TEXTBOOKS

The Bible- KJV, NKJV, NASB, ESV

The Bible is a required textbook in every course at Calvary University. To facilitate academic level study, students are required to use for assignments and research an English translation or version of the Bible based on formal equivalence (*meaning that the translation is generally word-for-word from the original languages*), including any of the following: New American Standard (NASB, English Standard Version (ESV), New King James (NKJV), or King James (KJV). Other translations and versions based on dynamic equivalence (*paraphrases, and thought-for-thought translations like NLT and NIV*) may be used as supplemental sources. Please ask the professor if you have questions about a particular translation or version.

Help for Students

Students with disabilities have the responsibility of informing the Accommodations Support Coordinator (aso@calvary.edu) of any disabling condition that may require support.

The Clark Academic Center (learning@calvary.edu) is dedicated to providing free academic assistance for Calvary University students. Student tutors aid with all facets of the writing process, tutor in various subject areas, prepare students for exams and facilitate tests. Please take advantage of this service.

Expectations for All Students

Do not plagiarize. Plagiarism is defined as copying any content without identifying the source. This also includes taking another person's or AI entity's ideas or constructs and presenting them as your own. The use of AI generated content in student work is prohibited (even if cited) as it does not represent original work created by the student and is an unreliable aggregate of ideas from other sources. Plagiarism of any kind will not be tolerated.

Use Turabian style for all research papers. All class papers must follow the Turabian style according to *A Manual for Writers of Research Papers, Theses and Dissertations*, 8th edition and the Calvary Style Guide, 2019 edition.

Expectations of Online Students

Watch the video lecture in Canvas within one week of the lecture and post a reply under Announcements after you have watched the video.

Answer and post your questions in the Discussion Forum each week.

Be respectful of the professor and all students in the online classroom.

Turn all work in on time. Late work will not be accepted.

Expectations of Resident Students

Attend class. My class attendance policy: Any student who misses more than one class will experience a grade reduction. Attendance for class will be taken.

Be on time for class. Coming in late interrupts the class and is disruptive. Two tardies equals one absence.

Listen to the lecture and write down your questions. When I call for questions after finishing a section of the lecture you can ask your questions then.

Be courteous and respectful in class to the professor and all students. A lack of respect in class will lead to a grade reduction.

Please eat your evening meal before class or during the break time. Thank you for not eating during the class lecture/discussion time.

Turn all work in on time. Late work will not be accepted.
