HOW IMPORTANT IS YOUR EDUCATION TO ALL OF US AT CALVARY?

Peter exhorts Christians to "prepare your minds for action, keep sober in spirit, fix your hope completely on the grace to be brought to you at the revelation of Jesus Christ" (1 Pet 1:13).

There are many good ways to prepare, and a formal education can be a significant part of that preparation. As you work through the process of choosing a school, you have probably realized that there are multiple good options available to you.

Calvary is certainly not the only quality, Biblically grounded university, but we would love to be the school

you choose because we work very hard to provide undergraduate and graduate education which prepares Christians to live and serve in the church and the world according to the Biblical worldview. For us, that means a commitment to excellence in helping you prepare for the action God has in store for you. No matter whether you are preparing for vocational ministry or simply preparing for a vocation – there is ministry action ahead for you, and we want to make sure you gain the knowledge and develop the skills and character you need to be effective and faithful in meeting present-day challenges.

In our striving for excellence, Calvary University provides a Bible-rich curriculum to ensure that every field of study is firmly rooted in the Biblical worldview. You will also find a welcoming community of staff, faculty, fellow students, churches, and community partners who are all happy to contribute to your growth and preparation at Calvary. Calvary's music, drama, and athletic programs also reflect our commitment to excellence and will add depth and enjoyment to your time at Calvary.

Calvary is committed to continuing to grow and expand to meet our students' needs, and just as we hope to help shape you, we look forward to your helping to shape us. We relish the opportunity to walk with you during this part of your journey.

May God bless you as you continue to walk with him, and as you prepare for the action ahead!

Serving Him by serving you,

Christopher B. Cone, Th.D., Ph.D., Ph.D. President

Exceptional Faculty

Qualified faculty members are not only involved in academics, but also serve as role models in Christian ministry. In Calvary's family atmosphere, one-on-one interaction with faculty is possible to a much greater degree than on larger college and university campuses.

More than sixty percent of Calvary students come from outside Missouri. You will study alongside others from around the world who share the

same commitment to faith, God's Word, and desire to become better equipped to serve the Lord.

variety of different positions are available. For job availability, or general questions, please contact the SWP Director.

Nikaó Leadership Institute

The Nikaó Leadership Institute helps to prepare students to live and serve in the church and the world according to the biblical worldview. Each year a limited number of incoming

freshmen will have the opportunity to enter the Institute. In addition to their regular college classes, NLI students will participate in a yearly Leadership Summit and weekly breakout sessions. They will also be required to serve in leadership positions both on and off campus to earn Nikaó points. As they

serve, a mentor will seek to provide guidance and accountability. Besides the valuable leadership development, students who successfully complete the NLI requirements each semester will earn a tuition scholarship.

STATEMENT OF FAITH

The Scriptures

We believe the Holy Scriptures of the Old and New Testaments to be the verbally and plenarily inspired Word of God (Matt 5:18; 2 Tim 3:16-17).

We hold the Bible to be inerrant in the original writings, infallible, God-breathed, and the complete and final authority for faith and practice (2 Pet 1:20-21).

We believe that the Scriptures, interpreted in their normal, literal sense, reveal divinely distinguishable economies in the outworking of God's purposes. These dispensations are not ways of salvation, but rather divinely ordered stewardships by which God directs man according to His purposes. Three of these – the age of law, the age of the church, and the age of the millennial kingdom – are the subjects of detailed revelation in Scripture (Gen 12:1-3; John 1:17; Rom 4:1-5; 2 Cor 3:7-18; Gal 3:13-25; Eph 1:10; Col 1:24-25; Heb 7:19; Rev 20:2-6).

The Godhead

We believe in one Triune God, Creator of all (Gen 1:2; Deut 6:4; 1 Cor 8:6; Col 1:16), eternally existing in three distinct persons – Father, Son, and Holy Spirit (2 Cor 13:14), yet one in being, essence, power, and glory, having the same attributes and perfections (John 10:30).

The Person and Work of Christ

We believe in the deity of the Lord Jesus Christ. He is very God, the express image of the Father, who, without ceasing to be God, became man in order that He might reveal God and redeem sinful man. (Matt 1:21; Joh1:18; Col 1:15).

We believe that God the Son became incarnate in the person of Jesus Christ; that He was conceived of the Holy Spirit and was born of the virgin Mary; that He is truly God and truly

12

University Profile

man; that He lived a perfect, sinless life; that all His teachings and utterances are true (Isa 7:14; Matt 1:23).

We believe that the Lord Jesus Christ died on the cross for all mankind (1 John 2:2) as a representative, vicarious, substitutionary sacrifice (Isa 53:5-6). We hold that His death is efficacious for all who believe (John 1:12; Acts 16:31); that our justification is grounded in the shedding of His blood (Rom 5:9; Eph 1:7); and that it is attested by His literal, physical resurrection from the dead (Matt 28:6; 1 Pet 1:3).

We believe that the Lord Jesus Christ ascended to Heaven in His glorified body (Acts 1:9-10) and is now seated at the right hand of God as our High Priest and Advocate (Rom 8:34; Heb 7:25).

The Person and Work of the Holy Spirit

We believe in the deity (Acts 5:3-4) and the personality of the Holy Spirit.

We believe that the Holy Spirit convicts the world of sin, righteousness, and judgment (John 16:8-11). He regenerates sinners (Titus 3:5) and indwells believers (Rom 8:9). He is the agent by whom Christ baptizes all believers into His body (1 Cor 12:12-14). He is the seal by whom the Father seals believers unto the day of redemption (Eph 1:13-14). He is the Divine Teacher who illumines believers' hearts and minds as they study the Holy Scriptures (1 Cor 2:9-12).

We believe it is the duty and privilege of all the saved to be continually filled with the Holy Spirit (Acts 4:31). This filling is commanded (Eph 5:18). Conditions for being filled are yieldedness to the Spirit's control (Rom 8:14) and a dependent life (Gal 5:16). The results of filling are victory over sin, Christlike character, worship, submissiveness, and service (Gal 5:22-23).

We believe that the Holy Spirit gives gifts to each member of the body of Christ (1 Cor 12:11). The Son of God sovereignly assigns the place of the ministry of the gifts in the body, and the Father provides the energy in the outworking of the gifts (1 Cor 12:4-6). Each believer is to exercise his spiritual gift(s) for the common good to the building up of the body of Christ (Eph 4:11-16).

We believe that the gift of speaking in tongues, which was a sign to the nation of Israel, and the other sign gifts gradually ceased as the New Testament was completed and its authority was established (1 Cor 13:8; 14:21-22; 2 Cor 12:12; Heb 2:4).

Angels, Good and Evil

We believe in the reality and personality of angels. We believe that God created an innumerable company of these sinless, spiritual beings who were to be His messengers (Neh 9:6; Ps 148:2; Matt 24:31; Luke 1:19; Heb 1:14).

We believe in the personality of Satan. He is a fallen angel who led a great company of angels into rebellion against God (Isa 14:12-17; Ezek 28:12-15). He is the great enemy of

God and man, and his angels are his agents in the prosecution of his unholy purposes. He shall be eternally punished in the Lake of Fire (Matt 25:41; Rev 20:10).

Man

We believe that man came into being by direct creation of God and that man is made in the image and likeness of God (Gen 1:26-27; 2:7).

Sin

We believe that the human race sinned in Adam (Rom 5:12), that sin is universal in man (Rom 3:23), and that it is exceedingly heinous to God (Ps 5:5). We believe that man inherited a sinful nature (Ps 51:5), that he became alienated from God (Col 1:21), that he became totally depraved, and that of himself, he is utterly unable to remedy his lost estate (Eph 2:1-5, 12). We believe that all men are guilty and in a lost condition apart from Christ (Rom 2:1; 3:10-18).

Salvation

We believe that salvation is a gift of God's grace through faith in the finished work of Jesus Christ on the cross (Eph 2:8-9). Christ shed His blood to accomplish justification through faith, propitiation to God, redemption from sin, and reconciliation of man. "Christ died for us" (Rom 5:8-9) and "bore our sins in His own body on the tree" (1 Pet 2:24).

We believe that all the redeemed, once saved, are kept by God's power and are secure in Christ forever (John 6:37-40; 10:27-30; Rom 8:1, 38-39; 1 Pet 1:5; Jude 24).

We believe that it is the privilege of all who are born again to rejoice in the assurance of their salvation through the testimony of God's Word (Rom 8:16; 1 John 5:13). We also believe that Christian liberty should never serve as an occasion to the flesh (Gal 5:13).

We believe that the Scriptures disclose several aspects of sanctification. In addition to God's work of bringing a sinner to Christ, he is set apart to God. This is positional sanctification and refers to his standing. He then undergoes a process whereby the Holy Spirit quickens his affections, desires, and attitudes, enabling him to respond in faith to live a life of victory over sin. This is progressive sanctification and refers to his state (2 Cor 3:18; 7:1; Gal 5:16-25; Eph 4:22-29; 5:25-27; Col 3:10). Someday his standing and his state will be brought into perfect accord. This is prospective, or ultimate sanctification (1 Thess 5:23; 1 John 3:2).

The Church

We believe that the church, which is the body and espoused bride of Christ, began at Pentecost and is a spiritual organism made up of all born-again persons of this present age (Acts 2:1-42; 11:15; 1 Cor 12:12-14; 2 Cor 11:2; Eph 1:22-23; 5:25-27).

We believe that the establishment and continuance of local churches is clearly taught and defined in the New Testament Scriptures (Acts 14:27; 20:17; 1 Tim 3:1-13; Titus 1:5-11). We believe in the autonomy of the local church, free of any external authority or control (Acts 13:1-4; 15:19-31; 28:28; Rom 16:1, 4; 1 Cor 3:9, 16; 5:4-7, 13; 1 Pet 5:1-4).

14

University Profile

We believe in the ordinances of believer's water baptism by immersion as a testimony and the Lord's Supper as a remembrance in this age of Christ's death for the church (Matt 28:19-20; Acts 2:41-42; 18:8; 1 Cor 11:23-26).

We believe that the saved should live in such a manner as not to bring reproach upon their Savior and Lord, and that separation from religious apostasy, sinful pleasures, practices, and associations is commanded by God (Rom 12: 1-2; 2 Cor 6:14-7:1; 2 Tim 3:1-5; 1 John 2:15-17; 2 John 9-11).

We believe in the Great Commission as the primary mission of the church. It is the obligation of the saved to witness, by word and life, to the truths of Holy Scripture. The gospel of the grace of God is to be preached to all the world (Matt 28:19-20; Acts 1:8; 2 Cor 5:19-20). Converts are to be taught to obey the Lord, to testify concerning their faith in Christ as Savior in water baptism, and to honor Christ by holy living and observance of the Lord's Supper (Matt 28:19-20; 1 Cor 11:23-29).

Things to Come

We believe in that "blessed hope" (Titus 2:13), the personal, imminent (Matt 24:42, 44; 1 Cor 15:51-52; Phil 3:20; 4:5), pretribulational, and premillennial (Rev 19:11-20:10) coming of our Lord Jesus Christ to rapture His saints and receive His Church unto Himself (1 Thess 4:13-18).

We believe in the subsequent, visible return of Christ to the earth (Matt 24:29-31), with His saints, to establish His promised millennial kingdom (Zech 14:4-11; 1 Thess 1:10; Rev 3:10; 19:11-16; 20:1-6).

We believe in the physical resurrection of all men, the saints to everlasting joy and bliss, the wicked to conscious and eternal torment (Matt 25:46; John 5:28-29; 11:25-26; Rev 20:5-6, 12-13).

We believe that the souls of the redeemed are, at death, absent from the body and present with the Lord, where in conscious bliss they await the first resurrection when spirit, soul, and body are reunited to be glorified forever with the Lord (Luke 23:43; 2 Cor 5:8; Phil 1:23; 3:21; 1 Thess 4:16-17; Rev 20:4-6).

We believe that the souls of unbelievers remain, after death, in conscious misery until the second resurrection when, with soul and body reunited, they shall appear at the Great White Throne judgment and shall be cast into the Lake of Fire, not to be annihilated, but to suffer everlasting, conscious punishment (Matt 25:41-46; Mark 9:43-48; Luke 16:19-26; 2 Thess 1:7-9; Jude 6-7; Rev 20:11-15).

Expanded Statement Regarding Religious Freedom and Human Sexuality

God created human beings distinctly as male and female (Gen 1:27). The distinctness, complementarity, and relational nature of the human race as "male and female" is based on the created order given by God when He created humanity "in His image" (Gen 1:26-27; 5:1-3; 9:6; 1 Cor 11:7; Jam 3:9; 2 Cor 3:18; Eph 4:23-24; Col 3:10), and these establish a normative connection between biological sex and gender. The created distinctness,

complementarity, and relational nature also establish the basis for the marital relationship as being between one man and one woman (Gen 2:23-24; Eph 5:21-33).

The Bible affirms two options or giftings for sexual expression: monogamous marital relations between one man and one woman (Gen 1:27-28; 2:18, 21-24; Mt 19:4-6; Mk 10:5-8; 1 Cor 7:7; Heb 13:4; Eph 5:22), or sexual celibacy, if one is not in a monogamous marital relationship between one man and one woman (1 Cor 7:7; Mt 19:12). Within these two Biblical designs there can be found sexual fulfillment, whereas outside these two designs sexual expression is improper.

The Bible affirms that human sexuality is a gift to be treasured and enjoyed (Gen 2:24; Prov 5:19, 31:10; 1 Cor 7:4), as is sexual celibacy (1 Cor 7:7). The fall of humanity (Gen 3) corrupted human sexuality in both spiritual and physical ways (Rom 1:18-32, Eph 2:1-10), and one result is confusion and pain in the lives of those who struggle with brokenness regarding gender, and who struggle with the guilt of desiring sinful expressions of sexuality (Gen 3:1-7; Rom 3:9-18; 5:12-17). The Bible prescribes faith in Jesus Christ (1 Cor 15:2-3) as the remedy for guilt and as the provision for life (Rom 3:23, 6:23; Jn 3:16), and the Bible prescribes an ongoing relationship with Him as the means for a whole and fulfilling life (Jn 15:1-11, 17:3; Col 3:16; Gal 5:16-25; Rom 8:28-38

CONVICTIONS

Solidly Biblical

The Bible is the heart and core of every educational program at Calvary University. Theologically, Calvary can be described as biblical, fundamental, pre-millennial, and dispensational. Each year, every faculty member and trustee must affirm his wholehearted acceptance of the Bible as the inerrant, verbally inspired Word of God.

Separated

It is Calvary's desire to be separated unto God from worldliness, whether in personal actions, attitudes and thought, or in ecclesiastical programs and associations. Calvary's position is one of being loyal to the biblical doctrine of ecclesiastical separation so that it has no embarrassing ties which might keep it from exposing apostasy, heresy, or sin. This is evidenced in its historical stand against the ecumenical teachings and practices of our day.

Evangelism and Missions

We believe that the "Great Commission" defines the primary mission of the church. Calvary seeks to incorporate the spirit of evangelism and discipleship into the whole school family, whether in the classroom, in assemblyl, or in extracurricular activities and projects.

A Friend of Bible-Believing Churches

Calvary stands with all who love Christ and preach His Word. The attitude throughout the school is nonsectarian. We are unreservedly loyal to all Bible-believing churches faithful to Christ and the Bible. Calvary is affiliated with the IFCA International and Berean Fellowship of Churches and maintains a good relationship with independent and

University Profile

denominational churches and individuals that uncompromisingly hold the historic fundamentals of the faith.

Institutional Position on the "Sign Gifts"

As Calvary University understands the teaching of Scripture and church history, the "sign gifts" of the Holy Spirit (speaking in tongues, prophecy, healings, miracles, and the like) ceased after the first century and are no longer essential for the church today. Those who may believe otherwise and desire to enter Calvary as students are welcome, if they are willing to study with an open mind, to understand the institution's position, and not to practice or propagate their beliefs while studying at Calvary.

Nurturing Character and Truth

We are persuaded that the Scriptures teach that what we are is as important as what we know. Ephesians 4:15 clearly states that we are to speak the truth (doctrine) in love (Christ-like character). This is the reason we put much effort into developing Christ-like character and a servant's heart while communicating God's Word. In all matters we endeavor to display the "excellent spirit" of the prophet Daniel (Dan 6:3). This man of God refused to compromise and yet constantly displayed an attitude which endeared him to his superiors. He was neither vindictive nor self-righteous and by his dedicated life made a profound impact upon the kings of Babylon and Persia.

Biblical Core

Calvary shall always maintain a Christian accreditation, and specifically ABHE as long as it is available, or another comparable accreditation if ABHE is not available, to ensure accountability in maintaining a Biblical core and Christian ministry requirements.

Bible Requirement

The Bible shall be a required textbook for every course offered at Calvary.

CALVARY STATEMENT ON DIVERSITY

At Calvary, we endeavor to prepare students to live out the biblical worldview in a diverse world. This project is enshrined in our mission statement and fulfills the Board of Trustee outcome that graduates *understand the world in which they live and be able to effectively relate to others in it*. In order to fulfill this expectation, Calvary is committed to:

- Seek to recruit students, staff, and faculty from a variety of cultural, ethnic, and language backgrounds.
- Offer diverse Christian ministry environments that span the cultural spectrum in the greater Kansas City area.
- Develop academic and co-curricular opportunities to expose students to a variety of cultural, ethnic, philosophical, religious, and geographic ministry and service settings in the Kansas City area and around the world.
- Encourage students, staff, and faculty to engage in intercultural ministry through structured events and student-led opportunities throughout the academic year and to commit to a lifestyle of intercultural service.

