

Special Calvary University Hotel Rates Current as of October 25, 2021

If a Calvary Guest Room is not available or a hotel is preferred, these local hotels have offered to give Calvary guests a discounted rate.

These rates are only available by calling the hotel front desk directly. (Their toll-free reservation line won't know anything about it.) Rates are for single occupancy. Extra people may incur an extra charge.

<u>Hampton Inn</u> (Belton)	<u>Quality Inn</u> (Belton)
\$72.00	\$80.00
816-416-8006	816-322-8700

Holiday Inn Express (Grandview)

\$89.95

800-465-4329 or 816-268-5858

- Calvary hasn't given Holiday Inn enough business to warrant them setting up a special Calvary rate, so the hotel has offered for our guests to use the IHOP (International House of Prayer) rate. (IHOP would not receive any benefit from our using this rate.)

Comfort Suites (Grandview)

\$109.00 for 1-King suite; \$119.00 for 2-Queen suite

816-281-2166

- All rooms are suites and have a couch that makes into a bed, also, but using that bed will incur an additional \$10/night charge.
- Rates are not available on NASCAR weekends or when other major local events occur.

These properties are not able to offer Calvary guests a special rate, but they are other options in the area.

EconoLodge (Belton)
