to be God, became man in order that He might reveal God and redeem sinful man (Matt 1:21; John 1:18; Col 1:15).

We believe that God the Son became incarnate in the person of Jesus Christ; that He was conceived of the Holy Spirit and was born of the virgin Mary; that He is truly God and truly man; that He lived a perfect, sinless life; that all His teachings and utterances are true (Isa 7:14; Matt 1:23).

We believe that the Lord Jesus Christ died on the cross for all mankind (1 John 2:2) as a representative, vicarious, substitutionary sacrifice (Isa 53:5-6). We hold that His death is efficacious for all who believe (John 1:12; Acts 16:31); that our justification is grounded in the shedding of His blood (Rom 5:9; Eph 1:7); and that it is attested by His literal, physical resurrection from the dead (Matt 28:6; 1 Pet 1:3).

We believe that the Lord Jesus Christ ascended to Heaven in His glorified body (Acts 1:9-10) and is now seated at the right hand of God as our High Priest and Advocate (Rom 8:34; Heb 7:25).

The Person and Work of the Holy Spirit

We believe in the deity (Acts 5:3-4) and the personality of the Holy Spirit.

We believe that the Holy Spirit convicts the world of sin, righteousness, and judgment (John 16:8-11). He regenerates sinners (Titus 3:5) and indwells believers (Rom 8:9). He is the agent by whom Christ baptizes all believers into His body (1 Cor 12:12-14). He is the seal by whom the Father seals believers unto the day of redemption (Eph 1:13-14). He is the Divine Teacher who illumines believers' hearts and minds as they study the Holy Scriptures (1 Cor 2:9-12).

We believe it is the duty and privilege of all the saved to be continually filled with the Holy Spirit (Acts 4:31). This filling is commanded (Eph 5:18). Conditions for being filled are yieldedness to the Spirit's control (Rom 8:14) and a dependent life (Gal 5:16). The results of filling are victory over sin, Christlike character, worship, submissiveness, and service (Gal 5:22-23).

We believe that the Holy Spirit gives gifts to each member of the body of Christ (1 Cor 12:11). The Son of God sovereignly assigns the place of the ministry of the gifts in the body, and the Father provides the energy in the outworking of the gifts (1 Cor 12:4-6). Each believer is to exercise his spiritual gift(s) for the common good to the building up of the body of Christ (Eph 4:11-16).

We believe that the gift of speaking in tongues, which was a sign to the nation of Israel, and the other sign gifts gradually ceased as the New Testament was completed and its authority was established (1 Cor 13:8; 14:21-22; 2 Cor 12:12; Heb 2:4).

Angels, Good and Evil

We believe in the reality and personality of angels. We believe that God created an innumerable company of these sinless, spiritual beings who were to be His messengers (Neh 9:6; Ps 148:2; Matt 24:31; Luke 1:19; Heb 1:14).

We believe in the personality of Satan. He is a fallen angel who led a great company of angels into rebellion against God (Isa 14:12-17; Ezek 28:12-15). He is the great enemy of God and man, and his angels are his agents in the prosecution of his unholy purposes. He shall be eternally punished in the Lake of Fire (Matt 25:41; Rev 20:10).

Man

We believe that man came into being by direct creation of God and that man is made in the image and likeness of God (Gen 1:26-27; 2:7).

Sin

We believe that the human race sinned in Adam (Rom 5:12), that sin is universal in man (Rom 3:23), and that it is exceedingly heinous to God (Ps 5:5). We believe that man inherited a sinful nature (Ps 51:5), that he became alienated from God (Col 1:21), that he became totally depraved, and that of himself, he is utterly unable to remedy his lost estate (Eph 2:1-5, 12). We believe that all men are guilty and in a lost condition apart from Christ (Rom 2:1; 3:10-18).

Salvation

We believe that salvation is a gift of God's grace through faith in the finished work of Jesus Christ on the cross (Eph 2:8-9). Christ shed His blood to accomplish justification through faith, propitiation to God, redemption from sin, and reconciliation of man. "Christ died for us" (Rom 5:8-9) and "bore our sins in His own body on the tree" (1 Pet 2:24).

We believe that all the redeemed, once saved, are kept by God's power and are secure in Christ forever (John 6:37-40; 10:27-30; Rom 8:1, 38-39; 1 Pet 1:5; Jude 24).

We believe that it is the privilege of all who are born again to rejoice in the assurance of their salvation through the testimony of God's Word (Rom 8:16; 1 John 5:13). We also believe that Christian liberty should never serve as an occasion to the flesh (Gal 5:13).

We believe that the Scriptures disclose several aspects of sanctification. In addition to God's work of bringing a sinner to Christ, he is set apart to God. This is positional sanctification and refers to his standing. He then undergoes a process whereby the Holy Spirit quickens his affections, desires, and attitudes, enabling him to respond in faith to live a life of victory over sin. This is progressive sanctification and refers to his state (2 Cor 3:18; 7:1; Gal 5:16-25; Eph 4:22-29; 5:25-27; Col 3:10). Someday his standing and his state will be brought into perfect accord. This is prospective, or ultimate sanctification (1 Thess 5:23; 1 John 3:2).

The Church

We believe that the Church, which is the body and espoused bride of Christ, began at Pentecost and is a spiritual organism made up of all born-again persons of this present age (Acts 2:1-42; 11:15; 1 Cor 12:12-14; 2 Cor 11:2; Eph 1:22-23; 5:25-27).

We believe that the establishment and continuance of local churches is clearly taught and defined in the New Testament Scriptures (Acts 14:27; 20:17; 1 Tim 3:1-13; Titus 1:5-11). We believe in the autonomy of the local church, free of any external authority or control (Acts 13:1-4; 15:19-31; 28:28; Rom 16:1, 4; 1 Cor 3:9, 16; 5:4-7, 13; 1 Pet 5:1-4).

We believe in the ordinances of believer's water baptism by immersion as a testimony and the Lord's Supper as a remembrance in this age of Christ's death for the Church (Matt 28:19-20; Acts 2:41-42; 18:8; 1 Cor 11:23-26).

We believe that the saved should live in such a manner as not to bring reproach upon their Savior and Lord, and that separation from religious apostasy, sinful pleasures, practices, and associations is commanded by God (Rom 12:1-2; 2 Cor 6:14-7:1; 2 Tim 3:1-5; 1 John 2:15-17; 2 John 9-11).

We believe in the Great Commission as the primary mission of the Church. It is the obligation of the saved to witness, by word and life, to the truths of Holy Scripture. The gospel of the grace of God is to be preached to all the world (Matt 28:19-20; Acts 1:8; 2 Cor 5:19-20). Converts are to be taught to obey the Lord and to testify concerning their faith in Christ as Savior in water baptism and to honor Christ by holy living and observance of the Lord's Supper (Matt 28:19; 1 Cor 11:23-29).

Things to Come

We believe in that "blessed hope" (Titus 2:13), the personal, imminent (Matt 24:42, 44; 1 Cor 15:51-52; Phil 3:20; 4:5), pre-tribulational, and pre-millennial (Rev 19:11-20:10) coming of our Lord Jesus Christ to rapture His saints and receive His Church unto Himself (1 Thess 4:13-18).

We believe in the subsequent, visible return of Christ to the earth (Matt 24:29-31), with His saints, to establish His promised millennial kingdom (Zech 14:4-11; 1 Thess 1:10; Rev 3:10; 19:11-16; 20:1-6).

We believe in the physical resurrection of all men, the saints to everlasting joy and bliss, the wicked to conscious and eternal torment (Matt 25:46; John 5:28-29; 11:25-26; Rev 20:5-6, 12-13).

We believe that the souls of the redeemed are, at death, absent from the body and present with the Lord, where in conscious bliss they await the first resurrection when spirit, soul, and body are

reunited to be glorified forever with the Lord (Luke 23:43; 2 Cor 5:8; Phil 1:23; 3:21; 1 Thess 4:16-17; Rev 20:4-6).

We believe that the souls of unbelievers remain, after death, in conscious misery until the second resurrection when, with soul and body reunited, they shall appear at the Great White Throne judgment and shall be cast into the Lake of Fire, not to be annihilated, but to suffer everlasting, conscious punishment (Matt 25:41-46; Mark 9:43-48; Luke 16:19-26; 2 Thess 1:7-9; Jude 6-7; Rev 20:11-15).

Expanded Statement Regarding Religious Freedom and Human Sexuality

The biblical and philosophical goal of Calvary University and Calvary Theological Seminary is to develop students into mature, Christlike individuals. Of necessity, this involves Calvary's understanding and belief of what qualities or characteristics exemplify a Christlike life (Rom 8:29; 2 Cor 3:18).

We believe the Bible to be the inspired, authoritative Word of God. Therefore, everything we say and do must be under the guidance and authority of the Scriptures. Our integrity depends on consistent application of our commonly understood biblical truths (2 Tim 3:16-17; Ps 19:7-11; 2 Pet 1:20-21).

We uphold the sanctity of marriage as a God-ordained, special union between a man and a woman, where sexual relations are both honored and affirmed by God (Gen 1:27-28; 2:24-25). The Bible teaches that all sexual unions outside of marriage, as thus defined, are sinful (Heb 13:4). When dealing with sexual sins, we have no alternative but to follow the teachings of Scripture, as we understand them, and consistently apply those teachings to both heterosexual and homosexual situations (Prov 6:29; Eph 4:17-24).

We understand the Bible to teach that we must oppose sexual sin while demonstrating compassion for those who fall victim to it, distinguishing between the value and identity of each person as an individual, and the behavioral choices which some individuals may make (Gal 5:19-25; 1 Cor 7:1-3). We understand the Bible to differentiate between recognition of personhood and rejection of those actions which it defines as immoral, while simultaneously extending forgiveness and healing to all who respond in believing faith to its universal offer of God's grace (John 8:3-11; Luke 15:10).

All students are expected to exhibit the Christlike qualities taught by Scripture and to refrain from activities or behavior that is contrary to those teachings. Therefore, Calvary retains the right to refuse enrollment to or to expel any student who engages in sexual immorality, including any student who professes to be homosexual/bisexual or who is a practicing homosexual/bisexual, as well as any student who condones, supports, or otherwise promotes such practices (Lev 18:22; Rom 1:24-32; 1 Cor 6:9-20; 1 Tim 1:9-11).

CONVICTIONS

Solidly Biblical

The Bible is the heart and core of every educational program at Calvary. Theologically, Calvary can be described as biblical, fundamental, pre-millennial, and dispensational. Each year, every faculty member and trustee must affirm his/her wholehearted acceptance of the Bible as the inerrant, verbally inspired Word of God.

Separated

It is Calvary's desire to be separated unto God from worldliness, whether in personal actions, attitudes and thought, or in ecclesiastical programs and associations. Calvary's position is one of being loyal to the biblical doctrine of ecclesiastical separation so that it has no embarrassing ties which might keep it from exposing apostasy, heresy, or sin. This is evidenced in its historical stand against the ecumenical teachings and practices of our day.

Evangelism and Missions

We believe that the "Great Commission" defines the primary mission of the Church. Calvary seeks to incorporate the spirit of evangelism and discipleship into the whole school family, whether in the classroom, in chapel, or in extracurricular activities and projects.

A Friend of Bible-Believing Churches

Calvary stands with all who love Christ and preach His Word. The attitude throughout the school is nonsectarian. We are unreservedly loyal to all Bible-believing churches faithful to Christ and the Bible. Calvary is affiliated with the IFCA International and Berean Fellowship of Churches and maintains a good relationship with independent and denominational churches and individuals that uncompromisingly hold the historic fundamentals of the faith.

Institutional Position on the "Sign Gifts"

As Calvary University understands the teaching of Scripture and church history, the "sign gifts" of the Holy Spirit (speaking in tongues, prophecy, healings, miracles, and the like) ceased after the first century and are no longer essential for the church today. Those who may believe otherwise and desire to enter Calvary as students are welcome, if they are willing to study with an open mind, to understand the institution's position, and not to practice or propagate their beliefs while studying at Calvary.

Nurturing Character and Truth

We are persuaded that the Scriptures teach that what we are is as important as what we know. Ephesians 4:15 clearly states that we are to speak the truth (doctrine) in love (Christ-like character). This is the reason we put much effort in developing Christlike character and a servant's heart while communicating God's Word. In all matters, we endeavor to display the "excellent spirit" of the prophet Daniel (Dan 6:3). This man of God refused to compromise and yet constantly displayed an attitude which endeared him to his superiors. He was neither vindictive nor self-righteous and by his dedicated life made a profound impact upon the kings of Babylon and Persia.

CALVARY STATEMENT ON DIVERSITY

At Calvary, we endeavor to prepare students to live out a biblical worldview in a diverse world. This project is enshrined in our mission statement and fulfills the Board of Trustee outcome that graduates *understand the world in which they live and be able to effectively relate to others in it*. In order to fulfill this expectation, Calvary is committed to:

- Seek to recruit students, staff, and faculty from a variety of cultural, ethnic, and language backgrounds.

- Offer diverse Christian ministry environments that span the cultural spectrum in the greater Kansas City area.
- Develop academic and co-curricular opportunities to expose students to a variety of cultural, ethnic, philosophical, religious, and geographic ministry and service settings in the Kansas City area and around the world.
- Encourage students, staff, and faculty to engage in intercultural ministry through structured events and student-led opportunities throughout the academic year and to commit to a lifestyle of intercultural service.

HISTORY OF CALVARY

Calvary University (formerly Calvary Bible College and Theological Seminary) is the successful result of a merger in 1961 between two small and struggling Bible colleges – Kansas City Bible College (KCBC) and Midwest Bible College (MBC) in St. Louis. A second merger took place in 1987 when Citadel Bible College of Ozark, Arkansas, joined Calvary. These mergers represented a blending of institutional objectives, assets and liabilities, alumni associations, and doctrinal goals, as well as values that were held in common by all of the institutions.

In the early 1930s Christian work throughout the Midwest needed experienced, well-trained pastors and teachers. The economic depression had the country in its grip, many churches were without pastors, and there was no evangelical school in this area of the heartland. Several Christian leaders had been praying for a decade about the need for such a school, and the God-selected leaders for the original venture included Dr. Walter L. Wilson, medical doctor, theologian, and author; Rev. David Bulkley, Superintendent of the City Union Mission; and Rev. R. Fuller Jaudon, pastor of the Tabernacle Baptist Church. Kansas City Bible Institute first opened its doors in 1932 with Dr. Wilson as the first president. In 1935 it became Kansas City Bible College with Dr. F. William May as President.

In 1938 Dr. May left Kansas City Bible College to assist Rev. Nye J. Langmade with the founding of Midwest Bible and Missionary Institute in Salina, Kansas. Rev. Langmade served as its first President until 1954. Dr. May served as President from 1954 until 1956 when Dr. Roger Andrus was appointed President. In 1946 Midwest moved to St. Louis, Missouri. It became Midwest Bible College in 1959.

In the early 1960s Dr. Al Metsker, acting President of KCBC, met with Dr. Roger Andrus, President of MBC, to explore the possibility of merging the two small colleges into one stronger institution. In the summer of 1961 the blueprint was complete; the two schools merged, moved to a campus in the Kansas City suburban community of Prairie Village, Kansas, and became Calvary University. The Board of Trustees of the newly formed school named Dr. Roger Andrus as its first President.

In addition to the individuals named above who were instrumental in the early years, Calvary and its predecessor schools were blessed with a number of others who had a desire to see Bible institutes begun in the Midwest and had an active part in these beginnings – Mr. Dwight Johnson, Dr. Charles R. Rolls, Dr. Robert Belton, Dr. Clifford Lewis, and Mr. Stanley Cook, to name a few.

In 1966 Calvary moved to 1111 West 39th Street in Kansas City, where it remained until the move in 1980 to the current campus at the former Richards-Gebaur Air Force Base. In 2012 the

campus expanded across the street to 13 acres vacated by the US Marines and awarded to the school by the US Department of Education, which included a move-in ready dorm and three other buildings for new offices, classrooms, and space for chapel.

Dr. Andrus served as President of Calvary until the early 1970s, and in 1974 Dr. Leslie Madison was called as President.

Citadel Bible College, originally named Ozark Bible Institute, began in the heart of Rev. A. H. Levin. Under his leadership, the school was organized by a group of pastors and businessmen and incorporated in the state of Arkansas in 1947, with classes beginning in 1949. Rev. Levin served as Citadel's first President until his death in 1970, at which time his son, Rev. Robert Levin, was appointed Interim President. Dr. Paul Brownback served as President from 1976 until the merger with Calvary in 1987.

In 1991 Dr. Madison was appointed Chancellor, and Dr. Donald Urey, Vice President for Academic Affairs at Calvary, was named President. Dr. Jim Anderson, an alumnus of Kansas City Bible College and former faculty member at Calvary, was called as President in 1996. After Dr. Anderson's return to full-time evangelistic work, the Board of Trustees named Dr. Elwood H. Chipchase as President in 1999. In 2009 Dr. Chipchase retired, and Dr. James L. Clark, Vice President and Academic Dean of the College, was named President. Dr. Clark is the first President of Calvary to have graduated from Calvary. In 2014 Dr. Clark announced he would retire after the 2015-2016 academic year, and in late 2015, Dr. Christopher Cone was appointed to serve as President beginning in summer, 2016. Dr. Cone appointed Dr. Clark to the office of President Emeritus. In mid-2016, Calvary rebranded as Calvary University, and added bylaws reaffirming and deepening Calvary's commitment to the Bible as foundational and to the biblical worldview.

CALVARY GRADUATE SCHOOL

In 1966, Calvary established a graduate division to offer a program of study beyond the baccalaureate level. The initial offering was a Master of Arts in Biblical Literature. The Graduate Division was eventually superseded by the Seminary in 1992. In 2011, the Seminary added Masters of Sciences degrees in Education and Organization Development. In 2013, a Master of Science in Worship Arts was also added. During the 2016 presidential transition and reorganization of Calvary University, the Cabinet determined that a Graduate School would more appropriately house graduate programs in Education, Organization Development and Music than the Seminary, so a Graduate School was created beginning July 1, 2016.

