Receiving a grade lower than a “C” will mean that this course must be repeated.***

B. The Bible as Required Textbook

The Bible is a required textbook in every course at Calvary University. To facilitate academic level study, students are required to use for assignments and research an English translation or version of the Bible based on formal equivalence (*meaning that the translation is generally word-for-word from the original languages*), including any of the following: New American Standard (NASB), English Standard Version (ESV), New King James (NKJV), or King James (KJV). Other translations and versions based on dynamic equivalence (*paraphrases and thought-for-thought translations like NLT and NIV*) may be used as supplemental sources. Please ask the professor if you have questions about a particular translation or version.

C. Academic Honesty

Plagiarism is defined as copying any part of a book or paper without identifying the author. This also includes taking another person's ideas and presenting them as your own. All papers must be submitted in APA format and submitted to Turnitin prior to uploading onto Canvas.

D. Academic Activity & Participation

Students learn best when they take an active part in the learning process. Students will be expected to engage in the material presented during each discussion session. Punctuality is expected out of professional courtesy and to minimize the disruption of the classroom dynamics. *Special Policy on Field Experience Attendance*: During field experiences, emergency absences are restricted to serious illnesses or crisis situations. Days missed for any emergency absence must be made up. When an absence is necessary, the student observer must notify both the cooperating teacher and the university supervisor in advance (i.e., no less than two hours before the school day is scheduled to begin).

E. Technology

Field experience participation is a privilege, not a right. Student observers should turn off their cell phone and store it in a bag or purse. Students may not use the Internet or send text messages during a field experience unless specifically assigned to do so by the cooperating teacher. Working on other assignments during a field experience is strictly prohibited. Students should make the most of the wonderful opportunity they have been given to learn from master teachers.

F. Accommodations Statement

Students with disabilities have the responsibility of informing the Accommodations Support Coordinator (aso@calvary.edu) of any disabling condition that may require support.

G. Style Guide

All class papers must follow the APA style guide according to *Publication Manual of the American Psychological Association*, 7th edition.