HISTORY OF CALVARY

Calvary University (formerly Calvary Bible College and Theological Seminary) is the successful result of a merger in 1961 between two small and struggling Bible college – Kansas City Bible College (*KCBC*) and Midwest Bible College (*MBC*) in St. Louis. A second merger took place in 1987 when Citadel Bible College of Ozark, Arkansas, joined Calvary. These mergers represented a blending of institutional objectives, assets and liabilities, alumni associations, and doctrinal goals, as well as values that were held in common by all of the institutions.

In the early 1930s Christian work throughout the Midwest needed experienced, welltrained pastors and teachers. The economic depression had the country in its grip, many

churches were without pastors, and there was no evangelical school in this area of the heartland. Several Christian leaders had been praying for a decade about the need for such a school, and the God-selected leaders for the original venture included Dr. Walter L. Wilson, medical doctor, theologian, and author; Rev. David Bulkley, Superintendent of the City Union Mission; and Rev. R. Fuller Jaudon, pastor of the Tabernacle Baptist Church. Kansas City Bible Institute first opened its doors in 1932 with Dr. Wilson as the first president. In 1935 it became Kansas City Bible College with Dr. F. William May as President.

In 1938, Dr. May left Kansas City Bible College to assist Rev. Nye J. Langmade with the founding of Midwest Bible and

Missionary Institute in Salina, Kansas. Rev. Langmade served as its first President until 1954. Dr. May served as President from 1954 until 1956 when Dr. Roger Andrus was appointed President. In 1946, Midwest moved to St. Louis, Missouri, and became Midwest Bible College in 1959.

In the early 1960s, Dr. Al Metsker, acting President of KCBC, met with Dr. Roger Andrus,

President of MBC, to explore the possibility of merging the two small colleges into one stronger institution. In the summer of 1961 the blueprint was complete; the two schools merged, moved to a campus in the Kansas City suburban community of Prairie Village, Kansas, and became Calvary Bible College. The Board of Trustees of the newly formed school named Dr. Roger Andrus as its first President.

In addition to the individuals named above who were instrumental in the early years, Calvary and its predecessor schools were blessed with a number of others who had a desire to see Bible institutes begun in the Midwest and had an active part in these beginnings – Mr. Dwight Johnson, Dr. Charles R. Rolls, Dr. Robert Belton, Dr. Clifford Lewis, and Mr. Stanley Cook, to name a few. In 1966, Calvary moved to 1111 West 39th Street in Kansas City, where it remained until the move in 1980 to the current campus at the former Richards-Gebaur Air Force Base.

In 2012 the campus expanded across the street to thirteen acres vacated by the U.S. Marines and awarded to the school by the U.S. Department of Education, which included a move-in ready dorm and three other buildings for new offices, classrooms, and space for assembly. Dr. Andrus served as President of Calvary until the early 1970s, and in 1974 Dr. Leslie Madison was called as President.

Citadel Bible College, originally named Ozark Bible Institute, began in the heart of Rev. A. H. Levin. Under his leadership, the school was organized by a group of pastors and businessmen and

incorporated in the state of Arkansas in 1947, with classes beginning in 1949. Rev. Levin served as Citadel's first President until his death in 1970, at which time his son, Rev. Robert Levin, was appointed Interim President. Dr. Paul Brownback served as President from 1976 until the merger with Calvary in 1987.

In 1991, Dr. Madison was appointed Chancellor, and Dr. Donald Urey, Vice President for Academic Affairs at Calvary, was named President. Dr. Jim Anderson, an alumnus of Kansas City Bible College and former faculty member at Calvary, was called as President in 1996. After Dr. Anderson's return to full-time evangelistic work, the Board of Trustees named Dr. Elwood H. Chipchase as President in 1999. In 2009, Dr. Chipchase retired, and Dr. James L. Clark, Vice President and Academic Dean of the College, was named President. Dr. Clark is the first President of Calvary to have graduated from Calvary.

In 2014, Dr. Clark announced he would retire after the 2015 - 2016 academic year, and in late 2015, Dr. Christopher Cone was appointed to serve as President beginning in summer, 2016. Dr. Cone appointed Dr. Clark to the office of President Emeritus. In mid-2016, Calvary rebranded as Calvary University and added bylaws reaffirming and deepening Calvary's commitment to the Bible as foundational and to the biblical worldview.

Initial accreditation with ABHE was granted in 1961.

Documents pertaining to the school's accreditation may be reviewed in the office of the President, or questions may be submitted to him.

Approvals

Calvary is approved for the training of veterans and authorized to enroll international (nonimmigrant alien) students.

The teacher education programs of Calvary University are approved by the State of Missouri. Candidates who graduate from these programs can be recommended for state certification and licensure.

CALVARY GRADUATE SCHOOL

In 1966, Calvary established a graduate division to offer a program of study beyond the baccalaureate level. The initial offering was a Master of Arts in Biblical Literature. The Graduate Division was eventually superseded by the Seminary in 1992. In 2011, the Seminary added Masters of Sciences degrees in Education and Organization Development. In 2013, a Master of Science in Worship Arts was also added. During the 2016 presidential transition and reorganization of Calvary University, the Cabinet determined that a Graduate School would more appropriately house graduate programs in Education, Organization Development and Music than the Seminary, so a Graduate School was created beginning July 1, 2016.

CALVARY SEMINARY

Calvary Theological Seminary began as the Graduate Division of the College in 1966. In

1992, the Seminary became a separate school, and the name was changed to Calvary Theological Seminary. Seminary programs of study in 1992 included a Master of Ministry, Master of Arts in Biblical Studies, Master of Arts in Bible and Theology, Master of Arts in Biblical Languages, and a Master of Divinity. With the institutional reorganization associated

with Calvary University in 2016, the Seminary was split into two schools: the Graduate School and the Seminary. Programs currently offered include a Master of Arts in Biblical Counseling, a Master of Arts in Bible and Theology, a Master of Divinity, and a Ph.D in Bible and Theology.

LIBRARY

The Hilda Kroeker Library supports the academic and professional programs of Calvary by seeking the input of faculty and staff for those resources necessary to support Calvary's mission and objectives. Audiovisual resources and equipment, computer software, and various curricula are in auxiliary collections maintained by the library staff. The collection is catalogued according to the Library of Congress classification system.

The Calvary library is a part of the Kansas City Public Library – Library Services (KCPL-LS) and is a member of the Mid–America Library Alliance (MALA). These memberships provide access to the resources available in over 25 public and private libraries and library systems in the Kansas City area.

ACTIVITIES

Building and maintaining relationships are a top priority at Calvary and are fostered through a variety of class and dorm events, banquets, assemblies, music concerts, picnics, athletic events, brother-sister dorm activities, and so much more.

Personal Devotions

Calvary strongly encourages students to maintain a personal "quiet time" each day, since habits formed today will set the pattern for the future.

Prayer

Prayer is part of the normal routine at Calvary. Classes and scheduled meetings usually begin with prayer. A special Day of Prayer is set aside for the entire campus to devote itself to communication with our Lord. Additional opportunities for

organized group prayer meetings are also scheduled throughout the year.

Assemblies

While enrolled at Calvary, students attend weekly assembly services. Assemblies include a time of worship as well as special speakers, group discussions, roundtables, and other programs of interest.

Local Church

With the goal of developing the biblical worldview and learning to be effective in service, Calvary students are involved in local, Bible-believing churches. Students are expected to participate in the activities of the local church they attend.

Christian Ministry

A vital part of the educational program at Calvary University is participation in Christian ministries. Since ministry is the normal expression of a healthy Christian life, degree-seeking students are expected to minister while attending Calvary. The number and types of

ministries required will vary with each degree program. First-time freshmen students and transfer students will be given one semester of ministry to find a church where they will attend and become involved during their time at Calvary. The school places a high priority on being involved in a local church while being trained for service. Students should be involved in ministries in a local church, an organization, or in local evangelism as well as in areas focusing on the student's major. Summer ministries are

allowed and special consideration is extended to students transferring from other institutions.

All ministries are approved by the Christian Ministries Director and normally last for a minimum of 12 weeks during the semester. A pass / fail grade will be given at the end of each semester and recorded on the student's transcript. Those students who have not completed all Christian ministry requirements will not be permitted to participate in graduation.

Missions Emphasis

Annually, Calvary devotes a special time for an emphasis on missions. During this "Conference on Global Engagement", missionaries speak in assemblies, classes, and hold seminars. The challenge of worldwide missions is stressed, and opportunity is given for students to meet missionaries from evangelical faith missions.

STUDENT ORGANIZATIONS

Student Senate: The Student Senate is the liaison group between the student body and the faculty / administration and is composed of a president, vice-president, secretary, and

treasurer elected from the student body and four members of each class: a president, vice-president, and two representatives.

Student Missions Committee: This is a volunteer-based student organization consisting of those who share a passion for missions and reaching the lost. The Student Missions Committee exists to promote missions on campus and help

the student body to be engaged in reaching our local community and the world.

Veterans Association: The Veterans Association promotes, supports, and serves the diverse needs of veterans that includes students, staff, and faculty.

Choc-Board: Choc-Board is the Calvary Student Chapter of The Missouri State Teachers Association. The purposes of Choc-Board are to promote professional development, develop leadership skills, and to inform about the field of education.

STANDARDS

Conduct

Spiritual expectations for students at Calvary University are purposefully high. They could not be otherwise and follow biblical principles. Calvary seeks to create and encourage a godly atmosphere for students to make

spiritual decisions.

Primary to spiritual growth is a consistent, personal devotional life along with faithful fulfillment of responsibilities. These responsibilities include attending classes, assemblies, prayer meetings, local church services, and similar activities. Consistent completion of class and Christian ministry assignments and proper adjustment to college life also demonstrate maturity.

Calvary has the responsibility, under God, to maintain standards that are above reproach. The school seeks to cultivate personal habits that will bring honor to the name and person of the Lord Jesus Christ.

Calvary reserves the right to discipline and/or dismiss any student whose behavior is deemed to be contrary to the standards of conduct listed in the Student Handbook and/or any activity which negatively impacts class atmosphere, reflects unfavorably on the student's personal testimony or Calvary's testimony, or improperly influences other students.

Calvary complies with federal regulations regarding "drug and alcohol abuse prevention." (see Zero Tolerance Policy)

The standards concerning student behavior are set forth in detail in the *Student Handbook*. Guidance in these areas is provided through the Student Services Office as well as through faculty advisors.

Attending Calvary University is a privilege, not a right. Calvary may insist on the withdrawal of a student at any time that the student, in the opinion of the school, does not conform to the established regulations and standards of conduct.

In the event that a student is no longer able to attend on-campus classes, but is not dismissed from school (either voluntarily or non-voluntarily), Calvary reserves the right to administratively transfer a student from on-campus classes to Directed Study or Online courses. If a course cannot be transferred, it will be refunded at a pro-rated price. Such circumstances may include: Gender-Based Misconduct accusations, injury/illness, various extenuating circumstances, etc. If a student is administratively removed from on-campus housing but not dismissed, he/she will be refunded at a pro-rated amount for the time remaining.

Housing

Dormitory housing is available for single men and women. Married students should contact the Student Services Office for information concerning married student housing.

Information concerning facilities available for handicapped students may also be requested from the Student Services Office.

A minimum of six credit hours must be taken to live on campus. Single- and doubleoccupancy rooms are provided for students in the dorm. Each

room is equipped with complete bathroom including shower, and one closet per student. Dorm rooms have individually controlled heating/cooling systems. Lounges and laundry facilities are provided on each dorm floor. Inquiries for housing in the dorm should be directed to the Student Services Office.

The school also has housing available in an apartment building named Philadelphia Hall. Inquiries for housing in Philadelphia Hall should be directed to the Business Office. Students with special disability needs are encouraged to contact the Student Services Office to discuss their individual housing needs. All single, undergraduate students under 23 years of age must live in the dorm. The only exception is for students living with their families (parents or grandparents) who reside in the Greater Kansas City area (note: basis for appeal to the above policy is found in the *Student Handbook*). Students who are 23 years of age and older may choose to live in non-dorm housing on campus (for exceptions and appeals, please see the *Student Handbook*).

Calvary offers meal plans for students to choose from. Due to the nature of our Food Service program, dormitory residents are required to participate in one of the available meal plans.

Vehicles

All students are permitted to have cars on campus by properly registering them with the Security Department. Vehicle identification stickers are to be displayed in the lower left corner of the rear windshield on the driver's side. The ID sticker is valid as long as the student maintains enrollment at Calvary and continues to drive the vehicle on campus. All vehicles driven on campus by students are to be registered. Registration is needed for easy identification in the event of an emergency (i.e., vehicle needs to be moved, lights left on, etc.).

STUDENT SERVICES

Counseling

All counseling from the Student Services Department will be biblical with the goal of the individual being changed into the image of Christ. We believe that in Christ we have everything we need for life and godliness and rely heavily upon this in counseling. We believe the Word of God is sufficient to meet the needs of mankind for salvation and sanctification. Students may seek formal counseling with either the Student Services Department or with the Student Services' licensed counselors. For more information, please refer to the *Student Handbook*.

The Clark Academic Center

The Clark Academic Center is designed to assist students in becoming successful learners. One-on-one tutorial sessions with qualified tutors are available during posted hours or by appointment. All students are encouraged to take advantage of this service to enhance their college learning experience.

Disability Support Services

Calvary offers reasonable disability support services to students with special needs in compliance with the Americans with Disabilities Act (1990) and Section 504. Students with disabilities have the responsibility of informing the Disability Support Services Coordinator (dss@calvary.edu) of any disabling condition that may require accommodations.

Medical Resources

A registered nurse is available via phone to answer any medical questions. First-aid treatment and minor medical supplies are available through the RAs. For additional services, a list of physicians, dentists, optometrists, clinics, and hospitals may be obtained from the

Student Services Office. More information can be found in the "Student Health Insurance" section of this catalog under the chapter heading "Finances."

Student Accident Fee (non-refundable) – When a student is involved in an accident during any Calvary-related activity, the student's personal accident/sickness insurance coverage will be primary. If the accident has been reported to the Human Resources office within three business days of the occurrence, Calvary will provide up to, but not exceeding \$1000 per occurrence for costs not covered by the student's personal insurance.

Alumni Association

The Calvary Alumni Association is a family composed of thousands of men and women who have attended Calvary University, Calvary Bible College, Calvary Theological Seminary, Citadel Bible College, Kansas City Bible College, Midwest Bible College, or Ozark Bible Institute.

The Calvary Alumni Association endeavors to minister to and to connect with its members throughout the world to Calvary and to each other by informing them of school and alumni news and by maintaining contact information. Calvary alumni are prayed for regularly, and reunions and homecomings are planned to bring the alumni family closer together.

Academic Standards

An applicant must have either:

- > A high school diploma
- A recognized equivalent of a high school diploma (e.g., GED)
- Completed homeschooling at the secondary level

Each applicant to Calvary is required to take the ACT or SAT. The scores from these tests provide an estimate of the prospective student's ability to succeed academically in college. Such factors are weighed by the Admissions Committee when they review the applicant's file. Information about the ACT and SAT is available at:

APPLICATION CATEGORIES

Dual Enrollment / Early College

High school students in 9th through 12th grade have the opportunity to earn college credit while concurrently meeting their high school graduation requirements. Students enrolled in this program may take approved 100- and 200- level college courses. These

Admissions

courses are designed for the freshman and sophomore years of college. Early College and Dual Enrolled students should not enroll in more than 9 credit hours per Cycle, or more than 18 credit hours per Semester.

<u>Dual Enrollment</u>: Students in this program take classes on their high school campus with Calvary approved faculty following the course syllabus provided by Calvary. Tuition costs are handled through the high school administration. Per Missouri Department of Higher Education laws, Juniors and Seniors with an overall GPA of less than 3.0 must provide a signed letter of recommendation from the school's administration and written permission from a parent or legal guardian. Freshmen and Sophomore students must have an overall minimum GPA of 3.0, score at the 90th percentile or above on the ACT or SAT, provide a signed letter of recommendation from their school administration and guidance counselor, and provide written permission from a parent or legal guardian to be eligible for the program.

<u>Early College</u>: Students enrolled in this program take classes on campus at Calvary and are responsible to pay tuition and fees to the university.

Degree-seeking Students

A degree-seeking student is pursuing a program of study leading to a doctor's degree, master's degree, bachelor's degree, associate's degree, or one-year certificate. (Note: special admissions requirements exist for certain programs.)

Non-Degree Students

Non-Degree students desire to receive credit for courses taken, but do not intend to complete a program of study. Generally, students complete a Non-Degree application for one of the following reasons: 1) to satisfy

requirements at another college; 2) to be "dual enrolled" (still a high school student); 3) to prove academic success at the college level; 4) to satisfy mission board requirements; and 5) to meet prerequisites for graduate school, etc.

Non-degree students may change to a degree or certificate program by submitting a new degree-seeking application. Having been admitted to the College as a non-degree student does not guarantee acceptance as a degree or certificate student.

Non-degree students do not qualify to receive financial aid.