As an academic unit of Calvary University, the Graduate School is regionally accredited by the Higher Learning Commission (HLC), 230 South LaSalle St., Ste. 7-500, Chicago, IL 60604-1413, and may be contacted by phone at 800-621-7440, by FAX at 312-263-7462, or by e-mail at info@hlcommission.org. CALVARY SEMINARY

Calvary Theological Seminary began as the Graduate Division of the College in 1966. In 1992, the Seminary became a separate school, and the name was changed to Calvary Theological Seminary. Seminary programs of study in 1992 included a Master of Ministry, Master of Arts in Biblical Studies, Master of Arts in Bible and Theology, Master of Arts in Biblical Languages, and a Master of Divinity. With the institutional reorganization associated with Calvary University in 2016, the Seminary was split into two schools: the Graduate School and the Seminary. Programs currently offered include a Master of Arts in Biblical Counseling, a Master of Arts in Bible and Theology, and a Master of Divinity.

As an academic unit of Calvary University, the Seminary is regionally accredited by the Higher Learning Commission (HLC), 230 South LaSalle St., Ste. 7-500, Chicago, IL 60604-1413, and may be contacted by phone at 800-621-7440, by FAX at 312-263-7462, or by e-mail at info@hlcommission.org. ACTIVITIES

Spiritual Activities

One of Calvary's major objectives is to provide an atmosphere which will cultivate the personal and spiritual life of each student. Because of this goal, Calvary promotes those activities which provide strength for the spiritual nature.

Personal Devotions

Calvary strongly encourages students to maintain a personal "quiet time" each day, since habits formed today will set the pattern for the future.

Classes

Calvary not only provides its students with academic information in every class but also emphasizes an atmosphere promoting spiritual growth and Christian character.

Prayer

Prayer is part of the normal routine at Calvary. Classes and scheduled meetings usually begin with prayer. Each semester a special Day of Prayer is set aside for the entire campus to devote itself to communication with our Lord. Additional opportunities for organized group prayer meetings are also scheduled throughout the year.

Chapel

While enrolled at Calvary, students attend weekly chapel services. Most chapels are worship services, but there are also music programs, prayer chapels, special speakers, and other programs of interest.

Local Church

With the goal of developing a biblical worldview and learning to be effective in service, Calvary students are involved in local, Bible-believing churches. Students are expected to participate in the activities of the local church they attend.

Christian Ministry

A vital part of the educational program at Calvary University is participation in Christian ministries. Since ministry is the normal expression of a healthy Christian life, degree-seeking students are expected to minister while attending Calvary. The number and types of ministries required will vary with each degree program. Traditional college students will be given one semester of ministry to find a church where they will attend and become involved during their time at Calvary. The school places a high priority on being involved in a local church while being trained for service. For students seeking a bachelor's degree, the next three semesters will involve ministries in a local church, an organization, or evangelism. The last four semesters are focused on ministries in one's major. Summer ministries are allowed. At the end of his/her time at Calvary, a student will have been involved in eight Christian ministries. Special consideration is extended to students transferring from other institutions.

Students in the Non-Traditional Studies program are also involved in Christian ministry. NTS students are required to complete up to seven Christian ministry credits in order to graduate. The

amount of required ministry credits can be reduced based upon the amount of credit hours transferred from other institutions.

Students are responsible to adjust their schedule, employment, and other activities so that assignments may be faithfully carried out. They are responsible for their own transportation to and from their Christian ministry assignments. All ministries are approved by either the Christian Ministries Director or the student's Academic Advisor and normally last for a minimum of 12 weeks during the semester. A pass/fail grade will be given at the end of each semester and recorded on the student's transcript. Those students who have not completed all Christian ministry requirements will not be permitted to participate in graduation.

Special Speakers

During the school year, students have the opportunity to hear many different speakers who come to Calvary for seminars, chapel services, special classroom instruction, and personal fellowship with students.

Missions Emphasis

Annually, Calvary devotes a week for special emphasis on missions. During this week, missionaries speak in chapel, classes, and seminars. The challenge of worldwide missions is stressed, and opportunity is given for students to meet missionaries from evangelical faith missions.

Student Activities and Organizations

A typical school year includes class and dorm parties, banquets, music concerts, picnics, and brother-sister dorm activities. Relationships are very important at Calvary.

Students are given guidance in the areas of dating, engagement, and marriage because permanent relationships often develop during college.

The student body is composed of all students enrolled for credit. The Student Senate is the liaison group between the student body and the faculty and is composed of a president, vice-president, secretary, and treasurer elected from the student body and four members of each class: a president, vice president, and two representatives.

Student Wives Fellowship is an organization for married women students and wives of students. It sponsors a variety of groups and activities, including discipleship groups, parenting groups, and special social events. Scheduled meetings are held that include special speakers, instructional programs, activities, and Christian fellowship. This ministry encourages married women in their role as wives. It assists them with their immediate needs and assures those who are not taking classes for credit that it is Calvary's desire for them to be a vital part of the College family along with their husbands. To reinforce this goal, the College offers the spouses of full-time students the opportunity to take college courses for personal enrichment at a much lower rate. The Registrar's Office has details.

Athletic Activities

Calvary is a member of the Midwest Christian College Conference, which includes colleges from the four-state area within a 300-mile radius from Kansas City. Calvary is also a member of the ACCA, The Association of Christian College Athletics. Men's intercollegiate sports include basketball and soccer. Women's intercollegiate sports include basketball and volleyball.

STANDARDS

Conduct

Spiritual expectations for students at Calvary University are purposefully high. They could not be otherwise and follow biblical principles. Calvary seeks to create and encourage a godly atmosphere for students to make spiritual decisions.

Primary to spiritual growth is a consistent, personal devotional life along with faithful fulfillment of responsibilities. These responsibilities include attending classes, chapel services, prayer meetings, local church services, and similar activities. Consistent completion of class and Christian ministry assignments and proper adjustment to college life also demonstrate maturity.

Calvary has the responsibility, under God, to maintain standards that are above reproach. The College seeks to cultivate personal habits that will bring honor to the name and person of the Lord Jesus Christ.

The school reserves the right to discipline and/or dismiss any student whose behavior is deemed to be contrary to the standards of conduct listed in the *Student Handbook* and/or any activity which negatively impacts class atmosphere, reflects unfavorably on the student's personal testimony or Calvary's testimony, or improperly influences other students.

Calvary complies with federal regulations regarding "drug and alcohol abuse prevention." (see Zero Tolerance Policy)

The standards concerning student behavior are set forth in detail in the *Student Life Handbook*. Guidance in these areas is provided through the Student Deans Office as well as through faculty advisors.

Students wishing to become engaged while enrolled at Calvary are to inform the Student Deans Office at least one month prior to the intended engagement. Students under the age of 21 are to present a letter from their parents or guardians blessing the engagement. The intended engagement will be held in confidence until the engagement is announced publicly.

Because the lifetime commitment of marriage requires significant wisdom and maturity, students are strongly encouraged not to marry until they have completed their sophomore year or have reached the age of 20. Weddings are to be scheduled during Christmas or summer break. This is to allow for a time of adjustment before continuing studies. Students not following this guideline will be required to withdraw from Calvary for the remainder of the semester in which they marry.

Attending Calvary University is a privilege, not a right. Calvary may insist on the withdrawal of a student at any time that the student, in the opinion of the school, does not conform to the established regulations and standards of conduct.

In the event that a student is no longer able to attend on-campus classes but is not dismissed from school (either voluntarily or non-voluntarily), Calvary reserves the right to administratively transfer a student from on-campus classes to Independent Study courses. If a course cannot be transferred, it will be refunded at a pro-rated price. Such circumstances may include: Gender-Based Misconduct accusations, injury/illness, various extenuating circumstances, etc. If a student is administratively removed from on-campus housing but not dismissed, he/she will be refunded at a pro-rated amount for the time remaining.

Housing

A minimum of six credit hours must be taken to live on campus.

Single- and double-occupancy rooms are provided for students in the dorm. Each room is equipped with complete bathroom including shower, and one closet per student. Dorm rooms have

individually controlled heating/cooling systems. Lounges and laundry facilities are provided on each dorm floor. Inquiries for housing in the dorm should be directed to the Student Deans Office.

The school also has two- and three-bedroom duplexes nearby, as well as an apartment building, Philadelphia Hall. Inquiries for College housing in one of these duplexes or Philadelphia Hall should be directed to the Business Office. Students with special disability needs are encouraged to contact the Student Deans Office to discuss their individual housing needs.

All single, undergraduate students under 23 years of age must live in the dorm. The only exception is for students living with their families (parents or grandparents) who reside in the Greater Kansas City area (note: basis for appeal to the above policy is found in the Student Handbook). Students who are 23 years of age and older may choose to live in non-dorm housing on campus (for exceptions and appeals, please see the Student Handbook).

All students living in the dorm must eat in the cafeteria. For other students, eating in the cafeteria is optional and available.

Vehicles

Ample and spacious parking is available on campus. All students are permitted to have cars on campus by properly registering them with the Security Department. Vehicle identification stickers are to be displayed in the lower left corner of the rear windshield on the driver's side. The ID sticker is valid as long as the student maintains enrollment at Calvary and continues to drive the vehicle on campus. All vehicles driven on campus by students are to be registered. Registration is needed for easy identification in the event of an emergency (i.e., vehicle needs to be moved, lights left on, etc.).

SERVICES

Counseling

When personal problems arise, students are encouraged to seek counsel through the Student Deans Office, which includes the Dean of Men and the Dean of Women. The Deans have regular office hours set aside for this purpose. Counsel may also be sought from any faculty member.

The Learning Center

The Learning Center is designed to assist students in becoming successful learners. One-on-one tutorial sessions with qualified tutors are available during posted hours or by appointment. All students are encouraged to take advantage of this service to enhance their college learning experience.

Medical Resources

A registered nurse is available via phone to answer any medical questions. First-aid treatment and minor medical supplies are available through the RAs. For additional services, a list of physicians, dentists, optometrists, clinics, and hospitals may be obtained from the Student Deans Office. More information can be found in the "Student Health Insurance" section of this catalog under the chapter heading "Finances."

Alumni Association

The Calvary Alumni Association is a family composed of thousands of men and women who have attended Calvary University, Calvary Bible College, Calvary Theological Seminary, Citadel Bible College, Kansas City Bible College, Midwest Bible College, or Ozark Bible Institute.

The Calvary Alumni Association endeavors to connect its members throughout the world to Calvary and to each other by informing them of school and alumni news and by maintaining contact information. Calvary alumni are prayed for regularly, and reunions and homecomings are planned to bring the alumni family closer together.

Referral Service

Calvary invites Christian organizations (churches, camps, mission boards, schools, etc.) with positions to fill to contact the Ministry Referral Service Office. The office will then supply that information to alumni who request it

GRADUATION RATE

The overall graduation rate, based on the fall 2009 entering class, is 59%. This rate is based on full-time, first-time students completing a program within 150% of the normal time required for their program. Many students opt to extend the length of study due to employment needs, family issues, or academic achievement goals. There is no statute of limitations regarding completion of associate or baccalaureate degrees. For a more complete analysis by demographic factors, go to Calvary’s consumer information page online, or contact the Institutional Research Office.

ADMISSIONS STANDARDS

Spiritual Standards

Calvary's desire is to cultivate the personal, spiritual, and academic growth of men and women in preparing them for Christian service. Each applicant to the school is therefore asked to confirm by personal action and written testimony: (1) trust in the Lord Jesus Christ as personal Savior, (2) a life of commendable Christian character, and (3) a desire to serve God.

Those who have been recently saved or rededicated are strongly encouraged to be mentored by a godly pastor for one year before they submit an application. Additionally, regular attendance and involvement in a local church is expected.

Calvary University reserves the right to do a background check on all applicants. Applications found to be untruthful are a basis for denied acceptance.

Academic Standards

An applicant must have either:

A high school diploma

A recognized equivalent of a high school diploma (e.g., GED)

Completed homeschooling at the secondary level

Passed an "ability-to-benefit" test (Department of Education approved)

Each applicant to Calvary is required to take the ACT or SAT. The scores from these tests provide an estimate of the prospective student's ability to succeed academically in college. Such factors are weighed by the Admissions Committee when they review the applicant's file. Information about the ACT and SAT is available at:

ACT: www.act.org 319-337-1270 ACT code for Calvary: 2312	SAT: www.collegeboard.com 866-756-7346 SAT code for Calvary: 6331
--	--

No Previous College Experience: Applicants with no previous college experience are required to have at least a 2.0 cumulative GPA in high school and a composite score of 17 on the ACT (840 SAT).

Some Previous College Experience: Applicants who have previously attended any post-secondary school are required to have at least a 2.0 cumulative GPA. The ACT and SAT requirement will be waived if the applicant has successfully completed 12 or more semester hours. The high school transcript requirement will be waived if the applicant has 24 or more transferable credit hours from an accredited institution.

Below Minimum Standard: All applicants who do not meet Calvary's minimum academic standards are not automatically rejected. In such cases, the Admissions Committee will meet to consider the application.

APPLICATION CATEGORIES

New Degree-seeking Applicants that either has never attended Calvary before, or were previously accepted as a non-degree or personal enrichment student. The goal of these students is to pursue a program leading to a bachelor's degree, associate's degree, or certificate. (Note: special admissions requirements exist for certain programs.)

Re-enrolling Applicants have previously attended Calvary. "Re-enrolling" means a student's continuous enrollment was broken by missing one or more semesters or by withdrawal from classes during a given semester.

Non-Degree Applicants desire to receive credit for courses taken, but they do not intend to complete a program of study. Generally, students complete a Non-Degree application for one of the following reasons: to satisfy requirements at another college; to be "dual enrolled" (still a high school student); to prove academic success at the college level; to satisfy mission board requirements; to meet prerequisites for graduate school, etc.

Non-degree students may change to a degree or certificate program by submitting a new degree-seeking application. Having been admitted to the College as a non-degree student does not guarantee acceptance as a degree or certificate student.

Non-degree students do not qualify to receive financial aid.

Early College allows home school students, Christian school students, and others the opportunity to earn college credit while meeting high school graduation requirements. This is a great way to save time and money!

Under this program, a high school junior could at the same time complete two years of high school **and** their first year of college (or more). Seniors will be able to finish high school while working on their first year of college requirements.

Students enrolled in the Early College program may take only approved 100- and 200-college-level courses. These courses are designed for the freshman and sophomore years of college.

International Applicants can be new or re-enrolling. Calvary University is authorized by the U.S. Citizenship and Immigration Services to enroll non-immigrant students. International students must pursue a degree or certificate. Additional admission requirements apply to international students; instructions may be found at www.calvary.edu.

Personal Enrichment is for those who want to take a course for personal benefit. They have no need for or desire to earn college credits, so an academic record (transcript) is not generated. A personal enrichment enrollment form must be completed. It may be obtained at www.calvary.edu or by calling the Registrar's Office at 816-322-0110.

APPLICATION PROCESS

The application process varies, depending on the Applicant's category (see application categories above). Calvary has separate applications and instructions for New Degree-seeking, Re-enrolling, Non-Degree seeking, and International students.

Please read instructions carefully and fill out the application completely. Completing the incorrect application, or making errors and omissions delays action on your application.

The steps below are for New Degree-seeking applicants. (All other applicants should refer to the instructions corresponding to their applicant category.)

1. Read the College Profile and Student Life sections of the catalog.
2. Submit a completed application and the My Life with Christ form.
3. Submit a Pastoral and a Personal reference form.
4. Submit applicable transcripts (e.g., high school, home school, GED, college).
5. Submit ACT or SAT scores.
6. Submit a photograph. The photograph is optional; however, we would really love to be able to put a face and name together.

Applications can be completed and submitted online. Forms may be obtained at www.calvary.edu. Applications and forms are also available by calling the Admissions Office at 816-322-3960 or 800-326-3960.

You will be notified by mail when your application is received. Once all of your required admissions documents are received, your application will be considered for acceptance by the Admissions Committee. Under normal circumstances, you will be notified of the acceptance decision within two weeks after your file is complete.

ADMISSIONS POLICIES

Academic Probation

Any applicant who does not meet the minimum academic standards, but who is accepted by the Admissions Committee, may be placed on academic probation. Students are limited to enrolling for no more than 12 hours, are expected to use The Learning Center, and must achieve a 2.0 GPA. More information on academic probation can be found in the “Academics” section of this catalog under the heading “Satisfactory Academic Progress.”

Application Deadline

Applications must be submitted no later than two weeks prior to the first day of classes. Last-minute applications may be deferred by the Admissions Committee.

Application Materials

All materials submitted to Calvary in the application process become the property of the University. Upon enrollment, materials deemed essential are kept as a part of a student's permanent file in the Registrar's Office.

Conditional Acceptance

An applicant may be accepted with specific conditions. Frequently, this will be due to no ACT or SAT score or for various personal concerns, e.g., smoking or other background issues. The Admissions Director and/or members of the Admissions Committee will identify conditions and limitations, if any.

All conditions and limitations will be itemized in the acceptance letter; the wording may require review and/or approval from one or more Committee members. In order to be

considered a “regular student” (eligible for federal financial aid), an applicant must specify a degree or certificate program on his/her application.

Doctrinal Understanding

Students who graduate from Calvary shall possess a foundational understanding of the Holy Scripture and Calvary’s Doctrinal Statement. This is accomplished by satisfactory completion of 30 credit hours of Bible and Theology.

Equal Opportunity and Nondiscrimination

Calvary University admits students of any race, color, age, sex, nationality, or ethnic origin to all the rights and privileges, programs (for exception, see Pastoral Ministry major later in this catalog), and activities generally accorded or made available to students at the school. Calvary does not discriminate on the basis of race, color, age, sex, nationality, ethnic origin, or physical or mental disability in the administration of its educational policies, admission policies, financial aid programs, athletic activities, or other College-administered programs. However, as a private religious institution, Calvary reserves the right to exercise preference on the basis of religion in all of its student admissions.

