# Welcome to Calvary University's Christian Ministry Program!

## Why do we have a Christian ministry Program?

**1<sup>st</sup> Reason: Our Bible accreditation association requires it.** The Association of Biblical Higher Education (ABHE) requires each student to be involved in Christian ministry in a formal way. Because it is required, we provide an official permanent record of your Christian Ministries on your college transcript. Therefore, it is essential that you complete all the program's requirements in order to graduate from Calvary University.

**2<sup>nd</sup> Reason: To help you prepare for a life of faithful and fruitful service and to further God's kingdom!** We have this program because we believe that practical Christian ministry experiences are a necessary and crucial part of your training. By properly choosing your Christian Ministries, it gives you the opportunity to have a personal, God-directed discipleship program. Therefore, we encourage you to seek the LORD and choose your Christian Ministries prayerfully and wisely. In doing this, it can give you experiences in specific fields of ministry wherein God can better prepare you for a life of fruitful service and to help prepare you to be able to fulfill your God given destiny. Our desire is that your Christian Ministry will help prepare you for life and future ministry while also helping you build a resume of meaningful ministry experiences.

**3<sup>rd</sup> Reason: It is how Jesus disciplined His disciples.**

We have it because it is how Jesus Christ trained His disciples. He not only taught the disciples, but He sent them out to minister. Jesus sent His disciples into the marketplace to put into practice what they had seen and what they had been taught by Him. Following their practical ministry, they reported back to the LORD and He questioned them and answered their questions. We pray the Debriefing Interview will be helpful in answering you questions and guiding you through your learning experiences in your Christian Ministries. By sending the disciples out into ministry he was discipling them and preparing them for their future ministries when He would no longer be physically with them. Therefore, we believe that the practical training received through your participation in the Christian Ministry program will be vital to your understanding of God's call upon your life and how to fulfill it.

*Our prayer is that God will use local churches, pastors, lay leaders and ministries along with Calvary's faculty and staff to work together to give you the best discipleship experience possible.*

**How to get the most out of your Christian Ministry experience!**

In the Christian Ministry Program, you will find that we give you some structure and require some accountability. However, we also give you freedom to choose what you discern God would have you do for a Christian Ministry.

Fulfilling your Christian Ministry responsibilities gives you the opportunity to develop a pattern of seeking the LORD for His personal direction and a deepening of your understanding on how He personally leads you. If you seek the LORD and choose your Christian Ministries wisely and prayerfully, He can give you the right experiences in the fields of ministry that will help prepare you for God's purpose for your life.

We believe that the practical training received through your participation in the Christian Ministry program can be vital to your understanding of God's call upon your life. It can also help you put into practice what you are learning in the classroom.

We want you to grow and learn to walk in confidence that you are following His leading and His perfect will whether it is in the secular arena or in full time ministry. Remember, you are the key. A good spirit toward your Christian Ministry now can be one of the most helpful things you can do to receive the most from this program. Please look at the requirement of Christian Ministry as an opportunity to serve the LORD and grow in Him rather than just an obligation to fulfill. Our prayer is that you will experience the joy of ministry and the benefits of this program. May you and those to whom you minister be blessed through this program. Blessings...Numbers 6:24-26.

***Please Remember: Ministry is a privilege and it is an honor to be called by God and to serve HIM.***

## **Basic Guidelines for Fulfilling Your Christian Ministry**

### **What are your responsibilities for Christian Ministry?**

(How all students fulfill their Christian Ministry Requirements are the same for all students, both graduate and undergraduate. However the number of credits required for graduate students are not the same as undergrad students - Seminary/Graduate student credit requirements are on page 9.)

1. **Attend a local church:** A minimum of 2 services per week when doing a regular Christian Ministry or Church Search.

Christ is building His church (universal), and the local church is an important part of His plan to accomplish this goal. The local church is not a man-made idea but it is God ordained. Much of the New Testament is written directly to local churches. Everywhere Paul went he sought to establish a local body of believers who would work together to worship the LORD and further His kingdom.

