## WELCOME TO CALVARY UNIVERSITY!

A man with glasses, wearing a dark suit, white shirt, and patterned tie, is speaking at a podium. He is gesturing with his hands as he speaks. The background is slightly blurred, showing what appears to be a classroom or lecture hall setting.

Some wonder about the value of Christian higher education. After all, it appears that research universities, comprehensive universities, four-year colleges, community colleges, and for-profit institutions can give Christian students the skills and information needed for a vocation. However, according to the Bible, knowledge apart from God produces a fallen understanding of the world and perpetuates the disaster of Genesis 3. The fear of the Lord is the beginning of wisdom (Prov. 1:7). Hence, while these higher education institutions can provide certain pieces of information, from the perspective of a biblical worldview, they will ultimately fail since they cannot produce wisdom. The nature of education in today's society has, in essence, adopted the lie of the garden. The serpent tempted the woman by undermining what God really said offering an unsanctioned way to obtaining knowledge (Gen. 3:1-7). True wisdom is not ultimately based upon reason but divine revelation, which alone counteracts our fallen condition. As such, our job in education is to exalt divine revelation above our reason.

Every year at Calvary University, students apply, are accepted, and attend. These students are seeking an education that will: instill in them the knowledge, skills, and attitudes necessary for their chosen profession; cultivate their spiritual growth; strengthen their moral character; and develop their abilities as global citizens and leaders (Phil. 1:27). Calvary University students desire more than just training for a career and a life of self-promotion. They seek an education suitable for their Christian calling – one that will impart invaluable transformative qualities of character and mind along with useful technical skills and knowledge. They want to be equipped for a life of enduring commitment to Christ and to be instructed to think like Christ, value like Christ, and serve as Christ has called them to serve in the home, church, academy, community, and marketplace.

A Calvary University education is a biblical passport for Christian servants seeking to effectively fulfill the Great Commission (Matt. 28:18-20) and the Great Commandment (Matt. 22:36-40). We offer excellent educational programs and equip students with a biblical worldview to exegete Scripture and engage culture. We believe that a global Christian, guided by a biblical compass,

is empowered by faith to work and to make a lasting contribution for the cause of Christ (Jas. 2:14-18).

Calvary University prepares men and women to pursue the glory of God throughout their lives. We believe that true success is not just about what you do for a living, but how you live while you make a living. No matter the career you are in, if you are not living in pursuit of God, you will miss His wisdom for choosing your job and your spouse and you are likely to live a self-centered life. That is why higher education at Calvary is so impactful. Calvary University prepares the whole person, for all of life—nothing less.

In His service,

Alexander Granados, M.Div., Th.M., Ph.D.  
President

### Solid Doctrine

An unwavering commitment to the authority of Scripture is the foundation of Calvary's doctrine, both in what we teach and what we do. Your education will be consistent with the fundamental truths of the Christian faith, taught with love and conviction.

### Emphasis on Character

Who we are is the foundation for what we do. Calvary's emphasis on developing character qualities that represent the person and work of Christ in our lives is a key part of campus life and prepares us for success in any profession or ministry vocation.

### Focus on Ministry

Ministry opportunities expand beyond the college campus. Calvary students serve in churches and in ministry and fine arts performance teams across the country.

### Exceptional Faculty

Qualified faculty members are not only involved in academics, but also serve as role models in Christian ministry. In Calvary's family atmosphere, one-on-one interaction with faculty is possible to a much greater degree than on larger college and university campuses. Our faculty members are dedicated to both academic success and spiritual growth of each Calvary student.

### Students

More than sixty percent of Calvary students come from outside Missouri. You will study alongside others from around the world who share the same commitment to faith, God's Word, and desire to become better equipped to serve the Lord.

### Athletics

Calvary is a member of the Midwest Christian College Conference (MCCC) and the National Christian College Athletics Association (NCCAA). Our teams include men's basketball, men's soccer, women's basketball, women's volleyball, and men's and women's cross country. Intramural activities are also available for students.

### Financial Aid

Calvary offers financial assistance to students, including federal grants, loans and institutional scholarships. Calvary also has developed two significant programs to help with student expenses; the Nikaó Leadership Institute and the Campus Ambassador Mentorship (CAM) program.

## Two Locations

Calvary University is located centrally in the Midwest, less than thirty minutes from downtown Kansas City, Missouri. We are within a day's drive of Chicago, St. Louis, Little Rock, Indianapolis, Minneapolis, Dallas, Omaha, and Des Moines. This location enables interaction with urban, suburban, and rural communities.

Calvary also operates a teaching site in Warrenton, MO, on the campus of Child Evangelism Fellowship (CEF), located just west of the greater St. Louis area.

## Nikaó Leadership Institute

The Nikaó Leadership Institute helps to prepare students to live and serve in the church and the world according to the biblical worldview. Each year a limited number of incoming freshmen will have the opportunity to enter the Institute. In addition to their regular college classes, NLI students will participate in a yearly Leadership Summit and weekly breakout sessions. They will also be required to serve in leadership positions both on and off campus to earn Nikaó points. As they serve, a mentor will seek to provide guidance and accountability. Besides the valuable leadership development, students who successfully complete the NLI requirements each semester will earn a tuition scholarship.

## Campus Ambassador Mentorship

The Campus Ambassador Mentorship (CAM) program at Calvary exists to 1) help keep the cost of education affordable, 2) Provide opportunities to students for development through one-on-one mentorship and practical experience, and 3) provide personnel support on campus.

## STATEMENT OF FAITH

### **The Scriptures**

We believe the Holy Scriptures of the Old and New Testaments to be the verbally and penarily inspired Word of God (Matt 5:18; 2 Tim 3:16-17).

We hold the Bible to be inerrant in the original writings, infallible, God-breathed, and the complete and final authority for faith and practice (2 Pet 1:20-21).

We believe that the Scriptures, interpreted in their normal, literal sense, reveal divinely distinguishable economies in the outworking of God's purposes. These dispensations are not ways of salvation, but rather divinely ordered stewardships by which God directs man according to His purposes. Three of these – the age of law, the age of the church, and the age of the millennial kingdom – are the subjects of detailed revelation in Scripture (Gen 12:1-3; John 1:17; Rom 4:1-5; 2 Cor 3:7-18; Gal 3:13-25; Eph 1:10; Col 1:24-25; Heb 7:19; Rev 20:2-6).

### **The Godhead**

We believe in one Triune God, Creator of all (Gen 1:2; Deut 6:4; 1 Cor 8:6; Col 1:16), eternally existing in three distinct persons – Father, Son, and Holy Spirit (2 Cor 13:14), yet one in being, essence, power, and glory, having the same attributes and perfections (John 10:30).

### **The Person and Work of Christ**

We believe in the deity of the Lord Jesus Christ. He is very God, the express image of the Father, who, without ceasing to be God, became man in order that He might reveal God and redeem sinful man. (Matt 1:21; Joh1:18; Col 1:15).

We believe that God the Son became incarnate in the person of Jesus Christ; that He was conceived of the Holy Spirit and was born of the virgin Mary; that He is truly God and truly man; that He lived a perfect, sinless life; that all His teachings and utterances are true (Isa 7:14; Matt 1:23).

We believe that the Lord Jesus Christ died on the cross for all mankind (1 John 2:2) as a representative, vicarious, substitutionary sacrifice (Isa 53:5-6). We hold that His death is efficacious for all who believe (John 1:12; Acts 16:31); that our justification is grounded in the shedding of His blood (Rom 5:9; Eph 1:7); and that it is attested by His literal, physical resurrection from the dead (Matt 28:6; 1 Pet 1:3).

We believe that the Lord Jesus Christ ascended to Heaven in His glorified body (Acts 1:9-10) and is now seated at the right hand of God as our High Priest and Advocate (Rom 8:34; Heb 7:25).

### **The Person and Work of the Holy Spirit**

We believe in the deity (Acts 5:3-4) and the personality of the Holy Spirit.

We believe that the Holy Spirit convicts the world of sin, righteousness, and judgment (John 16:8-11). He regenerates sinners (Titus 3:5) and indwells believers (Rom 8:9). He is

the agent by whom Christ baptizes all believers into His body (1 Cor 12:12-14). He is the seal by whom the Father seals believers unto the day of redemption (Eph 1:13-14). He is the Divine Teacher who illumines believers' hearts and minds as they study the Holy Scriptures (1 Cor 2:9-12).

We believe it is the duty and privilege of all the saved to be continually filled with the Holy Spirit (Acts 4:31). This filling is commanded (Eph 5:18). Conditions for being filled are yieldedness to the Spirit's control (Rom 8:14) and a dependent life (Gal 5:16). The results of filling are victory over sin, Christlike character, worship, submissiveness, and service (Gal 5:22-23).

We believe that the Holy Spirit gives gifts to each member of the body of Christ (1 Cor 12:11). The Son of God sovereignly assigns the place of the ministry of the gifts in the body, and the Father provides the energy in the outworking of the gifts (1 Cor 12:4-6). Each believer is to exercise his spiritual gift(s) for the common good to the building up of the body of Christ (Eph 4:11-16).

We believe that the gift of speaking in tongues, which was a sign to the nation of Israel, and the other sign gifts gradually ceased as the New Testament was completed and its authority was established (1 Cor 13:8; 14:21-22; 2 Cor 12:12; Heb 2:4).

### **Angels, Good and Evil**

We believe in the reality and personality of angels. We believe that God created an innumerable company of these sinless, spiritual beings who were to be His messengers (Neh 9:6; Ps 148:2; Matt 24:31; Luke 1:19; Heb 1:14).

We believe in the personality of Satan. He is a fallen angel who led a great company of angels into rebellion against God (Isa 14:12-17; Ezek 28:12-15). He is the great enemy of God and man, and his angels are his agents in the prosecution of his unholy purposes. He shall be eternally punished in the Lake of Fire (Matt 25:41; Rev 20:10).

### **Man**

We believe that man came into being by direct creation of God and that man is made in the image and likeness of God (Gen 1:26-27; 2:7).

### **Sin**

We believe that the human race sinned in Adam (Rom 5:12), that sin is universal in man (Rom 3:23), and that it is exceedingly heinous to God (Ps 5:5). We believe that man inherited a sinful nature (Ps 51:5), that he became alienated from God (Col 1:21), that he became totally depraved, and that of himself, he is utterly unable to remedy his lost estate (Eph 2:1-5, 12). We believe that all men are guilty and in a lost condition apart from Christ (Rom 2:1; 3:10-18).

### **Salvation**

We believe that salvation is a gift of God's grace through faith in the finished work of Jesus Christ on the cross (Eph 2:8-9). Christ shed His blood to accomplish justification through

faith, propitiation to God, redemption from sin, and reconciliation of man. "Christ died for us" (Rom 5:8-9) and "bore our sins in His own body on the tree" (1 Pet 2:24).

We believe that all the redeemed, once saved, are kept by God's power and are secure in Christ forever (John 6:37-40; 10:27-30; Rom 8:1, 38-39; 1 Pet 1:5; Jude 24).

We believe that it is the privilege of all who are born again to rejoice in the assurance of their salvation through the testimony of God's Word (Rom 8:16; 1 John 5:13). We also believe that Christian liberty should never serve as an occasion to the flesh (Gal 5:13).

We believe that the Scriptures disclose several aspects of sanctification. In addition to God's work of bringing a sinner to Christ, he is set apart to God. This is positional sanctification and refers to his standing. He then undergoes a process whereby the Holy Spirit quickens his affections, desires, and attitudes, enabling him to respond in faith to live a life of victory over sin. This is progressive sanctification and refers to his state (2 Cor 3:18; 7:1; Gal 5:16-25; Eph 4:22-29; 5:25-27; Col 3:10). Someday his standing and his state will be brought into perfect accord. This is prospective, or ultimate sanctification (1 Thess 5:23; 1 John 3:2).

### **The Church**

We believe that the church, which is the body and espoused bride of Christ, began at Pentecost and is a spiritual organism made up of all born-again persons of this present age (Acts 2:1-42; 11:15; 1 Cor 12:12-14; 2 Cor 11:2; Eph 1:22-23; 5:25-27).

We believe that the establishment and continuance of local churches is clearly taught and defined in the New Testament Scriptures (Acts 14:27; 20:17; 1 Tim 3:1-13; Titus 1:5-11).

We believe in the autonomy of the local church, free of any external authority or control (Acts 13:1-4; 15:19-31; 28:28; Rom 16:1, 4; 1 Cor 3:9, 16; 5:4-7, 13; 1 Pet 5:1-4).

We believe in the ordinances of believer's water baptism by immersion as a testimony and the Lord's Supper as a remembrance in this age of Christ's death for the church (Matt 28:19-20; Acts 2:41-42; 18:8; 1 Cor 11:23-26).

We believe that the saved should live in such a manner as not to bring reproach upon their Savior and Lord, and that separation from religious apostasy, sinful pleasures, practices, and associations is commanded by God (Rom 12: 1-2; 2 Cor 6:14-7:1; 2 Tim 3:1-5; 1 John 2:15-17; 2 John 9-11).

We believe in the Great Commission as the primary mission of the church. It is the obligation of the saved to witness, by word and life, to the truths of Holy Scripture. The gospel of the grace of God is to be preached to all the world (Matt 28:19-20; Acts 1:8; 2 Cor 5:19-20). Converts are to be taught to obey the Lord, to testify concerning their faith in Christ as Savior in water baptism, and to honor Christ by holy living and observance of the Lord's Supper (Matt 28:19-20; 1 Cor 11:23-29).