Non-Degree students may enroll in Seminary and Graduate level classes, provided they submit proof of an earned bachelor's degree by having an official transcript sent to the Registrar's Office from the school that conferred the degree.

Policies and regulations governing Seminary life are to be abided by while on campus, and any doctrine that is contrary to Calvary's Statement of Faith is not to be promoted or propagated. Failure to follow this requirement could result in suspension or dismissal from class(es).

Non-Degree students may not live in Calvary housing. To live in Calvary housing, students are required to be degree-seeking students and taking at least six hours for credit. Appeal may be made in writing to the Student Services Office.

International Students

Calvary University is authorized by the U.S. Citizenship and Immigration Services to enroll non-immigrant students. International students must pursue a degree or certificate.

Additional admission requirements apply to international students. 1) Pay the \$375 non-refundable application fee before the I-20 form can be issued. This fee includes the cost of express mailing the I-20 form and can be paid via Flywire; 2) All semester charges on their billing statement are to be paid 45 days before classes start; 3) If full payment is not received, then the I-20 will be voided and registration dropped; 4) For following semesters, full payment will need to be made by the financial deadlines. Even though an international student cannot work off campus, Calvary University cannot or will not promise

employment for on campus jobs. Only if jobs are available can international students apply.

Re-enrolling Applicants

Re-enrolling students have previously attended Calvary. "Re-enrolling" means a student's continuous enrollment was interrupted by missing two or more semesters. Re-enrolling students will need to submit a Re-enrollment application to the Admissions Department.

Personal Enrichment

Personal Enrichment is designed for those who want to take a course for personal benefit. They have no need for or desire to earn college credits, so an academic record (transcript) is not generated. A personal enrichment enrollment form must be completed. It may be obtained at www.calvary.edu or by calling the Registrar's Office at 816-322-0110.

Undergraduate & Graduate Applicants

The application process varies, depending on the Applicant's category (see application categories above). Calvary has separate applications and instructions for New Degree-seeking, Re-enrolling, Non-Degree seeking, and International students.

 Submit satisfactory TOEFL scores. The Test of English as a Foreign Language (TOEFL) is required unless English is the student's first language. The Calvary TOEFL school identification code is 6331.

Inquiries about the test and testing locations should be directed to: The Test of English as a Foreign Language

P.O. Box 6151

Princeton, NJ 08541-6151

(Applicants with a TOEFL score of 80 or higher may enroll in the Graduate program or Seminary. Applicants with a TOEFL score below 80 will not be admitted.)

- Certify financial resources: The International Student Sources of Financial Resources form and appropriate International Student Certification of Financial Resources form(s) are to be completed and received by the Admissions Office as well as all other application materials before the United States Government Immigration and Naturalization Service Form I-20 A-B/I-20 ID Certificate of Eligibility for Nonimmigrant (F-1) Student will be issued. Providing false information will result in the applicant not being permitted to enroll.
- Pay the \$375 non-refundable application fee.
- Pay all semester financial charges 45 days before the start of classes.
- If full payment is not received, the I-20 will be voided and registration dropped.
- For following semesters, full payment will need to be made by the financial deadlines.
- Non-Degree students cannot quality to receive the I-20 form.

ADMISSIONS POLICIES

Application Deadline

Applications must be submitted no later than two weeks prior to the first day of classes. Last-minute applications may be deferred by the Admissions Committee.

Application Materials

All materials submitted to Calvary in the application process

become the property of the University. Upon enrollment, materials deemed essential are kept as a part of a student's permanent file in the Registrar's Office.

Conditional Acceptance

An applicant may be accepted with specific conditions. Frequently, this will be due to no ACT or SAT score or for various personal concerns, e.g., smoking or other background issues. The Admissions Director and/or members of the Admissions Committee will identify conditions and limitations, if any.

All conditions and limitations will be itemized in the acceptance letter; the wording may require review and/or approval from one or more Committee members. In order to be considered a "regular student" (eligible for federal financial aid), an applicant must specify a degree or certificate program on his/her application.

Academic Probation

Any applicant who does not meet the minimum academic standards, but who is accepted by the Admissions Committee, may be placed on academic probation. Students are limited to enrolling for no more than 12 hours, are expected to use The Clark Academic Center, and must achieve a 2.0 GPA. More information on academic probation can be found in the "Academics" section of this catalog under the heading "Satisfactory Academic Progress."

Graduate Level Provisional Acceptance

An applicant also may be provisionally accepted into a graduate program without having fulfilled all of the prerequisite requirements and may complete the deficiency courses at Calvary University. If an applicant needs 12 or fewer hours of undergraduate prerequisites and is enrolled in University to complete those prerequisites, he may request permission to take up to three graduate courses while he is completing the remaining prerequisites. All deficiencies, however, must be removed before a student will be admitted to candidacy for the degree.

An applicant may also be provisionally accepted into a graduate program without having achieved the minimum baccalaureate cumulative grade point average. In such cases, the applicant, if accepted, will be admitted provisionally for one semester or modular course and will be expected to exhibit increased achievement, attitude, and motivation in keeping with a strong desire to achieve academic excellence. The student may enroll for no more than nine credit hours. Failure to achieve the minimum 2.5 cumulative GPA required to maintain satisfactory academic progress will result in the student being placed on academic probation or, if warranted, being dismissed from the school.

Equal Opportunity and Nondiscrimination

Calvary University admits students of any race, color, age, sex, nationality, or ethnic origin to all the rights and privileges, programs (for exception, see Pastoral Ministry major later in this catalog), and activities generally accorded or made available to students at the school. Calvary does not discriminate on the basis of race, color, age, sex, nationality, ethnic origin, or physical or mental disability in the administration of its educational policies, admission policies, financial aid programs, athletic activities, or other College-administered programs. However, as a private religious institution, Calvary reserves the right to exercise preference on the basis of religion in all of its student admissions.

VISITING CAMPUS

Prospective students are encouraged to visit Calvary's campus prior to enrolling. Prospective students and their families are always welcome and are urged to meet Calvary's students, attend classes, and visit with professors. During the academic year, visitors to the campus may be provided overnight lodging and meals. It is best to contact the Admissions Office in advance so that someone will be available to give a tour of the campus, to answer questions, and to make the necessary arrangements.

College Days is a large-scale group event, usually held each Semester. It provides a thorough introduction to college life at Calvary for prospective students, parents, and sponsors. Activities include attending classes, meeting faculty, staying overnight in the dormitory, enjoying great food, attending a drama production, getting to know current students and future classmates, and other special activities. Information may be obtained from the Admissions Office.

Explanation of Fees

Following the title of each fee, in parenthesis, is the refund policy for that fee. A nonrefundable fee means no refund is given after classes begin; a 100% refund is given for withdrawal (or not completing registration) prior to the first day of classes—except as noted in some course descriptions.

Alphabetical Listing

Athletic Participation Fee (non-refundable) – Required of students participating in varsity sports. Provides partial funding for the cost of participating in the Midwest Christian College Conference and the Association of Christian College Athletics.

Dorm Board (non-refundable and not prorated) – Required of all students living in the dormitory. It pays for the cost of three meals a day, Monday through Saturday, and two meals on Sunday. Upperclassmen may choose from alternate meal plans. Contact the Student Services Office for more information.

Dorm Room Charge (non-refundable and not prorated) – The cost for the dorm room charged per eight week cycle. Students who are under 23 years of age must live in the dorm unless living with parents or grandparents. Dorm room charge may be prorated in the event of injury, illness, or death of a relative which requires the student to move out of the dorm.

Books and Supplies (non-refundable) – The cost for books and/or supplies required for class assignments. The average estimated cost is \$397 per semester. This does not include books purchased for a personal library or articles bought for personal use.

Course Fees (non-refundable) – The cost for use of labs and equipment or for materials used in select courses. Fees for each course, if any, are listed in the "Course Descriptions" section later in this catalog.

Enrollment Fee (non-refundable) – Required of all new and re-enrolling applicants. This includes all degree-seeking and non-degree-seeking students except Early College students.

Students who obtain a certificate or degree at Calvary, but register for classes continuing toward an advanced degree for the next semester, are not required to pay the Enrollment Fee.

A waiver for the Enrollment Fee may be obtained only on a case-by-case basis and is determined by the Financial Aid Office with authorization given by the Chief Financial Officer. To request consideration for a waiver, a request must be submitted in writing to the Financial Aid Office no less than 30 days prior to the first day of classes. The Financial Aid Office may request additional information and documentation for consideration of the waiver.

Graduation Fee (non-refundable)–Required of all students completing a certificate or degree at Calvary. This fee pays for the costs associated with commencement.

POLICIES

Student Accounts

Responsibility for meeting the cost of the student's education rests upon the student. Students are responsible for payment in full of each semester's charges at registration.

Students are to check portal for financial statements. Semester charges on the statement are required to be paid according to the payment plan approved at registration.

All other charges except monthly rent are to be paid in full within 30 days of the charge. Rent must be paid between the first of the month through the tenth.

Students who have not paid their semester charges in full (which includes completing all grant, scholarship, loan and/or payment plan forms) by the last day to add a class or who become delinquent (past due) in caring for their financial obligations to Calvary will automatically be suspended from school. During the suspension period, the student will

be administratively marked absent from class(es), and assignments and exam grades will not be counted. The student may be reinstated only after all delinquent financial obligations are brought current (i.e., paid) and clearance is obtained from the Business Office.

Student Withdrawal

Withdrawal during the semester is generally inadvisable. However, unavoidable circumstances occasionally make it necessary. The matter should be discussed with the student's Academic Advisor, the Vice President of Student Services, or the Assistant Director of Student Services. There are two types of withdrawal: Official and Unofficial. (Please see Academics Section)

Student Health Insurance

Calvary University strongly recommends that all students carry health insurance that covers them in the Kansas City area. (Many insurance plans do not provide coverage outside

46

Finances

the "home" area, so it is important that you contact your insurance company to find out whether you will be covered in Kansas City.) All students must complete a Proof/Waiver of Student Health Insurance Coverage form and present it along with a copy of their insurance card (or other proof of coverage) to the Student Services Office prior to their first class. If a student is unable or unwilling to obtain coverage for the Kansas City area, that must be indicated on the Proof/Waiver form.

Calvary does not offer insurance plans, but students may contact Heritage Benefit Consultants (816-322-6350) for information on Short-Term or Long-Term medical plans that would be suitable.

FINANCIAL AID

Satisfactory Academic Progress (SAP)

To be eligible for financial aid, students must meet SAP standards. Calvary's SAP policy is the same for Federal Student Aid (FSA) recipients and non-FSA recipients, and it applies to all educational programs and to all students within categories (e.g., full-time, part-time,

undergraduate, and graduate students). If a student fails a SAP check, eligibility for financial aid is lost, although an appeal may be made (see Appeals).

SAP is checked once

per Academic year depending on the student's enrollment. It is done after either Cycle 5 or Cycle 6, after final grades have been posted.

Two Components of the Satisfactory Academic Progress Policy

The first is a qualitative standard based on cumulative grade point average (CGPA). To be making satisfactory academic progress, all financial aid recipients must have a CGPA of 2.0 at the required annual review.

The second is a quantitative standard. Essentially, this means the "pace" at which a student must progress through a program in order to ensure that they will graduate within the maximum timeframe. Our pace is calculated by dividing the total hours successfully completed by the total hours attempted. All financial aid recipients must obtain a pace of 67% at the annual review. Our maximum timeframe is 150% of a program's requirements.

For example, to earn a degree in Biblical Counseling requires 126 hours. The maximum timeframe is 189 credit hours ($126 \times 1.5 = 189$). The pace: 126 (hours to earn degree) / 189 (maximum time) = 67. At the time of the annual review, a student who took 30 hours (15 per semester) must complete at least 20 hours (20/30=.666666 rounds up to 67%). Extending this same pattern: Year 2 (Y2) = 40/60; Y3 = 60/90; Y4 = 80/120; Y5 = 100/150; Y6 = 120/180; Y7= 126/189.

There could be many combinations of this "pace," accounting for semesters with less than full-time enrollment status, taking more than 30 hours, completing less or more hours than the required 67%, etc. For example, a traditional student takes 6 hours (half-time) in each of the fall and spring semesters (full-time is 12 hours per semester). A total of 12 hours taken requires 8 hours completed (8/12) to be satisfactory. If a student takes 30 hours and completes 18 hours (18/30= .60 or 60%), this would be unsatisfactory academic progress. During year 2, this same student takes 34 hours and completes 31. So, the total attempted hours is now 64 hours and the total completed hours is now 49 (49/64= .7656, or 77%); this student would regain SAP.

A complete SAP review includes both the CGPA and pace percentage. At the annual review, a student could have a 1.9 CGPA (unsatisfactory), yet have completed 24 of 30 hours (satisfactory). Both components must be satisfactory to continue financial aid eligibility.

All periods of enrollment will be counted, regardless if a student received financial aid or not. Course failures (F), incompletes (I), withdrawals (W, WP, or WF), and remedial courses ("0" prefix) count as courses attempted but not completed (earned). Transfer credits count as courses taken and completed. Course repetitions always count as courses attempted, may or may not be courses completed (depending on the grade), and, if the student later passes with a higher grade, then CGPA is impacted (a student must formally request removal of the previous D or F).

By the time grades are posted and the annual review conducted, students who fail to make satisfactory progress are not likely to be on campus. Therefore, the primary notification will be by letter sent to the student's home address. As a backup, an email to the student's Calvary email address will also be sent.

Appeals

If a student loses eligibility to receive financial aid because of failure to make satisfactory progress, he or she may appeal that result on the basis of injury or illness, the death of a relative, or other special circumstances. Examples of special circumstances include but are not limited to: changing majors, if any grades that do not count in the new major impact SAP; if, after an unsatisfactory annual review, an "I" is converted to a passing grade; or, regaining SAP after one semester of ineligibility.

In an appeal, a student must explain failure to make satisfactory progress or why they believe they should be in a satisfactory status. An explanation should include specifics; e.g., changes to situation, errors, and other relevant information.

Appeals must be submitted in writing or by email to the Financial Aid Office for review by the Scholarship Committee (SC). The SC may decide to require more extensive information on an initial appeal and some type of an updated statement on a subsequent appeal.

The SC will review a student's appeal and notify the student in writing of their decision. A copy of this letter will be placed in the student's financial aid file. The SAC has the following actions: deny an appeal, probation without an academic plan, probation with an academic plan, reinstate eligibility, and return the appeal to the student for additional information.

Financial Aid Probation

Financial aid probation is a status a school assigns to a student who is failing to make satisfactory academic progress and who successfully appeals. Eligibility for aid may be reinstated for one payment period.

If the SC determines that a student should be able to meet the SAP standards by the end of the subsequent payment period, the student may be placed on probation without an academic plan. A student's progress must be reviewed at the end of that one payment period.

If the SC determines that a student will require more than one payment period to meet SAP standards, the student may be placed on probation with an academic plan developed with the academic advisor. The academic plan needs to ensure that the student is able to meet SAP standards by a specific time and is to be approved by the ACC.

A student's progress under an academic plan must also be reviewed at the end of that one payment period to determine if the student is meeting the requirements of the academic plan. If meeting the requirements, the student is eligible to receive aid as long as the student continues to meet the requirements and is reviewed according to the requirements in the plan.

Subsequent Appeals

A student on probation without an academic plan, who fails an SAP check, may only continue to receive aid under a subsequent successful appeal to the SC. Follow the same procedures outlined above, including notification and documentation.

A student on probation with an academic plan, who fails an SAP check, may appeal again but is unlikely to have their appeal approved. Follow the same procedures outlined above, including notification and documentation. Only a successful appeal to the ACC can change an academic plan.

Reestablishing aid eligibility

Students regain financial aid eligibility by taking action that brings them into compliance with SAP standards. This can be done without having appealed by achieving a 2.0 CGPA and/or meeting the 67% "pace" at the next annual SAP check, by a successful appeal that reinstates eligibility, or by successfully completing probation with or without an academic plan.

Return of Title IV Funds (Federal Funds)

Per federal regulations, schools are required to provide students with the details of all refund policies which may be applicable to them, as well as information on the requirements for determining the amount of Title IV funds a student has earned when he/she withdraws. Contact the Financial Aid Office for details of these policies.

If a student who receives Title IV grant or loan funds withdraws from school after beginning attendance, the amount of Title IV grant or loan funds earned by the student must be determined. If the amount disbursed to the student is greater than the amount the student earned, the unearned funds must be returned. If the amount disbursed to the student is less than the amount the student earned, and for which the student is otherwise eligible, the student is eligible to receive a post-withdrawal disbursement for aid earned but not disbursed.

Federal Aid Programs

Eligibility for federally funded financial aid is established by the United States Department of Education regulations. All of Calvary's undergraduate programs, excluding the one-year certificate program, are eligible for federal aid. The Free Application for Federal Student Aid (FAFSA) is primarily, but not exclusively, used to determine whether a student qualifies for federal financial aid and how much aid will be received. Step-by-step instructions for the online FAFSA may be obtained from Calvary's Admissions or Financial Aid Offices; or log onto www.fafsa.ed.gov. Calvary's U.S. Department of Education Title IV Institutional Code is 002450.

When completing the online FAFSA, the Department of Education regulations require students and/or their families to report all sources of income (including, but not limited to, employment, Veterans Benefits, interest on investment income, trust income, inheritance, etc.).