You are given your first semester to find a local church where you can feel at home for worship, fellowship, and service (2 Cor. 2:9; 10:5; 1 Tim 3:15). Please remember that Scripture exhorts us not to forsake the assembling of ourselves together (Heb. 10:24-25). Developing a healthy relationship with a great family of believers is what we really desire for you. Our prayer is that you will see the need for and want to be at church far more than the minimum requirements. When you attend your church's worship services, Sunday school, home Bible studies, prayer groups, etc., we want you to be there because you desire to be there, rather than just being there to fulfill your obligation.

2. **Perform up to 7 Christian Ministries:** Your Christian Ministries should provide ministry experience in either evangelism, local church/ministry organization, or in the area of your academic major. We encourage you to have some form of evangelism and discipleship and the use of your biblical training as part of all your Christian Ministries. The actual amount of Christian Ministries required will depend upon the length of your academic program less any transfer credits or early college credits you have completed and applied to your degree program (to be explained later in this handbook).

4. You will need to fill out this form for each Christian Ministry you do.

**CM Credits needed for graduation for all Undergrad Students:**

Each student will need to complete the following CM credits for graduation.

4 year degree – 7 CM credits

2 year degree - 3 CM credits

1 year certificate - 1 CM credit

These are the normal CM credits needed to graduate from Calvary. For students with transfer credits or who have earned early college and dual enrolled credits from Calvary may find that their required CM credits can be reduced. For every 15 credits transferred in or earned in our early college or dual enrolled programs the Christian Ministry credits needed to graduate will be reduced by 1. If, while attending Calvary, a student takes classes at another institution and transfer them in to Calvary, those credits earned will be treated as transfer credits and this may reduce their required CM credits for graduation.

**Every Calvary graduate and undergrad student** will need to complete 1 Christian Ministry and 1 Debriefing Interview regardless of credits transferred in or course they are seeking to complete.

**Early College and Dual Enrollment Students** are not required to participate in the Christian Ministry program but are encouraged to be involved in Christian Ministry. The credits earned at Calvary in these programs are treated as transfer credits for determining how many Christian Ministry credits are needed to meet graduation requirement

**Non-Degree Seeking Students** Non-Degree seeking students are not required to participate in the Christian Ministry program but are encouraged to be involved in Christian ministry. However, if at any time their credits are transferred to be applied to a degree, they are responsible for fulfilling all of the Christian ministries the degree they are pursuing requires.

**A make-up ministry is required** when a ministry has not been completed. If a required semester of Christian Ministry is not completed satisfactorily for any reason, it will not be passed toward graduation requirements.

Possible make-up ministries include:

- i. A summer ministry
- ii. A second ministry in one semester (if approved by the Director of Christian Ministry)
- iii. Staying one extra semester at Calvary to pick up an extra ministry (or make-up a ministry you failed)

**Graduate students in the Master of Arts in Bible and Theology, Master of Arts in Biblical Counseling and Master of Divinity Programs are also required to fulfil the following Christian Ministry requirements for graduation.**

**Christian Ministry Credits and Debriefing Interviews needed for Graduate Students.**

**CM Credits needed for graduation for Graduate Students:**

- Degrees requiring 36 hrs. will require 2 CM credits
- Degrees requiring 51 hrs. will require 3 CM credits
- Degrees requiring 81 hrs. will require 4 CM credits

**Debriefing Interviews needed for graduation for Graduate Students:**

- Degrees requiring 36 hrs. will require 1 Debriefing Interview
- Degrees requiring 51 hrs. will require 2 Debriefing Interviews
- Degrees requiring 81 hrs. will require 2 Debriefing Interviews

The basic requirements for earning a Christian Ministry Credit for graduate students are the same as for undergrad students as outlined in this handbook, only the amount of credits and Debriefing Interviews required are different.

## **Attitudes and Responsibilities When Doing Your Christian Ministries**

1. Demonstrate a commitment to Christ and the local church by:
  - a. Coming to your ministry fully prepared
  - b. Attending worship services and ministry faithfully
  - c. Following the policies and procedures of the church or ministry organization
  - d. Dressing in a manner honoring to Christ

### **Importance of a healthy attitude towards ones ministry:**

When Christ measures our service in ministry, faithfulness is key (1 Cor. 4:2). Our personal abilities and skills in ministry are important but only play a small part when we stand before the LORD to be rewarded (1 Cor. 3:9-15). Have we been faithfully serving Him? That will be a major question that will be brought to light when we stand before Him. Along with our faithfulness Christ is also concerned with our motives and our willingness to serve Him (Isaiah 6:8: Matt. 28:19a). Are we willing to go wherever He sends us and serve Him selflessly? Are we taking advantage of the opportunities Christ brings our way and serving Him for the right reasons? To be given greater responsibilities by God in the future, we need to learn to be faithful in the little things He asks of us now.