Disability Support Services

Calvary offers reasonable disability support services to students with special needs in compliance with the Americans with Disabilities Act (1990) and Section 504. Students with disabilities have the responsibility of informing the Disability Support Services Coordinator (dss@calvary.edu) of any disabling condition that may require accommodations.

VISITING CAMPUS

Prospective students are encouraged to visit Calvary's campus prior to enrolling. Prospective students and their families are always welcome and are urged to meet Calvary's students, attend classes, and visit with professors. During the academic year, visitors to the campus may be provided overnight lodging and meals. It is best to contact the Admissions Office in advance so that someone will be available to give a tour of the campus, to answer questions, and to make the necessary arrangements.

Campus Preview is a large-scale group event, usually held in March. It provides a thorough introduction to college life at Calvary for prospective students, parents, and sponsors. Activities include attending classes, meeting faculty, staying overnight in the dormitory, enjoying great food, attending a drama production, getting to know current students and future classmates, and other special activities. Information may be obtained from the Admissions Office.

EXPLANATION OF FEES

Following the title of each fee, in parenthesis, is the refund policy for that fee. A non-refundable fee means no refund is given after classes begin; a 100% refund is given for withdrawal (or not completing registration) prior to the first day of classes—except as noted in some course descriptions.

Alphabetical Listing

Athletic Participation Fee (non-refundable) – Required of students participating in varsity sports. Provides partial funding for the cost of participating in the Midwest Christian College Conference and the Association of Christian College Athletics.

Dorm Board (non-refundable and not prorated) – Required of all students living in the dormitory. It pays for the cost of three meals a day, Monday through Saturday, and two meals

on Sunday. Upperclassmen may choose from alternate meal plans. Contact the Student Deans Office for more information.

Dorm Room Charge (non-refundable and not prorated) – The cost for the dorm room charged per semester. Students who are under 23 years of age must live in the dorm unless living with parents or grandparents. Dorm room charge may be prorated in the event of injury, illness, or death of a relative which requires the student to move out of the dorm.

Books and Supplies (non-refundable) – The cost for books and/or supplies required for class assignments. The average estimated cost is \$397 per semester. This does not include books purchased for a personal library or articles bought for personal use.

Change of Final Exam Period Fee (non-refundable) – Upon approval, the cost of taking a final exam at a time other than its scheduled time; if the student has three or more exams scheduled on one day, the fee is waived.

Course Fees (non-refundable) – The cost for use of labs and equipment or for materials used in select courses. Fees for each course, if any, are listed in the “Course Descriptions” section later in this catalog.

Enrollment Fee (non-refundable) – Required of all new and re-enrolling applicants. This includes all degree-seeking and non-degree-seeking students, including Early College students.

Students who obtain a certificate or degree at Calvary, but register for classes continuing toward an advanced degree for the next semester, are not required to pay the Enrollment Fee.

A waiver for the Enrollment Fee may be obtained only on a case-by-case basis and is determined by the Financial Aid Office with authorization given by the Vice President of Operations. To request consideration for a waiver, a request must be submitted in writing to the Financial Aid Office no less than 30 days prior to the first day of classes. The Financial Aid Office may request additional information and documentation for consideration of the waiver.

Federal Compliance Fee (non-refundable) – Assessed to all students taking one or more credit hours. Covers a portion of the institutional cost of required staffing and training associated with complying with the Department of Education regulations and policies, including, but not limited to, Title IV, Title IX, Part 86, and the Clery Act.

The semester that a voice major performs his/her senior recital, the student is charged an additional accompanist fee to compensate the recital accompanist.

POLICIES

Student Accounts

Responsibility for meeting the cost of the student's education rests upon the student. Students are responsible for payment in full of each semester's charges at registration.

Financial statements of student accounts are issued each month. Semester charges on the statement are required to be paid according to the payment plan approved at registration. All other charges except monthly rent are to be paid in full within 30 days of the charge. Rent must be paid between the first of the month through the tenth.

Students who have not paid their semester charges in full (which includes completing all grant, scholarship, loan and/or payment plan forms) by the last day to add a class or who become delinquent (past due) in caring for their financial obligations to the College will automatically be suspended from school. During the suspension period, the student will be administratively marked absent from class(es), and assignments and exam grades will not be counted. The student may be reinstated only after all delinquent financial obligations are brought current (i.e., paid) and clearance is obtained from the Business Office.

Student Health Insurance

Calvary University strongly recommends that all students carry health insurance that covers them in the Kansas City area. (Many insurance plans do not provide coverage outside the “home” area, so it is important that you contact your insurance company to find out whether you will be covered in Kansas City.) All students must complete a Proof/Waiver of Student Health Insurance Coverage form and present it along with a copy of their insurance card (or other proof of coverage) to the Student Deans Office prior to their first class. If a student is unable or unwilling to obtain coverage for the Kansas City area, that must be indicated on the Proof/Waiver form.

Calvary does not offer insurance plans, but students may contact Heritage Benefit Consultants (816-322-6350) for information on Short-Term or Long-Term medical plans that would be suitable.

- 0% of tuition will be refunded beginning the fifteenth day, with the start date counting as day one.

FINANCIAL AID

Satisfactory Academic Progress (SAP)

To be eligible for financial aid, students must meet SAP standards. Calvary's SAP policy is the same for Federal Student Aid (FSA) recipients and non-FSA recipients, and it applies to all educational programs and to all students within categories (e.g., full-time, part-time, undergraduate, and graduate students). If a student fails a SAP check, eligibility for financial aid is lost, although an appeal may be made (see Appeals).

An Academic Year for traditional undergraduate and graduate students will have an annual review that corresponds with the end of the spring semester payment period but not before final grades are posted. Non-Traditional Studies students will have their annual review at the end of the spring semester ending June 30 after all grades are posted.

Two Components of the Satisfactory Academic Progress Policy

The first is a qualitative standard based on cumulative grade point average (CGPA). To be making satisfactory academic progress, all financial aid recipients must have a CGPA of 2.0 at the required annual review.

The second is a quantitative standard. Essentially, this means the "pace" at which a student must progress through a program in order to ensure that they will graduate within the maximum timeframe. Our pace is calculated by dividing the total hours successfully completed by the total hours attempted. All financial aid recipients must obtain a pace of 67% at the annual review. Our maximum timeframe is 150% of a program's requirements.

For example, to earn a degree in Biblical Counseling requires 126 hours. The maximum timeframe is 189 credit hours ($126 \times 1.5 = 189$). The pace: $126 \text{ (hours to earn degree)} / 189 \text{ (maximum time)} = 67$. At the time of the annual review, a student who took 30 hours (15 per semester) must complete at least 20 hours ($20/30 = .66666$ rounds up to 67%). Extending this same pattern: Year 2 (Y2) = 40/60; Y3 = 60/90; Y4 = 80/120; Y5 = 100/150; Y6 = 120/180; Y7 = 126/189.

There could be many combinations of this "pace," accounting for semesters with less than full-time enrollment status, taking more than 30 hours, completing less or more hours than the required 67%, etc. For example, a traditional student takes 6 hours (half-time) in each of the fall and spring semesters (full-time is 12 hours per semester). A total of 12 hours taken requires 8 hours completed ($8/12$) to be satisfactory. If a student takes 30 hours and completes 18 hours ($18/30 = .60$ or 60%), this would be unsatisfactory academic progress. During year 2, this same student takes 34 hours and completes 31. So, the total attempted hours is now 64 hours and the total completed hours is now 49 ($49/64 = .7656$, or 77%); this student would regain SAP.

A complete SAP review includes both the CGPA and pace percentage. At the annual review, a student could have a 1.9 CGPA (unsatisfactory), yet have completed 24 of 30 hours (satisfactory). Both components must be satisfactory to continue financial aid eligibility.

All periods of enrollment will be counted, regardless if a student received financial aid or not. Course failures (F), incompletes (I), withdrawals (W, AW, WP, AP, WF, or AF), and remedial courses ("0" prefix) count as courses attempted but not completed (earned).

Transfer credits count as courses taken and completed. Course repetitions always count as courses attempted, may or may not be courses completed (depending on the grade), and,

if the student later passes with a higher grade, then CGPA is impacted (a student must formally request removal of the previous D or F).

By the time grades are posted and the annual review conducted, students who fail to make satisfactory progress are not likely to be on campus. Therefore, the primary notification will be by letter sent to the student's home address. As a backup, an email to the student's Calvary email address will also be sent.

Appeals

If a student loses eligibility to receive financial aid because of failure to make satisfactory progress, he or she may appeal that result on the basis of injury or illness, the death of a relative, or other special circumstances. Examples of special circumstances include but are not limited to: changing majors, if any grades that do not count in the new major impact SAP; if, after an unsatisfactory annual review, an "I" is converted to a passing grade; or, regaining SAP after one semester of ineligibility.

In an appeal, a student must explain failure to make satisfactory progress or why they believe they should be in a satisfactory status. An explanation should include specifics; e.g., changes to situation, errors, and other relevant information.

Appeals must be submitted in writing or by email to the Financial Aid Office for review by the Scholarship Committee (SC). The SC may decide to require more extensive information on an initial appeal and some type of an updated statement on a subsequent appeal.

The SC will review a student's appeal and notify the student in writing of their decision. A copy of this letter will be placed in the student's financial aid file. The SAC has the following actions: deny an appeal, probation without an academic plan, probation with an academic plan, reinstate eligibility, and return the appeal to the student for additional information.

Financial Aid Probation

Financial aid probation is a status a school assigns to a student who is failing to make satisfactory academic progress and who successfully appeals. Eligibility for aid may be reinstated for one payment period.

If the SC determines that a student should be able to meet the SAP standards by the end of the subsequent payment period, the student may be placed on probation without an academic plan. A student's progress must be reviewed at the end of that one payment period.

If the SC determines that a student will require more than one payment period to meet SAP standards, the student may be placed on probation with an academic plan developed with the academic advisor. The academic plan needs to ensure that the student is able to meet SAP standards by a specific time and is to be approved by the ACC.

A student's progress under an academic plan must also be reviewed at the end of that one payment period to determine if the student is meeting the requirements of the academic plan. If meeting the requirements, the student is eligible to receive aid as long as the student continues to meet the requirements and is reviewed according to the requirements in the plan.

Subsequent Appeals

A student on probation without an academic plan, who fails an SAP check, may only continue to receive aid under a subsequent successful appeal to the SC. Follow the same procedures outlined above, including notification and documentation.

A student on probation with an academic plan, who fails an SAP check, may appeal again but is unlikely to have their appeal approved. Follow the same procedures outlined above, including notification and documentation. Only a successful appeal to the ACC can change an academic plan.

Reestablishing aid eligibility

Students regain financial aid eligibility by taking action that brings them into compliance with SAP standards. This can be done without having appealed by achieving a 2.0 CGPA and/or meeting the 67% “pace” at the next annual SAP check, by a successful appeal that reinstates eligibility, or by successfully completing probation with or without an academic plan.

Return of Title IV Funds (Federal Funds)

Per federal regulations, schools are required to provide students with the details of all refund policies which may be applicable to them, as well as information on the requirements for determining the amount of Title IV funds a student has earned when he/she withdraws. Contact the Financial Aid Office for details of these policies.

If a student who receives Title IV grant or loan funds withdraws from school after beginning attendance, the amount of Title IV grant or loan funds earned by the student must be determined. If the amount disbursed to the student is greater than the amount the student earned, the unearned funds must be returned. If the amount disbursed to the student is less than the amount the student earned, and for which the student is otherwise eligible, the student is eligible to receive a post-withdrawal disbursement for aid earned but not disbursed.

Federal Aid Programs

Eligibility for federally funded financial aid is established by the United States Department of Education regulations. All of Calvary’s undergraduate programs, excluding the one-year certificate program, are eligible for federal aid. The Free Application for Federal Student Aid (FAFSA) is primarily, but not exclusively, used to determine whether a student qualifies for federal financial aid and how much aid will be received. Step-by-step instructions for the online FAFSA may be obtained from Calvary’s Admissions or Financial Aid Offices; or log onto www.fafsa.ed.gov. Calvary’s U.S. Department of Education Title IV Institutional Code is 002450.

When completing the online FAFSA, the Department of Education regulations require students and/or their families to report all sources of income (including, but not limited to, employment, Veterans Benefits, interest on investment income, trust income, inheritance, etc.).

After the FAFSA form is evaluated, the applicant is issued a Student Aid Report (SAR) which specifies the student’s Estimated Family Contribution (EFC). The EFC is the amount of money the student and/or his family is expected to pay toward the student’s educational expenses. Also, the EFC assists in determining the amount of Pell Grant money the student is eligible to receive, and it assists in determining the student’s eligibility for the federally funded loan programs.

All financial aid funds received through the federal government Title IV assistance program at Calvary are disbursed and credited directly to the student's account throughout the semester, approximately two weeks after classes start. Funds are disbursed for only those classes which have begun and for which the student's attendance has been verified.

Credit Balances and Overage Checks

When a student has an FSA credit balance (disbursed federal funds exceed allowable charges), a check for the credit balance will be made available to the student within 14 days of Calvary receiving the funds which created the credit balance. The student will receive an email from the Cashier sent to their Calvary email address, notifying and instructing them on how and where the check may be obtained when it is available. If the student wishes, they may instruct the Financial Aid office to hold the credit balance on their Student Account until the end of the semester. An authorization form is available from either the Financial Aid or Cashier Offices.

Students receiving a Pell Grant for the semester and who have a projected Federal Student Aid (FSA) credit balance for the payment period, will receive by a check the lesser of their FSA credit balance or cost of books and supplies allowance used for determining the student's Cost of Attendance. This check will be made available by the seventh day of the payment period of each semester. To be eligible, the student must be receiving a Pell Grant and have completed the process for applying for Federal Financial Aid. This includes submitting all required verification documents and accepting their Award Offer Notice. Additionally, if using student loans, the student must have completed Entrance Counseling and a Master Promissory note no later than 10 days before the start of the payment period. Any remaining credit balance will be refunded to the student within 14 days of the federal funds being disbursed and credited to their student account. If, for any reason, the student fails to begin attendance or earn the aid that Calvary has advanced, the student is responsible for all charges on their student account, including the money disbursed to the student for purchasing books and supplies under this policy. Students may opt out of this process for purchasing books and supplies by contacting Calvary's Financial Aid Office in writing. If a student opts out, Calvary will not provide any alternative means to the student for purchasing books and supplies.

Grants

Calvary University participates in the Pell Grant program, a need-based program funded by the U.S. Department of Education. The maximum amount for the academic year beginning in fall 2015 is \$5775 (\$2888 in the fall semester, \$2887 in the spring semester). For a student to be eligible, a FAFSA must be completed, and the resulting EFC on the student's SAR must be low enough to qualify (see "Federal Aid Programs"). A grant is "free" money in that a student does not pay it back to the school or government. The Financial Aid Office can answer questions about the Pell Grant.

Loans

Calvary University participates in the Stafford Loan program, a student loan program under the U.S. Department of Education. Stafford Loans are NOT "FREE" MONEY AND MUST BE PAID BACK. Interest rates are low, and repayment begins six months after graduation or if enrolled for less than six credit hours. The amount that may be borrowed and the loan type(s) depend on financial need, college classification, and dependent or

independent status. The first step in seeking a loan is completing the FAFSA. The student must also complete Entrance Counseling and a Master Promissory Note online at www.studentloans.gov.

Another federal loan program, the PLUS loan, is available at Calvary University. It is for parents of dependent students. Repayment on the loans begins immediately. The parent is responsible for repayment. The parent applies for a Parent Plus loan by logging in with their FSA user ID at www.studentloans.gov.

Exit Counseling

Student borrowers of Direct Loans, who are graduating, leaving school, or are taking less than six hours in any semester, are required by law to complete exit counseling. Exit counseling provides important information a student needs to prepare for repaying their student loan(s). During exit counseling, the student will review their rights and responsibilities as a borrower. The student will also need to provide the names, addresses, email addresses, and phone numbers for their next of kin, two references who live in the United States, and their current or future employer. Calvary requires students to fulfill their legal requirement of completing exit counseling online. For more information, please contact the Financial Aid Office.

Federal Supplemental Educational Opportunity Grant (FSEOG)

This is a grant available to students who have financial need. Recipients will be chosen in order of priority based on students with the lowest EFCs (expected family contribution number from FAFSA) who are also receiving Pell. Limited funds are available for this grant. Therefore, not all who qualify will receive an award.

Veterans' Benefits

Calvary is approved for the education of veterans. Veterans should check with the Veteran's Administration regarding eligibility for educational or other VA benefits. The Veteran's Administration may be contacted by calling 1-888-GI-BILL-1 (1-888-442-4551) or online at www.gibill.va.gov. Please visit Calvary's Military Benefits page at www.calvary.edu/militarybenefits or request a Military Benefits brochure for more information.

SCHOLARSHIPS

Scholarship Qualifications

To receive Calvary scholarships, a student must be degree-seeking and enrolled in at least 12 credit hours in a traditional semester program; financial need determined, so the FAFSA must be completed; after the first semester, satisfactory academic progress (see Policies) must be maintained; Calvary must have funds available for scholarships; and certain other academic or special qualifications may be necessary, depending on the scholarship.

Application forms may be obtained from the Financial Aid Office, or online at www.calvary.edu/bible-college/financial-aid/scholarships/.

The Student Aid Committee awards Calvary scholarships. The Committee may modify scholarship requirements to meet available funds and other special situations; its deliberations and decisions are confidential.

Calvary-funded scholarships are awarded to cover tuition and fees at Calvary University only. Student payments, including outside scholarships, Pell Grant, Student Loans, and all other sources of payments on a student account, are applied to a student's billing charges first, then Calvary-funded scholarships are applied to any remaining balance. Any resulting credit balance is left on the student's account, and can be used in future semesters. Calvary does not pay out credit balances created by Calvary-funded scholarships to students. If the student ceases attending Calvary, any remaining credit balance resulting from Calvary-funded scholarships will result in a reduction of previously awarded scholarships to zero out the student's balance.

