IV. METHODS

A. Presentation:

1. **In-class methods:** lecture, discussion, presentation, and evaluation.

***About Class Attendance:** Research consistently demonstrates that class attendance and active participation correlate to higher performance on course assessments.

***About Classroom Use of Media:**

-**Computing devices** are permitted during the lecture and class discussion sessions for the sole purpose of taking notes. Use of these devices to access the Internet, make telephone calls or video calls, text messaging, updating social network services, etc. is not allowed, let alone very distracting to other students.

-**Cellphones / smartphones** may only be used in an emergency, and in those situations the student may take the call but must leave the room and not return until the next break out of courtesy to fellow classmates.

***About Note Taking:** Students are expected to take notes during each class. Significant peer reviewed studies continue to demonstrate that notes taken by hand are understood better and remembered longer than those taken with a computer. Computer use which is a distraction to others (i.e., noise, blocking the screen, displaying non-class related material, etc.) is not allowed.

2. **Out-of-class methods:** observation, evaluation, and sermon preparation.

***About written assignments:** Unless directed otherwise, all written assignments must follow the Turabian style according to *A Manual for Writers of Research Papers, Theses, and Dissertations*, 8th edition and the Calvary Style Guide, 2019 update.

C. Grading:

***About Late Assignments:** Assignments turned in late will be lowered **5% each class day** it is late.

***About Plagiarism:** Plagiarism is defined as copying any content without identifying the source. This also includes taking another person's or AI entity's ideas or constructs and presenting them as your own. The use of AI generated content in student work is prohibited (even if cited) as it does not represent original work created by the student and is an unreliable aggregate of ideas from other sources. Plagiarism of any kind will not be tolerated. Any assignment that includes plagiarism will receive a **zero (0) grade**. (**Note:** Turn-It-In.com will be used to verify plagiarism.)
