**2019-2022 Results**

All Undergraduate Education majors take the Missouri Content Assessment (MoCA) in their content area prior to Student Teaching. The Missouri Department of Elementary and Secondary Education (DESE) determines passing scores for these assessments. Undergraduate Education majors must receive a passing score on the MoCA in order to be eligible for state certification in their content area.

Year	Number of students taking the MoCA	Number of students passing the MoCA	Pass Rate
2021 - 2022	5	5	100%
2020 - 2021	5	4	80%
2019 - 2020	2	1	50%

Summary of data:

- In 2021 – 2022, five students completed the MoCA with a pass rate of 100%.
- In 2020 – 2021, five students completed the MoCA with a pass rate of 80%.
- In 2019 – 2020, two students completed the MoCA with a pass rate of 50%.