Scholarship Application Deadlines

The scholarship deadlines are March 1 (early consideration) and April 1 for new, transfer, or returning students entering in the fall semester and December 1 for new or transfer students entering in the spring semester (i.e., only students enrolling at Calvary for the first time in the spring semester may apply in December). Applications must be renewed each year for returning students by the April 1 deadline. Deadlines allow for scholarship award notification letters to be received by students early enough to help in their decision-making process and for high school graduation ceremonies.

In order to make the scholarship program at Calvary a success, all scholarship recipients will be required to help with the President's Dinner in September and/or make phone calls during the Alumni Phone-a-thon in February. Your service, including amount of time required, will be based upon the semester and total amount of Calvary-funded scholarships/grants which you receive. These requirements must be met each year that you receive the scholarship/grant. Failure to fulfill your obligation will result in the loss of these scholarships/grants you have been awarded and make you ineligible to receive Calvary scholarships/grants in the future.

Monthly ACH Payment Plan

Calvary offers MAPP (Monthly ACH Payment Plan); this is done by Advanced Education Services, Inc. (AESI). AESI arranges payments for students and/or parents via automatic payment withdrawals from a savings or checking account or with a credit or debit card. A \$35 enrollment fee is paid to set up payments for each semester. The fee is required for both the fall and spring semesters. The enrollment fee is automatically deducted on either the 1st or 20th day of the month, and all payments apply toward the student's semester charges. There are no interest charges. Calvary reserves the right to charge service fees for payments that are rejected for insufficient balances. MAPP payments should be set up in advance of a semester in order to divide balances into the maximum number of payments and smallest

monthly withdrawals. To establish payments, please visit www.calvary.edu/cashier, or call AESI at 1-800-551-2773, ext. 15.

EMPLOYMENT

A limited number of on-campus jobs are available for students. Areas of employment include food service, security, and housekeeping. Any student who works for the College will have the option of applying their earnings directly toward their bill.

Off-campus job openings are posted on a bulletin board outside the KA-Bar Cafe. Through Calvary's Study and Work Program, several employers in the local Kansas City area have committed to hiring Calvary students. For more information, contact the Director of the Study and Work Program at 816-425-6127 or visit www.calvary.edu/swponline.

The Department of Homeland Security requires employers to view a new employee's original (not copied) ID documents within three days of the date of hire. Students planning to seek employment while at Calvary may contact the Human Resources office for information about the type of identification required.

Study / Work Program

Calvary's Study/Work Program (SWP) is designed to reduce dependence on Federal Student Aid and minimize student loan debt. The SWP provides a means to help fund the student's education through employment on campus or with a local Calvary business partner. These positions will help fund tuition expenses while accommodating the student's academic schedule. The goal of the Study / Work Program is to develop the leadership qualities of Calvary students and enable them to impact the world for Christ without being hindered by the burden of student loan debt. A variety of different positions are available. For job availability, or general questions, please contact the SWP Director.

ACADEMIC POLICIES

Students are responsible for knowing and abiding by the policies, procedures, regulations, and requirements set forth in the College catalog and published supplements to it.

Academic Advising

Students are responsible to see that all courses are taken according to the program requirements specified for the student's professional major and that all degree requirements are met. An academic advisor is available to provide guidance concerning academic programs and to verify the accuracy of course selections, but the ultimate responsibility for knowing program requirements and proceeding to satisfy those requirements in an orderly and timely manner is the student's.

Academic Classification

Students are classified as being either degree students, those seeking a degree or certificate, or as non-degree students, those taking classes to satisfy requirements at another college or for other personal reasons.

Degree students are classified according to the number of credit hours they have earned:

Freshmen	→	FR	(1 - 29 credit hours)
Sophomores	→	SO	(30 - 59 credit hours)
Juniors	→	JR	(60 - 89 credit hours)
Seniors	→	SR	(90+ credit hours)

Non-degree students are classified as ND; they are not classified based on hours.

Academic Honesty

It is assumed that all students enrolled at Calvary have done so for the primary purpose of learning. As such, students are expected to refrain from those actions that contradict this purpose and which would jeopardize their Christian character and testimony. Plagiarism is strictly prohibited, and academic cheating of any type will result in disciplinary action and may include dismissal.

Plagiarism is defined as copying any part of a book or paper without identifying the author. This includes taking another person's ideas and presenting them as your own. Plagiarism of any kind will not be tolerated.

Penalties for Violation of Federal Copyright Laws

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work

infringed. A court can, in its discretion, also assess costs and attorney's fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the website of the U.S. Copyright Office at www.copyright.gov.

Academic Load

A normal academic load is 16 credit hours per semester. A minimum of 32 credit hours per year for four years is required for a student to earn a degree in a professional major requiring 126 credit hours. Some majors require more than the minimum 126 credit hours. Students desiring to enroll for more than 18 credit hours in a semester are required to obtain approval from the Registrar and their Academic Advisor and should have a cumulative grade point average of 3.0 or above. Students wishing to take more than 24 credit hours in a semester must appeal in writing to the Academic Curriculum Committee (ACC).

Since Calvary does not have a summer session, traditional students may request to take up to 6 additional hours of course work during the third session of Non-Traditional Studies courses in the spring and up to 6 hours of course work during the first session of Non-Traditional Studies in the fall. The request to take additional hours must be made to the Registrar's Office in writing. Students with less than a 3.000 cumulative GPA must also receive the permission of their Academic Advisor to go beyond the 18 hour limit.

To be considered a full-time student at the College, a student must enroll in a minimum of 12 hours per semester.

Academic Progress

Students who maintain a cumulative grade point average equal to or greater than 2.000 will be considered to be making satisfactory progress. The academic status of these students is "Good Standing." All students receiving an academic warning or who are on academic probation because of low grades are strongly encouraged to take advantage of The Learning Center. Calvary has provided The Learning Center to help students be successful in their academic pursuits.

Success Advisor Program

New students admitted on Academic Probation and current students placed on Academic Probation will be teamed up with a Success Advisor. The Success Advisor will provide focused guidance and assistance to students facing academic challenges and tailor a program designed to help the student succeed.

The Success Advisor will coordinate with the Academic Advisor for students who have been placed in the program. Possible adjustment to schedules, meetings with The Learning Center, and one-on-one Success Advisor meetings are designed to motivate and set students up to succeed and ultimately work themselves off probation. Once a student meets requirements established for removal from probation, the Success Advisor will make recommendations for further improvement and transition out of the advising role for that student. The student will then continue to advise with their regular Academic Advisor. Success advising is only for academic needs and not for emotional issues. Disability Support Services is a separate program, and accommodations will only be set up for students who have applied and have been accepted into the DSS program.

Academic Warning

Students who earn a semester GPA lower than 2.000 while maintaining a cumulative GPA above 2.000 will receive an academic warning. Continued performance of this quality may result in academic probation, but their academic status is “Warning.”

Academic Probation

Students whose cumulative grade point average falls below a 2.000 at any time will have earned the academic status of “Probation.”

Probationary students are subject to academic limitations and restrictions on extracurricular activities such as athletics, drama, and musical groups. No student on academic probation may suit up for athletic games or travel with the team. However, they may practice with the team. Students on probation may not be eligible for Calvary scholarships and may not be eligible for federally funded financial aid. They also may not be a Resident Assistant.

The academic load of probation students will be limited to:

- ✓ 12 hours for students entering on probation
- ✓ 12 hours for students with a cumulative GPA from 1.500 to 1.999
- ✓ 9 hours for students with a cumulative GPA from 1.000 to 1.499
- ✓ 6 hours for students with a cumulative GPA below 1.000

Students placed on academic probation may be required to enroll in GE100 College Life Seminar. They may be required to enroll in this course each semester until their cumulative GPA rises above 2.000. The Academic Probation Committee may state what academic progress will be required for students who cannot get off probation in one semester due to reduced academic load limits. Conditions of the plan will be presented in the probation notice and to the Academic Advisor of the student. Students on such an academic plan must be above 2.000 or higher each term the plan is in place. The plan may not exceed more than three semesters. Students on probation and in danger of academic suspension will not be allowed to register for Cycle One Non-Traditional Studies courses in the fall semester until the Student Academic Plan (SAP) has been determined.

Academic Suspension

Students who earn academic probation for two consecutive semesters at Calvary, who do not have an academic progress plan in place, will have earned the academic status of “Suspension.” Students who fail to accomplish their academic plan for getting off probation will also earn the academic status of “Suspension.” New students who are accepted on academic probation and fail to earn at least a 1.000 cumulative GPA their first semester will be placed on academic suspension. Any student on academic suspension will not be allowed to enroll at Calvary for one semester. When a student re-enrolls, the student will be on probation.

Academic Dismissal

Any student re-enrolling at Calvary after academic suspension, who fails to earn at least a 2.000 semester GPA for the semester in which the student returns, will have earned the academic status of “Dismissal.” A student academically dismissed from Calvary will not be allowed to continue at Calvary. Only if the student earns a minimum of 12 transferable credits

at another accredited college or university, will he/she be considered for re-enrollment at Calvary.

Academic Recognition

Students who have earned 12 or more credit hours from Calvary in any given semester are eligible to receive academic recognition. The *Dean's List* for each semester is composed of those students who achieve a 4.000 semester grade point average. The *Honor Roll* is made up of those students who achieve a semester grade point average of at least 3.500 but less than 4.000.

Academic Year

Traditional college courses in the fall begin the Tuesday following the fourth Monday of August. Spring semester courses begin the Tuesday before the Martin Luther King holiday in January. The start and end dates of the traditional courses are as follows for the duration of this catalog:

Fall 2016: August 23 through December 14 **Spring 2017:** January 10 through May 10

Fall 2017: August 29 through December 20 **Spring 2018:** January 9 through May 9

Note: Students involved in two continuous semesters or terms (Fall/Spring or Spring/Fall) are expected to complete 24 credit hours to be considered full-time.

J-Term - J-Term classes are held the first week of January before the traditional Spring Term begins.

Appeal Process

Appeals for exceptions to academic policies and regulations are to be submitted in writing to the Chief Academic Office, or the Registrar for consideration by the Academic Curriculum Committee. The Chief Academic Office or the Registrar's Office should be contacted regarding procedures and/or forms.

Assignments

Students are responsible for on-time fulfillment of all assignments made by professors. Grades may be reduced for late work. Assignments are to be completed according to accepted standards for research, investigation, reporting, spelling, organization, style, grammar, neatness, and originality.

Attendance

Students are expected to attend all scheduled meetings of courses for which they are registered. A traditional semester lasts for 16 weeks.

For traditional college courses, if a student begins a scheduled course and misses more than the equivalent of two weeks, his/her grade for the course is lowered by one letter grade. A student missing more than the equivalent of three weeks of a scheduled course is administratively withdrawn from the course and receives an AF or AP grade. Some courses meet for less than 16 weeks. The above policy will be prorated based upon the actual meeting schedule of the course.

During J-Term classes, if a student misses more than one day's session of class, he/she will be administratively withdrawn from the course and receive an AW, AF, or AP grade.

In no case is the cessation of class attendance taken as intent to withdraw from a course. In order to officially withdraw from a class, the student must notify the Registrar's Office. (Please see the Refund Policy in the Finances section of this catalog for information about

withdrawing from class.) Classes missed due to official school sponsored events or functions are not considered part of the general absence policy of Calvary.

Tardy Policy

One absence will be assessed for every three times a student is tardy to class for a total of 10 minutes or less (being late to class, leaving early, etc.). Students who are tardy from a class for more than 10 minutes will be assessed one absence for that class.

Short Term Absence

One or two weeks of short-term or compassionate absence will be granted for the death of an immediate family member (spouse, child, parent, sister, brother, or grandparent) or other extenuating circumstances. A student must fill out a Short-Term Absence form and return it to the Student Deans Office. This absence request allows the student to return and finish their coursework before the end of the term. The completing of missed assignments is left to the discretion of the professor. Classes missed as part of short-term absence are not considered part of the general absence policy of the College.

Appeals of Attendance Policy

Student appeals for exceptions to attendance policies are to be submitted in writing to the Chief Academic Office or Registrar for consideration by the Academic Curriculum Committee.

Independent Study/Non-classroom Courses/Applied Lessons

If a student begins a course and misses two due dates, his/her grade for the course is lowered by one letter grade. If a student misses a third assignment due date, he/she is administratively withdrawn from the course and receives an AF or AP grade.

If a student takes a non-classroom course, regular contact with the instructor will be arranged by the instructor and expected. Contact with the student may be through face-to-face meetings in the instructor's office, through phone calls, Skype, Google Drive, emails or other electronic means. The instructor will have the authority to choose the method of interaction. An instructor's direction and interaction with the leader of an internship or project will also be considered teaching contact.

If a student begins an applied music lesson course and is unable to attend a lesson, he/she is responsible to make arrangements with the instructor to make up the lesson or it will be considered an absence. If a student has two absences, his/her grade for the course is lowered by one letter grade. If a student has a third absence, he/she is administratively withdrawn from the course and receives an AF or AP grade.

Auditing / Personal Enrichment

Auditing a class is open to any degree student currently enrolled in a class for credit. Auditors attend class under the regular class attendance policies. They are not required to take examinations, quizzes, or do other projects that may be assigned. At the discretion of the professor, auditors do not participate in class discussions or have assignments graded. Academic credit is not received and hours are not computed in the grade point average. A class being audited may not be changed to being taken for credit after the last day to add a class. Only regularly scheduled classroom courses may be audited and then only for the hours

for which the course is scheduled. Not all courses are available for audit. Private lessons may not be taken for audit or personal enrichment. Students are to register for classes online, then go to the Registrar's Office to request the class be changed to audit status.

Taking a class for personal enrichment follows the same guidelines as auditing a class with two exceptions. First, the person does not have to be a degree student. Second, attending the class does not generate an academic record. Therefore, there are no transcripts for classes taken for personal enrichment. A certificate of attendance may be issued at the end of the course for those successfully completing the course for personal enrichment. Please note that a non-degree student may not pay the degree student rate for personal enrichment, but rather must pay the rate for someone who is not a student. Online registration is not available for personal enrichment participants. Forms are available at the Registrar's Office.

College Life Seminar

College Life Seminar is designed to help students adjust to college life, to gain an understanding of the philosophy and goals of the College, to learn how to obtain the most out of their courses, and to learn to organize their time to accomplish their objectives in each course. College Life Seminar (GE100) is a six-week course. Another requirement, Developing a Biblical Worldview (RP100), follows College Life Seminar. This course is designed to teach students how to live according to a biblical worldview. Students on academic probation may be required to retake GE100. There are only three ways that a student may not be required to take College Life Seminar:

1. By having earned credits at another college in an equivalent class which will transfer to Calvary.
2. By having earned a minimum of thirty credit hours at another college with a minimum cumulative GPA of 2.5 (on a 4.0 system).
3. By having the Vice President of Student Services permission to waive or to postpone the class.

Course Cancellations

All course offerings are subject to enrollment minimums. The College reserves the right to cancel classes for which there is insufficient enrollment.

Course Levels and Requirements

Students are to complete all lower-level course requirements before taking higher-level ones. Thus, a student's 100-level course requirements are to be completed before the student takes 200-level courses, 200-level courses are to be taken before 300-level courses, and so on. When circumstances warrant, students may take courses at the next higher level while completing course requirements at a lower level. To take a course two or more levels higher than the student's class year, approval is to be obtained from the course professor, the student's academic advisor, and the Chief Academic Officer.

Course Numbering System

001-099	Pre-college, not-for-credit, or remedial courses
100-199	Freshman level courses
200-299	Sophomore level courses
300-399	Junior level courses
400-499	Senior level courses

Credit Hours

One hour of credit is granted for each hour (50-minute period) a class meets per week for a semester. A semester lasts for 16 weeks (15 weeks for classes and the last week for final examinations). Two semesters or terms equal an academic year.

Declaring a Major

All degree students are required to declare a professional major by the end of the second semester of their sophomore year (or upon entrance for junior and senior transfer students). A student is required to be accepted into a major in order to graduate.

Students who have not declared a professional major do not qualify for and will not be able to receive federally funded financial aid.

Dual Credit (Undergraduate / Graduate)

Certain circumstances may exist where a student may need to enroll in both undergraduate and graduate courses concurrently. They may do so under the following provisions. 1) The student must apply and be accepted by the Seminary before enrolling in courses. 2) The student must not enroll in more than nine (9) credit hours of graduate credits. 3) The student must need no more than twelve (12) credit hours to receive their undergraduate degree. 4) The student must have and maintain at least a 2.500 cumulative GPA. 5) The student must file the proper paperwork in the Registrar's Office with the signatures of their Academic Advisor, Seminary Dean, and Registrar before enrolling in the courses.

Final Examinations

Faculty administers final examinations in accordance with the schedule issued by the Registrar. Changes or exceptions to this schedule may only be made with the approval of the Chief Academic Office and notification of the Registrar.

Students are to take their final exams during final exam week according to the schedule issued by the Registrar, except for a compassionate absence occurring during final exams. Students with three or more final exams scheduled on one day may, at the discretion of the professor and at no charge, arrange with the Registrar to take all but two of the exams during a scheduled exam period on another day. Appeals for exceptions to this policy are to be submitted in writing to the Chief Academic Office or Registrar **at least** one week prior to the final exam(s). Approvals will be granted only for serious reasons and are charged a \$15 fee for each exam changed. The maximum charges for a semester will be \$45.