2. Show commitment and respect to those over you in your ministry:
  - a. Understanding what is expected of you
  - b. Communicating constantly with those over you in ministry
  - c. Being teachable
  - d. Refraining from criticism
  - e. Notifying those over you or with whom you minister when you are ill or when you will need to be absent.

|   |                      |
|---|----------------------|
| <b>Tell those you minister with about dates you will be gone:</b> |                      |
| Fall Break  | October 18-19, 2018  |
| Thanksgiving Break  | November 21-23, 2018 |
| Last Day of Fall Semester   | December 14, 2018    |
| Beginning of Spring Semester                                      | January 14, 2019     |
| Spring Break  | March 18-25, 2019    |
| Last Day of Spring Semester                                       | May 10, 2019         |

One of the purposes of Christian Ministries is to train students in the importance of being faithful (1 Cor. 4:2). For this reason, consistent attendance in ministry and church involvement is expected. We understand, however, that there will be times when you will be absent. The following excused and unexcused absences apply to the guidelines of 12 weeks of ministry per semester and can count as ministry time when excused.

#### **Excusable absences**

- Cancellation of church or ministry activity
- Emergency at home
- Illness
- Poor weather

#### **Inexcusable absences**

- Studying/homework
- Traveling
- Social activity
- Oversleeping
- Employment

In general, you are responsible to plan your employment and school work around your church and ministry involvement. You are held liable when you fail to inform your employer of times that you cannot work because of your ministry commitment.

Furthermore, you are obligated to notify your ministry leaders of all college-sanctioned holidays when you will be absent from your ministry. Also, you must inform your ministry leaders immediately if you are ill or if an emergency arises. Please be sure to notify your ministry leaders if you do not plan to return the next semester.

**In order for a regular Christian Ministry to be approved it should:**

- a. Involve the student with people.
- b. Use the student's Bible education.
- c. Provide ministry experience in either evangelism, local church/ministry organization, or in the area of the student's academic major (see the chart on pages 14-17).
- d. Be for a minimum of 2 hours per week for 12 weeks (or a total of 24 hours per semester).
- e. If a student seeks to do a Christian Ministry that is uniquely different from the norm they need to seek approval from the Director of Christian Ministry.
- f. Internships required by or related to a student's major may be used for a Christian Ministry.

### **The Rewards of Ministry**

Sometimes ministry can be hard and difficult but there is a real joy that comes when individuals to whom you are ministering turn to the LORD and/or surrender their life to Him. God promises to be with us and that He will never forsake us. He has also promised to give us eternal rewards for our faithful service. Earning rewards started the day we trusted Jesus Christ as our Savior. What a God we serve! Let us love Him with all our heart, soul, mind, and strength, seeking to please Him in all that we do.

Each year at *Honors Chapel*, Calvary honors three of our graduating seniors with a *Christian Ministry Award*. These awards are granted on the basis of competence, faithfulness, spiritual ministry, and potential for future contribution to Christ and his Church.

### **Non-Academic Probation**

**Non-Academic Probation** happens when a student habitually fails to fulfill the requirements of the Christian Ministry program. The procedures and consequences of non-academic probation are as follows:

- i. **The student will be warned that he/she is being placed on non-academic probation.**
- ii. **A student can appeal being placed on Non-Academic Probation.** He/she can appeal the decision by meeting with the Christian Ministry Director to explain the circumstances. If the Director still feels Non-Academic probation is necessary, the student may request to meet with the Christian Ministry Committee. The decision of the Committee is final.
- iii. **Once placed on Non-Academic Probation, the student must complete the following:**
  - a. Write a one-page paper which acknowledges why he/she has been placed on Non-Academic Probation, affirm that the reasons for being placed on Non-Academic Probation will not happen again, and detail a plan concerning a change within the semester. This paper is to be submitted by the time given and must be approved by the Director of Christian Ministry.