After the FAFSA form is evaluated, the applicant is issued a Student Aid Report (SAR) which specifies the student's Estimated Family Contribution (EFC). The EFC is the amount of money the student and/or his family is expected to pay toward the student's educational expenses. Also, the EFC assists in determining the amount of Pell Grant money the student

is eligible to receive, and it assists in determining the student's eligibility for the federally funded loan programs.

All financial aid funds received through the federal government Title IV assistance program at Calvary are disbursed and credited directly to the student's account throughout the semester, approximately two weeks after classes start. Funds are disbursed for only those classes which have begun and for which the student's attendance has been verified.

Credit Balances and Overage Checks

When a student has an FSA credit balance (disbursed federal funds exceed allowable charges), a check for the credit balance will be made available to the student within 14 days of Calvary receiving the funds which created the credit balance. The student will receive an email from the Cashier sent to their Calvary email address, notifying and instructing them on how and where the check may be obtained when it is available. If the student wishes, they may instruct the Financial Aid office to hold the credit balance on their Student Account until the end of the semester. An authorization form is available from either the Financial Aid or Cashier Offices.

Students receiving a Pell Grant for the semester and who have a projected Federal Student Aid (FSA) credit balance for the payment period, will receive by a check the lesser of their FSA credit balance or cost of books and supplies allowance used for determining the student's Cost of Attendance. This check will be made available by the seventh day of the payment period of each semester. To be eligible, the student must be receiving a Pell Grant and have completed the process for applying for Federal Financial Aid. This includes submitting all required verification documents and accepting their Award Offer Notice. Additionally, if using student loans, the student must have completed Entrance Counseling and a Master Promissory note no later than 10 days before the start of the payment period. Any remaining credit balance will be refunded to the student within 14 days of the federal funds being disbursed and credited to their student account. If, for any reason, the student fails to begin attendance or earn the aid that Calvary has advanced, the student is responsible for all charges on their student account, including the money disbursed to the student for purchasing books and supplies under this policy. Students may opt out of this process for purchasing books and supplies by contacting Calvary's Financial Aid Office in writing. If a student opts out, Calvary will not provide any alternative means to the student for purchasing books and supplies.

Grants

Calvary University participates in the Pell Grant program, a need-based program funded by the U.S. Department of Education. The maximum amount for the academic year beginning in fall 2018 is \$6,095 (\$3,047.50 per semester). For a student to be eligible, a FAFSA must be completed, and the resulting EFC on the student's SAR must be low enough to qualify (see "Federal Aid Programs"). A grant is "free" money in that a student does not pay it back to the school or government. The Financial Aid Office can answer questions about the Pell Grant.

Loans

Calvary University participates in the Stafford Loan program, a student loan program under the U.S. Department of Education. Stafford Loans are NOT "FREE" MONEY AND MUST BE PAID BACK. Interest rates are low, and repayment begins six months after graduation or if enrolled for less than six credit hours. The amount that may be borrowed and the loan type(s) depend on financial need, college classification, and dependent or independent status. The first step in seeking a loan is completing the FAFSA. The student must also complete Entrance Counseling and a Master Promissory Note online at <u>www.studentloans.gov</u>.

Another federal loan program, the PLUS loan, is available at Calvary University. It is for parents of dependent students. Repayment on the loans begins immediately. The parent is responsible for repayment. The parent applies for a Parent Plus loan by logging in with their FSA user ID at <u>www.studentloans.gov</u>.

Exit Counseling

Student borrowers of Direct Loans, who are graduating, leaving school, or are taking less than six hours in any semester, are required by law to complete exit counseling. Exit counseling provides important information a student needs to prepare for repaying their student loan(s). During exit counseling, the student will review their rights and responsibilities as a borrower. The student will also need to provide the names, addresses, email addresses, and phone numbers for their next of kin, two references who live in the United States, and their current or future employer. Calvary requires students to fulfill their legal requirement of completing exit counseling online. For more information, please contact the Financial Aid Office.

Federal Supplemental Educational Opportunity Grant (FSEOG)

This is a grant available to students who have financial need. Recipients will be chosen in order of priority based on students with the lowest EFCs (expected family contribution number from FAFSA) who are also receiving Pell. Limited funds are available for this grant. Therefore, not all who qualify will receive an award.

Veterans' Benefits

Calvary is approved for the education of veterans. Veterans should check with the Veteran's Administration regarding eligibility for educational or other VA benefits. The Veteran's

Administration may be contacted by calling 1-888-BI-BILL-1 (1-888-442-4551) or online at <u>www.gibill.va.gov</u>. In order to certify an enrollment to the VA, Calvary must have a copy of the veteran's certificate of eligibility on file. Please visit Calvary's Military Benefits page at <u>https://www.calvary.edu/military-and-veterans/</u> or request a Military Benefits brochure for more information.

SCHOLARSHIPS

Calvary awards scholarships to cover tuition and fees. All other payments on a student account, including outside scholarships, Pell Grant, and student loans are applied to a

student's billing charges first, then Calvary funded scholarships to any remaining balance. Consequently Calvary does not payout credit balances created by Calvary scholarships to students. Rather, such credit balances remain on the student's account and used for future billing charges.

Eligibility requirements:

- Must be a Full-time, degree seeking student.
- Continuing students should submit completed scholarship application by April 1st for Fall Semester, or December 1st for Spring Semester.
- New students should submit completed scholarship application after acceptance.

Furthermore, committee deliberations and decisions are confidential and the committee may modify requirements depending on the availability of funds or other special situations. The financial Aid Office notifies students by email of scholarship awards beginning in late April. Continued eligibility requires students to fulfill all service and enrollment requirements, maintain satisfactory academic progress, and annually re-apply for scholarships. Additionally, other academic or special qualifications may be necessary, depending on the scholarship.

In order to make the scholarship program at Calvary a success, Calvary requests that scholarship recipients be willing to volunteer and help with the President's Dinner in September and with the Alumni Phone-a-thon in February. In addition to the direct financial benefit to the student body, these events provide an opportunity for those who serve to network and connect with alumni and other who support CU and CU students. (Matthew 10:8; 2 Corinthians 9:6-8)

Calvary reserves the right to charge service fees for payments that are rejected for insufficient balances. MAPP payments should be set up in advance of a semester in order to divide balances into the maximum number of payments and smallest monthly withdrawals. ACADEMIC POLICIES

Students are responsible for knowing and abiding by the policies, procedures, regulations, and requirements set forth in the University catalog and published supplements to it.

Academic Classification

Students are classified in two areas: 1) Degree seeking students - those seeking a degree or certificate, or 2) Non-degree seeking students - those taking classes to satisfy requirements at another college or for other personal reasons.

Degree students are classified according to the number of credit hours they have earned:

Freshmen	\rightarrow	FR	1 - 29 credit hours	
Sophomores	\rightarrow	SO	30 - 59 credit hours	
Juniors	\rightarrow	JR	60 - 89 credit hours	
Seniors	eniors \rightarrow SR 90+ credit hours			
Non-degree students are classified as ND and are not				
classified based on hours.				

Academic Load

A normal academic load is 16 credit hours per semester. A minimum of 32 credit hours per year for four years is required for a student to earn a degree in a professional major requiring 126 credit hours. Some majors require more than the minimum 126 credit hours.

Students desiring to enroll for more than 18 credit hours in a semester are required to obtain approval from the Registrar and their Academic Advisor and should have a cumulative grade point average of 3.0 or above. Students wishing to take 24 credit hours or more in a semester must appeal in writing to the Academic Curriculum Committee (ACC).

To be considered a full-time student at the College, a student must enroll in a minimum of 12 hours per semester and 9 hours per semester for the Graduate school and Seminary.

Credit Hours

Credit hours are granted for each class taken. One credit courses meet for three hours a week; two credit courses meet for six hours a week; three credit courses meet for nine hours a week, and four credit courses meet for twelve hours a week.

Declaring a Major

All degree-seeking students are required to declare a professional major by the time they have earned 30 credit hours. Students transferring in 30 or more credit hours are required to declare a professional major upon entrance to Calvary. An undergraduate student can be degree-seeking, have earned less than 30 credit hours, not have declared an official professional major (listed as Undeclared), and still be eligible to receive Federal financial aid. However, failure to follow this policy means that a student becomes ineligible to receive Federal financial aid. A student is required to be accepted into a professional major in order to graduate.

Academic Advising

Calvary University offers Academic Advising to all students. The Academic Advisor works closely with the Director of each program offered at Calvary to insure that the student has accurate information concerning their program. The Advisor's function is to guide students through their academic career at Calvary. Students are encouraged to contact the Academic Advisor(s) regarding any academic problems they may face.

While the Academic Advisor is there to help guide, students are responsible to see that all courses are taken according to the program requirements specified for the student's professional major and that all degree requirements are met. The ultimate responsibility for knowing program requirements and proceeding to satisfy those requirements in an orderly and timely manner belongs to the student.

Course Levels and Requirements

Students are to complete lower-level course requirements before taking higher-level ones. Thus, a student's 100-level course requirements are to be completed before the student takes 200-level courses, etc. When circumstances warrant, students may take courses at the next higher level while completing course requirements at a lower level

Orientation

New freshmen and transfer students are required to attend the orientation session scheduled just before the start of their first semester at Calvary. This time is used to inform them of University policies and regulations, to introduce them

to the faculty, and to provide an opportunity to socialize with fellow students.

Residency Requirement

Students enrolling to complete the certificate program are required to complete all of the course requirements for the certificate at Calvary.

Students enrolling to complete an associate's or bachelor's degree must complete at least 32 of their last 41 hours of credit toward their degree at Calvary, no matter how many credits may have been transferred from other colleges earlier in their program. Courses taken to meet program requirements that are not offered at Calvary, and therefore are taken at other schools, are exempt from this residency requirement (e.g., Professional Directed Studies major courses and student teaching courses).

Academics

All students must still complete at least 32 hours of course work at Calvary in order to receive a degree. Online degree students must complete at least 32 of their last 41 hours of credit toward their degree with Calvary.

Residency Requirements – Graduate School & Seminary

All requirements for the Master of Arts and Master of Science Degrees are to be completed within four years from matriculation as a degree-seeking student.

Requirements for the Master of Divinity degree are to be completed within six years from matriculation. Extensions are not automatic and are given only upon the approval of the Graduate School and Seminary faculty in response to a written request. Missionaries may request a total of two consecutive furloughs to complete course work.

Course work more than five years old at the time of initial enrollment or reenrollment, if the student has not been continuously enrolled, may not be used toward meeting degree requirements. Requests for exemptions may be submitted in writing to the Director of the Graduate School or the Director of the Seminary. Approval is not automatic and may require validation of the course work.

Residency Requirements – Doctoral program

Students enrolling to earn a doctor's degree must complete all of their doctoral program at Calvary. Students are expected to take one course each cycle that courses are offered for the duration of their program. At least one course each year must be taken in residence (not online).

- Courses taken to meet program requirements that are not offered at Calvary, and therefore are taken at other schools, are exempt from this residency requirement (e.g., Professional Directed Studies major courses and student teaching courses).
- All students must still complete at least 32 hours of course work at Calvary in order to receive a degree. Online degree students must complete at least 32 of their last 41 hours of credit toward their degree with Calvary.

ACADEMIC HONESTY

It is assumed that all students enrolled at Calvary have done so for the primary purpose of learning. As such, students are expected to refrain from those actions that contradict this

purpose and which would jeopardize their Christian character and testimony. Plagiarism is strictly prohibited, and academic cheating of any type will result in disciplinary action and may include dismissal.

Plagiarism is defined as copying any part of a book or paper without identifying the author. This includes taking another person's

Required class research papers must be original and not used for credit for any other class, high school or college.

Penalties for Violation of Federal Copyright Laws

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the

Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorney's fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the website of the U.S. Copyright Office at www.copyright.gov.

ASSIGNMENTS

Students are responsible for on-time fulfillment of all assignments made by professors. Grades may be reduced for late work. Assignments are to be completed according to accepted standards for research, investigation, reporting, spelling, organization, style, grammar, neatness, and originality.

ACADEMIC YEAR

The Academic year at Calvary University consists of two Semesters (Fall & Spring), each consisting of three eight-week Cycles. The Fall semester (Cycles 1, 2, and 3) begins the first of July and concludes the middle of December. The Spring semester (Cycles 4, 5, and 6) begins the week after J-Term classes end in January and concludes the end of June.

J-Term classes are held the first week of January before the traditional Spring Term begins.

ATTENDANCE

Calvary University has no official attendance policy, however, attendance is strongly encouraged. Faculty members may implement their own specific attendance policy for

each course taught. Students will be informed of these policies on the class syllabus. Students are responsible to the class instructor for attendance and for work missed during an absence for any cause. When classes are missed due to official school sponsored events or functions the sponsoring faculty should submit a list of affected students to the Academic Office who will then make the list available to all instructors to verify excused absences.

Class Withdrawal

In no case is the cessation of class attendance taken as an intent to withdraw from or drop a course. In order to officially withdraw from a class, the student must notify the Registrar's Office. (Please see the Refund Policy in the Finances section of this catalog for information about withdrawing from a class.)

Appeals of Attendance Policy

Student appeals concerning attendance policies are to be submitted in writing to the Chief Academic Office or Registrar for consideration by the Academic Curriculum Committee.

Course Cancellations

All course offerings are subject to enrollment minimums. The College reserves the right to cancel classes for which there is insufficient enrollment.

COURSE OFFERINGS

Traditional Daytime Courses (8-Week & 16-Week)

Traditional classes are offered during the day. Classes meet one, two, or three days a week depending on the number of credit hours awarded. Each Cycle is eight weeks long and allows students to schedule courses during each Cycle. Some courses are offered over two consecutive Cycles in a sixteen week format.

J-Term

J-Term classes are offered the first week of January and allows the student to take one course that meets each day for one week. There is some pre-course and post-course work required for these courses.

Evening Courses

Evening courses meet one evening per week for the eight-week or sixteen-week Cycle. These courses allow the student who works during the day to have flexibility in scheduling.

Online Courses

Online courses are designed to take advantage of the best attributes of both "in class" instruction and online learning by

integrating the two formats into a single course delivery method.

 Classes are available in the online format utilizing Canvas, Calvary's Learning Management System, in which professors teach classes composed of students in the

traditional classroom setting as well as "distance" students who are taking the same course from a remote location and using the same course syllabus

Students taking the class in a distance format will access the class sessions in their Canvas
portal by viewing class lectures and participate in class in the Portal.

Directed Study Courses

Directed Study courses are exceptional arrangements permitting course credit to be earned through individualized study with one of Calvary's professors for a class that is needed for graduation, but is not offered during a Semester the student needs the course. Directed Study courses usually last 16 weeks.

Written approval for each study is required from the Registrar, the student's academic advisor, the professor overseeing and grading the study, and the Chief Academic Officer. Directed Study forms are available in the Registrar's Office.

Legacy / Online Courses

Calvary University offers a limited number of online only courses. These are online courses that students may sign up for if the course is not offered during a given Semester and if it will not be offered again by the time they graduate. To register for Legacy courses, students are to meet with their academic advisor for course approval. These courses follow the online model consisting of recorded video lectures, discussion questions, and note taking. Instructors will use discussions and notes to interact with individuals on a regular basis. Online courses are not available for personal enrichment.

Non-classroom (Office) Courses

Non-classroom (office) courses are designed to give a student practical application in a non-classroom situation. Courses such as student teaching, internships, and practicums would be examples of these type of courses.

Applied Lessons

Applied music lessons are individualized private lessons given for credit in specific musical areas.

Modular Courses

Modular Courses meet in a modular format usually covering three consecutive days and evenings, or two consecutive weekends. Modular courses also require completion of pre- and post-class assignments. The entire course (including pre- and post-course work) covers the entire eight week Cycle. Pre-class and post-class assignments must be completed and submitted according to the due dates in the course syllabus.

Auditing

Auditing a class is open to any degree-seeking student currently enrolled in a class for credit. Auditors attend class under the regular class attendance policies. They are not required to take examinations, quizzes, or do other projects that may be assigned. At the discretion of the professor, auditors do not participate in class discussions or have assignments graded. Academic credit is not received and hours are not computed in the grade point average. A class being audited may not be changed to being taken for credit after the last day to add a class. Only regularly scheduled classroom courses may be audited and then only for the hours for which the course is scheduled. Not all courses are available

for audit. Private lessons may not be taken for audit or personal enrichment. Registering for a class to be audited must be done through the Registrar's Office.

Personal Enrichment

Taking a class for personal enrichment follows the same guidelines as auditing a class with two exceptions. First, the person does not have to be a degree-seeking student. Second, attending the class does not generate an academic record. Therefore, there are no listing on the transcript for classes taken for personal enrichment. Please note that a non-degree-seeking student may not pay the degree student rate for personal enrichment, but rather must pay the rate for someone who is not a student. Online registration is not available for personal enrichment participants. Forms are available in the Registrar's Office

ENROLLMENT

Enrollment in a class is not official until the proper registration procedures have been processed through the Registrar's Office and all financial obligations have been paid, or approved arrangements for payment have been made in the Financial Aid Office and Cashier's Office.

REGISTRATION

The University holds early registration for the upcoming semester for currently enrolled students. Early registration for the Spring Semester is during October, and early registration for the Fall Semester is during March. Students who have not met with their academic advisor will not be permitted to register for courses.