First Semester Course Work

To ensure traditional students attending Calvary University have the learning skills required to complete their programs and have academic success, three courses must be taken during the first semester of attendance. All enrolling freshmen and all transfer students will be required to take GE100 College Life Seminar, BI100 Introduction to the Bible, and EN112 College Composition I or EN100 Introduction to College Composition unless these courses transfer from another accredited institution. All transfer students with more than thirty hours from other institutions and not on probation are not required to take GE100. However, they are required to take BI100 and any English course that hasn't been transferred in from another institution. All incoming students will be required to take an English writing exam to prove their proficiency in handling English grammar and writing. Students who have college

transfer credits, official passing CLEP, or AP exam scores sent to Calvary University in College Composition will receive credits on their transcripts for composition, but must still take the proficiency test.

The above policy will be prorated based upon the actual meeting schedule of the course.

The above policy will be prorated based upon the actual meeting schedule of the course.

LA Leave of Absence; requires a student to be out of class for up to 180 days. Students not returning within the 180-day period will be issued an “F” grade for all classes having the “LA” designation.

AU Successful Audit; indicates regular attendance and involvement in an audited course; academic credit is not received and hours are not computed in the grade point average.

WA Withdrawn Audit or Unsuccessful Audit.

Course Grades

Grades become final six weeks after they are posted at end of the semester or cycle in which they were earned. Appeals regarding a grade given in a particular class should first be made to the professor, and then, if satisfactory terms are not reached, further appeal may be made to the Chief Academic Office (within the six weeks following the posting of the grades at the end of the semester or cycle). Appeals to the Chief Academic Office must be in writing.

Request to Complete Course Work/Incomplete

Unavoidable circumstances occasionally make it necessary for a student to request additional time to complete course work for a class after the end of the semester. If it is necessary, the following procedure is to be followed:

- The student completes the Request to Complete Course Work form and obtains the required approval signatures.

- All course work should be completed and submitted to the professor no later than six weeks after the end of the semester.
- By faculty action, the course grade awarded will be lowered one letter grade; exceptions may only be made by the Academic/Curriculum Committee.
- A grade of “I” (incomplete) will be assigned as the course grade until a grade change is processed after completion of the course work. An “I” is not figured in the grade point average.

Grade Point Average

The Calvary grade point average (GPA) is calculated using the following formula: GPA equals total grade points from courses taken at Calvary divided by total credit hours. Total grade points is the sum of the products of the credit hours of each course taken at Calvary times the grade point value of the grade earned in each course (see “Grading System” for grade point values). Total credit hours are the sum of the credit hours taken at Calvary. Pass/Fail courses do not affect total credit hours for the purpose of calculating the GPA. The Calvary GPA is calculated using only courses taken for credit at Calvary. Transfer credit does not affect the Calvary GPA.

Repeating a Course

When a course is repeated for credit, normally both grades are posted and calculated in the semester and cumulative grade point averages. However, under specific circumstances, a student may elect to repeat a course and use only the second grade for calculating the cumulative GPA. The first grade will continue to be printed on the transcript, but will be marked as a repeated course which will not be included in GPA calculations. The student may repeat up to a maximum of 24 credit hours. Only “D”, “F”, “AF”, and “WF” grades may be repeated under this option. In no case when a course is repeated will credit toward a degree be given twice for the same class. The student must choose to elect this option by filling out the appropriate form in the Registrar’s Office. The repeated class must be taken in the same format as the original format (repeat an intensive course with an intensive course, etc.) or with an equivalent course in the traditional format.

Individualized/Independent Study Courses

Individualized courses are exceptional arrangements permitting course credit to be earned for a non-classroom study or for a regularly scheduled classroom course to be taken for additional credit or less credit. For a non-classroom study, the student is to be at least a junior with a cumulative Calvary GPA of 3.000 or above. For a regularly scheduled classroom course for extra credit, the student is to be at least a sophomore with a cumulative Calvary GPA of 2.750 or above. Any student may take a regularly scheduled course for less credit. No more than nine credit hours of non-classroom study or extra credit taken in conjunction with a regularly scheduled course may be used to meet graduation requirements. Written approval for each study is required from the Registrar, the student’s academic advisor, the professor overseeing and grading the study, and the Chief Academic Officer. Independent Study forms are available in the Registrar’s Office.

Online Courses

To register for online courses, students must first meet with their academic advisor for course approval. Online courses may be taken to meet some program requirements. These

courses are offered in an 8-week format. Instructors will use “forums” to interact with individuals and all corporate classes on a regular basis. Students will receive points for participating in the “forum” classroom discussion. Online courses are not available for auditing or personal enrichment.

Traditional students are limited in the number of online courses they may take per semester by the following. 1) Traditional students are limited to registering for one online course in Cycles 2 and 3 in the fall semester, and Cycles 1 and 2 in the spring semester. 2) They may register for more than one online course during Cycle 1 in the fall semester, Cycle 3 in the spring semester, and any Cycle that takes place through the summer months. 3) The student is encouraged to take courses in the traditional format whenever possible.

Orientation

New freshmen and transfer students are required to attend the orientation session scheduled just before the start of their first semester at Calvary. This time is used to inform them of College policies and regulations, to introduce them to the faculty, to register them for their first semester of classes, and to provide an opportunity to socialize with fellow students. The Orientation Fee charged for this at registration covers the cost of the sessions and social activities.

English Proficiency

All new students are given an English proficiency examination before the beginning of their first semester. This course is available online and must be taken before classes begin. Students with low scores on the proficiency exam will be required to take EN100 Introduction to College Composition. This course is designed to help students improve their composition skills and enhance their success in the classroom.

Advanced Placement Program

Calvary awards credit for satisfactory scores on Advanced Placement (AP) program examinations. A minimum score of 3 (or higher) is required. An official transcript from the AP program is required in order to be granted credit. AP credit will be accepted only in the first two semesters of enrolling at Calvary. For further information regarding the AP exams, contact a high school counseling office or the Registrar's Office at Calvary.

International Baccalaureate

International Baccalaureate examinations are tests taken as the culmination of a special high school study program. Several of the Higher Level exams count for credit if the score earned is a 5 or higher. Credit for these exams is given on a case-by-case basis upon evaluation by the Registrar's Office.

College Level Examination Program (CLEP)

Students must be accepted to Calvary University, enrolled, and attending course(s) for CLEP credits to be placed on their transcript. CLEP credit is only granted for undergraduate courses meeting minimum score criteria as established by the American Council on Education (ACE). Students must request that an official copy of the test score(s) be sent to Calvary University Registrar's Office for consideration. Additional considerations:

1. All CLEP credits are recorded as transfer credits with a “P” grade and are not calculated in the student’s grade point average.
2. Students who have CLEP credit(s) on another institution’s transcript and want that credit transferred must request an official copy of the test score(s) to be sent to the Calvary University Registrar’s Office. Credit will only be received if the scores match Calvary University standards.
3. Test date of the CLEP exam must be within the last ten years to be accepted as credit.
4. CLEP test credits may be used only for general education requirements. Calvary University will allow additional foreign language courses to be taken if the student is in a bachelor of arts program.
5. Credits will be awarded based on CLEP minimum scores and Calvary University equivalencies.
6. No CLEP exam may be taken by graduating seniors during their last semester. Fall graduates must take exams before/by September 15; spring graduates before/by January 15.

Educational Experiences in the U.S. Armed Services

Calvary accepts as transfer credits hours of military training deemed to apply to the applicant's degree program at Calvary. *The Guide to the Evaluation of Educational Experience in the Armed Services*, published by the American Council on Education, is used to determine course and credit-hour equivalence.

Registration

Enrollment in a class is not official until the proper registration procedures have been processed through the Registrar's Office and all financial obligations have been paid, or approved arrangements for payment have been made in the Financial Aid Office and Cashier’s Office. A student will be recorded as absent from class until he/she is officially registered.

Early Registration for Next Semester Courses

The College holds early registration for the upcoming semester for currently enrolled students. Early registration for the spring semester will be the first fifteen days of November. Early registration for the fall semester will be the first fifteen days of April. Students who have not met with their academic advisor will not be permitted to register for courses. Students who fail to register by the deadline will be assessed a late registration fee. Returning students are also responsible for making financial arrangements by the end of the early registration month. Spring arrangements must be made by November 30. Fall arrangements must be made by April 30. Students not making arrangements by those dates will be assessed a fee and may be dropped from registered courses.

Residency Requirement

Students enrolling to complete the certificate program are required to complete all of the course requirements for the certificate at Calvary. Students enrolling to complete an associate's or bachelor's degree must complete at least 32 of their last 41 hours of credit toward their degree at Calvary, no matter how many credits may have been transferred from other colleges earlier in their program. Courses taken to meet program requirements that are not offered at Calvary, and therefore are taken at other schools, are exempt from this residency requirement (e.g., Professional Directed Studies major courses and student teaching courses). All students must still complete at least 32 hours of course work at Calvary in order to receive a degree. Online degree students must complete at least 32 of their last 41 hours of credit toward their degree with Calvary.

Schedule Changes

No course may be added after the end of the first week of classes. Courses may be dropped through the ninth week of classes without any academic penalty. Courses may also be changed from being taken for credit to audit through the ninth week of classes. Students withdrawing or being expelled from a class or school after the ninth week of classes are assigned WP or WF grades.

The untimely death of a current student presents an exception to the stated policy. The deceased student will receive a W grade for all courses not complete. Instructors and the financial aid office will be notified of the student's death, along with the President's Office, the Vice President of Student Services (Dean of Men), the Chief Academic Office, and the Business Office.

Transfer Credit

Course Work from Other Colleges

Students who have studied previously at another college(s) are required to have an official transcript sent to the Admissions Office from each college attended. Transcripts are official only if they are mailed directly to Calvary from the college. The Admissions Office will have the Registrar's Office evaluate the transcripts to determine how many credits will transfer to Calvary. For an accurate evaluation, a major at Calvary must be declared.

Transfer credit may be granted for courses where: (1) a grade of C- or above was earned; (2) the courses are equivalent to and meet degree requirements for the major chosen at Calvary, and (3) the college is accredited by the Association for Biblical Higher Education, the Higher Learning Commission, any regional accrediting agency, or one of the other institutional accrediting agencies recognized by the Council for Higher Education Accreditation (CHEA) and listed by the American Council on Education in its publication, *Directory of Recognized Accrediting Agencies and Supporter of Accreditation*.

Transfer credit does not affect the GPA calculated for courses taken at Calvary, which is calculated using only coursework taken for credit at Calvary.

Students coming to Calvary University from non-accredited institutions may receive up to a maximum of 48 credit hours transferred for Bible courses taken at those institutions. Systematic and Practical Theology courses are not transferable. Transfer decisions will be made on a case-by-case basis upon review of submitted course descriptions and course syllabi along with educational qualifications of teaching faculty (to be supplied by the student).

Calvary University will only consider approving credit for courses where the student receives a letter grade, and that grade must be a “C-” or higher. “Pass/fail” or “satisfactory/unsatisfactory” grades are not transferable to Calvary.

Credits will be transferred after the student is accepted to Calvary and has supplied ALL the required documentation:

- (1) From Accredited Institutions: Official transcripts
- (2) From Non-Accredited Institutions: Official transcripts, course syllabi, and instructor credentials.

The Registrar’s Office will determine what courses are transferable, and at that time the courses will be placed on the student’s Calvary transcript.

Bible Language courses from non-accredited institutions are transferable but will only be accepted after the student passes a proficiency exam taken at Calvary University. The student must supply the course descriptions and course syllabi along with the educational qualifications of teaching faculty.

General Education courses from non-accredited institutions will not be transferable. Students are encouraged to prove proficiency in these subjects through taking CLEP exams (see section on credits by examination).

Because of state certification requirements, the Education Department has special rules regarding transfer credits. See the department description in the Program of Study section of this catalog.

Distance Learning Courses

College-level distance education courses are to meet the same transfer credit requirements as other transfer courses. Certificate students may only take distance education courses from Calvary University. Any credit(s) to be transferred to Calvary (including distance education courses) from other institutions granting college-level academic credit are to be completed and official transcripts received by the Registrar’s Office no later than the Wednesday prior to Commencement. Students who need to transfer a significant number of hours from other institutions to achieve a major or minor requirement are advised to schedule these courses beginning in their sophomore year so as not to delay graduation.

Articulation Agreements

Calvary University has reciprocal articulation agreements with other colleges which allow students to seek degrees not completely offered at Calvary. Calvary has articulation agreements with the following institutions:

[Johnson County Community College; Overland Park, KS](#)

[Kansas City Kansas Community College; Kansas City, MO](#)

[Metropolitan Community College; Kansas City, MO](#)

While Enrolled at Calvary University

Students desiring to transfer course work to Calvary by completing course work elsewhere while they are enrolled at Calvary are to obtain approval through the Registrar's Office before beginning that course work. This applies to students who are pursuing a degree in a non-traditional format as well as those taking courses traditionally.

Withdrawal from School**Procedure for (Official) Withdrawal**

Withdrawal during the semester is generally inadvisable. However, unavoidable circumstances occasionally make it necessary. If it is necessary for a student to officially withdraw, the following procedure is to be followed:

- The matter should be discussed with the student's Academic Advisor, the Vice President of Student Services, or the Assistant Dean of Student Services.
- An official withdrawal form should be picked up in the Registrar's Office.
- Clearance from the Student Services department, the student's Academic Advisor, the Library, the Business Office, and the Financial Aid Office are to be obtained and the completed form returned to the Registrar's Office.

Students are on record until they complete all withdrawal procedures. All pertinent school regulations are binding until withdrawal procedures have been completed. In no case is the cessation of class attendance taken as intent to withdraw from school.

Administrative (Unofficial) Withdrawal

An administrative, or unofficial, withdrawal from school is initiated by the administration. The withdrawal procedures are completed by the administration (see the Grading Scale and Class Attendance policy).

Expulsion (Official Withdrawal)

An expulsion from school is considered an Official Withdrawal for grading purposes. The withdrawal procedures are completed by the administration and the student (see the Grading Scale and Standards of Conduct).

Temporary Withdrawal—Leave of Absence

When a student needs to withdraw from classes for a short period of time, a "Leave of Absence" status may be granted to the student. A "Leave of Absence" is issued only upon approval and for extenuating circumstances (family sickness, personal medical emergency, financial emergency, etc.) which requires a student to be out of class for up to 180 days in a 12-month period. Students not returning within the 180-day period will be issued an "F" grade for all classes having the "LA" designation. They will also be considered withdrawn from the college.

Students applying for a leave of absence must:

1. Obtain a leave of absence consumer information sheet from the Registrar's or Financial Aid Office.
2. Submit a request in writing at least one week in advance of the requested start date (if possible).
3. State the reason(s) for the request.
4. Provide assurance of intent to return to school should the request be granted.
5. Request the start and end dates of the leave of absence.
6. Submit their request to the Registrar's Office.
7. Upon return from leave of absence, resume program at the point left.

Military Personnel

Military personnel who are activated and/or deployed will be granted a "Leave of Absence" with conditions established on a case-by-case basis, depending on their deployment circumstances. Military spouses and dependents may apply for a standard "Leave of Absence."

Readmission Procedure

Students who do not maintain continuous enrollment in the College are required to apply for readmission through the Admissions Office. Students not enrolled for more than one semester are required to meet graduation requirements from the catalog in effect at the time they re-enroll.

GRADUATION REQUIREMENTS**Application for Degree or Certificate**

In order to graduate and participate in Commencement, an Application for Degree or Certificate is to be filed with the Registrar's Office no later than September 1 (or the first Monday after Sept. 1) for fall graduates and February 1 (or first Monday after Feb. 1) for spring graduates.

Catalog Requirement

Students are to meet graduation requirements from the catalog that is in effect at the time of their initial enrollment at Calvary. Students wishing to change to a more recent catalog may do so, provided they are enrolled when that catalog is in effect, and they submit a written request to the Registrar. Students re-enrolling or completing graduation requirements after being out of Calvary University for more than one semester are to meet graduation requirements from the catalog in effect at the time they re-enroll, or their transfer credit is received in the Registrar's Office. By meeting the catalog requirements, a student could earn a certificate, an associate's degree, and then a bachelor's degree from Calvary. The graduate may have a single major, a double major, or a major with a minor.

Christian Character

Calvary University places emphasis on student growth to Christian maturity. Character training is a part of the whole educational program, and failure to achieve an acceptable standard will prevent graduation.

Christian Ministry

Each candidate for graduation is to have successfully completed the Christian ministry requirements as outlined in the *Christian Ministry Handbook*. Those who have not completed this requirement prior to Commencement will not be permitted to participate in Commencement.

Commencement Participation

Commencement exercises are held annually at the conclusion of the spring semester. Participation in these exercises is highly recommended for all graduating students. In cases of hardship in returning for Commencement, candidates who have completed all academic requirements may present a written request to the Chief Academic Office to be graduated in absentia.

Students participating in Baccalaureate and Commencement exercises are to have completed all of their academic requirements prior to the date of Commencement. Internships are to be completed in the years prior to the year graduation is anticipated. Any credit to be transferred to Calvary (including distance education courses) from other institutions granting

college-level academic credit are to be completed and official transcripts received by the Registrar's Office no later than the Wednesday prior to Commencement. Students who need to transfer a significant number of hours from other institutions to achieve a major or minor requirement are advised to schedule these courses beginning in their sophomore year so as not to delay graduation.

Candidates who have not completed their degree requirements as specified above will not be permitted to participate in the Commencement exercises. Candidates who fail a needed course during the semester of Commencement will not be permitted to participate in that Commencement. Students not satisfying these requirements will have to wait and participate in the Commencement exercises following the completion of their degree requirements.

Diplomas will be delivered when all graduation and financial obligations have been met.

Credit Requirements

Students are to complete all course requirements for the professional major or program of study they have selected. The distinctive of the Bachelor of Arts degree is that it requires 12 hours in a biblical or foreign language. All 12 hours are required to be taken in the same language. The Bachelor of Science and Associate of Arts degrees do not require a language.

Doctrinal Understanding

Students who graduate from Calvary shall possess a foundational understanding of the Holy Scripture and Calvary's Doctrinal Statement. This is accomplished by satisfactory completion of 30 credit hours of Bible and Theology.

