Welcome to Calvary University's Practical Christian Ministries Program!

Why do we have a Practical Christian Ministries Program?

1st Reason: **Our Bible accreditation association requires it.** The Association of Biblical Higher Education (ABHE) requires each student to be involved in Practical Christian Ministries in a formal way. Because it is required, we provide an official permanent record of your Practical Christian Ministries on your university transcript. Therefore, it is essential that you complete all the program's requirements in order to graduate from Calvary University.

2nd Reason: **To help you prepare for a life of faithful and fruitful service and to further God's kingdom!** We have this program because we believe that Practical Christian Ministry experiences are a necessary and crucial part of your training. By properly choosing your Practical Christian Ministries, it gives you the opportunity to have a personal, God-directed discipleship program. Therefore, we encourage you to seek the LORD and choose your Practical Christian Ministries prayerfully and wisely. In doing this, it can give you experiences in specific fields of ministry wherein God can better prepare you for a life of fruitful service and to help prepare you to be able to fulfill your God given destiny. Our desire is that your Practical Christian Ministries will help prepare you for life and future ministry while also helping you build a resume of meaningful ministry experiences.

Best Reason: **It is how Jesus disciplined His disciples.**

We have Christian ministry because it is how Jesus Christ trained His disciples. He not only taught the disciples, but He sent them out to minister. Jesus sent His disciples into the marketplace to put into practice what they had seen and what they had been taught by Him. Following their practical ministry, they reported back to the LORD and He questioned them and answered their questions. We pray the Debriefing Interview will be helpful in answering your questions and guiding you through your learning experiences in your Practical Christian Ministries. By sending the disciples out into ministry Jesus was discipling them and preparing them for their future ministries when He would no longer be physically with them. Therefore, we believe that the practical training received through your participation in the Practical Christian Ministries program will be vital to your understanding of God's call upon your life and how to fulfill it.

Our prayer is that God will use local churches, pastors, lay leaders and ministries along with Calvary's faculty and staff to work together to give you the best discipleship experience possible.

How to get the most out of your Practical Christian Ministries experience!

In the Practical Christian Ministries Program, you will find that we give you some structure and require some accountability. However, we also give you freedom to choose what you discern God would have you do for a Practical Christian Ministry.

Fulfilling your Practical Christian Ministries responsibilities gives you the opportunity to develop a pattern of seeking the LORD for His personal direction and a deepening of your

understanding on how He personally leads you. If you seek the LORD and choose your Practical Christian Ministries wisely and prayerfully, He can give you the right experiences in the fields of ministry that will help prepare you for God's purpose for your life.

We believe that the practical training received through your participation in the Practical Christian Ministries program can be vital to your understanding of God's call upon your life. It can also help you put into practice what you are learning in the classroom.

We want you to grow and learn to walk in confidence that you are following His leading and His perfect will whether it is in the secular arena or in full time ministry. Remember, you are the key. A good spirit toward your Practical Christian Ministries now can be one of the most helpful things you can do to receive the most from this program. Please look at the requirement of Practical Christian Ministries as an opportunity to serve the LORD and grow in Him rather than just an obligation to fulfill. Our prayer is that you will experience the joy of ministry and the benefits of this program. May you and those to whom you minister be blessed through this program. Blessings...Numbers 6:24-26.

Please Remember: Ministry is a privilege and it is an honor to be called by God and to serve HIM.

Basic Guidelines for Fulfilling Your Practical Christian Ministry

What are your responsibilities for Practical Christian Ministry?

(How all students fulfill their Practical Christian Ministries requirements are the same for all students, both graduate and undergraduate. However, the number of credits required for graduate students are not the same as undergrad students - Seminary/Graduate student credit requirements are on page 9.)

1. **Attend a local church:** A minimum of 2 services per week when doing a regular Practical Christian Ministry or Church Search.

Christ is building His church (universal), and the local church is an important part of His plan to accomplish this goal. The local church is not a man-made idea but it is God ordained. Much of the New Testament is written directly to local churches. Everywhere Paul went he sought to establish a local body of believers who would work together to worship the LORD and further His kingdom.

You are given your first semester to find a local church where you can feel at home for worship, fellowship, and service (2 Cor. 2:9; 10:5; 1 Tim 3:15). Please remember that Scripture exhorts us not to forsake the assembling of ourselves together (Heb. 10:24-25). Developing a healthy relationship with a great family of believers is what we really desire for you. Our prayer is that you will see the need for and want to be at church far more than the minimum requirements. When you attend your church's worship services, Sunday school, home Bible studies, prayer groups, etc., we want you to be there because you desire to be there, rather than just being there to fulfill your obligation.

2. **The opportunity to serve Jesus through Practical Christian Ministries:** Your Practical Christian Ministries should provide ministry experience in either evangelism, local church/ministry organization, or in the area of your academic major. We encourage you to have some form of evangelism and discipleship and the use of your biblical training as part of all your Practical Christian Ministries.

