

Scholarship Auditions

Calvary University Theatre Arts

As an incoming freshman to CU Theatre Arts, you're eligible for a one-time \$350 scholarship. It's not a huge amount, but it should at least buy your first semester books!

Please prepare the following:

- Two contrasting memorized monologues that need to be chosen from any of the following, but should show your versatility as an actor:
 - A one to two-minute comedic contemporary monologue (anything published within the last fifty years by an established playwright from a play recognized as solid dramatic literature; generic monologues found on the internet aren't encouraged)
 - A one to two-minute comedic classical monologue (anything published more than fifty years ago of established literary value such as Shakespeare, Moliere, Rostand, etc.)
 - A one to two-minute dramatic contemporary monologue
 - A one to two-minute dramatic classical monologue
- A sixteen to thirty-two measure cutting from a Broadway show tune (only if you're a singer and feel this would help your chances of receiving a scholarship)
 - Please bring a recorded accompaniment

You can choose to audition in person by contacting Bobbie Jeffrey, Theatre Arts Department Chair, either by email at bobbie.jeffrey@calvary.edu or by phone, 816.210.5669 OR you can record your audition and send a link to the recording.

Auditions must be performed or received by July 15 of the year you enter Calvary as a freshman. If you have any questions or if you need help choosing monologue material, please contact Bobbie at your convenience. Break a leg!