Financial Obligations

All financial obligations to Calvary are to be paid before a student is issued a degree or certificate. Transcripts (official or unofficial) of a student's academic record will not be issued until all financial obligations are paid.

Grade Point Average

A cumulative Calvary grade point average of 2.000 or above is required for a student to receive a degree or certificate and participate in Commencement.

Graduation Recognition

Awards

The following awards are given annually to honor qualified students:

Academic Major Awards	Delta Epsilon Chi Honor Society
Christian Character Awards	Who's Who Among College Students
Christian Ministries Awards	Zondervan Greek & Hebrew Awards
Excellence in Missions Award	

Honors

Meritorious work toward the baccalaureate degree receives recognition at Awards Chapel and Commencement as follows:

- Graduation with Honors - 3.500–3.649 cumulative grade point average
- Graduation with High Honors - 3.650–3.799 cumulative grade point average
- Graduation with Highest Honors - 3.800–4.000 cumulative grade point average

All work applied toward meeting degree requirements, including transfer work, is considered in figuring the grade point average (GPA) for graduation honors. This combined grade point average, however, may not exceed the cumulative GPA earned at Calvary. Transfer students must have earned at least 32 credit hours at Calvary with a minimum grade point average of 3.500 to qualify for honors recognition.

Second Bachelor's Degree Program

Students who have already received a bachelor's degree from Calvary University or from another regionally accredited institution can broaden their education by earning a second bachelor's degree with a different major. However, students may not earn a second bachelor's degree with a double major. Students may not obtain an academic minor in the second degree. Specific details include:

- A student must have received a four- or five-year bachelor's degree from a regionally accredited institution to be eligible to begin a second bachelor's degree.
- The student must have a minimum grade point average of 2.5 (where A = 4.0) in the last 60 semester hours of their first baccalaureate degree work.
- The student must complete at least 30 credits in his/her major subject area in residence at Calvary University (these hours may not be transferred from another institution) plus any additional courses necessary to qualify a student for a bachelor's degree at Calvary. The combined credit in both degrees must add up to at least 150 credits.
- The subject area of the second degree must be significantly different from the first.
- Students must complete all requirements for the major. If any of these requirements were satisfied in the previous degree, the remainder necessary to complete the minimum 30 credits of new courses should be satisfied with courses related to the major. For purposes of determining what major requirements apply to a given student, the applicable date is the date the student started coursework at Calvary after being admitted into the second undergraduate degree program. A minimum grade point average of 2.0 in all courses taken at Calvary is required for graduation.
- The proposed program must be approved by the Academic Curriculum Committee (ACC) and the appropriate faculty advisor.

To qualify for academic honors in a second bachelor's degree, the student must complete at least 45 new credits at Calvary with the requisite grade point average.

All students need to be aware of what is entailed in a second bachelor's degree. Before beginning work or considering options toward a second degree, each student should consult an academic advisor. Advisors will be glad to explain the requirements for a second bachelor's degree and clarify its limitations.

ACADEMIC RECORDS

Academic Transcript

An academic record or transcript is kept for each student in the Registrar's Office. All grades earned by the student at Calvary are posted on the student's academic transcript. The academic transcript also shows the credits transferred from other colleges that apply toward meeting the student's degree requirements at Calvary and, for NTS bachelor's degree students, credit earned through portfolio assessment. Credits from other colleges that do not meet Calvary's degree requirements are not posted.

At the end of each semester, the courses for which the student officially enrolled at Calvary, the grades earned, and the grade point average are recorded. Only courses dropped during the first two weeks of a semester are omitted. Cumulative hours attempted and earned at Calvary as well as the cumulative Calvary grade point average are listed following each semester's listing of courses and grades.

Transcript Requests

Federal law requires that all transcript requests be made in writing and signed by the student. Transcript Request Forms are available in the Registrar's Office or can be downloaded from the Calvary website (www.calvary.edu). Requests submitted by FAX are acceptable if they bear the student's signature and include credit card information to cover the fee. Requests for a transcript should include:

The student's name and, if applicable, maiden name

Official signature

Date of last attendance or degree earned with date of graduation

Birth date

Social Security number

A fee of \$5.00 is charged each time an academic transcript (official or unofficial) is requested from Calvary. Payment must accompany the request. Official transcripts bearing Calvary's seal are sent directly to the institution or organization designated by the student. Faxed transcripts are not considered as official by Calvary University or by most institutions or organizations receiving them. Only unofficial transcripts are issued to students. Transcripts are issued in their entirety, and no partial transcript will be issued. Transcripts, official or unofficial, will not be released if the student's financial account is not current.

Current students have access to prior grade reports through the online registration system. The system is password protected and available to all students who are not on either Business or Academic hold. These reports do not fulfill the requirement of an official transcript. The Registrar's Office can supply students with a verification of enrollment letter which will provide needed information for family insurance companies (health and auto).

Requests for transcripts should be sent well before the date that they are due to other institutions or organizations. The Registrar's Office attempts to mail transcripts within two business days of the date they are received. Reception of transcripts by receiving parties depends upon the accuracy of information found on the request form, the handling of mail by the receiving institution or organization, and the accuracy of payment information received by the Registrar's Office. Incorrect information will produce delays.

NON-TRADITIONAL STUDIES PROGRAM

The Non-Traditional Studies (NTS) program consists of courses similar or equivalent to the courses offered in the traditional program. There are many additional courses available in the NTS format. NTS courses differ from traditional courses in their method of delivery. Three delivery systems are available: intensive, online, and independent study courses.

Intensive Courses

A student must be at least 21 years of age to register for an intensive course. To register for intensive courses, students must first meet with their academic advisor for course

approval. Intensive courses are designed to fit the adult student's lifestyle because they are offered in the evening. Classes meet one night a week for six weeks. A variety of courses are offered in the intensive format and may be used to complete traditional or NTS degree programs. The deadline for enrollment in intensive courses is one week before courses begin. This allows the student time to print syllabi, order textbooks, complete initial work, and make financial arrangements for the course. Students who have not made financial arrangements will be dropped from the course.

Online Courses

To register for online courses, students must meet with their academic advisor for course approval. Students taking online courses for the first time must take the Online Ability Assessment found at <http://www.calvary.edu/bible-college/adult-students/onlineassessment/>. Upon completion, results must be copied and pasted into an email to be sent to the Dean of Online Studies for approval. Online courses may be taken to meet some program requirements. These courses are offered in an 8-week format. Instructors will use "forums" to interact with individuals and all corporate classes on a regular basis. Students will receive points for participating in the "forum" classroom discussion. Online courses are not available for personal enrichment.

Individualized/Independent Study

Individualized courses are exceptional arrangements permitting course credit to be earned for a non-classroom study or for a regularly scheduled classroom course to be taken for additional credit or less credit. Non-traditional students must be at least a junior with a cumulative Calvary GPA of 3.000 or above or a new transfer student with a cumulative GPA of 3.000 on all accepted transfer credits. No more than nine credit hours of non-classroom study or extra credit taken in conjunction with a regularly scheduled course may be used to meet graduation requirements. Written approval for each study is required from the Registrar, the student's academic advisor, the professor overseeing and grading the study, and the Chief Academic Officer. Independent Study forms are available in the Registrar's office. Special consideration may be given to students in their final year of study who do not meet the GPA requirement.

NON-TRADITIONAL STUDIES POLICIES

Attendance

Intensive Courses

Students are expected to attend all scheduled meetings of courses for which they are registered. An Intensive lasts for 6 weeks.

If a student begins a course and is unable to attend a class, he/she is responsible to make arrangements to have the class audio-recorded by contacting the class instructor no later than 4:00 p.m. on the day of class. This option is available only once per course. The student is to listen to the recording and write a short review (2-3 pages) to be turned into his/her professor the following week. If a student fails to notify the instructor or the Registrar's office by 4:00 pm, it will result in his/her course grade being lowered by one letter grade.

If a student misses more than one night of class, he/she will be administratively withdrawn from the course and receive an AF or AP grade.

In no case is the cessation of class attendance taken as intent to withdraw from a course. Classes missed due to official school-sponsored events or functions are not considered part of the general absence policy of Calvary.

Tardy Policy

Students arriving after 6:15 p.m. are counted tardy. Students arriving after 6:30 are counted absent. Students leaving class before the instructor has dismissed the class will be counted tardy. Two tardies count as one absence.

Online Courses

Online courses are considered Distance Education. Students must actively participate in an academically related activity on a weekly basis in order to be marked present in an online class. Examples of academically-related activities include, but are not limited to: contributing to an online forum, completing a quiz or exam, completing an assignment within the current online course system. Attendance is created programmatically through academic activity based on submissions within the online course system. Failure to submit academic activity for two subsequent weeks in any given online course will result in automatic administrative withdrawal from said course.

Students who experience issues which may result in missing two weeks should consult with the Registrar's Office to see if they qualify for a Leave of Absence.

Independent Study

Independent Study courses are considered Distance Education. Students are required to submit work according to the schedule attached to the course syllabus. Students are required to have interaction with the course instructor during the length of the course.

If a student takes a non-classroom course, regular contact with the instructor will be arranged by the instructor and expected. Contact with the student may be through face-to-face meetings in the instructor's office, via phone calls, Skype, Google Drive, emails or other electronic means. The instructor will have the authority to choose the method of interaction. An instructor's direction and interaction with the leader of an internship or project will also be considered teaching contact.

Work submitted after the due date will be penalized one letter grade by the instructor. Penalties for illness or other unavoidable matters are at the discretion of the instructor. Students missing two due dates will be removed from the course and assigned an AF or AP grade. Students who experience issues which may result in missing two due dates should consult with the Registrar's Office to see if they qualify for a Leave of Absence.

Compassionate Absence

One week of compassionate absence will be granted for the death of an immediate family member (spouse, child, parent, sister, brother, or grandparent). A student must fill out a Compassionate Absence form and return it to the Registrar's office. The completing of missed assignments is left to the discretion of the professor. Classes missed as part of a compassionate absence are not considered part of the general absence policy of the college.

Appeals of Attendance Policy

Student appeals for exceptions to attendance policies are to be submitted in writing to the Chief Academic Officer or to the Registrar for consideration by the Academic Curriculum Committee.

Transfer Policy

See transfer credit policy in the Academic Policies section of this catalog.

Portfolio

Notebook

Students assemble a Portfolio notebook summarizing their formal academic education and professional work and/or life experiences. The student will receive detailed instructions for compiling their portfolio notebook from the Registrar's office.

Each student is required to write a Prior Learning Assessment as part of the requirements for the portfolio. If additional portfolio assessment credit is needed, this and/or other Prior Learning Assessments may be submitted to the Registrar's office to petition for portfolio assessment credit any time before graduation.

Credit

Up to 22 of the 126 total semester hours required for the degree may be earned from writing Prior Learning Assessments and providing documentation of professional school attendance or training not already transcribed. The number of portfolio assessment credits needed, not to exceed the maximum of 22 semester hours, varies with each student and is listed on the student's program planner along with his other completed degree requirements.

Credit hours earned through portfolio assessment are recorded as transfer credits on the student's transcript. The Registrar, Chief Academic Officer, and/or the student's advisor will advise the student in completing this phase of the program.

Education Department

Department Chair: Rose H. Henness, M.A.C.E.

Description:

Calvary University has been preparing teachers for private and international schools for over forty years. In 2010 the Education Department began offering Missouri State Certification, which has expanded its sphere of impact. Teachers prepared at Calvary serve as effective teachers in public, private, and international schools.

Mission:

The mission of the Education Department is to prepare highly effective teacher candidates who are capable of meeting the diverse learning needs of students in the 21st century classroom.

Programs (Director):

Calvary University educator preparation programs have been approved by the Missouri State Board of Education in the following certification areas:

- Baccalaureate Degrees
 - Elementary (Grades 1-6): (Maria Russo)
 - Secondary (Grades 9-12): Social Studies (Rose Henness)
 - Music Education: Vocal - Grades K-12 (Dr. Tom Stolberg)
 - (see Music Department guidelines)
 - Music Education: Instrumental - Grades K-12 (Dr. Tom Stolberg)
 - (see Music Department guidelines)

Successful completion of one of these education preparation programs will position the student to be eligible to apply for Missouri State Teacher Certification and Association of Christian Schools International (ACSI) certification.

Faculty:

Rose H. Henness, Anthony Brenchley, and Maria Russo

Outcomes:

Graduates of the educator preparation program will:

- Articulate a biblical philosophy of education formed through a foundational understanding of the Scriptures.
- Actively value human diversity in the way they relate to others in the world in which they live, work, and serve.
- Possess strong content knowledge with the inclination to continue to acquire new skills and knowledge.
- Use instructional technology proficiently.
- Demonstrate the ability to use their knowledge and skills to teach effectively.
- Research, analyze, synthesize and evaluate new information, points of view, and instructional practices.

Guidelines for Education Majors

Completing a major in Education requires two sets of specifications: (1) completion of the degree, and (2) meeting Missouri certification requirements. A student can declare the major at any time, but in order to enroll in upper division education coursework, the student must first be admitted to the educator preparation program. Declaration of a major DOES NOT constitute admission to the teacher education program.

Admission to the Educator Preparation Program:

- Application to an Educator Preparation Program (EPP) is a requirement of the State of Missouri. Education majors should apply no later than the second semester of their sophomore year. Application forms for admission to the EPP may be obtained from the Education Department Chair or from the department's website.
- At the time of application the Education major must meet multiple standards for admission including grade point average requirements, Missouri state examination requirements, and positive recommendations from faculty and field experiences. Further information on the application/admission process and specific requirements can be found in the EPP Student Handbook.
- Students may not enroll in 300-level education coursework until they are admitted to the education preparation program. Students who fail to complete all requirements for certification within a seven-year period must re-apply for admission under the policies and regulations that are in effect at the time of the new application.

Transfer Students / Change of Majors:

The Education Preparation Program is a professional organization regulated by the Missouri Department of Elementary and Secondary Education (DESE) in addition to the policies of the Education Department and Calvary University. The program requirements are beyond what is expected of most college majors. Education majors must work closely with their academic advisors and Calvary's Certification Officer.

Students who transfer into or change their major to an Education Preparation Program will often need one or more additional semesters beyond a traditional course of study to complete the program.

Coursework completed at other institutions will be considered on an individual basis. Decisions regarding transfer credit will be made based on alignment with the current standards of Calvary's Education Preparation Program. The majority of coursework for each program must be completed at Calvary, especially in the areas of Field and Clinical Experiences.

General Requirements for Teacher Certification Programs:

All education majors must meet the General Education and Bible Education requirements of Calvary University. In addition, the students must meet the following certification requirements:

- Elementary Education (Grades 1-6) students must satisfactorily complete content courses related to the elementary curriculum consistent with Missouri certification requirements. Additional information on current requirements can be found in the EPP Student Handbook.

- All education majors must demonstrate competence in English composition and research. They are required to satisfactorily complete EN112 College Composition I, EN113 College Composition II, and COM110 Written Research Practicum or the equivalent. If the student does not demonstrate writing competence, the department will require the student to seek assistance from The Learning Center and file a Tutorial Form (see Handbook) to receive tutoring/advising.
- All education majors must demonstrate competence in oral communication. This requirement is met by completing COM220 Oral Communications or the equivalent. The student must continue to show strong oral presentation skills in education course work. If the student does not display these skills, the department will complete a Tutorial Form and the student will receive tutoring/advising.
- All education majors must demonstrate competence in basic mathematical operations. In addition to completing the General Education requirements for mathematics, the student must exhibit continued mathematical skills in education coursework. If a student does not show these competencies, the department will complete a Tutorial Form and the student will receive tutoring/advising.

Continuation in the Education Preparation Program:

The student is responsible for monitoring his/her own progress toward completion of the Education Preparation Program at Calvary University. The Education Department faculty will assist the student by providing advising, notices of deadlines, testing requirements, etc. However, the student must monitor and meet the requirements.

Admission to an Education Preparation Program does not guarantee retention in the program and/or eventual Missouri certification. The same criteria considered for admission are monitored each semester. To be retained in the Education Preparation Program, students must maintain appropriate grade point averages (see Handbook). Notification of education students whose grade point averages have fallen below the required level will be given to the program advisor.

- If the student's GPA falls below the required level, but not lower than 2.0, he/she will be notified that he/she has one semester to regain good standing in the Educator Preparation Program. If not, the student will be excluded from the Program.
- If the student's GPA falls below the required level and/or is placed on academic probation, he/she will automatically be excluded from the Educator Preparation Program and will be so informed by the Education Department Chair.
- If the student has been excluded from the Education Preparation Program because of a low overall GPA, reapplication for admission to the program may occur when the required GPA has been retained at Calvary.
- If the student has not demonstrated professional dispositions for teaching as measured by the Professional Disposition form (see Handbook) and has not made required progress, the student may be dismissed from the program.
- A student may appeal his/her exclusion or dismissal from an Education Preparation Program. The appeal must be dated, typed, and provide a clear explanation for the reason(s) for the appeal. Appeals are to be submitted to the Chief Academic Officer (CAO) for review, who will then present it to the Accreditation and Curriculum Committee (ACC). The CAO will notify the student and the Education Department Chair of the ACC's decision in writing.

Dr. Teddy Bitner, Jeanette Regier, Cory Trowbridge, Dr. Keith Miller, and other Adjunct Faculty

Outcomes:

- Students will be able to gather, analyze, synthesize, and present information through research projects and papers.
- Students will be able to recognize, choose, and apply habits that promote healthy living.
- Students will be able to develop, practice, and portray behaviors that exemplify godly character.
- Students will be able to differentiate between truth and error, and, by so doing, clearly communicate Christian worldviews.

All Calvary baccalaureate degrees include General Education courses, plus a major in Bible and Theology and a professional major. Associate Degrees also have General Education requirements. “Skills” courses may only be used to meet general education elective hours.

Department Chair: Mike Dodds, Th.M., D.Min.