Returning students are also responsible for making financial arrangements through the Cashier's office. Spring arrangements must be made by November 30. Fall arrangements must be made by April 30. Students not making arrangements by those dates will be assessed a fee or may be dropped from registered courses.

Dual Credit (Undergraduate / Graduate)

Certain circumstances may exist where a student may need to enroll in both undergraduate and graduate courses concurrently. They may do so under the following provisions.

- The student must apply and be accepted by the Graduate School or Seminary before enrolling in courses.
- The student must not enroll in more than nine (9) credit hours of graduate credits.
- The student must need no more than twelve (12) credit hours to receive their undergraduate degree.
- The student must have and maintain at least a 2.500 cumulative GPA.

Students withdrawing or being expelled from a class or school after the ninth week of classes are assigned WP or WF grades.

Withdrawing from a Class

If a student needs to drop a class and does not drop within the time period allowed, then a withdrawal will be entered and the student will receive either a **W**, **WP**, or **WF** on their transcript.

- For an 8-week course, a <u>W</u> grade is given when:

UNDERGRADUATE REQUIRED COURSES

College Life Seminar

College Life Seminar (GE100) is designed to help with the adjustment to college life, to gain an understanding of the philosophy and goals of the College, to learn how to obtain the most out of their courses, and to learn to organize their time to accomplish their objectives in each course.

There are only three ways that a student may not be required to take College Life Seminar:

- By having earned credit at another college in an equivalent class which will transfer to Calvary.
- By having earned a minimum of thirty credit hours at another college with a minimum cumulative GPA of 2.5 (on a 4.0 system).
- By having the Vice President of Student Services permission to waive or to postpone the class.

Developing a Biblical Worldview

Developing a Biblical Worldview (RP100 is designed to teach students how to live according to the biblical worldview and apply this biblical worldview to everyday life in today's society.

Written Research Practicum

Written Research Practicum (COM110) is an introduction to research and the Turabian format. Topics will include pre-research, search strategies, database searching, note taking, evaluating resources, formatting a paper in the Turabian style, and building citations.

English Proficiency

All new students are given an English proficiency examination before the beginning of their first semester. This course is available online and must be taken before classes begin. The student's score on this proficiency test helps to determine which English course should be taken.

Introduction to College Composition or College Composition I

Once this English Proficiency exam has been scored, students will be placed in either Introduction to College Composition (EN100) or College Composition I (EN112). Students who have college transfer credits, official passing CLEP scores, or AP exam scores sent to Calvary University in College Composition will receive credits on their transcripts for composition.

Explanation of Other Possible Grade Listings

- P Passing or better work; not figured in the grade point average.
- **F** An F grade is only given if a student starts and finishes a course. A student must earn an F grade; it is never given to a student who starts but does not finish a course (that student would be given either a WF or WP).
- I Incomplete; issued only upon approval and for extenuating circumstances; allows the student to complete course work up to six weeks after the end of a term. The grade for the course is lowered by one letter grade. The grade becomes an "F" by default if the course work is not submitted within the six-week period. An "I" is not figured in the grade point average.
- W (Withdraw) grades are not figured in the grade point average.
- **WF** (Withdraw Fail) grades are figured as an \underline{F} in the grade point average.
- WP WP (Withdraw Pass) grades are not figured in the grade point average.
- LA Leave of Absence; requires a student to be out of class for up to 180 days. Students not returning within the 180-day period will be issued a "WF" grade for all classes having the "LA" disignation.
- **AU** Successful Audit; indicates regular attendance and involvement in an audited course; academic credit is not received and hours are not computed in the grade point average.
- WA Withdrawn Audit or Unsuccessful Audit.

Course Grades

Grades become final six weeks after they are posted at end of the semester or cycle in

which they were earned. Appeals regarding a grade given in a particular class should first be made to the professor, and then, if satisfactory terms are not reached, further appeal may be made to the Chief Academic Office (within the six weeks following the posting of the grades at the end of the semester or cycle). Appeals to the Chief Academic Office must be in writing.

Grade Point Average

The Calvary grade point average (GPA) is calculated using the following formula: GPA equals total grade points from courses taken at Calvary divided by total credit hours. Total grade points is the sum of the products of the credit hours of each course taken at Calvary times the grade point value of the grade earned in each course (see "Grading System" for grade point values). Total credit hours are the sum of the credit hours taken at Calvary. Pass/Fail courses do not affect total credit hours for the purpose of calculating the GPA. The

Calvary GPA is calculated using only courses taken for credit at Calvary. Transfer credit does not affect the Calvary GPA.

Request to Complete Course Work/Incomplete

Unavoidable circumstances occasionally make it necessary for a student to request additional time to complete course work for a class after the end of the semester. If it is necessary, the following procedure is to be followed:

- The student completes the "Request to Complete Course Work" form from the Registrar's Office and obtains the required approval signatures.
- All course work should be completed and submitted to the professor no later than six weeks after the end of the semester.
- By faculty action, the course grade awarded will be lowered one letter grade; exceptions may only be made by the Academic Curriculum Committee (ACC).
- A grade of "I" (incomplete) will be assigned as the course grade until a grade change is processed after completion of the course work. An "I" is not figured in the grade point average.
- A fee of \$50 is due for each course with the "Request to Complete Coursework" form.

Repeating a Course

Students may repeat a course for credit when grades of "D", "F", or "WF" have been earned. When the course is repeated for credit, both grades will appear on the student's transcript, but only the repeated grade will be calculated in the cumulative GPA. In no case, if a course is repeated, will credit toward a degree be given twice for the same class. The student must fill out the appropriate paperwork in the Registrar's Office for removing the original grade. No more than 24 credit hours can be repeated for credit. The repeated class must be taken in the same format as the original format or with an equivalent course in the traditional format.

Final Examinations

Final Exams are given at the discretion of the professor at the end of each course. .

Academic Recognition (Dean's List & Honor Roll)

Students who have earned 12 or more credit hours from Calvary in any given semester are eligible to receive academic recognition. The *Dean's List* for each semester is composed of those students who achieve a 4.000 semester grade point average. The *Honor Roll* is made up of those students who achieve a semester grade point average of at least 3.500 but less than 4.000.

Portfolio Course

The Portfolio course is an elective course designed for undergraduate students to organize an assessment of the student's past personal achievements, experiences, training, and education. Students will learn how to document important activities they have experienced. In many cases, students are able to achieve additional credit over and above the three credit hours earned for this class.

Notebook

Students assemble a Portfolio notebook summarizing their formal academic education and professional work and/or life experiences. The student will receive detailed instructions for compiling their portfolio notebook from the Registrar's office.

Each student is required to write a Prior Learning Assessment as part of the requirements for the portfolio. If additional portfolio assessment credit is needed, this and/or other Prior Learning Assessments may be submitted to the Registrar's office to petition for portfolio assessment credit any time before graduation.

Credit

Up to 22 of the 126 total semester hours required for the degree may be earned from writing Prior Learning Assessments and providing documentation of professional school attendance or training not already transcripted. The number of portfolio assessment credits needed, not to exceed the maximum of 22 semester hours, varies with each student and is listed on the student's program planner along with his/her other completed degree requirements.

Credit hours earned through portfolio assessment are recorded as transfer credits on the student's transcript. The Registrar, Chief Academic Officer, and/or the student's advisor will advise the student in completing this phase of the program.

ACADEMIC PROGRESS

Undergraduate Students

Students who maintain a cumulative grade point average equal to or greater than 2.000 will be considered to be making satisfactory

progress. The academic status of these students is "Good Standing." All students receiving an academic warning or who are on academic probation because of low grades are strongly encouraged to take advantage of The Clark Academic Center. Calvary has provided The Clark Academic Center to help students be successful in their academic pursuits.

Graduate / Seminary Students

Students who maintain a cumulative grade point average equal to or greater than 3.0 will be considered making satisfactory progress. A cumulative GPA of less than 3.0 will result in the student being placed on academic probation and limited to a maximum of three credit hours per Cycle. Two consecutive semesters on probation will result in a review of the student's eligibility to continue in the program.

Success Advisor Program

New students admitted on Academic Probation and current students placed on Academic Probation will be teamed up with a Success Advisor. The Success Advisor will provide focused guidance and assistance to students facing academic challenges and tailor a program designed to help the student succeed.

The Success Advisor will coordinate with the Academic Advisor for students who have been placed in the program. Possible adjustment to schedules, meetings with The Clark Academic Center, and one-on-one Success Advisor meetings are designed to motivate and set students up to succeed and ultimately work themselves off probation. Once a student meets requirements established for removal from probation, the Success Advisor will make recommendations for further improvement and transition out of the advising role for that student. The student will then continue to advise with their regular Academic Advisor. Success advising is only for academic needs and not for emotional issues. Disability Support Services is a separate program, and accommodations will only be set up for students who have applied and have been accepted into the DSS program.

Academic Warning

Students who earn a semester GPA lower than 2.000 while maintaining a cumulative GPA above 2.000 will receive an academic warning. Continued performance of this quality may result in academic probation.

Academic Probation

Students whose cumulative grade point average falls below a 2.000 at any time will have earned the academic status of "Probation."

Probationary students are subject to academic limitations and restrictions on extracurricular activities such as athletics, drama, and musical groups. No student on academic probation may suit up for athletic games or travel with the team. However, they may practice with the team. Students on probation may not be eligible for Calvary scholarships and may not be eligible for federally funded financial aid. They also may not be a Resident Assistant.

The academic load of probation students will be limited to:

- ✓ 12 hours for students entering on probation
- \checkmark 12 hours for students with a cumulative GPA from 1.500 to 1.999
- \checkmark 9 hours for students with a cumulative GPA from 1.000 to 1.499
- ✓ 6 hours for students with a cumulative GPA below 1.000

The Academic Probation Committee may state what academic progress will be required for students who cannot get off probation in one semester due to reduced academic load limits. Conditions of the plan will be presented in the probation notice and to the Academic Advisor of the student. Students on such an academic plan must be above 2.000 or higher each term the plan is in place. The plan may not exceed more than three semesters

Academic Suspension

Students who earn academic probation for two consecutive semesters at Calvary, who do not have an academic progress plan in place, will have earned the academic status of "Suspension." Students who fail to accomplish their academic plan for getting off probation will also earn the academic status of "Suspension." New students who are accepted on academic probation and fail to earn at least a 1.000 cumulative GPA their first semester will be placed on academic suspension. Any student on academic suspension will not be allowed to enroll at Calvary for one semester. When a student re-enrolls, the student will return on probation.

Academic Dismissal

Any student re-enrolling at Calvary after academic suspension, who fails to earn at least a 2.000 semester GPA for the semester in which the student returns, will have earned the academic status of "Dismissal." A student academically dismissed from Calvary will not be allowed to continue at Calvary. Only if the student earns a minimum of 12 transferable credits at another accredited college or university, will he/she be considered for reenrollment at Calvary.

Advanced Placement Program

The Advanced Placement Program (AP) allows students entering Calvary for the first time the opportunity to receive college credit through AP exams. AP Exam credit is designed to be earned during high school. Students who transfer in credits placing them beyond the freshman level are not eligible for newly acquired AP exam credit. A minimum score of 3 (or higher) is required. An official transcript from the AP program is required in order to be granted credit, and AP credit will be accepted only in the first two semesters of enrollment at Calvary. For further information regarding the AP exams, contact a high school counseling office or the Registrar's Office at Calvary. Additional information may be obtained through the Advanced Placement Program at:

College Level Examination Program (CLEP) and DSST Program

Students must be accepted to Calvary University, enrolled, and attending course(s) for DSST and/or CLEP credits to be placed on their transcript. DSST and/or CLEP credit is only granted for undergraduate courses meeting minimum score criteria as established by the American Council on Education (ACE). Students must request that an official copy of the test score(s) be sent to Calvary University Registrar's Office for consideration. Additional considerations:

- All DSST/CLEP credits are recorded as transfer credits with a "P" grade and are not calculated in the student's grade point average.
- Students who have DSST/ CLEP credit(s) on another institution's transcript and want that credit transferred must request an official copy of the test score(s) to be sent to the Calvary University Registrar's Office. Credit will only be received if the scores match Calvary University standards.
- Test date of the DSST/CLEP exam must be within the last ten years to be accepted as credit.
- DSST/CLEP test credits may be used only for general education requirements. Calvary University will allow additional foreign language courses to be taken if the student is in a Bachelor of Arts program.
- Credits will be awarded based on DSST/CLEP minimum scores and Calvary University equivalencies.
- No CLEP exam may be taken by graduating seniors during their last semester. Fall graduates must take exams before/by September 15; spring graduates before/by January 15.

Educational Experiences in the U.S. Armed Services

Calvary accepts as transfer credits hours of military training deemed to apply to the applicant's degree program at Calvary. *The Guide to the Evaluation of Educational Experience in the Armed Services,* published by the American Council on Education, is used to determine course and credit-hour equivalence.

International Baccalaureate

International Baccalaureate examinations are tests taken as the culmination of a special high school study program. Several of the Higher Level exams count for credit if the score earned is a 5 or higher. Credit for these exams is given on a case-by-case basis upon evaluation by the Registrar's Office.

TRANSFER CREDIT

Undergraduate

Students who have studied previously at another college(s) are required to have an official transcript sent to the Admissions Office from each college attended. Transcripts are official only if they are mailed directly to Calvary from the college. The Admissions Office will have the Registrar's Office evaluate the transcripts to determine how many credits will transfer to Calvary. For an accurate evaluation, a major at Calvary must be declared.

Transfer credit may be granted for courses where: (1) a grade of C- or above was earned; (2) the courses are equivalent to and meet degree requirements for the major chosen at Calvary, and (3) the college is accredited by the Association for Biblical Higher Education, the Higher Learning Commission, any regional accrediting agency, or one of the other institutional accrediting agencies recognized by the Council for Higher Education Accreditation (CHEA) and listed by the American Council on Education in its publication, *Directory of Recognized Accrediting Agencies and Supporter of Accreditation*.

Transfer credit does not affect the GPA calculated for courses taken at Calvary, which is calculated using only coursework taken for credit at Calvary.

Students coming to Calvary University from non-accredited institutions may receive up to a maximum of 24 credit hours transferred for Bible courses taken at those institutions. Systematic and Practical Theology courses are not transferable. Transfer decisions will be made on a case-by-case basis upon review of submitted course descriptions and course syllabi along with educational qualifications of teaching faculty (to be supplied by the student). For credits to be acceptable, the teaching faculty must possess a minimum of a master's degree from an institution accredited by a DOE or CHEA recognized accrediting agency in the area of instruction. Calvary University will only consider approving credit for courses where the student receives a letter grade, and that grade must be a "C-" or higher. "Pass/Fail" or "Satisfactory/Unsatisfactory" grades are not transferable to Calvary.

Credits will be transferred after the student is accepted to Calvary and has supplied ALL the required documentation:

(1) From Accredited Institutions: Official transcripts

Academics

(2) From Non-Accredited Institutions: Official transcripts, course syllabi, and instructor credentials.

The Registrar's Office will provide syllabi and instructor credentials to the Bible and Theology Department Chair for review. Upon recommendation of the College faculty and approval by the ACC, the courses will be placed on the student's Calvary transcript. The Registrar will notify the student of their credit transfer status once the review is complete.

Bible Language courses from non-accredited institutions are transferable but will only be accepted after the student passes a proficiency exam taken at Calvary University. The student must supply the course descriptions and course syllabi along with the educational qualifications of teaching faculty.

General Education or Professional Education courses from non-accredited institutions will not be transferable. Students are encouraged to prove proficiency in General Education subjects through taking CLEP exams (see section on credits by examination).

Because of state certification requirements, the Education Department has special rules regarding transfer credits. See the department description in the Program of Study section of this catalog.

Transfer Approval

Students desiring to transfer course work to Calvary by completing course work elsewhere while they are enrolled at Calvary are to obtain approval through the Registrar's Office before beginning that course work to guarantee the course will meet degree requirements.

Distance Learning Courses

College-level distance education courses are to meet the same transfer credit requirements as other transfer courses. Certificate students may only take distance education courses from Calvary University. Any credit(s) to be transferred to Calvary (including distance education courses) from other institutions granting college-level academic credit are to be completed and official transcripts received by the Registrar's Office no later than the Wednesday prior to Commencement. Students who need to transfer a significant number of hours from other institutions to achieve a major or minor requirement are advised to schedule these courses beginning in their sophomore year so as not to delay graduation.

TRANSFER CREDIT

Graduate & Seminary

A maximum of twenty-five percent of hours needed for the program may be transferred toward the Master of Science degree, the Master of Arts degree, or the Master of Divinity degree, providing the courses transferred are equivalent to or meet the program requirements of those offered by Calvary's Seminary.

Transfer credit may be granted for courses where:

- A grade of B or above was earned,
- The courses are equivalent to and meet degree requirements for the focus chosen at Calvary, and
- The seminary or graduate school is accredited by an institutional accrediting agency recognized by the Commission on Recognition of Postsecondary Accreditation (CORPA) and

listed by the American Council on Education in its publication Directory of Recognized Accrediting Agencies and Supporter of Accreditation.

All transfer credits are subject to review and approval of the Graduate School and Seminary faculty.

GRADUATION REQUIREMENTS

Application for Degree or Certificate

In order to graduate and participate in Commencement, an Application for Degree or Certificate is to be filed with the Registrar's Office no later than October 1st for Fall graduates and February 1st for Spring graduates.

