## ROOM FOR RENT

Karen Hange has a friend who is looking for a young couple or two friends to rent a room in her home. She is a former teacher and pastor's wife, so renters who love Jesus and learning about Him would be a great fit!

She would love to cook meals for the renters, but would be willing to share the kitchen space if they'd rather prepare meals themselves. Asking price is \$700 a month with all amenities, but she will be willing to negotiate with the right renters! For more information, please contact Karen Hange at [karen.hange@calvary.edu](mailto:karen.hange@calvary.edu).

## UPCOMING PRESIDENTS DINNER

The Development Department is in need of white Christmas lights and green vines for the upcoming Presidents Dinner. Volunteers for the decorating committee would also be great! If interested please contact Glennis Lamb at [glennis.lamb@calvary.edu](mailto:glennis.lamb@calvary.edu) or by calling 816-425-6140.

If the group grows, they'll divide into two age groups and find an additional teacher.) Class meets from 6:30 to 8:15, but the teacher would need to be there at 6:15. There will be volunteer helpers from the church assisting. If interested in learning more, contact Lori Chally at (816) 377-5794.

## MEET THE STAFF

We are pleased to announce Lisa Haney as the new Disability Support Services and Title IX Coordinator. As the coordinator of the Disability Support Services (DSS) for CU, she will make sure the students who need special assistance in classes are given the proper accommodations for maximum success. At the same time, as the Title IX Coordinator, Lisa will make sure the rights of students who have been excluded or even harmed are protected. She will serve as a listening ear that will provide the proper sources and solutions after careful investigation of any issues.

Lisa is very excited to work at CU as she was a student with us in the past. This made her eager to come and be a part of our family once more. As she said, "Calvary was a home away from home! The professors taught me how to divide the word of God properly and they gave me the tools to search out truth in all situations."

She and her husband, Tracy (our new Senior Program Producer), are celebrating 29 years of marriage this year! They have one daughter, Ariel, who is currently a junior in college. In Lisa's spare time she loves to read, craft, and cook for her husband. When asked what message she would like to share with the student body, she shared her key to success, "Allow the treasure of God in you to come forth and be used while giving all the glory to God."

We are very excited to have Lisa serving with us at CU! If you ever need any assistance with Title IX or DSS please reach out to her via email at [lisa.haney@calvary.edu](mailto:lisa.haney@calvary.edu) or phone at (816) 425-6121.