### **Things to Come**

We believe in that "blessed hope" (Titus 2:13), the personal, imminent (Matt 24:42, 44; 1 Cor 15:51-52; Phil 3:20; 4:5), pretribulational, and premillennial (Rev 19:11-20:10) coming

of our Lord Jesus Christ to rapture His saints and receive His Church unto Himself (1 Thess 4:13-18).

We believe in the subsequent, visible return of Christ to the earth (Matt 24:29-31), with His saints, to establish His promised millennial kingdom (Zech 14:4-11; 1 Thess 1:10; Rev 3:10; 19:11-16; 20:1-6).

We believe in the physical resurrection of all men, the saints to everlasting joy and bliss, the wicked to conscious and eternal torment (Matt 25:46; John 5:28-29; 11:25-26; Rev 20:5-6, 12-13).

We believe that the souls of the redeemed are, at death, absent from the body and present with the Lord, where in conscious bliss they await the first resurrection when spirit, soul, and body are reunited to be glorified forever with the Lord (Luke 23:43; 2 Cor 5:8; Phil 1:23; 3:21; 1 Thess 4:16-17; Rev 20:4-6).

We believe that the souls of unbelievers remain, after death, in conscious misery until the second resurrection when, with soul and body reunited, they shall appear at the Great White Throne judgment and shall be cast into the Lake of Fire, not to be annihilated, but to suffer everlasting, conscious punishment (Matt 25:41-46; Mark 9:43-48; Luke 16:19-26; 2 Thess 1:7-9; Jude 6-7; Rev 20:11-15).

### **Expanded Statement Regarding Religious Freedom and Human Sexuality**

God created human beings distinctly as male and female (Gen 1:27). The distinctness, complementarity, and relational nature of the human race as “male and female” is based on the created order given by God when He created humanity “in His image” (Gen 1:26-27; 5:1-3; 9:6; 1 Cor 11:7; Jam 3:9; 2 Cor 3:18; Eph 4:23-24; Col 3:10), and these establish a normative connection between biological sex and gender. The created distinctness, complementarity, and relational nature also establish the basis for the marital relationship as being between one man and one woman (Gen 2:23-24; Eph 5:21-33).

The Bible affirms two options or giftings for sexual expression: monogamous marital relations between one man and one woman (Gen 1:27-28; 2:18, 21-24; Mt 19:4-6; Mk 10:5-8; 1 Cor 7:7; Heb 13:4; Eph 5:22), or sexual celibacy, if one is not in a monogamous marital relationship between one man and one woman (1 Cor 7:7; Mt 19:12). Within these two Biblical designs there can be found sexual fulfillment, whereas outside these two designs sexual expression is improper.

The Bible affirms that human sexuality is a gift to be treasured and enjoyed (Gen 2:24; Prov 5:19, 31:10; 1 Cor 7:4), as is sexual celibacy (1 Cor 7:7). The fall of humanity (Gen 3) corrupted human sexuality in both spiritual and physical ways (Rom 1:18-32, Eph 2:1-10), and one result is confusion and pain in the lives of those who struggle with brokenness regarding gender, and who struggle with the guilt of desiring sinful expressions of sexuality (Gen 3:1-7; Rom 3:9-18; 5:12-17). The Bible prescribes faith in Jesus Christ (1 Cor 15:2-3) as the remedy for guilt and as the provision for life (Rom 3:23, 6:23; Jn 3:16), and the Bible prescribes an ongoing relationship with Him as the means for a whole and fulfilling life (Jn 15:1-11, 17:3; Col 3:16; Gal 5:16-25; Rom 8:28-38).

## CONVICTIONS

### **Solidly Biblical**

The Bible is the heart and core of every educational program at Calvary University. Theologically, Calvary can be described as biblical, fundamental, pre-millennial, and dispensational. Each year, every faculty member and trustee must affirm his wholehearted acceptance of the Bible as the inerrant, verbally inspired Word of God.

### **Separated**

It is Calvary's desire to be separated unto God from worldliness, whether in personal actions, attitudes and thought, or in ecclesiastical programs and associations. Calvary's position is one of being loyal to the biblical doctrine of ecclesiastical separation so that it has no embarrassing ties which might keep it from exposing apostasy, heresy, or sin. This is evidenced in its historical stand against the ecumenical teachings and practices of our day.

### **Evangelism and Missions**

We believe that the "Great Commission" defines the primary mission of the church. Calvary seeks to incorporate the spirit of evangelism and discipleship into the whole school family, whether in the classroom, in chapel, or in extracurricular activities and projects.

### **A Friend of Bible-Believing Churches**

Calvary stands with all who love Christ and preach His Word. The attitude throughout the school is nonsectarian. We are unreservedly loyal to all Bible-believing churches faithful to Christ and the Bible. Calvary is affiliated with the IFCA International and Berean Fellowship of Churches and maintains a good relationship with independent and denominational churches and individuals that uncompromisingly hold the historic fundamentals of the faith.

### **Institutional Position on the "Sign Gifts"**

As Calvary University understands the teaching of Scripture and church history, the "sign gifts" of the Holy Spirit (speaking in tongues, prophecy, healings, miracles, and the like) ceased after the first century and are no longer essential for the church today. Those who may believe otherwise and desire to enter Calvary as students are welcome, if they are willing to study with an open mind, to understand the institution's position, and not to practice or propagate their beliefs while studying at Calvary.

### **Nurturing Character and Truth**

We are persuaded that the Scriptures teach that what we are is as important as what we know. Ephesians 4:15 clearly states that we are to speak the truth (doctrine) in love (Christ-like character). This is the reason we put much effort into developing Christ-like character and a servant's heart while communicating God's Word. In all matters we endeavor to display the "excellent spirit" of the prophet Daniel (Dan 6:3). This man of God refused to compromise and yet constantly displayed an attitude which endeared him to

his superiors. He was neither vindictive nor self-righteous and by his dedicated life made a profound impact upon the kings of Babylon and Persia.

### **Biblical Core**

Calvary shall always maintain a Christian accreditation, and specifically ABHE as long as it is available, or another comparable accreditation if ABHE is not available, to ensure accountability in maintaining a Biblical core and Christian ministry requirements.

### **Bible Requirement**

The Bible shall be a required textbook for every course offered at Calvary.

## **CALVARY STATEMENT ON DIVERSITY**

At Calvary, we endeavor to prepare students to live out the biblical worldview in a diverse world. This project is enshrined in our mission statement and fulfills the Board of Trustee outcome that graduates *understand the world in which they live and be able to effectively relate to others in it*. In order to fulfill this expectation, Calvary is committed to:

- Seek to recruit students, staff, and faculty from a variety of cultural, ethnic, and language backgrounds.
- Offer diverse Christian ministry environments that span the cultural spectrum in the greater Kansas City area.
- Develop academic and co-curricular opportunities to expose students to a variety of cultural, ethnic, philosophical, religious, and geographic ministry and service settings in the Kansas City area and around the world.
- Encourage students, staff, and faculty to engage in intercultural ministry through structured events and student-led opportunities throughout the academic year and to commit to a lifestyle of intercultural service.

## **HISTORY OF CALVARY**

Calvary University (*formerly Calvary Bible College and Theological Seminary*) is the successful result of a merger in 1961 between two small and struggling Bible colleges – Kansas City Bible College (*KCBC*) and Midwest Bible College (*MBC*) in St. Louis. A second merger took place in 1987 when Citadel Bible College of Ozark, Arkansas, joined Calvary. These mergers represented a blending of institutional objectives, assets and liabilities, alumni associations, and doctrinal goals, as well as values that were held in common by all of the institutions.

In the early 1930s Christian work throughout the Midwest needed experienced, well-trained pastors and teachers. The economic depression had the country in its grip, many churches were without pastors, and there was no evangelical school in this area of the heartland. Several Christian leaders had been praying for a decade about the need for such a school, and the God-selected leaders for the original venture included Dr. Walter L. Wilson, medical doctor, theologian, and author; Rev. David Bulkley, Superintendent of the City Union Mission; and Rev. R. Fuller Jaudon, pastor of the Tabernacle Baptist Church. Kansas

City Bible Institute first opened its doors in 1932 with Dr. Wilson as the first president. In 1935 it became Kansas City Bible College with Dr. F. William May as President.

In 1938, Dr. May left Kansas City Bible College to assist Rev. Nye J. Langmade with the founding of Midwest Bible and Missionary Institute in Salina, Kansas. Rev. Langmade served as its first President until 1954. Dr. May served as President from 1954 until 1956 when Dr. Roger Andrus was appointed President. In 1946, Midwest moved to St. Louis, Missouri, and became Midwest Bible College in 1959.

In the early 1960s, Dr. Al Metsker, acting President of KCBC, met with Dr. Roger Andrus, President of MBC, to explore the possibility of merging the two small colleges into one stronger institution. In the summer of 1961 the blueprint was complete; the two schools merged, moved to a campus in the Kansas City suburban community of Prairie Village, Kansas, and became Calvary Bible College. The Board of Trustees of the newly formed school named Dr. Roger Andrus as its first President.

In addition to the individuals named above who were instrumental in the early years, Calvary and its predecessor schools were blessed with a number of others who had a desire to see Bible institutes begun in the Midwest and had an active part in these beginnings – Mr. Dwight Johnson, Dr. Charles R. Rolls, Dr. Robert Belton, Dr. Clifford Lewis, and Mr. Stanley Cook, to name a few.

In 1966, Calvary moved to 1111 West 39th Street in Kansas City, where it remained until the move in 1980 to the current campus at the former Richards-Gebaur Air Force Base. In 2012 the campus expanded across the street to thirteen acres vacated by the U.S. Marines and awarded to the school by the U.S. Department of Education, which included a move-in ready dorm and three other buildings for new offices, classrooms, and space for chapel. Dr. Andrus served as President of Calvary until the early 1970s, and in 1974 Dr. Leslie Madison was called as President.

Citadel Bible College, originally named Ozark Bible Institute, began in the heart of Rev. A. H. Levin. Under his leadership, the school was organized by a group of pastors and businessmen and incorporated in the state of Arkansas in 1947, with classes beginning in 1949. Rev. Levin served as Citadel's first President until his death in 1970, at which time his son, Rev. Robert Levin, was appointed Interim President. Dr. Paul Brownback served as President from 1976 until the merger with Calvary in 1987.

In 1991, Dr. Madison was appointed Chancellor, and Dr. Donald Urey, Vice President for Academic Affairs at Calvary, was named President. Dr. Jim Anderson, an alumnus of Kansas City Bible College and former faculty member at Calvary, was called as President in

1996. After Dr. Anderson's return to full-time evangelistic work, the Board of Trustees named Dr. Elwood H. Chipchase as President in 1999. In 2009, Dr. Chipchase retired, and Dr. James L. Clark, Vice President and Academic Dean of the College, was named President. Dr. Clark is the first President of Calvary to have graduated from Calvary.

In 2014, Dr. Clark announced he would retire after the 2015 - 2016 academic year, and in late 2015, Dr. Christopher Cone was appointed to serve as President beginning in summer, 2016. Dr. Cone appointed Dr. Clark to the office of President Emeritus. In mid-2016, Calvary rebranded as Calvary University and added bylaws reaffirming and deepening Calvary's commitment to the Bible as foundational and to the biblical worldview.

When the presidency of Dr. Cone ended in May of 2020, the Board of Trustees appointed Calvary's Chief Operating Officer, Jeff Campa, as interim president. Jeff served until January of 2021, when the Board hired Dr. Alexander Granados to serve as Calvary's next president.

## ACCREDITATION

Calvary University is accredited by the Higher Learning Commission (HLC), a regional accreditation agency recognized by the U.S. Department of Education. The HLC webpage address is [www.hlcommission.org](http://www.hlcommission.org). Calvary has been accredited with HLC since 2003.

Calvary University is nationally accredited by the Commission on Accreditation of The Association for Biblical Higher Education (ABHE), 5850 T.G. Lee Blvd., Ste. 130, Orlando, FL 32822. ABHE may be contacted by phone at 407-207-0808, by FAX at 407-207-0840, or by e-mail at [info@abhe.org](mailto:info@abhe.org). The ABHE webpage address is [www.abhe.org](http://www.abhe.org). Initial accreditation with ABHE was granted in 1961.

Documents pertaining to the school's accreditation may be reviewed in the office of the President, or questions may be submitted to him.

## Approvals

Calvary is approved for the training of veterans and authorized to enroll international (nonimmigrant alien) students.

The teacher education programs of Calvary University are approved by the State of Missouri. Candidates who graduate from these programs and successfully complete licensure exams can be recommended for state certification and licensure.

## CALVARY GRADUATE SCHOOL

In 1966, Calvary established a graduate division to offer a program of study beyond the baccalaureate level. The initial offering was a Master of Arts in Biblical Literature. The Graduate Division was eventually superseded by the Seminary in 1992. In 2011, the Seminary added Master of Science degrees in Education and Organization Development. In 2013, a Master of Science in Worship Arts was also added. During the 2016 presidential transition and reorganization of Calvary University, the Cabinet determined that a Graduate

School would more appropriately house graduate programs in Education, Organization Development, and Music than the Seminary, so a Graduate School was created beginning July 1, 2016.