Catalog Requirement

Students are to meet graduation requirements from the catalog that is in effect at the time of their initial enrollment at

Calvary. Students wishing to change to a more recent catalog may do so, provided they are enrolled when that catalog is in effect, and they submit a request to the Registrar. Students re-enrolling or completing graduation requirements after being out of Calvary University for more than one semester are to meet graduation requirements from the catalog in effect at the time they re-enroll, or their transfer credit is received in the Registrar's Office. By meeting the catalog requirements, a student could earn a certificate, an associate's degree, and then a bachelor's degree from Calvary. The graduate may have a single major, a double major, or a major with a minor.

Christian Character

Calvary University places emphasis on student growth to Christian character. Character training is a part of the whole educational program, and failure to achieve an acceptable standard, as described in the *Student Handbook*, may prevent a student from graduating.

Christian Ministry

Each candidate for graduation is to have successfully completed the Christian ministry requirements as outlined in the *Christian Ministry Handbook*. Those who have not completed this requirement prior to Commencement will not be permitted to graduate.

Financial Obligations

All financial obligations to Calvary are to be paid before a student is issued a degree or certificate. Transcripts (official or unofficial) of a student's academic record will not be issued until all financial obligations are paid.

Credit / Program Requirements

Students are to complete all course requirements for the professional major or program of study they have selected. The distinctive of the Bachelor of Arts is that it requires 12 hours in a biblical or foreign language. All 12 hours are required to be taken in the same language.

Doctrinal Understanding

Students who graduate from Calvary shall possess a foundational understanding of the Holy Scripture and Calvary's Doctrinal Statement.

Grade Point Average

<u>Undergraduate students</u> - A cumulative Calvary grade point average of 2.000 or above on a 4.000 system is required to receive a degree or certificate and participate in Commencement.

<u>Graduate and Seminary students</u> - A cumulative grade point average of 2.500 on a 4.000 system is required to receive a degree and participate in Commencement

<u>Doctoral students</u> - A cumulative grade point average of 3.000 on a 4.000 system is required to receive a degree and participate in Commencement.

Commencement Participation

Commencement exercises are held annually at the conclusion of the Spring semester. Participation in these exercises is highly recommended for all graduating students. In cases of hardship in returning for Commencement, candidates who have completed all academic requirements may present a written request to the Registrar's Office to be graduated in absentia.

Students participating in Baccalaureate and Commencement exercises are to have completed all of their academic requirements prior to the date of Commencement. Students registered for classes in Cycle 6 courses may participate in the Commencement ceremony, but will not receive their diploma until courses have been satisfactorily completed. Internships are to be completed in the years prior to the year graduation is anticipated. Any credit to be transferred to Calvary (including distance education courses) from other institutions granting college-level academic credit are to be completed and official transcripts received by the Registrar's Office no later than the Wednesday prior to Commencement. Students who need to transfer a significant number of hours from other institutions to achieve a major or minor requirement are advised to schedule these courses beginning in their sophomore year so as not to delay graduation.

Candidates who have not completed their degree requirements as specified above will not be permitted to participate in the Commencement exercises. Candidates who fail a needed course during the semester of Commencement will not be permitted to participate in that Commencement. Students not satisfying these requirements will have to wait and participate in the Commencement exercises following the completion of their degree requirements.

Diplomas will be delivered when all graduation and financial obligations have been met.

Graduation Recognition

Honors

Meritorious work toward the baccalaureate degree receives recognition at Awards Assembly and Commencement as follows:

Undergraduate students:

- Graduation with Honors 3.500 3.649 Cumulative GPA
- Graduation with High Honors 3.650 3.799 Cumulative GPA
- Graduation with Highest Honors 3.800 4.000 Cumulative GPA

This combined grade point average, however, may not exceed the cumulative GPA earned at Calvary. Transfer students must have earned at least 32 credit hours at Calvary with a minimum grade point average of 3.500 to qualify for honors recognition.

Spencer Athletic Award	Who's Who at Calvary University

WITHDRAWAL FROM SCHOOL

Withdrawal during the semester is generally inadvisable. However, unavoidable circumstances occasionally make it necessary. The matter should be discussed with the student's Academic Advisor, the Vice President of Student Services, or the Assistant Director of Student Services. There are two types of withdrawal: <u>Official</u> and <u>Unofficial</u>.

Official Withdrawal:

To qualify as an official withdrawal, a student must provide notice of his/her intent to withdraw. This is done by providing oral or written notification to the Registrar's office, or by visiting the Registrar's office in person.

Regardless of how the process starts, a student must obtain a withdrawal form from the Registrar's office. An official withdrawal is not completed until a student receives clearance signatures (Student Services office, the student's Academic Advisor, the Library, the Cashier, and the Financial Aid Office), signs and dates the form, and returns it to the Registrar's office.

All pertinent school regulations are binding until withdrawal procedures have been completed. Besides signing the withdrawal form, each office may have other requirements of a student. For example, the Financial Aid office: Title IV consequences of the withdrawal or an Exit Interview; Library: books to return or fines; Cashier: Student's account, etc.

An expulsion from school is, normally an official withdrawal, and those procedures are followed and completed by both the administration and the student.

Unofficial Withdrawal:

An unofficial withdrawal is initiated and completed by the Administration and occurs when a student:

- Who, after having started classes, leaves school without providing notification of his/her intent to withdraw, and who did not earn a passing grade in any course that spans the semester
- Who, after having started classes, provides notification but leaves school without completing the withdrawal process
- Who, after having started classes, is expelled but leaves school without completing the withdrawal process
- Who registered for classes but did not start one or more of them; this might not be a complete withdrawal from Calvary

Leave of Absence

When a student needs to withdraw from classes for a short period of time, a "Leave of Absence" status may be granted to the student. A "Leave of Absence" is issued only upon approval and for extenuating circumstances (family sickness, personal medical emergency, financial emergency, etc.) which requires a student to be out of class for up to 180 days in a 12-month period. Students not returning within the 180-day period will be issued a "WF" grade for all classes having the "LA" designation. They will also be considered withdrawn from the college.

Students applying for a leave of absence must:

- Obtain a "Student Request for Leave of Absence form from the Registrar's Office and follow the instructions attached to the form.
- Submit their request to the Registrar's Office.

Military Personnel

Military personnel who are activated and/or deployed will be granted a "Leave of Absence" with conditions established on a case-by-case basis, depending on their deployment circumstances. Military spouses and dependents may apply for a standard "Leave of Absence."

Readmission Procedure

Students who do not maintain continuous enrollment in the College are required to apply for readmission through the Admissions Office. Students not enrolled for more than

one semester are required to meet graduation requirements from the catalog in effect at the time they re-enroll.

Second Bachelor's Degree Program

Students who have already received a bachelor's degree from Calvary University or from another regionally accredited institution can broaden their education by earning a second bachelor's degree with a different major. However, students may not earn a second bachelor's degree with a double major. Students may not obtain an academic minor in the second degree. Specific details include:

- A student must have received a four- or five-year bachelor's degree from a regionally accredited institution to be eligible to begin a second bachelor's degree.
- The student must have a minimum grade point average of 2.5 (where A = 4.0) in the last 60 semester hours of their first baccalaureate degree work.
- The student must complete at least 30 credits in his/her major subject area in residence at Calvary University (these hours may not be transferred from another institution) plus any additional courses necessary to qualify a student for a bachelor's degree at Calvary. The combined credit in both degrees must add up to at least 150 credits.
- The subject area of the second degree must be significantly different from the first.
- Students must complete all requirements for the major. If any of these requirements
 were satisfied in the previous degree, the remainder necessary to complete the
 minimum 30 credits of new courses should be satisfied with courses related to the
 major. For purposes of determining what major requirements apply to a given
 student, the applicable date is the date the student started coursework at Calvary after
 being admitted into the second undergraduate degree program. A minimum grade
 point average of 2.0 in all courses taken at Calvary is required for graduation.
- The proposed program must be approved by the Academic Curriculum Committee (ACC) and the appropriate faculty advisor.

To qualify for academic honors in a second bachelor's degree, the student must complete at least 45 new credits at Calvary with the requisite grade point average.

All students need to be aware of what is entailed in a second bachelor's degree. Before beginning work or considering options toward a second degree, each student should consult an academic advisor. Advisors will be glad to explain the requirements for a second bachelor's degree and clarify its limitations.

ACADEMIC RECORDS

Academic Transcript

An academic record or transcript is kept for each student in the Registrar's Office. All grades earned by the student at Calvary are posted on the student's academic transcript. The academic transcript also shows the credits transferred from other colleges that apply toward meeting the student's degree requirements at Calvary and for some bachelor's degree students, credit earned through portfolio assessment. Credits from other colleges that do not meet Calvary's degree requirements are not posted.

At the end of each semester, the courses for which the student officially enrolled at Calvary, the grades earned, and the grade point average are recorded. Only courses

dropped during the first two weeks of a semester are omitted. Cumulative hours attempted and earned at Calvary as well as the cumulative Calvary grade point average are listed following each semester's listing of courses and grades.

Transcript Requests

Federal law requires that all transcript requests be made in writing and signed by the student. Transcript Request Forms are available in the Registrar's Office or can be

downloaded from the Calvary website (www.calvary.edu). Requests submitted by FAX are acceptable if they bear the student's signature and include payment information to cover the fee.

A fee of \$5.00 is charged each time an academic transcript (official or unofficial) is requested from Calvary. Payment must accompany the request. Official transcripts bearing Calvary's seal are sent

directly to the institution or organization designated by the student. Faxed transcripts are not considered as official by Calvary University or by most institutions or organizations receiving them. Only unofficial transcripts are issued to students. Transcripts are issued in their entirety, and no partial transcript will be issued. Transcripts, official or unofficial, will not be released if the student's financial account is not current.

Current students have access to prior grade reports through the online registration system. The system is password protected and available to all students who are not on either Business or Academic hold. These reports do not fulfill the requirement of an official transcript. The Registrar's Office can supply students with a verification of enrollment letter which will provide needed information for family insurance companies (health and auto).

Requests for transcripts should be sent well before the date that they are due to other institutions or organizations. The Registrar's Office attempts to mail transcripts within two business days of the date they are received. Reception of transcripts by receiving parties depends upon the accuracy of information found on the request form, the handling of mail by the receiving institution or organization, and the accuracy of payment information received by the Registrar's Office. Incorrect information will produce delays.

Appeal Process

Appeals for exceptions to academic policies and regulations are to be submitted in writing to the Chief Academic Office or the Registrar for consideration by the Academic Curriculum Committee. The Chief Academic Office or the Registrar's Office should be contacted regarding procedures and/or forms.

Teaching Faculty:

Dr. Luther Smith and other Adjunct Faculty

Concentrations:

The Biblical Counseling Department has three concentrations:

- Addictions
- Human Trafficking
- Marriage & Family

Philosophy of Counseling:

Calvary believes and maintains that the revelation contained in the Scriptures concerning God, man, and man's problems and their solution is the only adequate foundation on which to build a counseling model that is totally Christian. Therefore, the College teaches and practices a counseling approach and methodology which grows out of biblical principles regarding human growth and development, behavioral changes, and problem-solving. Biblical counseling is understood to be and is practiced in a context of Christian ministry.

Outcomes:

- The student is enabled to articulate a biblical philosophy of counseling.
- The student is challenged to demonstrate the Christian character qualities necessary for a biblical counseling ministry.
- The student is provided with a basic knowledge of the counseling process.
- The student is assisted in identifying people's problems.
- The student is assisted in developing communication skills needed for counseling one-on-one and in small group situations.

Note: Counseling courses transferred from other academic institutions may or may not transfer for Calvary Biblical Counseling courses. They may transfer as electives. When such cases arise, the Biblical Counseling Program department chair will be consulted.

Internship and Project:

An internship or project may begin after a student has completed their junior year and has 15 hours in the Professional Education courses. Admission by permission of the Biblical Counseling Department Chair.

EDUCATION DEPARTMENT

Department Chair: Dr. Eric C. Stricker, Ed.D.

Description:

Calvary University has been preparing teachers for private and international schools for over forty years. In 2010 the Education Department began offering Missouri State

Certification, which has expanded its sphere of impact. Teachers prepared at Calvary serve as effective teachers in public, private, and international schools.

Mission:

The mission of the Education Department is to prepare highly effective teacher candidates who are capable of meeting the diverse learning needs of students in the 21st century classroom.

Teacher Education Departmental Theme Statement:

The teacher is a servant-leader who demonstrates the attitudes, knowledge, and skills necessary to facilitate lifelong learning. Within a distinctly Christian environment, the Calvary University Teacher Education Program strives to promote development in all areas of character and conduct in its students by acknowledging the lordship of Jesus Christ, by according dignity to each individual, by advancing the search for truth in a context of free inquiry, by addressing the academic needs of individual and collective learners, and by accentuating the competencies that identify the marks of a professional educator.

Programs:

Calvary University educator preparation programs have been approved by the Missouri State Board of Education in the following certification areas:

Undergraduate Programs

Successful completion of one of these education preparation programs will position the student to be eligible to apply for Missouri State Teacher Certification and Association of Christian Schools International (ACSI) certification.

Faculty:

Dr. Eric Stricker, Mrs. Susanne Garlett (Teaching Assistant), and other Adjunct Faculty.

Outcomes:

Graduates of the educator preparation program will:

- Articulate a biblical philosophy of education formed through a foundational understanding of the Scriptures.
- Actively value human diversity in the way they relate to others in the world in which they live, work, and serve.
- Possess strong content knowledge with the inclination to continue to acquire new skills and knowledge.
- Use instructional technology proficiently.
- Demonstrate the ability to use their knowledge and skills to teach effectively.
- Research, analyze, synthesize and evaluate new information, points of view, and instructional practices.

Guidelines for Education Majors

Completing a major in Education requires two sets of specifications: (1) completion of the degree, and (2) meeting Missouri certification requirements. A student can declare the major at any time, but in order to enroll in upper division education coursework, the student must first be admitted to the educator preparation program. Declaration of a major DOES NOT constitute admission to the teacher education program.

Admission to the Educator Preparation Program:

- Application to an Educator Preparation Program (EPP) is a requirement of the State of Missouri. Education majors should apply during the first semester of their sophomore year. Application forms for admission to the EPP may be obtained from the Education Department Chair or from the department's website.
- At the time of application the Education major must meet multiple standards for admission including grade point average requirements, Missouri state examination requirements, and positive recommendations from faculty and field experiences. Further information on the application/admission process and specific requirements can be found in the EPP Student Handbook.
- Students may not enroll in 300-level education coursework until they are admitted to the
 education preparation program. Students who fail to complete all requirements for
 certification within a seven-year period must re-apply for admission under the policies and
 regulations that are in effect at the time of the new application.

Transfer Students / Change of Majors:

The Education Preparation Program is a professional organization regulated by the Missouri Department of Elementary and Secondary Education (DESE) in addition to the policies of the Education Department and Calvary University. Historically, DESE has continually raised its academic standards and requirements for teacher certification. As a

result, the program requirements are beyond what is expected of most college majors. Education majors must work closely with their academic advisors and Calvary's Certification Officer.

Students who transfer into or change their major to an Education Preparation Program will often need one or more additional semesters beyond a traditional course of study to complete the program.

Coursework completed at other institutions will be considered on an individual basis. Decisions regarding transfer credit will be made based on alignment with the current standards of Calvary's Education Preparation Program. The majority of coursework for each program must be completed at Calvary, especially in the areas of Field and Clinical Experiences.

General Requirements for Teacher Certification Programs:

All education majors must meet the General Education and Bible Education

requirements of Calvary University. In addition, the students must meet the following certification requirements:

 Elementary Education (Grades 1-6) students must satisfactorily complete content courses related to the elementary curriculum consistent with Missouri certification requirements. Additional information on current requirements can be found in the EPP Student Handbook.

- All education majors must demonstrate competence in English composition and research. They are required to satisfactorily complete EN112 College Composition I, EN113 College Composition II, and COM110 Written Research Practicum or the equivalent. If the student does not demonstrate writing competence, the department will require the student to seek assistance from The Clark Academic Center and file a Tutorial Form (see Handbook) to receive tutoring/advising.
- All education majors must demonstrate competence in oral communication. This
 requirement is met by completing COM220 Oral Communications or the equivalent. The
 student must continue to show strong oral presentation skills in education course work. If
 the student does not display these skills, the department will complete a Tutorial Form and
 the student will receive tutoring/advising.
- All education majors must demonstrate competence in basic mathematical operations. In addition to completing the General Education requirements for mathematics, the student must exhibit continued mathematical skills in education coursework. If a student does not show these competencies, the department will complete a Tutorial Form and the student will receive tutoring/advising.
- State monitoring of the Teacher Education Program requires that all Teacher Education
 majors must develop and meet rigid qualifications and maintain the highest academic and
 professional standards at all times.

Continuation in the Education Preparation Program:

Students are required to apply for admission to the Education Preparation Program, and application is followed by a personal interview by the Teacher Education Committee. The student is responsible for monitoring his/her own progress toward completion of the

116

Education Preparation Program at Calvary University. The Education Department faculty will assist the student by providing advising, notices of deadlines, testing requirements, etc. However, the student must monitor and meet the requirements.

