The Hilda Kroeker Library supports the curriculum of Calvary University by providing access to resources that advance student learning and research in order to develop students who are prepared to lead a productive Christian life.

July 2023

Welcome to the Hilda Kroeker Library!

The library staff welcomes you to Calvary University and the Hilda Kroeker Library (HKL). We are here to assist you in your academic pursuit. Our desire is to create a user-friendly environment and to serve your information needs. Please feel free to ask the staff for any assistance you need.

Miss Hilda Kroeker served Calvary as the Head Librarian for 22 years, from 1962 to 1984. She is the longest serving librarian at Calvary. In 1977 the library was named in her honor. She passed away in 2009 after many years of serving the Lord and blessing His people.

Library Guidelines

To have a successful study environment, everyone needs to work together. To assist in accomplishing this goal, below are standards to follow while in the library:

1. Quietness in the library is appreciated by all, so remember to be considerate of your neighbor's need to study. To help in this area, **cell phones are to be turned off or put on vibrate**. Security personnel are exempt from this. Cell phone calls may be made outside.
2. **Materials checked out on your card are your responsibility**, so follow the check-out procedures properly. This means **not** loaning your card to anyone else and realizing that you are responsible for any materials you choose to check out for another person on your card.
3. Payment for printing and copying is due at the time of printing.
4. Drinks in closable containers and food are allowed in the library; **however, they are not allowed in the computer lab**.
5. Understand that the library is not responsible for your personal belongings. Therefore, do not leave them unattended in the library.
6. Treat the library and its staff with respect.
7. When you are finished with materials, place them on the appropriate carts. **Do not reshelve any materials**; they need to be recorded for statistics.
8. Dress appropriately in the library (see Student Handbook).
9. Furniture rearranged or moved must be returned where you found it.

Repeated abuse of the guidelines may result in loss of privileges.

The Front Desk

The front desk is where all materials are checked out. **Your current Calvary ID is your library card, so it is required for the checkout of any library materials.**

The following items may be purchased in the computer lab:

Printing 5¢/sheet Coping 10¢/sheet

The purchase of the above items is self-service. Please put your payment in the red bucket. Payment is due at time of printing.

Library Office

The librarian and library staff are available to you any time you need help. The library office is where the library staff maintains the library collection. Patrons are not allowed in the library office without permission. If you need assistance, please come to the front desk. We will be glad to help you.

Technology Policies

Internet Policy:

The Internet should be used as a research tool to support Calvary University's mission: "to prepare Christians to live according to a Biblical worldview and to serve as Christians in the church and in the world." The following cautions are recommended:

- 1) Please remember when using the Internet that some material may be outdated, wrong, biased, or inappropriate for Christian use. The Hilda Kroeker Library does not validate the integrity of Internet sources. **Patrons should exercise judgment and discrimination in choosing viable information sources.**
- 2) **Patrons are asked to limit their search time** if other patrons are waiting for the computer. During busy weeks of the semester, computer time may be reserved and a two-hour time limit strictly observed.
- 3) The Internet is to be used as a research tool; therefore, patrons should not play games or enter chat rooms.
- 4) The highest standard of moral purity is expected of Calvary students. Any patron accessing morally inappropriate materials (see Student Handbook) will be reported to the Dean's Department for discipline, and library privileges may be revoked.

Objectionable Internet Site Access:

To help guard against objectionable material, filtering software has been placed on all of the computers. However, **if the filter fails and objectionable material comes on the screen**, the following actions should be taken **immediately**. Following these procedures can protect you from disciplinary actions and serve to prevent further access to this site by others at Calvary.

- 1) Close the browser *immediately*.
- 2) Contact a library staff member *immediately*.
- 3) Fill out an Objectionable Internet Site Access Incident report form. (This is available at the front desk and will be turned in to Information Services.)
- 4) Speak to no one other than listed personnel (Library Staff, Manager of Information Systems, and Dean of Students) about this incident.