### CALVARY SEMINARY

Calvary Theological Seminary began as the Graduate Division of the College in 1966. In 1992, the Seminary became a separate school, and the name was changed to Calvary Theological Seminary. Seminary programs of study in 1992 included a Master of Ministry, Master of Arts in Biblical Studies, Master of Arts in Bible and Theology, Master of Arts in Biblical Languages, and a Master of Divinity. With the institutional reorganization associated with Calvary University in 2016, the Seminary was split into two schools: the Graduate School and the Seminary. Programs currently offered include a Master of Arts in Biblical Counseling, a Master of Arts in Bible and Theology, a Master of Divinity, and a Ph.D. in Bible and Theology.

### LIBRARY

The Hilda Kroeker Library supports the academic and professional programs of Calvary by seeking the input of faculty and staff for those resources necessary to support Calvary’s mission and objectives. The library is home to more than 30,000 books, e-books, and audio visual materials. The collection is catalogued according to the Library of Congress classification system.

The library is a participating member of the Kansas City Public Library’s - Library Services Program Consortium (KCPL-LSP). This partnership allows students and faculty the ability to access materials from the local area that are not available at the Hilda Kroeker Library. The Mid–America Library Alliance (MALA) Courier Service serves as the link to these resources. In addition, interlibrary loan requests for materials that are located outside the KCPL-LSP consortium can be made by contacting library staff directly via email. For assistance with academic papers and projects, students are encouraged to visit the Clark Academic Center at <https://www.calvary.edu/mycu/>.

The Hilda Kroeker Library ([www.calvary.edu/library](http://www.calvary.edu/library)) and the Clark Academic Center ([www.calvary.edu/cac](http://www.calvary.edu/cac)) provide resources, assistance, and space for producing academic papers and projects. These are both located in the building next to the Student Life Center (SLC).

## ACTIVITIES

Building and maintaining relationships are a top priority at Calvary and are fostered through a variety of class and dorm events, banquets, assemblies, music concerts, picnics, athletic events, brother-sister dorm activities, and so much more.

### Personal Devotions

Calvary strongly encourages students to maintain a personal "quiet time" each day, since habits formed today will set the pattern for the future.

### Prayer

Prayer is part of the normal routine at Calvary. Classes and scheduled meetings usually begin with prayer. A special Day of Prayer is set aside for the entire campus to devote itself to communication with our Lord. Additional opportunities for organized group prayer meetings are also scheduled throughout the year.

### Chapels

While enrolled at Calvary, students attend weekly chapel services. Chapels include a time of worship as well as special speakers, group discussions, roundtables, and other programs of interest.

### Local Church

With the goal of developing the biblical worldview and learning to be effective in service, Calvary students are involved in local, Bible-believing churches. Students are expected to participate in the activities of the local church they attend.

### Christian Ministry

A vital part of the educational program at Calvary University is participation in Christian ministries. Since ministry is the normal expression of a healthy Christian life, degree-seeking students are expected to minister while attending Calvary. The number and types of ministries required will vary with each degree program. First-time freshmen students and transfer students will be given one semester of ministry to find a church where they will attend and become involved during their time at Calvary. The school places a high priority on being involved in a local church while being trained for service. Students should be involved in ministries in a local church, an organization, or in local evangelism as well as in areas focusing on the student's major. Summer ministries are allowed and special consideration is extended to students transferring from

other institutions.

All ministries are approved by the Christian Ministries Director and normally last for a minimum of 12 weeks during the semester. A pass / fail grade will be given at the end of each semester and recorded on the student's transcript. Those students who have not completed all Christian ministry requirements will not be permitted to participate in graduation.

### Missions Emphasis

Annually, Calvary devotes a special time for an emphasis on missions. During this “Conference on Global Engagement”, missionaries speak in chapels, classes, and hold seminars. The challenge of worldwide missions is stressed, and opportunity is given for students to meet missionaries from evangelical faith missions.

## STUDENT ORGANIZATIONS

**Student Senate:** The Student Senate is the liaison group between the student body and the faculty / administration and is composed of a president, vice-president, secretary, and treasurer elected from the student body and four members of each class: a president, vice-president, and two representatives.

**Student Missions Committee:** This is a volunteer-based student organization consisting of those who share a passion for missions and reaching the lost. The Student Missions Committee exists to promote missions on campus and help the student body to be engaged in reaching our local community and the world.

**Veterans Association:** The Veterans Association promotes, supports, and serves the diverse needs of veterans among students, staff, and faculty.

## STANDARDS

### Conduct

Spiritual expectations for students at Calvary University are purposefully high. They could not be otherwise and follow biblical principles. Calvary seeks to create and encourage a godly atmosphere for students to make spiritual decisions.

Primary to spiritual growth is a consistent, personal devotional life along with faithful fulfillment of responsibilities. These responsibilities include attending classes, chapels, prayer meetings, local church services, and similar activities. Consistent completion of class and Christian ministry assignments and proper adjustment to college life also demonstrate maturity.

Calvary has the responsibility, under God, to maintain standards that are above reproach. The school seeks to cultivate personal habits that will bring honor to the name and person of the Lord Jesus Christ.

Calvary reserves the right to discipline and/or dismiss any student whose behavior is deemed to be contrary to the standards of conduct listed in the Student Handbook and/or any activity which negatively impacts class atmosphere, reflects unfavorably on the

student's personal testimony or Calvary's testimony, or improperly influences other students.

Calvary complies with federal regulations regarding "drug and alcohol abuse prevention." (see Zero Tolerance Policy)

The standards concerning student behavior are set forth in detail in the *Student Handbook*. Guidance in these areas is provided through the Student Development Office as well as through faculty advisors.

Attending Calvary University is a privilege, not a right. Calvary may insist on the withdrawal of a student at any time that the student, in the opinion of the school, does not conform to the established regulations and standards of conduct.

In the event that a student is no longer able to attend on-campus classes, but is not dismissed from school (either voluntarily or non-voluntarily), Calvary reserves the right to administratively transfer a student from on-campus classes to Directed Study or Online courses. If a course cannot be transferred, it will be refunded at a pro-rated price. Such circumstances may include: Gender-Based Misconduct accusations, injury/illness, various extenuating circumstances, etc. If a student is administratively removed from on-campus housing but not dismissed, he/she will be refunded at a pro-rated amount for the time remaining.

## **Housing**

Dormitory housing is available for single men and women. Married students should contact the Student Development Office for information concerning married student housing. Information concerning facilities available for handicapped students may also be requested from the Student Development Office.

Students must be enrolled in class taking place during the Cycle(s) in which they are living in the Residence Hall unless a written exception has been given. Single- and double-occupancy rooms are provided for students in the dorm. Each room is equipped with complete bathroom including shower, and one closet per student. Dorm rooms have individually controlled heating/cooling systems. Lounges and laundry facilities are provided on each dorm floor. Inquiries for housing in the dorm should be directed to the Student Development Office.

The school also has housing available in an apartment building named Philadelphia Hall. Inquiries for housing in Philadelphia Hall should be directed to the Business Office. Students with special disability needs are encouraged to contact the Student Development Office to discuss their individual housing needs.

All single, undergraduate students who have earned fewer than 60 credits and are under 22 years of age at the start of the Semester must live in the University Residence Hall unless living with parents or grandparents. Students who are 22 years of age and older may choose to live in non-dorm housing on campus (for exceptions and appeals, please see the *Student Handbook*).

Calvary offers meal plans for students to choose from. Due to the nature of our Food Service program, dormitory residents are required to participate in one of the available meal plans.

### Vehicles

All students are permitted to have cars on campus by properly registering them with the Security Department. Vehicle identification stickers are to be displayed in the lower left corner of the rear windshield on the driver's side. The ID sticker is valid as long as the student maintains enrollment at Calvary and continues to drive the vehicle on campus. All vehicles driven on campus by students are to be registered. Registration is needed for easy identification in the event of an emergency (i.e., vehicle needs to be moved, lights left on, etc.).

## STUDENT SERVICES

### Counseling

All counseling from the Student Development Department will be biblical with the goal of the individual being changed into the image of Christ. We believe that in Christ we have everything we need for life and godliness and rely heavily upon this in counseling. We believe the Word of God is sufficient to meet the needs of mankind for salvation and sanctification. Students may seek formal counseling with either the Student Development Department or with counselors recommended by the Student Development Department. For more information, please refer to the *Student Handbook*.

### The Clark Academic Center

The Clark Academic Center is designed to assist students in becoming successful learners. One-on-one tutorial sessions with qualified tutors are available during posted hours or by appointment. All students are encouraged to take advantage of this service to enhance their college learning experience.

The Clark Academic Center ([www.calvary.edu/cac](http://www.calvary.edu/cac)) and the Hilda Kroeker Library ([www.calvary.edu/library](http://www.calvary.edu/library)) provide resources, assistance, and space for producing academic papers and projects. These are both located in the building next to the Student Life Center (SLC).

### Accommodations Support Services

Calvary offers reasonable accommodation support services to students with special needs in compliance with the Americans with Disabilities Act (1990) and Section 504. Students with support services needs have the responsibility of informing the Accommodations Support Services Coordinator of any disabling condition that may require accommodations.

### Medical Resources

First-aid treatment and minor medical supplies are available through the RAs. For additional services, a list of physicians, dentists, optometrists, clinics, and hospitals may be

obtained from the Student Development Office. More information can be found in the “Student Health Insurance” section of this catalog under the chapter heading “Finances.”

**Student Accident Fee** (non-refundable) – When a student is involved in an accident during any Calvary-related activity, the student’s personal accident/sickness insurance coverage will be primary. If the accident has been reported to the Human Resources office within three business days of the occurrence, Calvary will provide up to, but not exceeding \$1000 per occurrence for costs not covered by the student’s personal insurance.

**Alumni Association**

The Calvary Alumni Association is a family composed of thousands of men and women who have attended Calvary University, Calvary Bible College, Calvary Theological Seminary, Citadel Bible College, Kansas City Bible College, Midwest Bible College, or Ozark Bible Institute.

The Calvary Alumni Association endeavors to minister to and to connect its members throughout the world to Calvary and to each other by informing them of school and alumni news and by maintaining contact information. Calvary alumni are prayed for regularly, and reunions and homecomings are planned to bring the alumni family closer together.

**GRADUATION RATE**

Graduation rate is based on full-time, first-time students completing a program within 150% of the normal time required for their program. Many students opt to extend their length of study due to employment needs, family issues, or academic achievement goals. There is no statute of limitations regarding completion of associate or baccalaureate degrees.

**Dual Enrollment:** Students in this program take classes on their high school campus with Calvary approved faculty following the course syllabus provided by Calvary. Tuition costs are handled through the high school administration. Per Missouri Department of Higher Education laws, Juniors and Seniors with an overall GPA of less than 3.0 must provide a signed letter of recommendation from the school's administration and written permission from a parent or legal guardian. Freshmen and Sophomore students must have an overall minimum GPA of 3.0, score at the 90<sup>th</sup> percentile or above on the ACT or SAT, provide a signed letter of recommendation from their school administration and guidance counselor, and provide written permission from a parent or legal guardian to be eligible for the program.

**Early College:** Students enrolled in this program take classes on campus at Calvary and are responsible to pay tuition and fees to the university.

### Degree-seeking Students

A degree-seeking student is pursuing a program of study leading to a doctor's degree, master's degree, bachelor's degree, associate's degree, or one-year certificate. (Note: special admissions requirements exist for certain programs.)

### Non-Degree Students

Non-Degree students desire to receive credit for courses taken, but do not intend to complete a program of study. Generally, students complete a Non-Degree application for one of the following reasons: 1) to satisfy requirements at another college; 2) to be "dual enrolled" (still a high school student); 3) to prove academic success at the college level; 4) to satisfy mission board requirements; and 5) to meet prerequisites for graduate school, etc.

Non-degree students may change to a degree or certificate program by submitting a new degree-seeking application. Having been admitted to the College as a non-degree student does not guarantee acceptance as a degree or certificate student.

Non-degree students do not qualify to receive financial aid.

Non-Degree students may enroll in Seminary and Graduate level classes provided they submit proof of an earned bachelor's degree by having an official transcript sent to the Registrar's Office from the school that conferred the degree.

Policies and regulations governing Seminary life are to be abided by while on campus, and any doctrine that is contrary to Calvary's Statement of Faith is not to be promoted or propagated. Failure to follow this requirement could result in suspension or dismissal from class(es).

Non-Degree students may not live in Calvary housing. To live in Calvary housing, students are required to be degree-seeking students and taking at least six hours for credit. Appeal may be made in writing to the Student Development Office.

### International Students

Calvary University is authorized by the U.S. Citizenship and Immigration Services to enroll non-immigrant students. International students must pursue a degree or certificate. Additional admission requirements apply to international students. 1) Pay the \$375 non-refundable application fee before the I-20 form can be issued. This fee includes the cost of express mailing the I-20 form and can be paid via Flywire; 2) All semester charges on their billing statement are to be paid 45 days before classes start; 3) If full payment is not received, then the I-20 will be voided and registration dropped; 4) For following semesters, full payment will need to be made by the financial deadlines. Even though an international student cannot work off campus, Calvary University cannot or will not promise employment for on campus jobs. Only if jobs are available can international students apply.

