- When scheduling your mammogram, tell the scheduler that the appointment is on the mobile coach for the date listed above.
- Women 35-39 years old may obtain a screening baseline mammogram. Patients in this age range should check with their insurance provider prior to the screening for plan eligibility and coverage.
- Women 40 years or older do not need an order.
- Your most recent screening mammogram should be 12 months or more prior to the current mammogram for insurance coverage reasons.
- Please complete the Breast Imaging Form and, if you have had prior mammograms outside DIC, the Medical Records Release Form, then provide them at the time of your appointment. **You will also need your insurance card.** A credit/debit card (no cash or checks) can be used for uninsured patients, or if you elect to pay the $55 fee for a 3D screening (if your insurance doesn't cover 3D).
- On the day of your mammogram, please refrain from wearing deodorant, lotion or perfume from the waist up. Also, wear a two-piece outfit so you don't have to fully disrobe.