Description:

The Ministry Studies Department program and concentrations are designed to equip students with the essential academic, interpersonal, and practical skills to serve as pastors, associate pastors, and ministry directors in local churches and parachurch organizations. Each program combines extensive classroom instruction by ministry-seasoned professors and supervised ministry experiences (i.e., internships) with experienced ministry leaders in order to give students the necessary biblical and practical understanding of ministry in today's world. The program has multiple concentrations.

Ministry Studies Program and Concentrations (Advisor):

- Ministry Studies, Baccalaureate Degrees
 - Children's Ministry (Dr. Mike Dodds)
 - Intercultural Studies (Joshua Paxton)
 - Pastoral Ministry* (Dr. Mike Dodds)
 - Youth Ministry (Dr. Mike Dodds)
 - Youth Ministry – Worship Arts (Dr. Mike Dodds and Dr. Tom Stolberg)
- Ministry Studies, Associate's Degree
 - Children's Ministry (Dr. Mike Dodds)

Teaching Faculty:

Dr. Mike Dodds, Joshua Paxton, Dr. Tom Stolberg, Children's Ministries Institute Instructors (in partnership with CEF), and other Adjunct Faculty

Outcomes:

- The student has demonstrated the Christian Character qualities essential for Christian ministry.
- The student has demonstrated an understanding of the theology, theories, methodologies, and skills essential for effective Christian ministry leadership.
- The student has developed effective communication skills essential for Christian ministry.
- The student has developed basic interpersonal skills necessary for addressing the spiritual needs of people.
- The student has acquired basic ministry skills under the guidance of a mature, seasoned professional supervisor in the kind of ministry setting anticipated after graduation.

Special Requirements:

- A supervised internship in a ministry setting appropriate to the enrolled emphasis is required for Pastoral Ministry, Intercultural Studies, and Youth Ministry students.
- A Senior Seminar oral examination is required for Pastoral Ministry, Intercultural Studies, and Youth Ministry students.
- A grade of C or higher is required in BL232, Greek II, and in each succeeding Greek course before taking the next level Greek course for Pastoral Ministry students.
- A GPA of 2.5 or higher must be maintained in all Ministry Studies courses for Pastoral Ministry students.

*In keeping with Calvary's doctrinal conviction that the New Testament teaches that only men be ordained to the ministry, only men are accepted into and may graduate from the Pastoral Ministry major (1 Timothy 2:8-3:7). Furthermore, it is also Calvary's doctrinal conviction that the New Testament teaches that men who are ordained to the ministry are to be "the husband of one wife" (1 Timothy 3:1-7; Titus 1:5-9). Thus, only men who have been married once (widowers excepted) or who have never been married, are accepted into and may graduate from the Pastoral Ministry major. However, a man who is divorced may take Pastoral Ministry courses as elective hours in another major.

**Children's Ministry majors require one semester attendance at the Children's Ministries Institute, Child Evangelism Fellowship, in Warrenton, MO.

Theatre Arts Department

Department Chair: Bobbie Jeffrey, M.A.

Programs (Director):

- Theatre Arts, Baccalaureate Degree (Bobbie Jeffrey)
- Theatre Arts, Minor (Bobbie Jeffrey)

Teaching Faculty:

Bobbie Jeffrey, Kaleb Krahn, Beckie Lucas, Candace Roberts, Aaron Roose, and other Adjunct Faculty

Description:

The Calvary Theatre Arts program revolves around telling the Story of God in ways that will engage the culture with a fresh and vibrant perspective! As the only Bible College in the United States with a fully accredited major and minor in Theatre, our mission is to equip students by building academic, performance-related, technical, and spiritual foundations in the following areas:

- Directing or assisting in directing church theatrical programs.
- Overseeing performance, technical, and administrative aspects of a theatre ministry.
- Teaching and directing theatre productions.
- Developing skilled and disciplined actors who respect their art and their craft and who will be ready to further their careers through graduate school training and/or professional acting.

Outcomes:

- The student embraces the core principle that theatre is service: to fellow actors, to the working text, to the audience, and first and foremost, to the Audience of One.
- The student demonstrates the foundational skills necessary to critically analyze a piece of dramatic literature for its quality and theme while comparing it with the knowledge of God’s Word and His character.
- The student is trained to work as an ensemble in an atmosphere that facilitates authentic, honest relationships with God and man.
- The student demonstrates his function as a believer-artist by impacting the culture and reclaiming the art form.
- The student engages the culture, rather than hiding from it, recognizing the entertainment industry’s powerful and influential impact on our culture.
- The student inhabits this mission field and ministers to and through it with passion and integrity.
- The student recognizes the Story of God in the stories of history, myth, oral tradition, and literature, bringing it to life in new and creative ways, and sharing His story with an ever-thirsty world in increasingly compelling ways.

Requirements:

- Before graduating, a Theatre Arts major must complete:
 - The Capstone Project – a theatrical presentation showcasing their skills in their particular program emphasis.
 - The Program Requirements spreadsheet for majors. These are available upon request from the department chair.
- Before graduating, a Theatre Arts minor must complete the Program Requirements spreadsheet for minors. These are available upon request from the department chair.

Description:

The Non -Traditional Studies Department (NTS) provides college courses in an adult and graduate format to allow adult students to complete their degree. Intensive courses and Online courses are designed to allow the adult and graduate student to work full time while earning a degree.

Non-Traditional students complete a General Education core, a Biblical Education core, a Common Professional Core, and a Major core. These are taught in the context of a biblical worldview.

Outcomes:

- The student integrates his/her biblical worldview into his/her professional major.
- The student demonstrates the indispensable skills in his/her chosen field essential for a successful career in secular and Christian arenas.

Special Requirements:

- Entry into the NTS program requires students to be at least 21 years old unless prior approval is obtained from the Academic Curriculum Committee.
- Intensive courses require students to be at least 21 years old unless prior approval is obtained from the Academic Curriculum Committee.
- Before students may take online courses, an Ability Assessment must be taken and the Assessment confirmation brought to the Dean of Online Studies.
- Portfolio credit may be available for NTS Degrees.

*In keeping with Calvary’s doctrinal conviction that the New Testament teaches that only men be ordained to the ministry, only men are accepted into, and may graduate from, the Pastoral Ministry major (1 Timothy 2:8-3:7). Furthermore, it is also Calvary’s doctrinal conviction that the New Testament teaches that men who are ordained to the ministry are to be "the husband of one wife" (1 Timothy 3:1-7; Titus 1:5-9). Thus, only men who have been married once (widowers excepted) or who have never been married are accepted into, and may graduate from, the Pastoral Ministry major. However, a man who is divorced may take Pastoral Ministry courses as elective hours in another major.

**Children’s Ministry majors require one semester attendance at the Children’s Ministries Institute, Child Evangelism Fellowship, in Warrenton, MO.

“Bible” is the distinctive of Calvary. Thus, all Calvary baccalaureate degrees include a major in Bible and Theology plus the selection of a professional major. Associate Degrees (Bridge) and the One-Year Certificate (Gateway) also have Bible and Theology requirements.

Promotional Materials

From time to time, candid, posed, or staged photographs and/or videos of students are taken. Students are asked to release Calvary University from any and all claims of use of these so that the College or Seminary may, at its discretion, use them in promotional materials such as publications, brochures, and press releases.

The Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal act that prohibits the release of any educational records except those listed as Directory Information (see below) as defined by the act without the express written authorization of the student involved. Forms are available in the Registrar's Office to allow the release of information to the person(s) designated on the form.

Inspect and Review

The student has the right to inspect and review the student's education records within 45 days of the day Calvary receives a request for access. Students should submit to the Registrar, Chief Academic Officer, head of the Academic Department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The Calvary official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Calvary official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

Request Amendment

Students have the right to ask Calvary to amend any part of their education record that they believe is inaccurate or misleading. They should write the Calvary official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If Calvary decides not to amend the record as requested by the student, Calvary will notify the student of the decision and advise the student of his/her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

Consent to Disclosures

The student has the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by Calvary in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom Calvary has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official

has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility.

File a Complaint

The student has the right to file a complaint with the U.S. Department of Education concerning alleged failures by Calvary to comply with the requirements of FERPA. The name and address of the office that administers FERPA is listed below.

*Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, SW

POLICIES

ZERO TOLERANCE POLICY

Alcohol Policy

Calvary University (the “College”), in order to promote its fundamental mission, has adopted a zero tolerance policy for the use, consumption, possession, or distribution of alcohol on College property or at any College sponsored or sanctioned event, regardless of the age of the student. Participation in any of the above activities is strictly prohibited.

Any student under the legal age for consumption of alcohol that is unlawfully using, consuming, possessing, or distributing alcohol will be subject to disciplinary sanctions including, but not limited to, disciplinary dismissal. Any student over the age for legal consumption of alcohol that is using, consuming, possessing, or distributing alcohol may be subject to disciplinary sanctions including, but not limited to, disciplinary dismissal.

In addition to any punishment imposed by the College, any student suspected of violating any federal, state, or local law proscribing the use, possession, or distribution of the unlawful consumption or possession of alcohol will be referred to the appropriate law enforcement agency.

The display of any advertising of alcoholic beverages, including containers, is not allowed at the College. This includes, but is not limited to: clothing, signs, lamps, posters, etc.

Legal Sanctions for Use, Possession, or Distribution of Alcohol

Missouri laws prohibit people under 21 years of age from purchasing, attempting to purchase, or possessing alcoholic beverages. (RSMo. 311.325) Anyone who sells or gives any alcoholic beverages to people under 21 years of age violates RSMo. 311.310. It is unlawful to obtain or attempt to obtain alcoholic beverages by using a fake or fraudulent identification. (RSMo. 311.328(3)) Anyone convicted of using fraudulent identification per RSMo. 311.320 is subject to penalties, including fines of up to \$1,000 and one year imprisonment. Conviction of any offense involving the possession or use of a controlled substance; the alteration, modification, or misrepresentation of a license to operate a motor vehicle; or the possession or use of any alcohol while operating a motor vehicle will require the surrender of a driver's license for a minimum of 90 days to a maximum of one year.

Drug Policy

Calvary University, in order to promote its fundamental mission, has adopted a zero tolerance policy for the use, consumption, possession, distribution, or manufacture of illicit or illegal drugs. The College will not tolerate any of the above activities by any student, and any such activities are cause for dismissal from the college.

The College reserves the right to require a drug test from a student where there is a reasonable suspicion that the College's drug free policy has been violated. Failure to submit to a drug test is a major violation of the disciplinary rules and will result in dismissal from the College.

In addition to any punishment imposed by the College, any student suspected of violating any federal, state, or local law proscribing the use, possession, distribution, or manufacture of illicit or illegal drugs will be referred to the appropriate law enforcement agency.

Legal Sanctions for Use, Consumption, Possession, or Distribution of Illicit or Illegal Drugs

Local, state, and federal laws provide specific penalties for drug and narcotic offenses. Title 12 of chapter 195 of the Missouri Revised statutes makes it unlawful for any person to manufacture, sell, or deliver or possess with the intent to manufacture, sell, or deliver those drugs designated collectively as controlled substances. The punishment includes a term of imprisonment as well as a substantial fine.

The federal law makes it unlawful for any person to manufacture, distribute, create, or dispense or to possess with the intent to manufacture, distribute, create, or dispense controlled substances. Title 21 of United States Code provides terms of imprisonment and fines for violations of this Act. The nature of the offense and whether the person has committed any previous unlawful acts under this statute will determine the term of imprisonment as well as the amount of the fine.

Health Risks Associated with the Use of Illicit or Illegal Drugs or Alcohol

Medical studies indicate that users of illicit or illegal drugs or alcohol can suffer from a wide range of medical and psychological problems. Those problems can be as mild as depression or as severe as permanent brain damage or death. At the very least, use promotes poor application to academics as shown by poor study habits, lack of concentration, and loss of self-esteem. Additional information on the health risks associated with the use of illicit or illegal drugs or alcohol is available through the Student Deans Office.

Drug and Alcohol Programs

All students are informed of Calvary’s Zero Tolerance Policy; the standards of conduct, applicable legal sanctions, a description of the related health risks, resources for counseling, treatment, rehabilitation, and re-entry, and a clear description of the disciplinary sanctions.

As there is no alcohol allowed on campus, Calvary offers a wide variety of alcohol-free events. The Student Lounge and the KA-Bar Cafe are relaxed places for students and faculty/staff to congregate. The Lounge features a movie room and games (pool, ping-pong, etc.). The KA-Bar Cafe features a TV, board games, and a coffee shop. Intramural sports, athletic events, and our variety of academic and personal enrichment activities are all healthy alternatives to drinking.

GENDER-BASED MISCONDUCT POLICY

Statement of Policy

It is the policy of Calvary University to promote a learning, living, and work environment that is free of all forms of harassment. Harassment on the basis of race, color, sex, sexual orientation, gender identity or expression, condition of pregnancy, religion, national and ethnic origin, age, disability, and military or veteran status undermines the basic principles of the community, biblical teachings, and applicable laws. It is not acceptable behavior at Calvary University and will not be tolerated.

If a student requires extended class absences due to pregnancy or childbirth as deemed necessary by the student's doctor, the student may request an "I" incomplete (6 week) extension and/or Leave of Absence without reduction of grade or additional cost.

Harassment is defined as the use of derogatory comments or acts directed toward an individual's race, color, sex, sexual orientation, gender identity or expression, condition of pregnancy, religion, national and ethnic origin, disability, or military or veteran status that:

1. Humiliate and/or intimidate an individual;
2. Have the purpose or effect of creating a hostile or offensive working or educational environment;
3. Impede and/or interfere with work performance, academic status, or campus life.

Sexual Harassment

Sexual harassment is a form of sex discrimination and is a violation of Calvary University policy as well as federal and state statutes. Calvary University views with the utmost seriousness offenses against an individual such as stalking, inappropriate sexual touching, sexual assault, and any other form of non-consensual sexual activity.

For the purposes of this policy, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, sexual assault, and all other verbal and physical conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic status.

2. Submission to or rejection of such conduct by an individual is used as a basis for employment or academic decisions affecting an individual.
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive environment in which to work or learn.

Calvary University considers harassment a very serious matter. Any person found to be engaging in sexual harassment will be subject to disciplinary action, up to and including expulsion from Calvary University or its residence halls.

Examples of Sexual Harassment

Sexual harassment can be directed toward a person of the opposite sex or same sex and can take many forms. Sexual harassment may occur regardless of the intention of the person engaging in the conduct. The following are some examples of conduct which, if unwelcome, may constitute sexual harassment, depending upon the totality of the circumstances, including the severity of the conduct and its pervasiveness:

- Sexual advances (whether they involve physical touching or not).
- Requests for sexual favors in exchange for actual or promised academic or job benefits such as favorable grades or continued employment.
- Sexual jokes.
- Use of sexual epithets, written or oral references to sexual conduct, gossip regarding one's sex life, and comments on an individual's body, sexual activity, deficiencies, or prowess.
- Displaying sexual objects, pictures, written materials, or cartoons.
- Leering, brushing against the body, sexual gestures or suggestive or insulting comments.
- Sexual exhibitionism.
- Inquiries into one's sexual activities.
- Cyber-harassment including non-consensual videos or audio recordings of sexual activity.
- Sexual assault or coerced sexual acts.

Sexual Assault

The most egregious form of sexual harassment is sexual assault which will not be tolerated at Calvary University. Not only does any form of sexual assault violate Calvary's institutional policies of purity, it also violates federal and state laws.

For the purposes of sexual assault violations, the following definitions apply:

A person who attempts to or knowingly causes another person to engage in a sexual or deviate sexual act—

1. By using force against that other person; or
2. By threatening or placing that other person in fear that any person will be subjected to death, serious bodily injury, or kidnapping; or
3. By rendering another person unconscious and thereby engaging in a sexual act with that other person; or

4. By administering to another person by force or threat of force, or without the knowledge or permission of that person, a drug, intoxicant, or other similar substance and thereby—
 - A. Substantially impairing the ability of that other person to appraise or control conduct; and
 - B. Engages in a sexual act with that other person; or
5. By causing another person to engage in a sexual act by threatening or placing that other person in fear (other than by threatening or placing that other person in fear that any person will be subjected to death, serious bodily injury, or kidnapping); or
6. By engaging in a sexual act with another person if that other person is—
 - A. Incapable of appraising the nature of the conduct; or
 - B. Physically incapable of declining participation in, or communicating unwillingness to engage in that sexual act; commits sexual assault.¹

Calvary University defers to current Missouri Revised Statutes (RSMO) Chapter 566 regarding specific definitions of sexual assault.

Although ANY sexual activity is prohibited by Calvary's institutional purity policies, please be informed of the following definitions and guidelines as defined by federal and/or state law.

Consent and Communication

Consent is an understandable exchange of affirmative words or actions that indicate a willingness to participate in mutually agreed upon sexually explicit touching or sexual penetration. Consent must be informed and freely and actively given. It is incumbent upon each individual involved in the activity to either obtain or give consent prior to any sexual activity, and again, prior to sexual penetration. If at any time during the sexual interaction any confusion or ambiguity should arise on the issue of consent, it is incumbent upon each individual involved in the activity to stop and clarify, verbally, the other's willingness to continue.

- A verbal "no," even if it may sound indecisive or insincere, constitutes lack of consent.
- When consent is requested verbally, absence of any explicit verbal response constitutes lack of consent.
- It is expected that, after consent has been established, a person who changes his/her mind during the sexual activity will communicate through words or actions his/her decision to no longer proceed.
- Past consent to sexual activity does not imply future on-going consent, and the fact that two persons are in an on-going relationship does not preclude the possibility that sexual misconduct or sexual assault might occur within that relationship.
- A student's use of alcohol and/or other drugs does not diminish a student's responsibility to obtain consent.

Sexually explicit touching is the unwanted touching of another person in a sexual

¹ Revised from Missouri Revised Statutes Chapter 566.

manner. Examples of sexually explicit touching include, but are not limited to, the touching, either directly or through clothing, of another person's genitalia, breasts, inner thigh, or buttocks of any person with a clothed or unclothed body part or object. Sexually explicit touching through the use of coercion or where the person is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity is considered sexual assault.