### International students interested in Teacher Education:

- International students are allowed to complete an undergraduate degree in Education.
- International students are allowed to be certified in the state of Missouri.
- Students must have a social security number (SSN) to apply for a Missouri teaching certificate.
- Students who are not U.S. citizens will need to work with the Social Security Administration to obtain an SSN. More information about the process of applying for an SSM is located at: <https://www.ssa.gov/ssnumber/cards.htm>.
- Calvary University can not guarantee that students who are not U.S. citizens will be able to obtain an SSM at the time of graduation. The United States Social Security Administration has the authority to grant SSN numbers.

- Calvary University strongly recommends that international students who are Education majors pursue state certification. Departments of Education in most countries require government certification for individuals to be employed as teachers.

### Re-enrolling Applicants

Re-enrolling students have previously attended Calvary. “Re-enrolling” means a student’s continuous enrollment was interrupted by missing two or more semesters. Re-enrolling students will need to submit a Re-enrollment application to the Admissions Department. If a student has been away from Calvary for over a year, a pastoral reference is also required.

### Military Personnel Re-Enrollment

If a student can no longer attend due to an extended military deployment or other military duties, expected to be 180 days or longer, then the student will be withdrawn. Notification of military service and intent to return are to be given to the Registrar’s office. If a student desires to be readmitted to CU, they should contact our Admissions office. In some cases, a re-enrolling application may be required of the student. In accordance with FSA Handbook, Volume 2 Chapter 3 (Readmission of service members), students will be readmitted with the same academic status they had prior to leaving Calvary, unless determined the student is not prepared to resume the program at that status.

### Personal Enrichment

Personal enrichment is designed for those who want to take a course for personal benefit. They have no need for or desire to earn college credits, so an academic record (transcript) is not generated. Personal enrichment courses are subject to the professor’s approval and are not available online. A personal enrichment enrollment form must be completed before the course begins. The Personal enrichment fee is due with the form, and the form may be obtained by contacting the Registrar’s office.

## APPLICATION PROCESS

### Undergraduate & Graduate Applicants

The application process varies, depending on the Applicant’s category (see application categories above). Calvary has separate applications and instructions for New Degree-seeking, Re-enrolling, Non-Degree seeking, and International students.

Please read instructions carefully and fill out the application completely. Completing the incorrect application or making errors and omissions delays action on your application.

The steps below are for new Degree-seeking applicants. (All other applicants should refer to the instructions corresponding to their applicant category.)

- Read the College Profile and Student Life sections of the catalog.
- Submit a completed application and the Self-Reference form.
- Submit a Pastoral and a Personal reference form.
- Submit applicable transcripts from accredited institutions (e.g., high school, home school, GED, college).
- Submit ACT or SAT scores (if applicable).
- Submit a photograph. The photograph is optional; however, we would really love to be able to put a face and name together.
- Graduate applicants must supply their undergraduate transcript demonstrating completion of a baccalaureate degree.

### Doctoral Program Applicants

For admission to the Doctoral program, prospective students will:

- Submit an admissions application including personal testimony of faith in Christ.
- Provide a pastoral and personal reference.
- Provide a resume'.
- Hold a Master of Arts in Bible and Theology, Master of Divinity, or Master of Theology with minimum GPA of 3.0.
- Provide transcripts for all undergraduate and graduate work from accredited institutions.
- Pass language proficiency examinations in Hebrew and Greek.
  - Students who do not pass the proficiency examinations will take the appropriate language courses.
- Provide a writing sample (research paper, journal article or master's thesis).
- Meet with Program Director for an oral interview.

### Note: Graduate Record Examination (Graduate School & Seminary Students)

Applicants may enhance the quality of their application by submitting scores from the Graduate Record Examination (GRE). GRE scores are recommended as evidence of academic aptitude when: (a) the pre-seminary academic record is questionable (e.g., GPA less than 2.5) or (b) the applicant does not hold a baccalaureate degree from an accredited institution. Applicants are encouraged to consult with an Admissions Counselor on the advisability of adding GRE scores to their application documents. Reports are to come directly from the College Board. Calvary's GRE code is 6331. For more information about the test, contact:

Graduate Record Examination Educational Testing Service	
P.O. Box 6000 Princeton, NJ 08541-000	609-771-7670 (voice) 610-290-8975 (fax) <a href="http://www.gre.org">www.gre.org</a>

You will be notified by mail when your application is received. Once all of your required admissions documents are received, your application will be considered for acceptance by the Admissions Committee. Under normal circumstances, you will be notified of the acceptance decision within two weeks after your file is complete.

### International/Foreign Applicants

Calvary University is authorized by the U.S. Department of Justice, Immigration and Naturalization Service to enroll nonimmigrant alien students. The following admission requirements are to be completed in addition to the ones listed above.

- Submit satisfactory TOEFL or IELTS scores.
  - The Calvary TOEFL school identification code is 6331.  
Inquiries about the test and testing locations should be directed to:  
The Test of English as a Foreign Language

Los Angeles, CA 90041
- Certify financial resources: The International Student Sources of Financial Resources form and appropriate International Student Certification of Financial Resources form(s) are to be completed and received by the Admissions Office as well as all other application materials before the United States Government Immigration and Naturalization Service Form I-20 A-B/I-20 ID Certificate of Eligibility for Nonimmigrant (F-1) Student will be issued. Providing false information will result in the applicant not being permitted to enroll.
- Pay the \$375 non-refundable application fee.
- Pay all semester financial charges 45 days before the start of classes.
- If full payment is not received, the I-20 will be voided and registration dropped.
- For following semesters, full payment will need to be made by the financial deadlines.
- Non-Degree students cannot qualify to receive the I-20 form.

To ensure that students are prepared to succeed, Calvary University requires all students whose primary language is not English to submit one of the following evidences of English proficiency.

- Minimum TOEFL overall score of 80.
- Minimum IELTS overall score of 6.5.
- A high school diploma from a U.S. – curriculum-based international school taught fully in English, and accredited within the U.S. (Minimum attendance three years).
- An existing bachelor's or master's degree from an accredited U.S. based college or university or a school Calvary has an articulation agreement with.

The proficiency requirement applies to online and in-class students at both undergraduate and graduate levels.

## ADMISSIONS POLICIES

### Application Deadline

Applications must be submitted no later than two weeks prior to the first day of classes. Last-minute applications may be deferred by the Admissions Committee.

## **Application Materials**

All materials submitted to Calvary in the application process become the property of the University. Upon enrollment, materials deemed essential are kept as a part of a student's permanent file in the Registrar's Office.

## **Conditional Acceptance**

An applicant may be accepted with specific conditions. Frequently, this will be due to no ACT or SAT score or for various personal concerns, e.g., smoking or other background issues. The Admissions Director and/or members of the Admissions Committee will identify conditions and limitations, if any.

All conditions and limitations will be itemized in the acceptance letter; the wording may require review and/or approval from one or more Committee members. In order to be considered a "regular student" (eligible for federal financial aid), an applicant must specify a degree or certificate program on his/her application.

## **Academic Probation**

Any applicant who does not meet the minimum academic standards, but who is accepted by the Admissions Committee, may be placed on academic probation. Students are limited to enrolling for no more than 12 hours, are expected to use The Clark Academic Center, and must achieve a 2.0 GPA. More information on academic probation can be found in the "Academics" section of this catalog under the heading "Satisfactory Academic Progress."

## **Graduate Level Provisional Acceptance**

An applicant also may be provisionally accepted into a graduate program without having fulfilled all of the prerequisite requirements and may complete the deficiency courses at Calvary University. If an applicant needs 12 or fewer hours of undergraduate prerequisites and is enrolled in University to complete those prerequisites, he may request permission to take up to three graduate courses while he is completing the remaining prerequisites. All deficiencies, however, must be removed before a student will be admitted to candidacy for the degree.

An applicant may also be provisionally accepted into a graduate program without having achieved the minimum baccalaureate cumulative grade point average. In such cases, the applicant, if accepted, will be admitted provisionally for one semester or modular course and will be expected to exhibit increased achievement, attitude, and motivation in keeping with a strong desire to achieve academic excellence. The student may enroll for no more than nine credit hours. Failure to achieve the minimum 2.5 cumulative GPA required to maintain satisfactory academic progress will result in the student being placed on academic probation or, if warranted, being dismissed from the school.

## **Equal Opportunity and Nondiscrimination**

Calvary University admits students of any race, color, age, sex, nationality, or ethnic origin to all the rights and privileges, programs (for exception, see Pastoral Ministry major later in this catalog), and activities generally accorded or made available to students at the school. Calvary does not discriminate on the basis of race, color, age, sex, nationality, ethnic origin, or physical or mental disability in the administration of its educational policies,

admission policies, financial aid programs, athletic activities, or other College-administered programs. However, as a private religious institution, Calvary reserves the right to exercise preference on the basis of religion in all of its student admissions.

### **VISITING CAMPUS**

Prospective students are encouraged to visit Calvary's campus prior to enrolling. Prospective students and their families are always welcome and are urged to meet Calvary's students, attend classes, and visit with professors. During the academic year, visitors to the campus may be provided overnight lodging and meals. Please contact the Admissions Department at 816-322-3960 to schedule a tour.

Group visit days happen multiple times a year. These visits provide a thorough introduction to college life at Calvary for prospective students, parents, and sponsors. Activities include attending classes, meeting faculty, staying overnight in the dormitory, enjoying great food, attending a drama production, getting to know current students and future classmates, and other special activities. Information may be obtained from the Admissions Office.

## POLICIES

### Student Accounts

Responsibility for meeting the cost of the student's education rests upon the student. Students are responsible for payment in full of each semester's charges at registration.

Students are to check Populi for financial statements. Semester charges on the statement are required to be paid according to the payment plan approved at registration. All other charges except monthly rent are to be paid in full within 30 days of the charge. Rent must be paid between the first of the month through the tenth.

Students who have not paid their semester charges in full (which includes completing all grant, scholarship, loan and/or payment plan forms) by the last day to add a class or who become delinquent (past due) in caring for their financial obligations to Calvary will automatically be suspended from school. During the suspension period, the student will be administratively marked absent from class(es), and assignments and exam grades will not be counted. The student may be reinstated only after all delinquent financial obligations are brought current (i.e., paid) and clearance is obtained from the Business Office.

All students are responsible for making financial arrangements for their classes through the Cashier's office before classes begin. Registration for the next Cycle of classes is to be completed at least one week before the previous cycle has ended. Students not making financial arrangements may be dropped from registered courses for the following Cycle. Students not registering for classes the week before the previous Cycle ends may not be able to take classes in the following Cycle.

While adding and dropping classes is allowed for each Cycle, students are strongly encouraged to register for all classes before the beginning of each semester and as soon as registration opens. This will allow more time for the student to make financial arrangements and more time in the preparation / packaging of financial aid.

### **Student Withdrawal**

Withdrawal during the semester is generally inadvisable. However, unavoidable circumstances occasionally make it necessary. The matter should be discussed with the student's Academic Advisor, the Vice President of Student Development, or the Assistant Director of Student Development. There are two types of withdrawal: Official and Unofficial. (Please see Academics Section)

### **Student Health Insurance**

Calvary University strongly recommends that all students carry health insurance that covers them in the Kansas City area. (Many insurance plans do not provide coverage outside the "home" area, so it is important that you contact your insurance company to find out whether you will be covered in Kansas City.) All students must complete a Proof/Waiver of Student Health Insurance Coverage form and present it along with a copy of their insurance card (or other proof of coverage) to the Student Development Office prior to their first class. If a student is unable or unwilling to obtain coverage for the Kansas City area, that must be indicated on the Proof/Waiver form.

Calvary does not offer insurance plans, but students may contact Heritage Benefit Consultants (816-322-6350) for information on Short-Term or Long-Term medical plans that would be suitable.

### **Institutional Refund Policy**

#### Tuition & Course Fee Refund Schedule

Tuition and Course Fee refunds are based on the following percentages for both eight & sixteen-week courses:

#### Eight-Week & Sixteen Week Course Tuition & Course Fee Refunds

- 100% of tuition & course fees will be refunded for the first seven days of the course, with the start date of the Cycle counting as day one.
- 60% of tuition & course fees will be refunded starting for the eighth day through the fourteenth day, with the start date of the Cycle counting as day one.
- 0% of tuition & course fees will be refunded beginning the fifteenth day, with the start date of the Cycle counting as day one.

## FINANCIAL AID

### Satisfactory Academic Progress (SAP)

To be eligible for financial aid, students must meet SAP standards. Calvary's SAP policy is the same for Federal Student Aid (FSA) recipients and non-FSA recipients, and it applies to all educational programs and to all students within categories (e.g., full-time, part-time, undergraduate, graduate, and Ph.D. students). If a student fails a SAP check, eligibility for financial aid is lost, although an appeal may be made (see Appeals).

SAP is checked once per Academic year depending on the student's enrollment. It is done after either Cycle 5 or Cycle 6, after final grades have been posted.

### Two Components of the Satisfactory Academic Progress Policy

The first is a qualitative standard based on cumulative grade point average (CGPA). To be making satisfactory academic progress, all financial aid recipients must have a CGPA of 2.0 at the required annual review.

The second is a quantitative standard. Essentially, this means the "pace" at which a student must progress through a program in order to ensure that they will graduate within the maximum timeframe. Our pace is calculated by dividing the total hours successfully completed by the total hours attempted. All financial aid recipients must obtain a pace of 67% at the annual review. Our maximum timeframe is 150% of a program's requirements.

