

All Undergraduate Education majors take the Missouri Content Assessment (MoCA) in their content area prior to Student Teaching. The Missouri Department of Elementary and Secondary Education (DESE) determines passing scores for these assessments. Undergraduate Education majors must receive a passing score on the MoCA in order to be eligible for state certification in their content area.

Year	# of students taking the MoCA	# of students passing the MoCA	Pass Rate
2022 - 2023	4	4	100%
2021 - 2022	5	5	100%
2020 - 2021	5	4	80%
2019 - 2020	2	2	100%

Summary of data:

- 2022 – 2023: four students completed the MoCA with a pass rate of 100%
- 2021 – 2022: five students completed the MoCA with a pass rate of 100%.
- 2020 – 2021: five students completed the MoCA with a pass rate of 80%.
- 2019 – 2020: two students completed the MoCA with a pass rate of 100%.
