I. Description of the Course

Building on the skills learned in BI115 Bible Study/Hermeneutics, students are equipped to study their English Bible for teaching others. Students also learn how to assess their audience and teaching setting in order to develop appropriate Bible-based lessons for that audience and setting. Finally, building on the skills learned in COM220 Oral Communication, students are given practical experiences in the teaching of the Scriptures in various settings. (Prerequisites: BI115 & COM220)

This is a blended class, meaning that both campus and online students take this class together.