For example, to earn a degree in Biblical Counseling requires 126 hours. The maximum timeframe is 189 credit hours ( $126 \times 1.5 = 189$ ). The pace:  $126 \text{ (hours to earn degree)} / 189 \text{ (maximum time)} = 67$ . At the time of the annual review, a student who took 30 hours (15 per semester) must complete at least 20 hours ( $20/30 = .66666$  rounds up to 67%). Extending this same pattern: Year 2 (Y2) = 40/60; Y3 = 60/90; Y4 = 80/120; Y5 = 100/150; Y6 = 120/180; Y7 = 126/189.

There could be many combinations of this "pace," accounting for semesters with less than full-time enrollment status, taking more than 30 hours, completing less or more hours than the required 67%, etc. For example, a traditional student takes 6 hours (half-time) in each of the fall and spring semesters (full-time is 12 hours per semester). A total of 12 hours taken requires 8 hours completed ( $8/12$ ) to be satisfactory. If a student takes 30 hours and completes 18 hours ( $18/30 = .60$  or 60%), this would be unsatisfactory academic progress. During year 2, this same student takes 34 hours and completes 31. So, the total attempted hours is now 64 hours and the total completed hours is now 49 ( $49/64 = .7656$ , or 77%); this student would regain SAP.

A complete SAP review includes both the CGPA and pace percentage. At the annual review, a student could have a 1.9 CGPA (unsatisfactory), yet have completed 24 of 30 hours (satisfactory). Both components must be satisfactory to continue financial aid eligibility.

All periods of enrollment will be counted, regardless if a student received financial aid or not. Course failures (F), incompletes (I), withdrawals (W, WP, or WF), and remedial courses ("O" prefix) count as courses attempted but not completed (earned).

Transfer credits count as courses taken and completed. Course repetitions always count as courses attempted, may or may not be courses completed (depending on the grade), and, if the student later passes with a higher grade, then CGPA is impacted (a student must formally request removal of the previous D or F).

By the time grades are posted and the annual review conducted, students who fail to make satisfactory progress are not likely to be on campus. Therefore, the primary notification will be by letter sent to the student's home address. As a backup, an email to the student's Calvary email address will also be sent.

### **Appeals**

If a student loses eligibility to receive financial aid because of failure to make satisfactory progress, he or she may appeal that result on the basis of injury or illness, the death of a relative, or other special circumstances. Examples of special circumstances include but are not limited to: changing majors, if any grades that do not count in the new major impact SAP; if, after an unsatisfactory annual review, an "I" is converted to a passing grade; or, regaining SAP after one semester of ineligibility.

In an appeal, a student must explain failure to make satisfactory progress or why they believe they should be in a satisfactory status. An explanation should include specifics; e.g., changes to situation, errors, and other relevant information.

Appeals must be submitted in writing or by email to the Financial Aid Office for review by the Student Aid Appeals Committee (SAAC). The SAAC may decide to require more extensive information on an initial appeal and some type of an updated statement on a subsequent appeal.

The SAAC will review a student's appeal and notify the student in writing of their decision. A copy of this letter will be placed in the student's financial aid file. The SAAC has the following actions: deny an appeal, probation without an academic plan, probation with an academic plan, reinstate eligibility, and return the appeal to the student for additional information.

### **Financial Aid Probation**

Financial aid probation is a status a school assigns to a student who is failing to make satisfactory academic progress and who successfully appeals. Eligibility for aid may be reinstated for one payment period.

If the SAAC determines that a student should be able to meet the SAP standards by the end of the subsequent payment period, the student may be placed on probation without an academic plan. A student's progress must be reviewed at the end of that one payment period.

If the SAAC determines that a student will require more than one payment period to meet SAP standards, the student may be placed on probation with an academic plan developed with the academic advisor. The academic plan needs to ensure that the student is able to meet SAP standards by a specific time and is to be approved by the ACC.

A student's progress under an academic plan must also be reviewed at the end of that one payment period to determine if the student is meeting the requirements of the academic plan. If meeting the requirements, the student is eligible to receive aid as long as the student continues to meet the requirements and is reviewed according to the requirements in the plan.

### **Subsequent Appeals**

A student on probation without an academic plan, who fails an SAP check, may only continue to receive aid under a subsequent successful appeal to the SAAC. Follow the same procedures outlined above, including notification and documentation.

A student on probation with an academic plan, who fails an SAP check, may appeal again but is unlikely to have their appeal approved. Follow the same procedures outlined above, including notification and documentation. Only a successful appeal to the ACC can change an academic plan.

### **Reestablishing aid eligibility**

Students regain financial aid eligibility by taking action that brings them into compliance with SAP standards. This can be done without having appealed by achieving a 2.0 CGPA and/or meeting the 67% “pace” at the next annual SAP check, by a successful appeal that reinstates eligibility, or by successfully completing probation with or without an academic plan.

### **Return of Title IV Funds (Federal Funds)**

Per federal regulations, schools are required to provide students with the details of all refund policies which may be applicable to them, as well as information on the requirements for determining the amount of Title IV funds a student has earned when he/she withdraws. Contact the Financial Aid Office for details of these policies.

If a student who receives Title IV grant or loan funds withdraws from school after beginning attendance, the amount of Title IV grant or loan funds earned by the student must be determined. If the amount disbursed to the student is greater than the amount the student earned, the unearned funds must be returned. If the amount disbursed to the student is less than the amount the student earned, and for which the student is otherwise eligible, the student is eligible to receive a post-withdrawal disbursement for aid earned but not disbursed.

### **Federal Aid Programs**

Eligibility for federally funded financial aid is established by the United States Department of Education regulations. All of Calvary’s undergraduate programs, excluding the one-year certificate program, are eligible for federal aid. The Free Application for Federal Student Aid (FAFSA) is primarily, but not exclusively, used to determine whether a student qualifies for federal financial aid and how much aid will be received. Step-by-step instructions for the online FAFSA may be obtained from Calvary’s Admissions or Financial Aid Offices; or log onto <https://studentaid.gov/h/apply-for-aid>. Calvary’s U.S. Department of Education Title IV Institutional Code is 002450.

When completing the online FAFSA, the Department of Education regulations require students and/or their families to report all sources of income (including, but not limited to, employment, Veterans Benefits, interest on investment income, trust income, inheritance, etc.).

After the FAFSA form is evaluated, the applicant is issued a Student Aid Report (SAR) which specifies the student’s Estimated Family Contribution (EFC). The EFC is the amount of money the student and/or his family is expected to pay toward the student’s educational expenses. Also, the EFC assists in determining the amount of Pell Grant money the student

is eligible to receive, and it assists in determining the student's eligibility for the federally funded loan programs.

All financial aid funds received through the federal government Title IV assistance program at Calvary are disbursed and credited directly to the student's account throughout the semester, approximately four weeks after classes start. Funds are disbursed for only those classes which have begun and for which the student's academic activity has been verified.

### **Credit Balances and Overage Checks**

When a student has an FSA credit balance (disbursed federal funds exceed allowable charges), a check for the credit balance will be made available to the student within 14 days of Calvary receiving the funds which created the credit balance. The student will receive an email from the Cashier sent to their Calvary email address, notifying and instructing them on how and where the check may be obtained when it is available. If the student wishes, they may instruct the Financial Aid office to hold the credit balance on their Student Account until the end of the semester. An authorization form is available from either the Financial Aid or Cashier Offices.

### **Grants**

Calvary University participates in the Pell Grant program, a need-based program funded by the U.S. Department of Education. The maximum amount for the academic year beginning in Fall 2021 is \$6,495 per semester). For a student to be eligible, a FAFSA must be completed, and the resulting EFC on the student's SAR must be low enough to qualify (see "Federal Aid Programs"). A grant is "free" money in that a student does not pay it back to the school or government. The Financial Aid Office can answer questions about the Pell Grant.

### **Loans**

Calvary University participates in the Stafford Loan program, a student loan program under the U.S. Department of Education. Stafford Loans are NOT "FREE" MONEY AND MUST BE PAID BACK. Interest rates are low, and repayment begins six months after graduation or if enrolled for less than six credit hours. The amount that may be borrowed and the loan type(s) depend on financial need, college classification, and dependent or independent status. The first step in seeking a loan is completing the FAFSA. The student must also complete Entrance Counseling and a Master Promissory Note online at <https://studentaid.gov/h/complete-aid-process>.

Another federal loan program, the PLUS loan, is available at Calvary University. It is for parents of dependent students. Repayment on the loans begins immediately. The parent is responsible for repayment. The parent applies for a Parent Plus loan by logging in with their FSA user ID at <https://studentaid.gov/plus-app/parent/landing>.

### **Exit Counseling**

Student borrowers of Direct Loans, who are graduating, leaving school, or are taking less than six hours in any semester, are required by law to complete exit counseling. Exit counseling provides important information a student needs to prepare for repaying their student loan(s). During exit counseling, the student will review their rights and

responsibilities as a borrower. The student will also need to provide the names, addresses, email addresses, and phone numbers for their next of kin, two references who live in the United States, and their current or future employer. Calvary requires students to fulfill their legal requirement of completing exit counseling online. For more information, please contact the Financial Aid Office.

**Federal Supplemental Educational Opportunity Grant (FSEOG)**

This is a grant available to students who have financial need. Recipients will be chosen in order of priority based on students with the lowest EFCs (expected family contribution number from FAFSA) who are also receiving Pell. Limited funds are available for this grant. Therefore, not all who qualify will receive an award.

**Veterans’ Benefits**

Calvary is approved for the education of veterans. Calvary is currently authorized and accepts the following well-earned federal military and veteran’s educational benefits:

- ✓ GI Bill
- ✓ Vocational Rehab
- ✓ Tuition Assistance Program

**GI Bill®**

*Note: GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <https://www.benefits.va.gov/qibill>.*

The Post-9/11 GI Bill provides financial support for educational and housing expenses to individuals with at least 90 days of aggregate service after September 10, 2001, or individuals discharged with a service-connected disability after 30 days. You must have received an honorable discharge to be eligible for the Post-9/11 GI Bill.

Calvary directly invoices and receives payment from the VA each semester for the charges which are listed on the Student’s Billing Statement. Housing allowances are paid directly to the service member by the VA. To use your GI Bill benefits, you will need to provide the Financial Aid Office at Calvary your *Certificate of Eligibility* from the Department of Veterans Affairs. Service members and veterans should visit [this link](#) to access their VA benefits. Students with questions concerning their VA benefits, including how much their benefit is, should contact the VA.

**Vocational Rehab**

Service members eligible for VA Vocational Rehab benefits will need to provide the Financial Aid Office with their Authorization and Certification (VA Form 28-1905). The Authorization form will allow Calvary to directly invoice and receive payment for authorized charges on the student’s billing statement. The service member should contact their case manager with questions concerning their benefits and authorization.

### **Tuition Assistance**

If a student is currently serving in the military, they may be eligible for funding offered through the Department of Defense Tuition Assistance Program (TA). Eligibility for TA is solely determined, authorized, and funded by the student's branch of Service.

Service members who wish to use TA, should request it through their military branch of service prior to enrolling and starting classes. Approval of TA requires a student to submit an Academic Planner for their program of study to the branch of service. Students should contact their Academic Advisor to obtain a Program Planner.

Once a student's request for TA has been authorized, the Financial Aid Office should be immediately notified. The Financial Aid Office will then directly invoice and receive payment from the student's branch of service.

Calvary University has a strong desire to support and serve the needs of our veteran students; this is especially true in situations beyond their control. Therefore, we shall not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries or other institutional facilities on Chapter 31 or Chapter 33 recipients due to the delayed disbursement of a payment by the U.S. Department of Veteran Affairs. Furthermore, in such circumstances, we will not require these recipients to borrow additional funds to cover the individual's inability to meet his or her financial obligations to Calvary.

## **SCHOLARSHIPS**

Calvary awards scholarships to cover tuition and fees. All other payments on a student account, including outside scholarships, Pell Grant, and student loans are applied to a student's billing charges first, then Calvary funded scholarships to any remaining balance. Consequently Calvary does not payout credit balances created by Calvary scholarships to students. Rather, such credit balances remain on the student's account and used for future billing charges.

### Eligibility requirements:

- Must be a Full-time, degree seeking student.
- Continuing students should submit completed scholarship application by April 1<sup>st</sup> for Fall Semester, or December 1<sup>st</sup> for Spring Semester.
- New students should submit completed scholarship application after acceptance.

Students are notified by email of scholarship awards beginning in late April. Continued eligibility requires students to fulfill all service and enrollment requirements, maintain satisfactory academic progress, and annually re-apply for scholarships. Additionally, other academic or special qualifications may be necessary, depending on the scholarship.

In order to make the scholarship program at Calvary a success, Calvary requests that scholarship recipients be willing to volunteer and help with the President's Dinner in September and with the Alumni Phone-a-thon in February. In addition to the direct financial benefit to the student body, these events provide an opportunity for those who serve to network and connect with alumni and others who support CU and CU students. (Matthew 10:8; 2 Corinthians 9:6-8)

### Monthly ACH Payment Plan

Calvary offers the Monthly ACH Payment Plan (MAPP). This is provided through Nelnet. Nelnet arranges payments for students and/or parents via automatic payment withdrawals from a savings or checking account or with a credit or debit card. A \$40 per semester enrollment fee is paid to set up payments for each semester. The enrollment fee and any missed payments are due upon enrollment. The monthly payment is automatically deducted on either the 1<sup>st</sup> or the 20<sup>th</sup> day of the month and all payments apply toward the student's semester charges. There are no interest charges. Calvary reserves the right to charge service fees for payments that are rejected for insufficient balances. MAPP payments should be set up in advance of a semester in order to divide balances into the maximum number of payments and smallest monthly withdrawals. To enroll in a payment plan, please visit [www.calvary.edu/cashier](http://www.calvary.edu/cashier).

