

Calvary University offers a variety of scholarships to new and returning students. To qualify for scholarships, new and transfer students must first apply and be accepted for admission. All scholarships require that a student be degree-seeking and enrolled full-time (at least 12 hours undergraduates or at least 9 hours seminary).

The scholarships Calvary awards are competitive as a limited number of scholarships are available. Not all who apply for a scholarship and are otherwise eligible may receive the scholarship(s). Decisions on scholarships are made by the Student Aid Committee, whose deliberations and decisions are not public information. Applicants will be notified of their award status by the Financial Aid office. **Students must reapply for all scholarships each academic year in order to be considered for re-award.**

Calvary funded scholarships are awarded to cover tuition and fees at Calvary University only. Student payments including outside scholarships, Pell Grant, Student Loans, and all other sources of payments on a student account are applied to a student's billing charges first, then Calvary funded scholarships are applied to any remaining balance. Any resulting credit balance is left on the student's account, and can be used in future semesters. Calvary does not pay out credit balances created by Calvary funded scholarships to students. If the student ceases attending Calvary any remaining credit balance resulting from Calvary funded scholarships will result in a reduction of previously awarded scholarships to zero out the students balance.

Application deadlines are March 1 (early consideration) and April 1 for students entering in the fall semester and December 1 for new and transfer students entering in the spring semester. All new and renewal applicants must complete the FAFSA before scholarships are awarded each year.

In order to make the scholarship program at Calvary a success, Calvary requests that scholarship recipients be willing to volunteer and help with the President's Dinner in September and with the Alumni Phone-a-thon in February. In addition to the direct financial benefit to the student body, these events provide an opportunity for those who serve to network and connect with alumni and others who support CU and CU students.

(Matthew 10:8, 2 Corinthians 9:6-8)

Carefully read the requirements for each scholarship BEFORE you submit your application. Submit all required documentation including any required essays. Incomplete application submissions WILL NOT be considered and the student will not be notified that their submission is incomplete.

CHRISTIAN WORKERS TUITION PRICING (Independent and Dependent Students)

In the spirit of Acts 2:44–45 and Ephesians 4:12–16, Calvary is excited to offer a substantial tuition discount to full-time Christian ministry workers and their dependents. The tuition rate for eligible students is only \$250 per credit hour for on campus courses and online courses. This is a 30 to 42 percent savings off the normal tuition rates. All other program fees apply and are not discounted. Students will not see this awarded as a scholarship, but rather their billing statement will reflect a tuition rate of \$250 per credit hours. Fill in the information requested in the application below under Christian Workers Tuition Pricing. Due to the substantial discount offered by the Christian Workers Tuition pricing, students receiving the \$250 tuition rate may become ineligible for other scholarships that Calvary offers or the amounts awarded may be reduced.
