B. Additional Reading

You will be expected to read additional material (handouts, journal articles, websites, etc.) that will be assigned by the instructor during the course.

C. Reading Requirements

To accomplish all of our learning goals, you will need to be engaged in a significant amount of learning outside of the classroom. You will be expected to read the text and articles. To help you actively engage with the text, written reactions to your reading will be required. You are encouraged to focus upon the questions posed in the Reading Assignments/Final Exam Review Sheet provided by your professor. ***While we will be reviewing some of the concepts from the text in class, we will simply not have enough time to cover everything. As a future educator, all of the information is important!*** Your quizzes and exams will be drawn from your reading assignment questions.

IV. REQUIREMENTS (Note: A detailed schedule will be given at the beginning of the cycle)

- A. Reading and Responses: A reading schedule will be provided at the beginning of the cycle. Students are required to complete each weekly reading and submit a two page response.
- B. Chapter Questions: In addition to reading responses, specific questions and/or exercises will be given for each chapter on a weekly basis.
- C. Quizzes: Weekly quizzes will assess the knowledge and skills from the prior week.
- D. Class Discussion: Engagement in discussion will be accomplished both in class and online. Students are required to participate in both, and plenty of opportunity will be given.
- E. Curriculum Design Project: The student will select an ESL teaching context and design an end to end curriculum plan.

3. Letter/Numerical Grade Scale

The grading scale listed in the current University Catalog will be used for this course.

VI. COURSE POLICIES

A. The Bible as Required Textbook

The Bible is a required textbook in every course at Calvary University. To facilitate academic level study, students are required to use for assignments and research an English translation or version of the Bible based on formal equivalence (*meaning that the translation is generally word-for-word from the original languages*), including any of the following: New American Standard (NASB), English Standard Version (ESV), New King James (NKJV), or King James (KJV). Other translations and versions based on dynamic equivalence (*paraphrases, and thought-for-thought translations like NLT AND NIV*) may be used as supplemental sources. Please ask the professor if you have questions about a particular translation or version.

B. Class Participation

Students are expected to attend class and participate in discussing the daily material. Learning takes place best when the student is personally involved in the process. Cell phones should be set to silent and placed on the table or in a book bag/purse. ***Working on other assignments during class or using electronic devices for anything other than class activities or taking notes for the course will not be permitted.***

C. Academic Honesty

Plagiarism is defined as copying any content without identifying the source. This also includes taking another person's or AI entity's ideas or constructs and presenting them as your own. The use of AI generated content in student work is prohibited (even if cited) as it does not represent original work created by the student and is an unreliable aggregate of ideas from other sources. Plagiarism of any kind will not be tolerated. ***All papers must be submitted in APA format and submitted to Turnitin prior to uploading onto Canvas.***

D. Attendance

In an eight week course that relies upon discussion and classroom interaction, every class session is crucial. To allow for the challenges of life, however, one absence will be allowed under the following conditions: First, that the student watch the recorded video of the missed class, and second, that they write a response to the discussion and lecture that was missed (submitted via email). Additional absences will result in zeroes for class participation.

Any student arriving after class begins will be recorded as tardy. Three tardies will be counted as an absence, which will contribute to the one-absence limit. Any student arriving later than 15 minutes to class will be counted as absent for the session.

Situations such as a severe/sudden health problem, or a death in the family will be considered on an individual basis and may require appropriate documentation.

Any dispute over attendance should follow the Matthew 18:15-16 principle with the student meeting first with the professor to address the issue.

E. Accommodations Statement

Students with disabilities have the responsibility of informing the Accommodations Support Coordinator (aso@calvary.edu) of any disabling condition that may require support.

F. Style Guide

All class papers must follow APA style according to the *Publication Manual of the American Psychological Association, 7th edition*.

G. The Clark Academic Center