### EMPLOYMENT

A limited number of on-campus jobs are available for students. Areas of employment include clerical positions, food service, security, maintenance, and housekeeping. Any student who works for the College will have the option of applying their earnings directly toward their bill.

Occasionally, off-campus job openings are published in the Chatter, but Calvary is not able to offer a job placement service for students who are looking for off-campus work.

The Department of Homeland Security requires employers to view a new employee's original (not copied) ID documents within three days of the date of hire. Students planning to seek employment while at Calvary may contact the Human Resources office for information about the type of identification required.

## ACADEMIC POLICIES

Students are responsible for knowing and abiding by the policies, procedures, regulations, and requirements set forth in the University catalog and published supplements to it.

### Academic Classification

Students are classified in two areas: 1) Degree seeking students - those seeking a degree or certificate, or 2) Non-degree seeking students - those taking classes to satisfy requirements at another college or for other personal reasons.

Undergraduate degree students are classified according to the number of credit hours they have earned:

Freshmen	→	FR	1 - 29 credit hours
Sophomores	→	SO	30 - 59 credit hours
Juniors	→	JR	60 - 89 credit hours
Seniors	→	SR	90+ credit hours
Non-degree students are classified as ND and are not classified based on hours.			

### Academic Load

A normal undergraduate academic load is 16 credit hours per semester. A minimum of 32 credit hours per year for four years is required for a student to earn a degree in a professional major requiring 126 credit hours. Some majors require more than the minimum 126 credit hours. To be considered a full-time student at the undergraduate level, a student must enroll in a minimum of 12 hours per semester.

Undergraduate students desiring to enroll for more than 18 credit hours in a semester are required to obtain approval from the Registrar and their Academic Advisor and should have a cumulative grade point average of 3.0 or above. Undergraduate students wishing to take 24 credit hours or more in a semester must appeal in writing to the Academic Curriculum Committee (ACC). A student, with a minimum of a 3.5 GPA and who has appealed and received ACC approval, may take up to a maximum of 27 credit hours per semester.

Graduate students wishing to take 12 to 15 hours per semester should obtain approval from their program chairman and the Registrar's office. Graduate students wishing to take 18 hours or more per semester must appeal in writing to the ACC. To be considered a full-time student in the Graduate division, a student must take at least 9 hours per semester.

## **Credit Hours**

Credit hours are granted for each class taken. One credit courses include 45 hours of combined in-class and out-of-class work; two credit courses include 90 hours of combined in-class and out-of-class work; three credit courses include 135 hours of combined in-class and out-of-class work, and four credit courses include 180 hours of combined in-class and out-of-class work.

## **Declaring a Major**

All undergraduate degree-seeking students are required to declare a professional major by the time they have earned 30 credit hours. Students transferring in 30 or more credit hours are required to declare a professional major upon entrance to Calvary. An undergraduate student can be degree-seeking, have earned less than 30 credit hours, not have declared an official professional major (listed as Undeclared), and still be eligible to receive Federal financial aid. However, failure to follow this policy means that a student becomes ineligible to receive Federal financial aid. A student is required to be accepted into a professional major in order to graduate.

## **Academic Advising**

Calvary University offers Academic Advising to all students. The Academic Advisor works closely with the Director of each program offered at Calvary to ensure that the student has accurate information concerning their program. The Advisor's function is to guide students through their academic career at Calvary. Students are encouraged to contact the Academic Advisor(s) regarding any academic problems they may face.

While the Academic Advisor is there to help guide, students are responsible to ensure that all courses are taken according to the program requirements specified for the student's professional major and that all degree requirements are met. The ultimate responsibility for knowing program requirements and proceeding to satisfy those requirements in an orderly and timely manner belongs to the student.

## **Course Levels and Requirements**

Students are to complete lower-level course requirements before taking higher-level ones. Thus, a student's 100-level course requirements are to be completed before the student takes 200-level courses, etc. When circumstances warrant, students may take courses at the next higher level while completing course requirements at a lower level

### **Course Numbering System**

001-099	Pre-college, not-for-credit, or remedial courses
100-199	Freshman level courses
200-299	Sophomore level courses
300-399	Junior level courses
400-499	Senior level courses
600-699	Graduate level courses
700-799	Doctorate level courses

## Orientation

New freshmen and transfer students are required to take an online orientation session during their first semester at Calvary. This time is used to inform them of University policies and regulations.

## Residency Requirement

Students enrolling to complete the certificate program are required to complete all of the course requirements for the certificate at Calvary.

Students enrolling to complete an associate's or bachelor's degree must complete at least 32 of their last 41 hours of credit toward their degree at Calvary, no matter how many credits may have been transferred from other colleges earlier in their program. Courses taken to meet program requirements that are not offered at Calvary, and therefore are taken at other schools, are exempt from this residency requirement (e.g., Professional Directed Studies major courses and student teaching courses).

All students must still complete at least 32 hours of course work at Calvary in order to receive a degree. Online students must complete at least 32 of their last 41 hours of credit toward their degree with Calvary.

## Residency Requirements – Graduate School & Seminary

All requirements for the Master of Arts and Master of Science Degrees are to be completed within four years from matriculation as a degree-seeking student.

Requirements for the Master of Divinity degree are to be completed within six years from matriculation. Extensions are not automatic and are given only upon the approval of the Graduate School and Seminary faculty in response to a written request. Missionaries may request a total of two consecutive furloughs to complete course work.

Course work more than five years old at the time of initial enrollment or reenrollment, if the student has not been continuously enrolled, may not be used toward meeting degree requirements. Requests for exemptions may be submitted in writing to the Dean of the Graduate School or the Dean of the Seminary. Approval is not automatic and may require validation of the course work.

## Residency Requirements – Doctoral program

Students enrolling to earn a doctor's degree must complete their entire doctoral program at Calvary. Students are expected to take one course each cycle that courses are offered for the duration of their program.

## ACADEMIC HONESTY

It is assumed that all students enrolled at Calvary have done so for the primary purpose of learning. As such, students are expected to refrain from those actions that contradict this

purpose and which would jeopardize their Christian character and testimony. Plagiarism is strictly prohibited, and academic cheating of any type will result in disciplinary action and may include dismissal.

Plagiarism is defined as copying any part of a book or paper without identifying the author. This includes taking another person’s ideas and presenting them as your own. Plagiarism of any kind will not be tolerated.

Required class research papers must be original and not used for credit for any other class, (high school, college, or graduate/seminary), or resubmitted when retaking a course, without the professor’s permission.

**Penalties for Violation of Federal Copyright Laws**

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorney’s fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the website of the U.S. Copyright Office at [www.copyright.gov](http://www.copyright.gov).

**ASSIGNMENTS**

Students are responsible for on-time fulfillment of all assignments made by professors. Grades may be reduced for late work. Assignments are to be completed according to accepted standards for research, investigation, reporting, spelling, organization, style, grammar, neatness, and originality.

**ACADEMIC YEAR**

The Academic year at Calvary University consists of two semesters (Fall & Spring), each consisting of three Cycles. The Fall semester (Cycles 1, 2, and 3) begins the first of July and concludes the middle of December. The Spring semester (Cycles 4, 5, and 6) begins in January and concludes the end of June. Course work in all classes runs concurrently throughout the entire cycle.

Fall Semester			Spring Semester		
Cycle 1	Cycle 2	Cycle 3	Cycle 4	Cycle 5	Cycle 6
July/Aug	Sept/Oct	Nov/Dec	Jan/Feb	Mar/Apr	May/June

## ATTENDANCE

Calvary University has no official attendance policy. Students are responsible to the class instructor for work missed during an absence for any cause. When classes are missed due to official school sponsored events or functions the sponsoring faculty should submit a list of affected students to the Academic Office, who will then make the list available to all instructors to verify excused absences.

### Class Withdrawal

In no case is the cessation of class attendance taken as intent to withdraw from or drop a course. In order to officially withdraw from a class, the student must notify the Registrar's Office. (Please see the Refund Policy in the Finances section of this catalog for information about withdrawing from a class.)

### Course Cancellations

All course offerings are subject to enrollment minimums. The University reserves the right to cancel classes for which there is insufficient enrollment.

## COURSE OFFERINGS

### Daytime Courses (8-Week & 16-Week)

Traditional classes are offered during the day and most classes meet one day a week, however some classes may meet twice a week. Cycles are generally eight weeks long, except for Cycle 1, which lasts six-weeks. This allows students to schedule courses during each cycle. Some courses are offered over two consecutive cycles in a sixteen-week format.

### Evening Courses

Evening courses meet one evening per week for the eight-week or sixteen-week cycle. These courses allow the student who works during the day to have flexibility in scheduling.

### Online Courses

Online courses are designed to take advantage of the best attributes of both "in class" instruction and online learning by integrating the two formats into a single course delivery method.

- Classes are available in the online format utilizing Canvas, Calvary's Learning Management System, in which professors teach classes composed of students in the traditional classroom setting, as well as "distance" students who are taking the same course from a remote location and using the same course syllabus
- Students taking the class in a distance format will access the class sessions in their Canvas portal by viewing class lectures and participate in class engagement in the Portal.

**Directed Study Courses**

Directed Study courses are exceptional arrangements permitting course credit to be earned through individualized study with one of Calvary's professors for a class that is needed for graduation, but is not offered during a semester the student needs the course. Directed Study courses usually last 16 weeks. Students are limited to 9 credit hours total for Directed Study courses.

Written approval for each study is required from the Registrar, the student's academic advisor, the professor overseeing and grading the study, and the Chief Academic Officer. Directed Study forms are available in the Registrar's Office.

**Legacy Courses**

Calvary University offers a limited number of online only courses. These are online courses that students may sign up for if the course is not offered during a given semester and if it will not be offered again by the time they graduate. To register for Legacy courses, students are to meet with their academic advisor for course approval. These courses follow the online model consisting of recorded video lectures, discussion questions, and note taking. Instructors will use discussions and notes to interact with individuals on a regular basis. Legacy courses are not available for personal enrichment.

**Non-classroom (Office) Courses**

Non-classroom (office) courses are designed to give a student practical application in a non-classroom situation. Courses such as student teaching, internships, and practicums would be examples of these types of courses.

**Applied Lessons**

Applied music lessons are individualized or small group private lessons given for credit in specific musical areas. Applied music lessons may not be audited or taken for personal enrichment.

**Modular Courses**

Modular Courses meet in a modular format usually covering three consecutive days and evenings, one week, or two consecutive weekends. Modular courses also require completion of pre- and post-class assignments. The entire course (including pre- and post-course work) covers the entire eight-week cycle. Pre-class and post-class assignments must be completed and submitted according to the due dates in the course syllabus.

**Auditing**

Auditing a class is open to any degree-seeking student currently enrolled in a class for credit. Those auditing a class are not required to take examinations, quizzes, or do other projects that may be assigned. At the discretion of the professor, auditors do not participate in class discussions or have assignments graded. Academic credit is not received and hours are not computed in the grade point average. A class being audited may not be changed to being taken for credit after the last day to add a class. Only regularly scheduled classroom courses may be audited and then only for the hours for which the course is scheduled. Not all courses are available for audit. Private lessons or Science labs may not be taken for audit.

or personal enrichment. Registering for a class to be audited must be done through the Registrar's Office.

### Personal Enrichment

Taking a class for personal enrichment follows the same guidelines as auditing a class with two exceptions. First, the person does not have to be a degree-seeking student. Second, attending the class does not generate an academic record. Therefore, there are no listings on the transcript for classes taken for personal enrichment. Please note that a non-degree-seeking student may not pay the degree student rate for personal enrichment, but rather must pay the rate for someone who is not a student. Online registration is not available for personal enrichment participants. Professors approval must be received prior to beginning a personal enrichment class. Forms are available in the Registrar's Office.

## ENROLLMENT

Enrollment in a class is not official until the proper registration procedures have been processed through the Registrar's Office and all financial obligations have been paid, or approved arrangements for payment have been made in the Financial Aid Office and Cashier's Office.

## REGISTRATION

Calvary University holds early registration for the upcoming semester for all students. Registration for the Spring Semester begins in October and registration for the Fall Semester begins in March. Students are to meet with their academic advisor prior to registering for courses.

### Dual Credit (Undergraduate / Graduate)

Certain circumstances may exist where a student may need to enroll in both undergraduate and graduate courses concurrently. They may do so under the following provisions.

- The student must apply and be accepted by the Graduate School or Seminary before enrolling in courses.
- The student must not enroll in more than nine (9) credit hours of graduate credits.
- The student must need no more than twelve (12) credit hours to receive their undergraduate degree, and be during their last Semester of undergraduate studies.
- The student must have and maintain at least a 2.500 cumulative GPA.
- The student must file the proper paperwork in the Registrar's Office with the signatures of their Academic Advisor, Dean of the Seminary or Graduate School, and Registrar before enrolling in the courses.

## Schedule Changes

### Adding a Class

Classes can be added in Populi or by contacting the Registrar's Office or an Academic Advisor. It is not advisable for a new student to add classes to their schedule during their first semester at Calvary.