Coercion is the use of force, or the threat of force; the use of a threat of immediate or future harm; or the use of physical or severe and/or pervasive emotional intimidation to cause or attempt to cause another person to engage in or submit to certain activities. Coercion also includes the administration of a drug, intoxicant, or similar substance that impairs the faculties of a person.

Incapacity is defined as a person incapable of giving consent because he/she is asleep, unconscious, losing or regaining consciousness, or clearly mentally or physically incapacitated. Signs of being incapacitated include, but are not limited to, difficulty walking, inability to speak in a coherent manner, and vomiting or the presence of vomit.

Clear communication is required by Sexual Assault definitions, which require each participant to obtain and give consent before engaging in any sexual activity. Relying solely upon nonverbal communication is not sufficient. Communication is a foundational process that affects all of our relationships and interactions. Any sign of reservation or hesitation should be clarified verbally before proceeding.

Alcohol and Other Drugs

In addition to it being a violation of Calvary University's institutional rules and regulations, the consumption of alcohol and/or the use of drugs often lowers inhibitions, can cause some people to become more aggressive, and always impairs judgment. Sexual activity with someone who has consumed alcohol or drugs creates the potential for later dispute over questions of consent. Sexual activity with a person who is thus impaired may be considered a violation of the law and the Student Code of Conduct. Conversely, being under the influence of alcohol is not an excuse for committing sexual assault.

It is a violation of Calvary University's policy and Missouri law to have any sexual activity with someone who is unable to give consent because of alcohol or drugs or other impairment. If your partner is very drunk, you may be guilty of sexual misconduct even if your partner said yes.

Procedures and Resources

When a student is sexually assaulted, he/she has reporting options. If a student has just experienced an assault and needs immediate assistance, he/she should get to a safe place. A student should then:

1. Call Calvary Security at 816-898-2989 or the South Kansas City Police Department at 911. Either will help whether or not a student chooses to prosecute the assailant. Reporting a sexual assault to the police does not commit someone to further legal action. In an off-campus emergency, the student is encouraged to call 911 or the police department in the city or town where he/she is located.
2. The student is also encouraged to call a friend, family member, or someone he/she trusts and can talk with (e.g., Residence Director (RD), Resident Assistant (RA),

- Vice President of Student Services (Dean of Men), or Assistant Director of Student Services (Dean of Women).
3. Get medical attention immediately. St. Luke's East Hospital, St. Joseph's Medical Center, Truman Medical Center – Lee's Summit, and Research Medical Center are experienced and prepared to help sexual assault victims. A prompt medical examination will test for pregnancy (where applicable) and STDs and can secure valuable evidence that can be used later, should the student wish to have the assailant prosecuted.
 4. Seek counseling. Regardless of whether a student reports the assault, it is often helpful to seek counseling to cope with the traumatic experience. The counseling services provided by Calvary University are available regardless of where or when the assault may have occurred.
 5. File a complaint with the appropriate Calvary University employee (see Reporting Harassment and Harassment Investigation).
 6. Upon receipt of a sexual assault complaint, the designated CBC employee will provide the options of pursuing a criminal complaint with the Kansas City Police Department or other jurisdiction (i.e., State Police, or other local police departments), pursuing Calvary's investigation, or pursuing both options at the same time.

Reporting Gender-Based Misconduct

Calvary University is committed to stopping misconduct in all of its forms. Any CBC student who believes that he/she has been subjected to misconduct has the right to file a complaint through the procedures delineated below.

Calvary University encourages individuals to report incidents of misconduct, regardless of who the alleged offender may be. Calvary will not pursue disciplinary action against a student who claims to be a victim of misconduct in connection with reporting that misconduct or against students named as witnesses.

Student complaints about a Calvary student, faculty, or staff member can be made to:

Moriah Roberts, Title IX Coordinator

Email: moriah.roberts@calvary.edu

Phone: 816-322-0110 ext 1304

Cory Trowbridge, Dean of Men, Title IX Investigator

Email: cory.trowbridge@calvary.edu

Phone: 816-322-0110 ext 1309

Arely Perez, Dean of Women, Title IX Investigator

Email: arely.perez@calvary.edu

Phone: 816-322-0110 ext 1329

Each of the above Calvary officials is available to discuss any concerns you may have and to provide information to you about Calvary University's policy on misconduct and the complaint process.

After reporting an incident of misconduct, students may request alterations related to academic classes, housing and/or dining services, Student Life activities, or other

accommodations based on the circumstances. Decisions regarding such requests will be made by the designated Calvary official after consultation with appropriate Calvary University faculty and/or staff while preserving confidentiality to the extent possible.

Depending upon the circumstances, both students in a case may be issued administrative orders to have no contact with each other. This allows the matter to proceed without any possible harassment or miscommunication between parties.

While Calvary University has an obligation to investigate every complaint of misconduct, if a student wishes the details of an incident to be kept strictly confidential, he/she may speak privately with the Director of Calvary's Biblical Counseling Center (or designee) or a counselor at the Metropolitan Organization to Counter Sexual Assault (MOCSA) 816-531-0233. Requests for confidentiality will be honored unless there is an imminent danger to the student or to others.

Misconduct Investigation

Except in extraordinary circumstances, all misconduct complaints will be investigated and a decision made and communicated within 60 business days of receiving the complaint. Individuals are assured that complaints will be treated as confidentially as possible, subject to Calvary University's obligation to investigate and respond appropriately to any and all allegations of misconduct.

Complainants are also advised that Calvary will investigate allegations of misconduct and take appropriate action, even if the complainant does not wish to pursue or participate in the disciplinary process, but any response by Calvary may be hindered by the complainant's wishes for anonymity and/or inaction. Calvary University has adopted both informal and formal resolution procedures to deal with misconduct complaints. Calvary will also ensure that no person who is the subject of a complaint will be assigned to investigate the complaint.

Informal Resolution

After discussion and investigation, some complaints may be resolved informally. With the assistance of the designated Calvary official, the complainant may choose to write or speak with the offending person directly, which may be sufficient to bring a satisfactory response. Or, the designated official may speak with the offending person or facilitate a meeting between the complainant and the offending person. Individuals sometimes find that through these informal procedures they are able to reach an acceptable resolution.

Formal Resolution

The formal complaint procedure is initiated after a written complaint has been filed with the designated official asking for a formal investigation to be conducted.

If the offending party is a student, the case will heard by the Calvary University Judicial Board according to judicial procedures outlined in the Gender-Based Misconduct Procedures Manual.

A student judicial hearing may accommodate concerns for the personal safety, well-being, or fears of confrontation of the charged student, complainant, or witnesses during the hearing by providing alternate means of communication when it is determined to be appropriate by the Judicial Officer.

If the offending party is a faculty or staff member, a formal investigation will be held by the designated Calvary official and another senior level Calvary administrator. All investigations will include private interviews with the individual filing the complaint, the

person alleged to have committed the misconduct, as well as third-party witnesses, and will also include consideration of other relevant evidence. When the investigation has been completed, the designated official will inform both the complainant and the subject of the complaint of the outcome.

Retaliation or False Reporting

A retaliatory action or behavior taken toward an individual as a consequence of his/her decision to report a violation or pursue action or criminal prosecution or a retaliatory action or behavior taken toward an individual who cooperates in an investigation is prohibited. Retaliatory acts may include, but are not limited to, threats, intimidation, or harassment. Such retaliation shall be considered a serious violation of policy and shall be independent of whether a charge of harassment is substantiated. Encouraging others to retaliate also violates the policy.

Calvary University also considers filing an intentionally false report of misconduct a violation of this policy.

Prevention

Calvary University endeavors to proactively prevent gender-based misconduct, specifically sexual assaults, by implementing the following:

- Escort Program
- Deterrent Signage
- Deterrent Camera Surveillance
- Armed Security Officers
- Defense Training
- Education for Men and Women

Education

Calvary University endeavors to educate students, faculty, and staff about gender-based misconduct in a variety of ways:

- Incoming students are required to attend Orientation, which includes training on sexual violence prevention and bystander intervention. This course is available for all continuing students, as well.
- Calvary's Biblical Counseling Center's library contains a variety of titles addressing sexual harassment (including sexual assault) which are available to all students.
- Training on harassment is held for faculty, staff, and student staff (RAs and Orientation Leaders).
- Training on misconduct and conducting misconduct investigations is held for designated Calvary officials.
- The Student Deans Office and Calvary Security provide on-campus programming relating to sexual harassment (including sexual assault).
- Calvary University's Gender-Based Misconduct policy, Title IX Policy, and related resources are communicated to in-coming students during New Student Orientation, to returning students in their registration packets, and to new faculty and staff members at their Orientation.

Student Support and Resources

Calvary University encourages students to make use of appropriate resources and will assist all persons involved in an allegation of misconduct. Support structures include the Dean of Men, Dean of Women, the Director of Calvary's Biblical Counseling Center (or designee), the Resident Assistants, the Resident Directors, and the Chief of Security (or designee). Each office is prepared to offer assistance to students both in an emergency and on an on-going basis. In addition to these on-campus resources, referrals for off-campus counseling and support services can be provided for both the student complainant and the accused student at the student's request.

GRIEVANCE PROCEDURES

A student may wish to present a grievance against a faculty or staff member, or another student, when the issues cannot be resolved informally or by use of other regular College procedures. A grievance is a concern related to an alleged illegal or improper action not otherwise addressed in policies contained within the College Student, Staff, or Faculty Handbooks. Calvary has set procedures for students who wish to present grievances and are

listed below. Academic related grievances (i.e., appealing a course grade) should go through the Chief Academic Office.

1. Any student who would like to file a formal grievance must submit a written report to the Student Deans Office as promptly as possible, within 12 months of the occurrence of the incident, and should include the following information:
 - A. The date and place of the incident.
 - B. A description of what took place.
 - C. Why it is considered a grievance.
 - D. The date on which the grievance was recorded.
 - E. The name and signature of the grievant.
2. A thorough investigation of the grievance will be conducted, and Calvary may take disciplinary action up to and including dismissal.
3. Should anyone be dissatisfied with an imposed sanction as a result of the investigation, an appeal may be made to the Chief Academic Officer and eventually the President.
4. If the complaint is with or against the Dean of Men or the Dean of Women, then the complaint should be reported to the Chief Academic Officer.

Students filing a written grievance with the Deans Office may be required to meet with a staff member face-to-face to answer questions and provide more contextual information related to the alleged incident. If the student chooses not to submit their grievance in writing and/or chooses not to meet with College staff when requested to do so, the College reserves the right to not respond to the filed grievance (except in gender-based misconduct), although a copy of the report will be left in the student's file in the Deans Office.

When filing a complaint, it is important that the accuser state the nature of the grievance, bring witnesses (if able), and be able to clearly state the facts, accusations, and situations. If the accusation against another student, staff, or faculty member is determined false or malicious, the student may be subject to discipline or dismissal. In all cases, confidentiality of the accuser and accused will be strictly adhered to except as required by applicable law. Any crimes violating federal, state, or local law will be referred to the appropriate enforcement agency.

The College is committed to the scriptural principles found in Matthew 18:15-17. However, the College understands the difficulty inherent in discussing an offense with persons in a position of authority. Therefore, the student is encouraged, but not required, to discuss the matter privately with the person in an effort to resolve the matter. If the student is in a situation where they are unsure how to proceed, please seek counsel from the Deans Office. The Deans Office is always available to provide advice and support for students who are uncertain as to how they should proceed in confronting someone.

At Calvary we believe we are in a partnership with parents as we aid students in their developmental process. Therefore, parents of dependent children may be notified when their student is subject to significant disciplinary actions.

GRIEVANCE PROCEDURES FOR STUDENTS ENROLLED IN DISTANCE EDUCATION UNDER THE STATE AUTHORIZATION RECIPROcity AGREEMENT (SARA)

Students enrolled in distance education courses (online classes) or online programs, who are residents of states other than Missouri, and when such state is a SARA participating state, may, after exhausting their options under Calvary's grievance procedures, appeal the institution's decision to the Missouri Department of Higher Education (MDHE). Only complaints that do not involve grades or student conduct may be appealed within two years of the incident to the Missouri Department of Higher Education.

➤ **Missouri Department of Higher Education**

P.O. Box 1469

Jefferson City, MO 65102-1469

1-573-751-2361

If MDHE receives a complaint about a Missouri institution, the complainant will be contacted by MDHE staff to determine if the complainant has exhausted the grievance process at Calvary University. If the institutional grievance process has been completed, MDHE will provide appropriate forms to file a formal complaint against the institution. If the complainant has not utilized the institutional remedies available, the individual will be directed to contact Calvary University to seek resolution.

The formal complaint must be submitted in writing using the form provided by MDHE. The complaint may be mailed or faxed and must include supporting materials as well as documentation verifying that all institutional remedies have been exhausted. MDHE staff will acknowledge receipt of the formal complaint in writing.

SARA-related complaints that fall within the jurisdiction of MDHE will be investigated and resolved as appropriate by MDHE. SARA applies only to those complaints resulting from distance education courses offered by participating institutions to students in other SARA states. It does not apply to distance education activity inside Missouri or to on-ground campuses. Complaints concerning criminal misconduct will be referred to local law enforcement authorities. Complaints relating to violations of federal law will be referred to the federal agency having jurisdiction over the matter in question.

Calvary University will provide a response to the complaint within ten working days of official notification by MDHE. All parties to the complaint will be notified of its resolution by mail. MDHE will keep a log of all complaints, record the date received, the name of the complainant, the institution against which the complaint is made, a brief description of the complaint, and the date and nature of its disposition.

State Authorization of Distance Education

Calvary is authorized to offer distance education in most states. Please consult with your Admissions contact to confirm that Calvary is authorized to offer distance education and your desired program in your state of residence.

PRESIDENTIAL TREATMENT OF STUDENTS

With respect to interactions with students or those seeking to be such, the President shall not cause or allow conditions, procedures, or decisions that are unbiblical, unsafe, undignified, or unnecessarily intrusive.

Further, without limiting the scope of the foregoing by this enumeration, the President shall not:

- A. Request information for which there is no clear necessity.
- B. Use methods of collecting, reviewing, transmitting, or storing student information that fail to protect against improper access to the material elicited.
- C. Fail to operate facilities with appropriate safety, accessibility, and privacy.
- D. Fail to establish with students a clear understanding of what may be expected and what may not be expected from the service(s) offered.
- E. Fail to use biblical principles in regulating student conduct or in counseling and discipline of students.
- F. Fail to inform students of this policy as applicable, or to provide a way to be heard for persons who believe they have not been accorded a reasonable interpretation of their protections under this policy.
- G. Graduate any student who fails to possess a foundational understanding of the Holy Scripture and Calvary's Doctrinal Statement.

Procedure for Grievances

Any grievances that a student would have regarding the president, faculty, or staff should be submitted in written form explaining the grievance. This appeal should be given to the Vice President of Student Services with explanation deemed necessary. The Vice President of Student Services will then submit the grievance to the appropriate vice president. Grievances will be submitted as follows: concerning staff to the Chief Operations Officer; concerning faculty to the Chief Academic Officer; concerning the President to a President's cabinet member; concerning a Vice President to the President.

CLERY ACT

The annual crime index report is made available in accordance with the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act." The report is available in the following offices: Student Deans, Business, and Security. The report is also available on reserve in the Library. Any further questions should be directed to the Chief of Security.

Report on Athletic Program Participation Rates and Financial Support Data (EADA)

In accordance with the Equity in Athletics Disclosure Act, an annual report pertaining to Calvary's athletic programs is available to prospective students, students, and to the public in the following locations:

- ✓ Admissions Office
- ✓ Financial Aid Office
- ✓ Athletic Director's Office
- ✓ Institutional Research Office

Any questions regarding the Equity in Athletics Disclosure Act should be directed to the Institutional Research Office.

SEXUAL OFFENDER INFORMATION

The "Campus Sex Crimes Prevention Act" is a federal law enacted on October 28, 2000, which provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education, or working or volunteering on campus.

The Act amends the "Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act" to require sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student.

In the event Calvary University determines that an applicant for admission or existing student is listed on a Sex Offender Registry, the following procedures shall apply:

- A. The applicant will be denied admission to Calvary University. This is defined as:
Admission Denied/Revoked: Admission to the college, or to college functions or activities, may be denied or revoked to individuals who are unable to demonstrate safe and/or non-disruptive conduct.
- B. If the applicant registers for classes and/or becomes a student before the College receives notification that such student is a registered sex offender, the student will be immediately informed that he/she is being administratively withdrawn from classes and will receive a refund according to the refund schedule.
- C. An applicant may invoke his/her right to an appeal process.

Appeal Process for Denial of Admission or Withdrawal for Convicted Sex Offender

When a convicted sex offender is denied admission to or is administratively withdrawn from classes at Calvary University, he/she may invoke the following appeal process:

- A. The applicant or withdrawn student will receive a letter from the Student Deans, stating his/her denial of admission or administrative withdrawal.
- B. The applicant/withdrawn student may write a letter of appeal to the President's Cabinet in which he/she provides the following information:
 1. Disclosure of the nature of the offense for which he/she has been convicted.
 2. Justification for consideration of admission/reinstatement.
 3. Statement acknowledging his/her understanding that his/her identity and status as a convicted sex offender will be publicized on the College campus in accordance with federal and state law if he/she is admitted or reinstated.

Note: If a student is appealing a denial of admission or an administrative withdrawal, he/she must submit the letter of appeal to the President's Cabinet within seven (7) calendar days of the denial of admission/administrative withdrawal.

- C. A panel of the President's Cabinet and two other full-time faculty or administrators will review the information submitted and make a decision by a simple majority vote within fourteen (14) calendar days of receiving the letter of appeal. The Chief Academic Officer will serve as the convener of the panel.
- D. The Chief Academic Officer will inform the applicant/withdrawn student by letter of the decision of the appeals panel. The decision of the appeals panel shall be final.
