

Church Matching Grant Calvary University

Introduction

Calvary University recognizes the sacrifice and commitment local churches make by investing in the development of their members. Toward this end, Calvary acknowledges this commitment and encourages the investment churches make in the educational preparation of their members by increasing the benefit available to students.

How it Works

If a church donates funds toward your education, Calvary University will match dollar for dollar the first \$1,500 donated each academic year (\$750 a semester).

How To Apply

Have a church representative complete the application and submit payment to Calvary. The priority date for submission is June 1st. Final deadline is August 8th for the fall semester and December 19th for the spring semester.

Please contact the Calvary Student Affairs office with any questions, studentaffairs@calvary.edu

Note: Funds given to student accounts as a part of the Church Matching Grant are considered tuition payments and Calvary does not provide tax receipts for them.