The actual amount of Practical Christian Ministries required will depend upon the length of your academic program and your time at Calvary.

Brief Overview of the Practical Christian Ministry Guidelines

I. Why is Practical Christian Ministry important?

The moment we accept Jesus as our Savior we are changed spiritually. This is a gift of grace from Jesus to those who choose Him. It is imperative that we understand we are not saved by our good works but to do good works. From the moment our spirit is transformed, we must persevere in the transformation of our mind in the challenge of growing more and more like Jesus every second of every day so that we can do the will of our Father in Heaven. We are to be in constant training for the race that is given so wisely to us by Jesus. We need to strive to learn to give an answer to those who are seeking and diligently study so that we are able. We must determine to set our minds and hearts on the glorious revelation that ministry is not what we do-it is who we are! He is WHOSE we are, and the outcome of His ministry is eternal. This is the beginning of the joy set before us!! May we endure all He allows us to go through, seeing each moment as a sacred learning lesson, a refining process, so that we no longer see through a glass dimly, but we KNOW Him. May EVERYTHING we do, think, say, and dream be for His glory and His alone! So be it, Lord Jesus!

Attitudes and Responsibilities When Doing Your Practical Christian Ministries

1. Demonstrate a commitment to Christ and the local church by:
 - a. Coming to your ministry fully prepared
 - b. Attending worship services and ministry faithfully
 - c. Following the policies and procedures of the church or ministry organization
 - d. Dressing in a manner honoring to Christ

Importance of a healthy attitude towards ones ministry:

When Christ measures our service in ministry, faithfulness is key (1 Cor. 4:2). Our personal abilities and skills in ministry are important but only play a small part when we stand before the LORD to be rewarded (1 Cor. 3:9-15). Have we been faithfully serving Him? That will be a major question that will be brought to light when we stand before Him. Along with our faithfulness Christ is also concerned with our motives and our willingness to serve Him (Isaiah 6:8; Matt. 28:19a). Are we willing to go wherever He sends us and serve Him selflessly? Are we taking advantage of the opportunities Christ brings our way and serving Him for the right reasons? To be given greater responsibilities by God in the future, we need to learn to be faithful in the little things He asks of us now.

2. Show commitment and respect to your ministry leaders
 - a. Understand what is expected of you
 - b. Be in open and intentional communication with your ministry leaders
 - c. Have a good attitude
 - d. Be teachable
 - e. Be enthusiastic
 - f. Refrain from criticism
 - g. Notify your leader/mentor with whom you minister when you are ill or when you will need to be absent

One of the purposes of Practical Christian Ministries is to train students in the importance of being faithful (1 Cor. 4:2). For this reason, consistent attendance in ministry and church involvement is expected. We understand, however, that there will be times when you will be absent. The following excused and unexcused absences apply to the guidelines of 12 weeks of ministry per semester and can count as ministry time when excused.

Excusable absences

- Cancellation of church or ministry activity
- Emergency at home
- Illness
- Poor weather

Inexcusable absences

- Studying/homework
- Traveling
- Social activity
- Oversleeping
- Employment

In general, you are responsible to plan your employment and schoolwork around your church and ministry involvement. You are held liable when you fail to inform your employer of times that you cannot work because of your ministry commitment.

Furthermore, you are obligated to notify your ministry leaders of all college-sanctioned holidays when you will be absent from your ministry. Also, you must inform your ministry leaders immediately if you are ill or if an emergency arises. Please be sure to notify your ministry leaders if you do not plan to return the next semester.

In order for a regular Practical Christian Ministry to be approved it should:

- a. Involve the student with people.
- b. Use the student's Bible education.
- c. Provide ministry experience in either evangelism, local church/ministry organization, or in the area of the student's academic major (see the chart on pages 14-17).
- d. Be for a minimum of 2 hours per week for 12 weeks (or a total of 24 hours per semester).
- e. If a student seeks to do a Practical Christian Ministry that is uniquely different from the norm they need to seek approval from the Director of Practical Christian Ministries.
- f. Internships required by or related to a student's major may be used for a Practical Christian Ministry.

The Rewards of Ministry

Sometimes ministry can be hard and difficult but there is a real joy that comes when individuals to whom you are ministering turn to the LORD and/or surrender their life to Him. God promises to be with us and that He will never forsake us. He has also promised to give us eternal rewards for our faithful service. Earning rewards started the day we trusted Jesus Christ as our Savior. What a God we serve! Let us love Him with all our heart, soul, mind, and strength, seeking to please Him in all that we do.

Each year at *Honors Chapel*, Calvary honors three of our graduating seniors with a *Practical Christian Ministry Award*. These awards are granted on the basis of competence, faithfulness, spiritual ministry, and potential for future contribution to Christ and his Church.