- 8-Week & 16-Week Classes:
  - Students can add a class during the first week of the cycle.

### Dropping a Class

Classes can be dropped in Populi or by contacting the Registrar's Office or an Academic Advisor. It is not advisable for students to drop classes once classes have begun.

- 8-Week Classes:
  - Courses may be dropped during the first week of the cycle.
  - A grade of W will be assigned if the student withdraws from the class after the first week through the end of the fifth week of the class. Dropping a class after the fifth week, the student will receive a WF or WP grade.
- 16-Week Classes:
  - Courses may be dropped during the first week of the cycle.
  - A grade of W will be assigned if the student withdraws from the class after the first week through the end of the ninth week of the class. Courses may also be changed from being taken for credit, to audit through the ninth week of classes. Students withdrawing or being expelled from a class or school after the ninth week of classes are assigned WP or WF grades.

### Withdrawing from a Class

If a student needs to drop a class and does not drop within the time period allowed, then a withdrawal will be entered and the student will receive either a **W**, **WP**, or **WF** on their transcript.

- For an 8-week course, a **W** grade is given when:
  - A student officially withdraws from a course during the second through the fifth weeks.
  - A student is expelled before the sixth week of classes (assigned to all courses).
  - A student is officially withdrawn after one week for failing to begin a course.
- For a 16-week course, a **W** grade is given when:
  - A student officially withdraws from a course during the third through the ninth weeks.
  - A student is expelled before the tenth week of classes (assigned to all courses).
  - A student is officially withdrawn after two weeks for failing to begin a course.
- an 8-week course, a **WF** grade is given when:
  - A student officially withdraws from a course, during the sixth week through the end of the course, and the course-work-to-date is failing.
  - A student is expelled during the sixth week through the end of the course, and the course-work-to-date is failing (assigned to all courses).
  - A student is officially withdrawn for beginning a course but failing to complete it, and the course-work-to-date is failing.

- For a 16-week course, a **WF** grade is given when:
  - A student officially withdraws from a course during the tenth week and through the end of the course, and the course-work-to-date is failing.
  - A student is expelled during the tenth week and through the end of the course, and the course-work-to-date is failing (assigned to all courses).
  - A student is officially withdrawn for beginning a course but failing to complete it, and the course-work-to-date is failing.
  
- For an 8-week course, a **WP** grade is given when:
  - A student officially withdraws from a course, during the sixth week through the end of the course, and the course-work-to-date is passing.
  - A student is expelled during the sixth week through the end of the course, and the course-work-to-date is passing (assigned to all courses).
  - A student is officially withdrawn for beginning a course but failing to complete it, and the course-work-to-date is passing.
  
- For a 16-week course, a **WP** grade is given when:
  - A student officially withdraws from a course during the tenth week and through the end of the course, and the course-work-to-date is passing.
  - A student is expelled during the tenth week and through the end of the course, and the course-work-to-date is passing (assigned to all courses).
  - A student is officially withdrawn for beginning a course but failing to complete it, and the course-work-to-date is passing.

The untimely death of a current student presents an exception to the stated policy. The deceased student will receive a W grade for all courses not complete. Instructors and the Financial Aid Office will be notified of the student's death, along with the President's Office, the Vice President of Student Affairs, the Chief Academic Officer, and the Finance Office.

## FIRST-YEAR STUDENT EXPERIENCE

Calvary University has developed a First-Year Student Experience to create experiences that will motivate students to be successful learners and help them connect with others. Students will be part of learning communities by registering in common or "core" courses in the student's declared major.

The Program Learning Outcomes for this First-Year Experience are as follows:

**Spiritually** – We want students to grow more mature spiritually through their time at Calvary and provide evidence of foundational understanding of spiritual truth.

**Academically** – We want students to develop strong study habits and produce evidence of strong writing and research skills that will give them the foundation for continued academic success.

**Socially** – We want students to develop new friendships and appreciate the cultures and perspectives in our diverse context and collaborate with others and participate in campus life activities.

**Emotionally** – We want students to develop a growth mindset and persistence that displays strategies to manage the transitional, emotional, and academic challenges that arise during the first-year experience.

**Physically** – We want students to demonstrate a healthy balance between spiritual, academic, social and emotional domains as well as develop healthy life habits.

**English Proficiency / Introduction to College Composition**

Placement in Introduction to College Composition (EN100) may be required based on an Admissions Committee review of a student’s ACT English score, SAT English score, GPA, TOEFL score, and a student’s writing skills demonstrated by an essay response question. Students may not appeal the Admissions Committee decision requiring placement in EN100.

### Grade Point Average

The Calvary Grade Point Average (GPA) is calculated using the following formula: GPA equals total grade points from courses taken at Calvary divided by total credit hours. Total grade points is the sum of the products of the credit hours of each course taken at Calvary times the grade point value of the grade earned in each course (see “Grading System” for grade point values). Total credit hours are the sum of the credit hours taken at Calvary. Pass/Fail courses do not affect total credit hours for the purpose of calculating the GPA. The Calvary GPA is calculated using only courses taken for credit at Calvary. Transfer credit does not affect the Calvary GPA.

### Course Grades

Grades become final six weeks after they are posted at the end of the semester or cycle in which they were earned. Appeals regarding a grade given in a particular class should first be made to the professor, and then, if satisfactory terms are not reached, further appeal may be made to the Academic Office (within the six weeks following the posting of the grades at the end of the semester or cycle). Appeals to the Academic Office must be in writing.

### Explanation of Other Possible Grade Listings

- P** Passing or better work; not figured in the grade point average.
- F** An F grade is only given if a student starts and finishes a course. A student must earn an F grade; it is never given to a student who starts but does not finish a course (that student would be given either a WF or WP).
- I** Incomplete; issued only upon approval and for extenuating circumstances; allows the student to complete course work up to six weeks after the end of a term. The grade for the course is lowered by one letter grade. The grade becomes an “F” by default if the course work is not submitted within the six-week period. An “I” is not figured in the grade point average.
- W** (Withdraw) grades are not figured in the grade point average.
- WF** (Withdraw Fail) grades are figured as an **F** in the grade point average.
- WP** (Withdraw Pass) grades are not figured in the grade point average.
- LA** Leave of Absence; requires a student to be out of class for up to 180 days. Students not returning within the 180-day period will be issued a “WF” grade for all classes having the “LA” designation.
- AU** Successful Audit; indicates regular attendance and involvement in an audited course; academic credit is not received and hours are not computed in the grade point average.

**WA** Withdrawn Audit or Unsuccessful Audit.

### **Request to Complete Course Work/Incomplete**

Unavoidable circumstances occasionally make it necessary for a student to request additional time to complete course work for a class after the end of each cycle. If it is necessary, the following procedure is to be followed:

- The student completes the “Request to Complete Course Work” form from the Registrar’s Office and obtains the required approval signatures.
- All course work should be completed and submitted to the professor no later than six weeks after the end of the cycle.
- By faculty action, the course grade awarded will be lowered one letter grade; exceptions may only be made by the Academic Curriculum Committee (ACC).
- A grade of “I” (incomplete) will be assigned as the course grade until a grade change is processed after completion of the course work. An “I” is not figured in the grade point average.
- A fee of \$50 is applied for each course with the “Request to Complete Coursework” form.

### **Repeating a Course**

Undergraduate students may repeat a course for credit when grades of “D”, “F”, or “WF” have been earned. Some professional degrees may require courses to be repeated with a grade of “C” or lower. Graduate School / Seminary students may repeat a course for credit when grades of “C”, “D”, “F”, or “WF” have been earned. When the course is repeated for credit, both grades will appear on the student’s transcript, but only the repeated grade will be calculated in the cumulative GPA. In no case, if a course is repeated, will credit toward a degree be given twice for the same class. The student should fill out the appropriate paperwork in the Registrar’s Office for removing the original grade. No more than 24 credit hours can be repeated for credit.

### **Final Examinations**

Final Exams are given at the discretion of the professor at the end of each course.

### **Academic Recognition (Dean’s List & Honor Roll)**

Undergraduate students who have earned 12 or more credit hours from Calvary in any given semester are eligible to receive academic recognition.

The Dean’s List for each semester is composed of those students who achieve a 4.000 semester grade point average.

The Honor Roll is made up of those students who achieve a semester grade point average of at least 3.500 but less than 4.000.

### **Portfolio Course**

The Portfolio course is an elective course designed for undergraduate students to organize an assessment of the student’s past personal achievements, experiences, training, and education. Students will learn how to document important activities they have

experienced. In many cases, students are able to achieve additional credit over and above the three credit hours earned for this class.

### **Notebook**

Students assemble a Portfolio notebook summarizing their formal academic education and professional work and/or life experiences. The student will receive detailed instructions for compiling their portfolio notebook from the Registrar's Office.

Each student is required to write a Prior Learning Assessment as part of the requirements for the portfolio. If additional portfolio assessment credit is needed, this and/or other Prior Learning Assessments may be submitted to the Registrar's Office to petition for portfolio assessment credit any time before graduation.

### **Credit**

The number of portfolio assessment credits varies with each student and is listed on the student's program planner along with his/her other completed degree requirements.

For a Bachelor's degree, up to a total of 22 credits required for the degree may be earned. For an Associate's degree, up to a total of 15 credits required for the degree may be earned. No portfolio credits will be awarded for students in a One-Year Certificate program.

Credit hours earned through portfolio assessment are recorded as transfer credits on the student's transcript. The Registrar, Chief Academic Officer, and/or the student's advisor will advise the student in completing this phase of the program.

## **ACADEMIC PROGRESS**

### **Undergraduate Students**

Students who maintain a cumulative grade point average equal to or greater than 2.000 will be considered to be making satisfactory progress. The academic status of these students is "Good Standing." All students receiving an academic warning or who are on academic probation because of low grades are strongly encouraged to take advantage of The Clark Academic Center. Calvary has provided The Clark Academic Center to help students be successful in their academic pursuits.

### **Graduate / Seminary Students**

Students who maintain a cumulative grade point average equal to or greater than 3.0 will be considered making satisfactory progress. A cumulative GPA of less than 2.5 will result in the student being placed on academic probation and limited to a maximum of three credit hours per cycle. Two consecutive semesters on probation will result in a review of the student's eligibility to continue in the program.

### **Success Advising:**

The student's Academic Advisor serves also as a Success Advisor for students who are admitted on Academic Probation and for current students who have been placed on Academic Probation. Possible adjustment to schedules, meetings with The Clark Academic Center, and one-on-one meetings are designed to motivate and set students up to succeed

and ultimately work themselves off probation. Success advising is only for academic needs and not for emotional issues. Accommodations Support Services is a separate program, and accommodations will only be set up for students who have applied and have been accepted into the program.

### **Academic Warning**

Undergraduate students who earn a semester GPA lower than 2.000 while maintaining a cumulative GPA above 2.000 will receive an academic warning. Continued performance of this quality may result in academic probation.

### **Academic Probation**

Undergraduate students whose cumulative grade point average falls below a 2.000 at any time will have earned the academic status of "Probation."

Probationary students are subject to academic limitations and restrictions on extracurricular activities such as athletics, drama, and musical groups. No student on academic probation may suit up for athletic games or travel with the team. However, they may practice with the team. Students on probation may not be eligible for Calvary scholarships and may not be eligible for federally funded financial aid. They also may not be in Resident's Life positions.

The academic load per semester for students on probation will be limited to:

- ✓ 12 hours for students entering on probation
- ✓ 12 hours for students with a cumulative GPA from 1.500 to 1.999
- ✓ 9 hours for students with a cumulative GPA from 1.000 to 1.499
- ✓ 6 hours for students with a cumulative GPA below 1.000

The Academic Probation Committee may state what academic progress will be required for students who cannot get off probation in one semester due to reduced academic load limits. Conditions of the plan will be presented in the probation notice and to the Academic Advisor of the student. Students on such an academic plan must be above 2.000 or higher each term the plan is in place. The plan may not exceed more than three semesters.

### **Academic Suspension**

Students who earn academic probation for two consecutive semesters at Calvary, who do not have an academic progress plan in place, will have earned the academic status of "Suspension." Students who fail to accomplish their academic plan for getting off probation will also earn the academic status of "Suspension." New students who are accepted on academic probation and fail to earn at least a 1.000 cumulative GPA their first semester will be placed on academic suspension. Any student on academic suspension will not be allowed to enroll at Calvary for one semester. When a student re-enrolls, the student will return on probation.

### **Academic Dismissal**

Any student re-enrolling at Calvary after academic suspension, who fails to earn at least a 2.000 semester GPA for the semester in which the student returns, will have earned the academic status of "Dismissal." A student academically dismissed from Calvary will not be allowed to continue at Calvary. Only if the student earns a minimum of 12 transferable

credits at another accredited college or university, will he/she be considered for re-enrollment at Calvary.