Admission to, or completion of the Education Preparation Program does not guarantee retention in the program and/or eventual Missouri certification. The same criteria considered for admission are monitored each semester. To be retained in the Education Preparation Program, students must maintain appropriate grade point averages (see Handbook). Notification of education students whose grade point averages have fallen below the required level will be given to the program advisor.

- If the student's GPA falls below the required level, but not lower than 2.0, he/she will be notified that he/she has one semester to regain good standing in the Educator Preparation Program. If not, the student will be excluded from the Program.
- If the student's GPA falls below the required level and/or is placed on academic probation, he/she will automatically be excluded from the Educator Preparation Program and will be so informed by the Education Department Chair.
- If the student has been excluded from the Education Preparation Program because of a low overall GPA, reapplication for admission to the program may occur when the required GPA has been retained at Calvary.
- If the student has not demonstrated professional dispositions for teaching as measured by the Professional Disposition form (see Handbook) and has not made required progress, the student may be dismissed from the program.
- A student may appeal his/her exclusion or dismissal from an Education Preparation Program. The appeal must be dated, typed, and provide a clear explanation for the reason(s) for the appeal. Appeals are to be submitted to the Chief Academic Officer (CAO) for review, who will then present it to the Accreditation and Curriculum Committee (ACC). The CAO will notify the student and the Education Department Chair of the ACC's decision in writing.

MUSIC DEPARTMENT

Department Chair: Dr. Tom Stolberg, D.M.A.

Description:

The Music Department has four distinct programs designed to train the student to maximize musical gifts and talents while developing the character and skill set necessary for effective ministry. Overall musicianship and competency is stressed, while concentrating on the specific areas of leading, teaching, performing, and ministering.

The student who successfully completes the Music Education program will be eligible to apply

for ACSI certification, which qualifies him/her to teach in Christian schools, and to apply for Missouri State Teacher Certification, which qualifies him/her to teach in public schools.

The Music Major has multiple concentrations which allow various areas of music involvement.

Music Programs and Concentrations:

- Music Education, Baccalaureate Degrees
 - > Instrumental
 - > Vocal / Choral
- Music, Baccalaureate Degrees
 - Music Performance & Pedagogy
 - Instrumental; Piano; Vocal
 - Worship Arts
 - Guitar; Piano; Voice
 - Christian Contemporary Music
- Worship Arts, Associates Degree
- Worship Arts, One-Year Certificate

Teaching Faculty:

Dr. Tom Stolberg, Dr. Haekyung An, Un Chong Christopher, Jeremy Schell, Bethany Franklin, Peter Weiss, and other Adjunct Faculty.

Outcomes:

- The student demonstrates the skills necessary for effective music ministry in the chosen area of program specialization.
- The student exhibits competency in musicianship, leadership, conducting, and performance.
- The student demonstrates a personal philosophy of music based on biblical principles that will become the basis of an effective music ministry.

Special Requirements:

- An audition is required prior to entry into all music programs.
- All music majors and minors must participate in two semesters of MUMC.
- All music majors are required to take MUGR each semester they take applied lessons.
- A jury is required of all music majors each semester they take applied lessons for their primary instrument. Youth Ministry – Worship Arts majors are exempt from this requirement.

THEATRE ARTS DEPARTMENT

Department Chair: Mrs. Bobbie Jeffrey, M.A.

Description:

The Calvary Theatre Arts program revolves around telling the Story of God in ways that will engage the culture with a fresh and vibrant perspective! Our mission is

to equip students by building academic, performance-related, technical, and spiritual foundations in the following areas:

- Directing or assisting in directing church theatrical programs.
- Overseeing performance, technical, and administrative aspects of a theatre ministry.
- Teaching and directing theatre productions.
- Developing skilled and disciplined actors who respect their art and their craft and who will be ready to further their careers through graduate school training and/or professional acting.

Programs:

- Theatre Arts, Baccalaureate Degree
- Theatre Arts, Minor

Teaching Faculty:

Bobbie Jeffrey, Kaleb Krahn, Karen Krahn, Beckie Lucas, Candace Roberts, Aaron Roose, and other Adjunct Faculty

Outcomes:

- The student embraces the core principle that theatre is service; to fellow actors, to the working text, to the audience, and first and foremost, to the Audience of One.
- The student demonstrates the foundational skills necessary to critically analyze a piece of dramatic literature for its quality and theme while comparing it with the knowledge of God's Word and His character.
- The student is trained to work as an ensemble in an atmosphere that facilitates authentic, honest relationships with God and man.
- The student demonstrates his function as a believer-artist by impacting the culture through engagement with it and ministering to it with passion and integrity.
- The student recognizes the Story of God in the stories of history, myth, oral tradition, and literature, bringing it to life in new and creative ways, and sharing His story with an ever-thirsty world in increasingly compelling ways.

Requirements:

• Before graduating, a Theatre Arts major must complete:

- ✓ The Capstone Project a theatrical presentation showcasing their skills in their particular program emphasis.
- ✓ The Program Requirements spreadsheet for majors. These are available upon request from the department chair.
- Before graduating, a Theatre Arts minor must complete the Program Requirements spreadsheet for minors. These are available upon request from the department chair.

COURSE DESCRIPTIONS

* Interdisciplinary Bible-Related Course

An interdisciplinary Bible-related course applies the Bible's teaching to various practical areas of study. Hence, courses such as Business Principles and Practices, Ethics, Teaching Bible, Educational Philosophy, Communication Theory, The Bible as Literature, Principles of Leadership, Human Resource Management, and Economic Theory may be counted as Interdisciplinary Bible-related courses if a major focus of the course is clearly the integration of the Bible with the discipline.

Professional Foundation

As a master's degree, the program includes ministry courses matched by the Department Chair to the unique professional course structure for Worship Arts. Within the professional area, students will be exposed to advanced information and skills necessary to organize and lead music, manage technical systems and requirements, and be able to integrate worship services at large churches. In addition, our highly qualified faculty has established a high standard of musical excellence for students so that they may pursue a number of different paths after graduating including doctoral work and teaching at institutions of higher learning.

PROMOTIONAL MATERIALS

From time to time, candid, posed, or staged photographs and/or videos of students are taken. Students are asked to release Calvary University from any and all claims of use of these so that the College or Seminary may, at its discretion, use them in promotional materials such as publications, brochures, and press releases.

THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal act that prohibits the release of any educational records except those listed as Directory Information (see below) as defined by the act without the express written authorization of the student involved. Forms are available in the Registrar's Office to allow the release of information to the person(s) designated on the form.

Inspect and Review

The student has the right to inspect and review the student's education records within 45 days of the day Calvary receives a request for access. Students should submit to the Registrar, Chief Academic Officer, head of the Academic Department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The Calvary official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Calvary official to whom the request should be addressed.

Request Amendment

Students have the right to ask Calvary to amend any part of their education record that they believe is inaccurate or misleading. They should write the Calvary official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If Calvary decides not to amend the record as requested by the student, Calvary will notify the student of the decision and advise the student of his/her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

Consent to Disclosures

The student has the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by Calvary in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom Calvary has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a

disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility.

File a Complaint

The student has the right to file a complaint with the U.S. Department of Education concerning alleged failures by Calvary to comply with the requirements of FERPA. The name and address of the office that administers FERPA is listed below.

Family Policy Compliance Office U.S. Department of Education 600 Independence Avenue, SW Washington, DC 20202-4605

Any student violating this policy will be subject to disciplinary sanctions including, but not limited to, warnings, probation, expulsion, loss of employment, referral to law enforcement and/or prosecution.

Any student under the legal age for consumption of alcohol that is unlawfully using, consuming, possessing, or distributing alcohol may be subject to disciplinary sanctions as described in the Disciplinary Sanctions Section of this policy. In addition to State Statutes, Federal law makes it unlawful for any person to manufacture, distribute, create, or dispense or to possess with the intent to manufacture, distribute, create, or dispense controlled substances. Title 21 of United States Code provides terms of imprisonment and fines for violations of this Act. The nature of the offense and whether the person has committed any previous unlawful acts under this statute will determine the term of imprisonment as well as the amount of the fine.

Disciplinary Sanctions

In determining appropriate institutional disciplinary sanctions two major factors will be considered, 1) if the infraction was opposed to local, State, or Federal laws, and 2) if the infraction was opposed to University standards and the seriousness of the impact of the violation. To determine the impact of the violation it will be evaluated if the offense was illegal, if it was on-campus or offcampus, if there is a personal history of drug or alcohol abuse, and the impact on campus and student life. Depending on these determining factors, disciplinary action may range from a warning to expulsion. If illegal activity was involved, Law Enforcement will also be informed of the incident.

Federal Student Financial Aid Penalties for Drug Law Violations

Anyone who is convicted of a federal or state drug crime while receiving federal student aid will lose their eligibility to receive federal student aid until their eligibility is reestablished according to Title IV regulations. Eligibility can be

Health Risks Associated with the Use of Illicit or Illegal Drugs or Alcohol

Medical studies indicate that users of illicit or illegal drugs or alcohol can suffer from a wide range of medical and psychological problems. Those problems can be as mild as depression or as severe as permanent brain damage or death. At the very least, use promotes poor application to academics as shown by poor study habits, lack of concentration, and loss of self-esteem. Additional information on the health risks associated with the use of illicit or illegal drugs or alcohol is available at <u>https://www.drugabuse.gov/drugs-abuse</u> or through the Student Services Department.

Drug and Alcohol Programs

All students are informed of Calvary's Zero-Tolerance Policy: the standards of conduct, applicable legal sanctions, a description of the related health risks, resources for counseling, treatment, rehabilitation, and re-entry, and a clear description of the disciplinary sanctions.

As there is no alcohol allowed on campus, Calvary offers a wide variety of alcohol-free events. The student lounge and the Warrior Café are relaxed places for students and faculty/staff to congregate. The lounge features a movie room and games (pool, ping-pong, etc.). The Warrior Café features a coffee shop, TV, and board games. Intramural sports, athletic events, theater, ministry opportunities, socials, and our variety of academic and personal enrichment activities are all healthy alternatives to drinking and drugs.

GENDER-BASED MISCONDUCT POLICY

Statement of Policy

It is the policy of Calvary University to promote a learning, living, and work environment that is free of all forms of harassment. Harassment on the basis of race, color, sex, sexual orientation, gender identity or expression, condition of pregnancy, religion, national and ethnic origin, age, disability, and military or veteran status undermines the basic principles of the community, biblical teachings, and applicable laws. It is not acceptable behavior at Calvary University and will not be tolerated.

Harassment is defined as the use of derogatory comments or acts directed toward an individual's race, color, sex, sexual orientation, gender identity or expression, condition of pregnancy, religion, national and ethnic origin, disability, or military or veteran status that:

- Humiliate and/or intimidate an individual;
- Have the purpose or effect of creating a hostile or offensive working or educational environment;
- Impede and/or interfere with work performance, academic status, or campus life.

Sexual Harassment

Sexual harassment is a form of sex discrimination and is a violation of Calvary University policy as well as federal and state statutes. Calvary University views with the utmost seriousness offenses against an individual such as stalking, inappropriate sexual touching, sexual assault, and any other form of non-consensual sexual activity.

For the purposes of this policy, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, sexual assault, and all other verbal and physical conduct of a sexual nature when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic status.
- Submission to or rejection of such conduct by an individual is used as a basis for employment or academic decisions affecting an individual.
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive environment in which to work or learn.

Calvary University considers harassment a very serious matter. Any person found to be engaging in sexual harassment will be subject to disciplinary action, up to and including expulsion from Calvary University or its residence halls.

Examples of Sexual Harassment

Sexual harassment can be directed toward a person of the opposite sex or same sex and can take many forms. Sexual harassment may occur regardless of the intention of the person engaging in the conduct. The following are some examples of conduct which, if unwelcome, may constitute sexual harassment, depending upon the totality of the circumstances, including the severity of the conduct and its pervasiveness:

- Sexual advances (whether they involve physical touching or not).
- Requests for sexual favors in exchange for actual or promised academic or job benefits such as favorable grades or continued employment.
- Sexual jokes.
- Use of sexual epithets, written or oral references to sexual conduct, gossip regarding one's sex life, and comments on an individual's body, sexual activity, deficiencies, or prowess.
- > Displaying sexual objects, pictures, written materials, or cartoons.
- > Leering, brushing against the body, sexual gestures or suggestive or insulting comments.
- Sexual exhibitionism.
- Inquiries into one's sexual activities.
- Cyber-harassment including non-consensual videos or audio recordings of sexual activity.
- Sexual assault or coerced sexual acts.

Sexual Assault

For the purposes of sexual assault violations, the following definitions apply:

- A person who knowingly causes another person to engage in a sexual or deviate sexual, act—by using force against that other person or:
 - by threatening or placing that other person in fear that any person will be subjected to death, serious bodily injury, or kidnapping;
 - renders another person unconscious and thereby engages in a sexual act with that other person; or
 - administers to another person by force or threat of force, or without the knowledge or permission of that person, a drug, intoxicant, or other similar substance and thereby
 - o substantially impairs the ability of that other person to appraise or control conduct; and
 - o engages in a sexual act with that other person;
 - causes another person to engage in a sexual act by threatening or placing that other person in fear (other than by threatening or placing that other person in fear that any person will be subjected to death, serious bodily injury, or kidnapping); or
 - engages in a sexual act with another person if that other person is—
 o incapable of appraising the nature of the conduct; or
 - physically incapable of declining participation in, or communicating unwillingness to engage in, that sexual act; or attempts to do so, commits convuol account.

commits sexual assault.

Calvary University defers to current Missouri Revised Statutes (RSMO) Chapter 566 regarding specific definitions of sexual assault.

Consent and Communication

Consent is an understandable exchange of affirmative words or actions that indicate a willingness to participate in mutually agreed upon sexually explicit touching or sexual penetration. Consent must be informed and freely and actively given. It is incumbent upon each individual involved in the activity to either obtain or give consent prior to any sexual activity, and again, prior to sexual penetration. If at any time during the sexual interaction any confusion or ambiguity should arise on the issue of consent, it is incumbent upon each individual involved in the activity to stop and clarify, verbally, the other's willingness to continue.

- A verbal "no," even if it may sound indecisive or insincere, constitutes lack of consent.
- When consent is requested verbally, absence of any explicit verbal response constitutes lack of consent.
- It is expected that, after consent has been established, a person who changes his/her mind during the sexual activity will communicate through words or actions his/her decision to no longer proceed.
- Past consent to sexual activity does not imply future on-going consent, and the fact that two
 persons are in an on-going relationship does not preclude the possibility that sexual
 misconduct or sexual assault might occur within that relationship.
- A student's use of alcohol and/or other drugs does not diminish a student's responsibility to obtain consent.

Sexually explicit touching is the unwanted touching of another person in a sexual manner. Examples of sexually explicit touching include, but are not limited to, the touching,

either directly or through clothing, of another person's genitalia, breasts, inner thigh, or buttocks of any person with a clothed or unclothed body part or object. Sexually explicit touching through the use of coercion or where the person is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity is considered sexual assault.

Coercion is the use of force, or the threat of force; the use of a threat of immediate or future harm; or the use of physical or severe and/or pervasive emotional intimidation to cause or attempt to cause another person to engage in or submit to certain activities. Coercion also includes the administration of a drug, intoxicant, or similar substance that impairs the faculties of a person.

Incapacity is defined as a person incapable of giving consent because he/she is asleep, unconscious, losing or regaining consciousness, or clearly mentally or physically incapacitated. Signs of being incapacitated include, but are not limited to, difficulty walking, inability to speak in a coherent manner, and vomiting or the presence of vomit.

Clear communication is required by Sexual Assault definitions, which require each participant to obtain and give consent before engaging in any sexual activity. Relying solely upon nonverbal communication is not sufficient. Communication is a foundational process that affects all of our relationships and interactions. Any sign of reservation or hesitation should be clarified verbally before proceeding.

Alcohol and Other Drugs

In addition to it being a violation of Calvary University's institutional rules and regulations, the consumption of alcohol and/or the use of drugs often lowers inhibitions, can cause some people to become more aggressive, and always impairs judgment. Sexual activity with someone who has consumed alcohol or drugs creates the potential for later dispute over questions of consent. Sexual activity with a person who is thus impaired may be considered a violation of the law and the Student Code of Conduct. Conversely, being under the influence of alcohol is not an excuse for committing sexual assault.

It is a violation of Calvary University's policy and Missouri law to have any sexual activity with someone who is unable to give consent because of alcohol or drugs or other impairment. If your partner is very drunk, you may be guilty of sexual misconduct even if your partner said yes.

Procedures and Resources

When a student is sexually assaulted, he/she has reporting options. If a student has just experienced an assault and needs immediate assistance, he/she should get to a safe place. A student should then:

- Call Calvary Security at 816-898-2989 or the South Kansas City Police Department at 911. Either will help whether or not a student chooses to prosecute the assailant. Reporting a sexual assault to the police does not commit someone to further legal action. In an offcampus emergency, the student is encouraged to call 911 or the police department in the city or town where he/she is located.
- The student is also encouraged to call a friend, family member, or someone he/she trusts and can talk with (e.g., Residence Director (RD), Resident Assistant (RA), Vice President of Student Services (Dean of Men), or Assistant Director of Student Services (Dean of Women).

