III. COURSE REQUIREMENTS

- A. **Personal conducting practice outside of class.** Each week there will be song-leading, conducting and/or rehearsing assignments that the student will need to work on outside of class and present in class for constructive help, improvement, and grading. The student is expected to spend at least 3 hours per week on conducting practice or rehearsal preparation.
- B. **Reading.** The student should expect to spend 2 hours per week on required reading.
- C. **Observation.** The student is to observe two choral rehearsals, write a critique/report of each observation, and share each observation with the class. 1. One rehearsal will be of a children's choir, junior high or senior high school choir. 2. One rehearsal will be of a church, college, community or professional choir of which you are not a member. The instructor will help students locate appropriate rehearsals to observe. The instructor will also help provide criteria for observation. Extra credit will be given for additional observations and reports beyond the two required.
- D. **Research Project I.** Do a research project on working with either a children's, junior high or senior high choir. Present a written paper as well as an oral summary of the project to the class. This will be a cooperative project with other students. More details will be given by the instructor.

- E. **Research Project II.** Do a research project from a selected list of topics related to working with a church, college or community choir. Present a paper as well as an oral summary of the project to the class. This will be a cooperative project with other students. More details will be given by the instructor.
- F. **Choral listening and/or choral concert attendance.** The student is to listen to a minimum of 3 hours of choral music. This may be fulfilled by listening to recordings and/or by attending non-Calvary choral concerts. More details regarding what is to be listened to and report forms will be given by the instructor. Extra credit will be given for additional listening and/or choral concert attendance.
- G. **General concert attendance.** The student is required to attend the fall events of the Calvary Fine Arts Series. If the student is not able, for an approved reason cleared with the instructor, to attend one of the Calvary Fine Arts events, they may locate another appropriate concert in the Kansas City area approved by the instructor. The student is also required to attend any Calvary senior recitals scheduled this semester.
- H. **Final exam.** There will be two parts to the final exam. Part I will be a conducting final reflecting the student's progress on song-leading and conducting techniques learned. Part II will be a practical written exam covering all reading and in-class materials. The final exams will be administered during exam week. See separate Exam schedule for when in-class exam will take place for this course.

V. METHODS

- A. In-class methods will include lecture, demonstration, practice, discussion, song-leading, conducting, rehearsing, listening, and oral presentation.
- B. Out-of-class methods will include personal practice, reading, observation, research, completion of projects, listening, and study.

VIII. OTHER IMPORTANT INFORMATION

The Bible is a required textbook in every course at Calvary University. To facilitate academic level study, students are required to use for assignments and research an English translation or version of the Bible based on formal equivalence (*meaning that the translation is generally word-for-word from the original languages*), including any of the following: New American Standard (NASB, English Standard Version (ESV), New King James (NKJV), or King James (KJV). Other translations and versions based on dynamic equivalence (*paraphrases, and thought-for-thought translations like NLT and NIV*) may be used as supplemental sources. Please ask the professor if you have questions about a particular translation or version.

Students with disabilities have the responsibility of informing the Accommodations Support Coordinator (aso@calvary.edu) of any disabling condition that may require support.

Plagiarism is defined as copying any part of a book or paper without identifying the author. This also includes taking another person's ideas and presenting them as your own.

The Clark Academic Center (learning@calvary.edu) is dedicated to providing free academic assistance for Calvary University students. Student tutors aid with all facets of the writing process, tutor in various subject areas, prepare students for exams and facilitate tests. Please take advantage of this service.

All class papers must follow the Turabian style according to A Manual for Writers of Research Papers, Theses, and Dissertations, 8th edition and the Calvary Style Guide, 2019 update.

In-class attendance and discussion is mandatory and is part of the student's overall final grade.

Grading Scale: See grading scale in the university catalog.
