Do not plagiarize. Plagiarism is defined as copying any part of a book or paper without identifying the source. This also includes taking another person's ideas or AI entity's ideas or constructs and presenting them as your own. The use of AI generated content in student work is prohibited (even if cited) as it does not represent original work created by the student and is an unreliable aggregate of ideas from other sources. Plagiarism of any kind will not be tolerated. If a student plagiarizes the student will receive a zero (F) for the assignment and he or she will be reported to the dean of students and the chief academic officer.

Write all papers following Turabian, *A Manual for Writers of Research Papers, Theses and Dissertations*. 8<sup>th</sup> edition and the Calvary Study Guide, 2019 edition.

Be respectful of the professor and all students in the online classroom.

Turn all work in on time.

## **EXPECTATIONS OF RESIDENT STUDENTS**

Attend class each week.

Be on time for class. Coming in late interrupts the class and is disruptive. Two late entrances equal one absence.

Listen to the lecture and write down your questions. When I call for questions after finishing a section of the lecture then you can ask your questions then.

Be courteous and respectful in class to the professor and all students. A lack of respect in class will lead to a grade reduction.

Please eat your evening meal before class or during the break time. Thank you for not eating during the class lecture/discussion time.

Turn all work in on time.