- Get medical attention immediately. St. Luke's East Hospital, St. Joseph's Medical Center, Truman Medical Center – Lee's Summit, and Research Medical Center are experienced and prepared to help sexual assault victims. A prompt medical examination will test for pregnancy (where applicable) and STDs and can secure valuable evidence that can be used later, should the student wish to have the assailant prosecuted.
- Seek counseling. Regardless of whether a student reports the assault, it is often helpful to seek counseling to cope with the traumatic experience. The counseling services provided by Calvary University are available regardless of where or when the assault may have occurred.
- File a complaint with the appropriate Calvary University employee (see Reporting Harassment and Harassment Investigation).
- Upon receipt of a sexual assault complaint, the designated CU employee will provide the
 options of pursuing a criminal complaint with the Kansas City Police Department or other
 jurisdiction (i.e., State Police, or other local police departments), pursuing Calvary's
 investigation, or pursuing both options at the same time.

Reporting Gender-Based Misconduct

Calvary University is committed to stopping misconduct in all of its forms. Any CU student who believes that he/she has been subjected to misconduct has the right to file a complaint through the procedures delineated below.

Calvary University encourages individuals to report incidents of misconduct, regardless of who the alleged offender may be. Calvary will not pursue disciplinary action against a student who claims to be a victim of misconduct in connection with reporting that misconduct or against students named as witnesses.

Student complaints about a Calvary student, faculty, or staff member can be made to:

Moriah Roberts, Title IX Coordinator

Email: moriah.roberts@calvary.edu

Phone: 816-322-0110 ext 1304

OR

Cory Trowbridge, Vice President of Student Services, Title IX Investigator

Email: <u>cory.trowbridge@calvary.edu</u> Phone: 816-322-0110 ext 1309

Each of the above Calvary officials is available to discuss any concerns you may have and to provide information to you about Calvary University's policy on misconduct and the complaint process.

After reporting an incident of misconduct, students may request alterations related to academic classes, housing and/or dining services, Student Life activities, or other accommodations based on the circumstances. Decisions regarding such requests will be made by the designated Calvary official after consultation with appropriate Calvary University faculty and/or staff while preserving confidentiality to the extent possible.

Depending upon the circumstances, both students in a case may be issued administrative orders to have no contact with each other. This allows the matter to proceed without any possible harassment or miscommunication between parties.

While Calvary University has an obligation to investigate every complaint of misconduct, if a student wishes the details of an incident to be kept strictly confidential, he/she may speak privately with the Director of Calvary's Biblical Counseling Center (or

designee) or a counselor at the Metropolitan Organization to Counter Sexual Assault (MOCSA) 816-531-0233. Requests for confidentiality will be honored unless there is an imminent danger to the student or to others.

Misconduct Investigation

Except in extraordinary circumstances, all misconduct complaints will be investigated and a decision made and communicated within 60 business days of receiving the complaint. Individuals are assured that complaints will be treated as confidentially as possible, subject to Calvary University's obligation to investigate and respond appropriately to any and all allegations of misconduct.

Complainants are also advised that Calvary will investigate allegations of misconduct and take appropriate action, even if the complainant does not wish to pursue or participate in the disciplinary process, but any response by Calvary may be hindered by the complainant's wishes for anonymity and/or inaction. Calvary University has adopted both informal and formal resolution procedures to deal with misconduct complaints. Calvary will also ensure that no person who is the subject of a complaint will be assigned to investigate the complaint.

Informal Resolution

After discussion and investigation, some complaints may be resolved informally. With the assistance of the designated Calvary official, the complainant may choose to write or speak with the offending person directly, which may be sufficient to bring a satisfactory response. Or, the designated official may speak with the offending person or facilitate a meeting between the complainant and the offending person. Individuals sometimes find that through these informal procedures they are able to reach an acceptable resolution.

Formal Resolution

The formal complaint procedure is initiated after a written complaint has been filed with the designated official asking for a formal investigation to be conducted.

If the offending party is a student, the case will heard by the Calvary University Judicial Board according to judicial procedures outlined in the Gender-Based Misconduct Procedures Manual.

A student judicial hearing may accommodate concerns for the personal safety, wellbeing, or fears of confrontation of the charged student, complainant, or witnesses during the hearing by providing alternate means of communication when it is determined to be appropriate by the Judicial Officer.

If the offending party is a faculty or staff member, a formal investigation will be held by the designated Calvary official and another senior level Calvary administrator. All investigations will include private interviews with the individual filing the complaint, the person alleged to have committed the misconduct, as well as third-party witnesses, and will also include consideration of other relevant evidence. When the investigation has been completed, the designated official will inform both the complainant and the subject of the complaint of the outcome.

Retaliation or False Reporting

A retaliatory action or behavior taken toward an individual as a consequence of his/her decision to report a violation or pursue action or criminal prosecution or a retaliatory action or behavior taken toward an individual who cooperates in an investigation is prohibited. Retaliatory acts may include, but are not limited to, threats, intimidation, or harassment. Such retaliation shall be considered a serious violation of policy and shall be independent of whether a charge of harassment is substantiated. Encouraging others to retaliate also violates the policy.

Calvary University also considers filing an intentionally false report of misconduct a violation of this policy.

Prevention

Calvary University endeavors to proactively prevent gender-based misconduct, specifically sexual assaults, by implementing the following:

- Escort Program
- Deterrent Signage
- > Deterrent Camera Surveillance
- Armed Security Officers
- Defense Training
- Education for Men and Women

Education

Calvary University endeavors to educate students, faculty, and staff about genderbased misconduct in a variety of ways:

- Incoming students are required to attend Orientation, which includes training on sexual violence prevention and bystander intervention. This course is available for all continuing students, as well.
- Calvary's Biblical Counseling Center's library contains a variety of titles addressing sexual harassment (including sexual assault) which are available to all students.
- Training on harassment is held for faculty, staff, and student staff (RAs and Orientation Leaders).
- Training on misconduct and conducting misconduct investigations is held for designated Calvary officials.
- The Student Deans Office and Calvary Security provide on-campus programming relating to sexual harassment (including sexual assault).
- Calvary University's Gender-Based Misconduct policy, Title IX Policy, and related resources are communicated to in-coming students during New Student Orientation, to returning students in their registration packets, and to new faculty and staff members at their Orientation.

Student Support and Resources

Calvary University encourages students to make use of appropriate resources and will assist all persons involved in an allegation of misconduct. Support structures include the Dean of Men, Dean of Women, the Resident Assistants, the Resident Directors, and the Chief of Security (or designee). Each office is prepared to offer assistance to students both in an emergency and on an on-going basis. In addition to these on-campus resources, referrals for off-campus counseling and support services can be provided for both the student complainant and the accused student at the student's request.

Kansas City community resources include:

- National Sexual Assault Hotline: 800-656-HOPE (4673) www.rainn.org/get-help/national-sexual-assault-hotline
- Metropolitan Organization to Counter Sexual Assault (MOCSA)
 - 24/7 crisis line 816-531-0233 or 913-642-0233

GRIEVANCE PROCEDURES

A student may wish to present a grievance against a faculty or staff member, or another student, when the issues cannot be resolved informally or by use of other regular University procedures. A grievance is a concern related to an alleged illegal or improper action not otherwise addressed in policies contained within the University Student, Staff, or Faculty Handbooks. Calvary has set procedures for students who wish to present grievances and are listed below. Academic related grievances (i.e., appealing a course grade) should go through the Chief Academic Office.

- Any student who would like to file a formal grievance must submit a written report to the Student Services Office as promptly as possible, within 12 months of the occurrence of the incident, and should include the following information:
 - The date and place of the incident.
 - \circ A description of what took place.
 - Why it is considered a grievance.
 - The date on which the grievance was recorded.
 - The name and signature of the grievant.
- A thorough investigation of the grievance will be conducted, and Calvary may take disciplinary action up to and including dismissal.
- Should anyone be dissatisfied with an imposed sanction as a result of the investigation, an appeal may be made to the Chief Academic Officer and eventually the President.
- If the complaint is with or against the Dean of Men or the Dean of Women, then the complaint should be reported to the Chief Academic Officer.

Students filing a written grievance with the Student Services Office may be required to meet with a staff member face-to-face to answer questions and provide more contextual information related to the alleged incident. If the student chooses not to submit their grievance in writing and/or chooses not to meet with University staff when requested to do so, the College reserves the right to not respond to the filed grievance (except in gender-based misconduct), although a copy of the report will be left in the student's file in the Student Services Office.

When filing a complaint, it is important that the accuser state the nature of the grievance, bring witnesses (if able), and be able to clearly state the facts, accusations, and situations. If the accusation against another student, staff, or faculty member is determined false or malicious, the student may be subject to discipline or dismissal. In all cases, confidentiality of the accuser and accused will be strictly adhered to except as required by applicable law. Any crimes violating federal, state, or local law will be referred to the appropriate enforcement agency.

The University is committed to the scriptural principles found in Matthew 18:15-17. However, the University understands the difficulty inherent in discussing an offense with persons in a position of authority. Therefore, the student is encouraged, but not required, to discuss the matter privately with the person in an effort to resolve the matter. If the student is in a situation where they are unsure how to proceed, please seek counsel from the Student Services Office. The Student Services Office is always available to provide advice and support for students who are uncertain as to how they should proceed in confronting someone.

At Calvary we believe we are in a partnership with parents as we aid students in their developmental process. Therefore, parents of dependent children may be notified when their student is subject to significant disciplinary actions.

The State of Missouri's Student Complaint Process

Students and prospective students of Calvary University may file complaints with our Accreditors:

- HLC: <u>http://www.hlcommission.org/HLC-Institutions/complaints.html</u>,
- ABHE: <u>http://www.abhecoa.org/forms.abhe.org/webdocs/Policy%20on%20Complaints.pdf</u>,
- or the State's designated agency.

The Missouri Department of Higher Education (MDHE) has been assigned to serve as the clearinghouse for complaints concerning colleges and universities.

The State of Missouri recognizes that, "many issues fall within areas that generally are within the sole purview of an institution and its governing board." Furthermore, "issues or complaints are generally more speedily and appropriately resolved within the grievance channels available at the institution".

Missouri encourages students and prospective students with complaints to use all available informal means to resolve them. In other words, a complainant should first follow scriptural principles found in Matthew 18: 15-17, before proceeding to more formal steps

According to the State of Missouri, "Exhaustion of all informal and formal institutional processes, including both campus processes and any applicable system processes, is a prerequisite to filing <u>any</u> formal complaint with the MDHE". Simply stated, the MDHE expects you to have followed Calvary's procedures, prior to contacting them.

In the event that, "a mutually agreeable resolution can't be reached at the institutional level, the student or prospective student may proceed with the MDHE's formal complaint process. Prior to initiating this formal process, complainants must first call the MDHE at 573-526-1577 to indicate their desire to file a complaint."

The MDHE will screen calls to ensure that Calvary's complaint process has been followed. If the MDHE accepts the complaint, a complainant will be sent a form to be filled out and returned. Supporting documentation should be included in the formal complaint.

The MDHE will acknowledge receipt of your complaint. "If there is no indication that institutional remedies have been exhausted, the complaint will be returned for that purpose".

Complaints that fall within jurisdiction will be investigated and resolved by the MDHE. Some complaints may need to be forwarded to another State Agency, or Calvary's accrediting body. "All parties to the complaint will be notified of its resolution by mail."

Grievance Procedures for Students Enrolled in Distance Education Under the State Authorization Reciprocity Agreement (SARA)

Students enrolled in distance education courses (online classes) or online programs, who are residents of states other than Missouri, and when such state is a SARA participating state, may, after exhausting their options under Calvary's grievance procedures, appeal the institution's decision to the Missouri Department of Higher Education (MDHE). Only complaints that do not involve grades or student conduct may be appealed within two years of the incident to the Missouri Department of Higher Education.

Missouri Department of Higher Education P.O. Box 1469 Jefferson City, MO 65102-1469 1-573-751-2361 If MDHE receives a complaint about a Missouri institution, the complainant will be contacted by MDHE staff to determine if the complainant has exhausted the grievance process at Calvary University. If the institutional grievance process has been completed, MDHE will provide appropriate forms to file a formal complaint against the institution. If the complainant has not utilized the institutional remedies available, the individual will be directed to contact Calvary University to seek resolution.

The formal complaint must be submitted in writing using the form provided by MDHE. The complaint may be mailed or faxed and must include supporting materials as well as documentation verifying that all institutional remedies have been exhausted. MDHE staff will acknowledge receipt of the formal complaint in writing.

SARA-related complaints that fall within the jurisdiction of MDHE will be investigated and resolved as appropriate by MDHE. SARA applies only to those complaints resulting from distance education courses offered by participating institutions to students in other SARA states. It does not apply to distance education activity inside Missouri or to on-ground campuses. Complaints concerning criminal misconduct will be referred to local law enforcement authorities. Complaints relating to violations of federal law will be referred to the federal agency having jurisdiction over the matter in question.

Calvary University will provide a response to the complaint within ten working days of official notification by MDHE. All parties to the complaint will be notified of its resolution by mail. MDHE will keep a log of all complaints, record the date received, the name of the complainant, the institution against which the complaint is made, a brief description of the complaint, and the date and nature of its disposition.

State Authorization of Distance Education

Calvary is authorized to offer distance education in most states. Please consult with your Admissions contact to confirm that Calvary is authorized to offer distance education and your desired program in your state of residence.

PRESIDENTIAL TREATMENT OF STUDENTS

With respect to interactions with students or those seeking to be such, the President shall not cause or allow conditions, procedures, or decisions that are unbiblical, unsafe, undignified, or unnecessarily intrusive.

Further, without limiting the scope of the foregoing by this enumeration, the President shall not:

- Request information for which there is no clear necessity.
- Use methods of collecting, reviewing, transmitting, or storing student information that fail to protect against improper access to the material elicited.
- Fail to operate facilities with appropriate safety, accessibility, and privacy.
- Fail to establish with students a clear understanding of what may be expected and what may not be expected from the service(s) offered.
- Fail to use biblical principles in regulating student conduct or in counseling and discipline of students.
- Fail to inform students of this policy as applicable, or to provide a way to be heard for
 persons who believe they have not been accorded a reasonable interpretation of their
 protections under this policy.
- Graduate any student who fails to possess a foundational understanding of the Holy Scripture and Calvary's Doctrinal Statement.

Procedure for Grievances

Any grievances that a student would have regarding the president, faculty, or staff should be submitted in written form explaining the grievance. This appeal should be given to the Vice President of Student Services with explanation deemed necessary. The Vice President of Student Services will then submit the grievance to the appropriate vice president. Grievances will be submitted as follows: concerning staff to the Chief Operations Officer; concerning faculty to the Chief Academic Officer; concerning the President to a President's cabinet member; concerning a Vice President to the President.

CLERY ACT

The annual crime index report is made available in accordance with the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act." The report is available in the following offices: Student Services, Business, and Security. The report is also available on reserve in the Library. Any further questions should be directed to the Chief of Security.

REPORT ON ATHLETIC PROGRAM PARTICIPATION RATES AND FINANCIAL SUPPORT DATA (EADA)

In accordance with the Equity in Athletics Disclosure Act, an annual report pertaining to Calvary's athletic programs is available to prospective students, students, and to the public in the following locations:

- ✓ Admissions Office
- ✓ Financial Aid Office
- ✓ Athletic Director's Office
- Institutional Research Office

Any questions regarding the Equity in Athletics Disclosure Act should be directed to the Institutional Research Office.

SEXUAL OFFENDER INFORMATION

The "Campus Sex Crimes Prevention Act" is a federal law enacted on October 28, 2000, which provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education, or working or volunteering on campus.

The Act amends the "Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act" to require sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student.

In the event Calvary University determines that an applicant for admission or existing student is listed on a Sex Offender Registry, the following procedures shall apply:

- The applicant will be denied admission to Calvary University. This is defined as:
 - Admission Denied/Revoked: Admission to the college, or to college functions or activities, may be denied or revoked to individuals who are unable to demonstrate safe and/or non-disruptive conduct.
- If the applicant registers for classes and/or becomes a student before the College receives notification that such student is a registered sex offender, the student will be immediately

informed that he/she is being administratively withdrawn from classes and will receive a refund according to the refund schedule.

• An applicant may invoke his/her right to an appeal process.

Appeal Process for Denial of Admission or Withdrawal for Convicted Sex Offender

When a convicted sex offender is denied admission to or is administratively withdrawn from classes at Calvary University, he/she may invoke the following appeal process:

- The applicant or withdrawn student will receive a letter from the Student Services, stating his/her denial of admission or administrative withdrawal.
- The applicant/withdrawn student may write a letter of appeal to the President's Cabinet in which he/she provides the following information:
 - Disclosure of the nature of the offense for which he/she has been convicted.
 - Justification for consideration of admission/reinstatement.
 - Statement acknowledging his/her understanding that his/her identity and status as a convicted sex offender will be publicized on the University campus in accordance with federal and state law if he/she is admitted or reinstated.

Note: If a student is appealing a denial of admission or an administrative withdrawal, he/she must submit the letter of appeal to the President's Cabinet within seven (7) calendar days of the denial of admission/administrative withdrawal.

A panel of the President's Cabinet and two other full-time faculty or administrators will review the information submitted and make a decision by a simple majority vote within fourteen (14) calendar days of receiving the letter of appeal. The Chief Academic Officer will serve as the convener of the panel.

The Chief Academic Officer will inform the applicant/withdrawn student by letter of the decision of the appeals panel. The decision of the appeals panel shall be final.
