REQUIRED MATERIALS

The Bible is a required textbook in every course at Calvary University. To facilitate academic level study, students are required to use for assignments and research an English translation or version of the Bible based on formal equivalence (*meaning that the translation is generally word-for-word from the original languages*), including any of the following: New American Standard (NASB), English Standard Version (ESV), New King James (NKJV), or King James (KJV). Other translations and versions based on dynamic equivalence (*paraphrases, and thought-for-thought translations like NLT and NIV*) may be used as supplemental sources. Please ask the professor if you have questions about a particular translation or version.

EXPECTATIONS FOR ALL STUDENTS

Do not plagiarize. Plagiarism is defined as copying any part of a book or paper without identifying the author. This also includes taking another person's ideas and presenting them as your own.

Use Turabian style for all research papers. All class papers must follow the Turabian style according to *A Manual for Writers of Research Papers, Theses and Dissertations*, 8th edition and the Calvary Style Guide, 2019 edition.

EXPECTATIONS OF ONLINE STUDENTS

Watch the video lecture and participate in Microsoft Teams. Watch the video lecture in Canvas within one week of the lecture (if not in Microsoft Teams on class day) and post a reply under the Weekly Attendance Report in Announcements.

Answer and post your questions about the lecture in Questions about the Lecture under Announcements in Canvas.

Be respectful of the professor and all students in the Discussion Forum in Canvas.

Turn all work in on time. Late work will not be accepted.

EXPECTATIONS OF RESIDENT STUDENTS

Attend class. My class attendance policy: Any student who misses more than one class will experience a grade reduction. Attendance for class will be taken.

Be on time for class. Coming in late interrupts the class and is disruptive. Two tardies equals one absence.

Listen to the lecture and write down your questions. When I call for questions after finishing a section of the lecture you can ask your questions then.

Be courteous and respectful in class to the professor and all students. A lack of respect in class will lead to a grade reduction.

Please eat your evening meal before class or during one of the class breaks. Thank you for not eating during the class lecture/discussion time.

Turn all work in on time. Late work will not be accepted.
