### III. MATERIALS

#### A. Required Textbooks

The Bible is a required textbook in every course at Calvary University. To facilitate academic level study, students are required to use for assignments and research an English translation or version of the Bible based on formal equivalence (*meaning that the translation is generally word-for-word from the original languages*), including any of the following: New American Standard (NASB), English Standard Version (ESV), New King James (NKJV), or King James (KJV). Other translations and versions based on dynamic equivalence (*paraphrases, and thought-for-thought translations like NLT and NIV*) may be used as supplemental sources. Please ask the professor if you have questions about a particular translation or version.

Kellemen, Robert W. 2014. *Gospel-Centered Counseling: How Christ Changes Lives*. Grand Rapids, MI: Zondervan. ISBN: 9780310516132 Price: \$14.28

**Note: It is your responsibility as a student at Calvary University to have your textbooks *before* class begins so that you are able to complete all of the readings assigned. Please make sure that you have all of your assigned textbooks prior to the start of class. Failure to have your assigned textbooks at the start of the class will result in a zero in every assignment that is not completed.**

#### B. Research data: journals, notes, etc., developed during the ministry

#### C. Supervisor evaluation, ministry printed literature, job description, manuals, etc.

## IV. REQUIREMENTS

### A. Proposal 3-5 pages (100 points) (GC 4, 5; SC 1)

**Due:** set due date with Program Director (usually before the internship actually begins), then turn in a hard copy at the Biblical Counseling office.

**Definition:** The 3-5 page proposal will outline steps to be taken within the internship to bring it to its completion and to outline the direction and the plan for the internship. The proposal will be evaluated and scored according to the criteria listed below.

**Punctuality:** The proposal should be submitted to the professor on the date agreed upon by the professor and student. The professor will review the proposal and make suggestions. After final approval, the student should send a copy of the proposal to the host agency and upload your proposal on Canvas for approval.

**Content:** The proposal must cover the following areas (Hint: In addition to Introduction and Conclusion headings, these are the headings for your paper):

***Introduction:***

***The Agency:***

Briefly describe the ministry you will be working for.

***Objectives:***

Provide a succinct and clear overview of what you hope to accomplish during the internship. This should cover approximately 1-2 paragraphs of the total paper.

***Specific Plan:***

The majority of the paper should detail the specific plan. How are you going to demonstrate a knowledgeable and workable counseling approach in your field of interest? How are you going to assess, examine, and evaluate your personal skills and approach to counseling? Where will you be contributing in this ministry? What will you be doing?

***Special Project:***

Will you be working on a special project during your internship for the ministry?

***Conclusion***

**B. Reading and one (1) page paper (200 points) (GC 4, 5; SC 1)**

1. The student will read *Gospel-Centered Counseling* by Robert Kellemen.
2. The student will turn in a sheet as part of the notebook stating what percent of the book was read.
3. The student will add a one (1) page, *single-spaced both sides* bullet-pointed list evaluation of the book.

**C. Counseling Observation (100 points) (GC 1, 2, 3, 5; SC 1, 2, 3)**

1. The student will observe or be involved in at least 10 sessions of counseling.
2. The student will write **10 pages single-spaced** one (1) page observation evaluations on the 10 counseling sessions which have been observed.  
The observations should include:
  - Brief background
  - Problem dealt with
  - Solutions presented
  - Scripture used
  - Counselee's response
  - Student's evaluation: What the student would have done the same/differently, improved, etc.
3. Sample observations are available for student review in the Department chair's office.

**D. Counseling Supervision (100 points) (GC 1, 2, 3, 5; SC 1, 2, 3)**

The student will be involved in 4 supervision sessions where they would go over their counseling observations and discuss the counsees and what they would have done the same, or different, with this counselee. This meeting will also count towards their overall hours they need to earn for their internship. Each session will be worth **25 points each**, with a total of **100 points**.

**E. Descriptive Ministry Paper (2 pages double-spaced) (100 points) (GC 4, 5; SC 1)**

The student will write a paper describing the ministry they interned for and observed. This paper will tell about the ministry itself, goals and/or mission statement, objectives, focus, financial support, what they do, and their biblical focus.

**F. Internship Evaluation Form (GC 4, 5; SC 1)**

1. Give the internship supervisor the evaluation form (pg. 9-10) at the beginning of your internship. Ask them to evaluate you on the form at the conclusion of the internship. **This needs to be included when you turn in your folder.**
2. At the conclusion of the internship, give them a second copy of the form and schedule a meeting with them and go over the evaluation form with you.

**G. Personal Evaluation Paper (5 pages double-spaced) (100 points) (GC 4, 5; SC 1)**

Write your personal evaluation paper after you meet with your internship supervisor, including reference to and reaction to the supervisor's evaluation of the student's ministry is **essential** in this section. The student will provide details on specific personal lessons learned. Typical lessons to discuss are concepts, principles, or applications of biblical principles in counseling sessions. Lessons learned could also include practical methods which did not work. A conclusion should summarize the ministry experience, pointing out those things the student will definitely use in future ministry opportunities and those things experienced which the student plans to avoid. Include how Biblical Counseling classes prepared or helped you for this internship.

After the internship has been confirmed, the Biblical Counseling Program Director will set dates for accountability. Work needs to be turned in by midnight on the day assigned in Canvas each week. You are free to work ahead – just be sure to identify all work.

## G. Time Logs and Evaluations (300 points) (GC 5; SC 1, 2, 3, 4)

1. Internship Hours. Log all hours for your internship—time spent working at ministry, meetings, counseling observations, etc.

3. Turn in the counseling agency supervisor evaluation.

## H. Appendix

The appendix should contain the following:

- Internship agency counseling manual or operating procedures.
- PDI forms from the ministry or ministry brochures.
- Other counseling agency printed material pertinent to the ministry performed.
- Copies of any work the student did for the agency (homework, forms designed, PowerPoint presentations, teaching material, etc.).

## I. Thank You

A final grade will not be given until the student has turned in a personal handwritten note to the supervisor. Put this in the front pocket of the notebook in an addressed and stamped envelope—do not seal.

**Note:** The student understands that he or she **MUST** complete all of the work to receive credit. **NO PARTIAL** credit is issued for this course. Upon satisfactory completion of the internship, the student receives three (3) semester hours of credit issued in the semester of completion. **The student does not register for this course until the semester in which it will be completed.** The student then pays for **all three hours** of credit. The counseling agency is to be approved by the instructor **PRIOR** to agreeing to do an internship for them.