### Advanced Placement Program

The Advanced Placement Program (AP) allows students entering Calvary for the first time the opportunity to receive college credit through AP exams. AP Exam credit is designed to be earned during high school. Students who transfer in credits placing them beyond the freshman level are not eligible for newly acquired AP exam credit. A minimum score of 3 (or higher) is required. An official transcript from the AP program is required in order to be granted credit, and AP credit will be accepted only in the first two semesters of enrollment at Calvary. For further information regarding the AP exams, contact a high school counseling office or the Registrar's Office at Calvary. Additional information may be obtained through the Advanced Placement Program at:

Advanced Placement Program
P.O. Box 6671 Princeton, NJ 08541-8300 <a href="http://www.collegeboard.com">www.collegeboard.com</a>

### College Level Examination Program (CLEP) and DSST Program

Students must be accepted to Calvary University, enrolled, and attending course(s) for DSST and/or CLEP credits to be placed on their transcript. DSST and/or CLEP credit is only granted for undergraduate courses meeting minimum score criteria as established by the American Council on Education (ACE). Students must request that an official copy of the test score(s) be sent to Calvary University Registrar's Office for consideration. Additional considerations:

- All DSST/CLEP credits are recorded as transfer credits with a "P" grade and are not calculated in the student's grade point average.
- Students who have DSST/ CLEP credit(s) on another institution's transcript and want that credit transferred must request an official copy of the test score(s) to be sent to the Calvary University Registrar's Office. Credit will only be received if the scores match Calvary University standards.
- Test date of the DSST/CLEP exam must be within the last ten years to be accepted as credit.
- DSST/CLEP test credits may be used only for general education requirements. Calvary University will allow additional foreign language courses to be taken if the student is in a Bachelor of Arts program.
- Credits will be awarded based on DSST/CLEP minimum scores and Calvary University equivalencies.
- No CLEP exam may be taken by graduating seniors during their last semester. Fall graduates must take exams before/by September 15; spring graduates before/by January 15.

### **Educational Experiences in the U.S. Armed Services**

Calvary accepts as transfer credits hours of military training deemed to apply to the applicant's degree program at Calvary. *The Guide to the Evaluation of Educational Experience in the Armed Services*, published by the American Council on Education, is used to determine course and credit-hour equivalence.

### **International Baccalaureate**

International Baccalaureate examinations are tests taken as the culmination of a special high school study program. Several of the Higher Level exams count for credit if the score earned is a 5 or higher. Credit for these exams is given on a case-by-case basis upon evaluation by the Registrar's Office.

## **TRANSFER CREDIT**

### **Undergraduate**

Students who have studied previously at another college(s) are required to have an official transcript sent to the Admissions Office from each college attended. Transcripts are official only if they are mailed directly to Calvary from the college. The Admissions Office will have the Registrar's Office evaluate the transcripts to determine how many credits will transfer to Calvary. For an accurate evaluation, a major at Calvary must be declared.

Transfer credit may be granted for courses where: (1) a grade of C- or above was earned; (2) the courses are equivalent to and meet degree requirements for the major chosen at Calvary, and (3) the college is accredited by the Association for Biblical Higher Education, the Higher Learning Commission, any regional accrediting agency, or one of the other institutional accrediting agencies recognized by the Council for Higher Education Accreditation (CHEA) and listed by the American Council on Education in its publication, *Directory of Recognized Accrediting Agencies and Supporter of Accreditation*.

Transfer credit does not affect the GPA calculated for courses taken at Calvary, which is calculated using only coursework taken for credit at Calvary.

Students coming to Calvary University from non-accredited institutions may receive up to a maximum of 24 credit hours transferred for Bible courses taken at those institutions. Systematic and Practical Theology courses are not transferable. Transfer decisions will be made on a case-by-case basis upon review of submitted course descriptions and course syllabi along with educational qualifications of teaching faculty (to be supplied by the student). For credits to be acceptable, the teaching faculty must possess a minimum of a master's degree from an institution accredited by a DOE or CHEA recognized accrediting agency in the area of instruction. Calvary University will only consider approving credit for courses where the student receives a letter grade, and that grade must be a "C-" or higher. "Pass/Fail" or "Satisfactory/Unsatisfactory" grades are not transferable to Calvary.

Credits will be transferred after the student is accepted to Calvary and has supplied ALL the required documentation:

- (1) From Accredited Institutions: Official transcripts
- (2) From Non-Accredited Institutions: Official transcripts, course syllabi, and instructor credentials.

The Registrar's Office will provide syllabi and instructor credentials to the Bible and Theology Department Chair for review. Upon recommendation of the University faculty

and approval by the ACC, the courses will be placed on the student's Calvary transcript. The Registrar will notify the student of their credit transfer status once the review is complete.

Bible Language courses from non-accredited institutions are transferable but will only be accepted after the student passes a proficiency exam taken at Calvary University. The student must supply the course descriptions and course syllabi along with the educational qualifications of teaching faculty.

General Education or Professional Education courses from non-accredited institutions will not be transferable. Students are encouraged to prove proficiency in General Education subjects through taking CLEP exams (see section on credits by examination).

Because of state certification requirements, the Education Department has special rules regarding transfer credits. See the department description in the Program of Study section of this catalog.

### ***Transfer Approval***

Students desiring to transfer course work to Calvary by completing course work elsewhere while they are enrolled at Calvary are to obtain approval through the Registrar's Office before beginning that course work to guarantee the course will meet degree requirements.

### ***Distance (Online) Learning Courses***

College-level distance education courses are to meet the same transfer credit requirements as other transfer courses. Certificate students may only take distance education courses from Calvary University. Any credit(s) to be transferred to Calvary (including distance education courses) from other institutions granting college-level academic credit are to be completed and official transcripts received by the Registrar's Office no later than the Wednesday prior to Commencement. Students who need to transfer a significant number of hours from other institutions to achieve a major or minor requirement are advised to schedule these courses beginning in their sophomore year so as not to delay graduation.

## **Graduate and Seminary Transfer Credits**

Students entering the Graduate School or the Seminary who have studied previously at another institution are required to have an official transcript sent to the Admissions Office from each college attended at the time of application. A maximum of twenty-five percent of hours needed for the program may be transferred toward the Master of Science degree, the Master of Arts degree, or the Master of Divinity degree, providing the courses transferred are equivalent to or meet the program requirements of those offered by Calvary University.

Transfer credit may be granted for courses where:

- A grade of B or above was earned,
- The courses are equivalent to and meet degree requirements for the focus chosen at Calvary, and
- The seminary or graduate school is accredited by an institutional accrediting agency recognized by the Commission on Recognition of Postsecondary Accreditation (CORPA) and listed by the American Council on Education in its publication *Directory of Recognized Accrediting Agencies and Supporter of Accreditation*.

Calvary University accepts the transfer of credit for students who attend a recognized seminary or graduate school. The Registrar determines the schools that meet such criteria, which includes consideration of the doctrinal position of institutions attended by the students. Course equivalency of transfer credits is subject to the review and approval of the Graduate School and Seminary faculty.

## Graduation Recognition

### *Honors*

Meritorious work toward the baccalaureate degree receives recognition at Awards Chapel and Commencement as follows:

#### Undergraduate students:

- Graduation with Honors - 3.500 – 3.649 Cumulative GPA
- Graduation with High Honors - 3.650 – 3.799 Cumulative GPA
- Graduation with Highest Honors - 3.800 – 4.000 Cumulative GPA

#### Graduate & Seminary students:

- Graduation with Honors - 3.700 – 3.799 Cumulative GPA
- Graduation with High Honors - 3.800 – 3.899 Cumulative GPA
- Graduation with Highest Honors - 3.900 – 4.000 Cumulative GPA

All work applied toward meeting degree requirements, including transfer work, is considered in figuring the grade point average (GPA) for graduation honors. This combined grade point average, however, may not exceed the cumulative GPA earned at Calvary. Transfer students must have earned at least 32 credit hours at Calvary with a minimum grade point average of 3.500 to qualify for honors recognition.

**Awards**

The following awards are given annually to honor qualified students:

Academic Major Awards	Delta Epsilon Chi Honor Society
Christian Leadership Awards	Excellence in Missions Award
Christian Ministries Awards	Zondervan Greek & Hebrew Awards
Spencer Athletic Award	Who's Who at Calvary University

**WITHDRAWAL FROM SCHOOL**

Withdrawal during the semester is generally inadvisable. However, unavoidable circumstances occasionally make it necessary. The matter should be discussed with the student's Academic Advisor, the Vice President of Student Affairs, or the Student Deans. There are two types of withdrawal: Official and Unofficial.

**Official Withdrawal:**

To qualify as an official withdrawal, a student must provide notice of his/her intent to withdraw. This is done by providing oral or written notification to the Registrar's Office, or by visiting the Registrar's Office in person.

Regardless of how the process starts, a student must obtain a withdrawal form from the Registrar's Office. An official withdrawal is not completed until a student receives clearance signatures (Student Affairs Office, the student's Academic Advisor, the Library, the Cashier, and the Financial Aid Office), signs and dates the form, and returns it to the Registrar's Office.

All pertinent school regulations are binding until withdrawal procedures have been completed. Besides signing the withdrawal form, each office may have other requirements of a student. For example, the Financial Aid Office: Title IV consequences of the withdrawal or an Exit Interview; Library: books to return or fines; Cashier: student's account, etc.

An expulsion from school is normally an official withdrawal, and those procedures are followed and completed by both the administration and the student.

**Unofficial Withdrawal:**

An unofficial withdrawal is initiated and completed by the Administration and occurs when a student:

- Who, after having started classes, leaves school without providing notification of his/her intent to withdraw, and who did not earn a passing grade in any course that spans the semester.
- Who, after having started classes, provides notification but leaves school without completing the withdrawal process.
- Who, after having started classes, is expelled but leaves school without completing the withdrawal process.
- Who registered for classes but did not start one or more of them; this might not be a complete withdrawal from Calvary.

**Leave of Absence**

When a student needs to withdraw from classes for a short period of time, a "Leave of Absence" status may be granted to the student. A "Leave of Absence" is issued only upon approval and for extenuating circumstances (family sickness, personal medical emergency,

financial emergency, etc.) which requires a student to be out of class for up to 180 days in a 12-month period. Students not returning within the 180-day period will be issued a “WF” grade for all classes having the “LA” designation. They will also be considered withdrawn from the college.

Students applying for a leave of absence must:

- Obtain a “Student Request for Leave of Absence” form from the Registrar’s Office and follow the instructions attached to the form.
- Submit their request to the Registrar’s Office.

### **Military Personnel**

Military personnel who are activated and/or deployed will be granted a “Leave of Absence” with conditions established on a case-by-case basis, depending on their deployment circumstances. Military spouses and dependents may apply for a standard “Leave of Absence.”

### **Readmission Procedure**

Students who do not maintain continuous enrollment in the University are required to apply for readmission through the Admissions Office. Students not enrolled for more than one semester are required to meet graduation requirements from the catalog in effect at the time they re-enroll.

## **Second Bachelor’s Degree Program**

Students who have already received a bachelor’s degree from Calvary University or from another regionally accredited institution can broaden their education by earning a second bachelor’s degree with a different major. However, students may not earn a second bachelor’s degree with a double major. Students may not obtain an academic minor in the second degree. Specific details include:

- A student must have received a four- or five-year bachelor’s degree from a regionally accredited institution to be eligible to begin a second bachelor’s degree.
- The student must have a minimum grade point average of 2.5 (where A = 4.0) in the last 60 semester hours of their first baccalaureate degree work.
- The student must complete at least 30 credits in his/her major subject area in residence at Calvary University (these hours may not be transferred from another institution) plus any additional courses necessary to qualify a student for a bachelor’s degree at Calvary. The combined credit in both degrees must add up to at least 150 credits.
- The subject area of the second degree must be significantly different from the first.
- Students must complete all requirements for the major. If any of these requirements were satisfied in the previous degree, the remainder necessary to complete the minimum 30 credits of new courses should be satisfied with courses related to the major. For purposes of determining what major requirements apply to a given student, the applicable date is the date the student started coursework at Calvary after being admitted into the second undergraduate degree program. A minimum grade point average of 2.0 in all courses taken at Calvary is required for graduation.
- The proposed program must be approved by the Academic Curriculum Committee (ACC) and the appropriate faculty advisor.

To qualify for academic honors in a second bachelor's degree, the student must complete at least 45 new credits at Calvary with the requisite grade point average.

All students need to be aware of what is entailed in a second bachelor's degree. Before beginning work or considering options toward a second degree, each student should consult an academic advisor. Advisors will be glad to explain the requirements for a second bachelor's degree and clarify its limitations.

### **Second Master's Degree Program**

A student may earn more than one Graduate degree at Calvary. Both degrees should not be taken concurrently, however. The second Graduate degree may be earned with a limit of 9 transfer hours or 12 Calvary credits from one degree being applied to the second degree program. Course substitutions and transfer credits will be reviewed on a case by case basis to determine which credits may apply. Required courses must be completed in each degree. Any questions regarding this policy may be referred to the Academic Curriculum Committee (ACC).

### **Adding a Minor after Graduation**

A student may earn a minor from Calvary after graduation with the following limitations:

- The student would be re-admitted as a Non-Degree seeking student.
- The student would not receive any Financial Aid for the minor being pursued.
- The student would not participate in another graduation exercise for the new minor.
- A new diploma would not be issued.

## **ACADEMIC RECORDS**

### **Academic Transcript**

An academic record or transcript is kept for each student in the Registrar's Office. All grades earned by the student at Calvary are posted on the student's academic transcript. The academic transcript also shows the credits transferred from other colleges that apply toward meeting the student's degree requirements at Calvary and for some bachelor's degree students, credit earned through portfolio assessment. Credits from other colleges that do not meet Calvary's degree requirements are not posted.

At the end of each semester, the courses for which the student officially enrolled at Calvary, the grades earned, and the grade point average are recorded. Only courses dropped during the first week of a semester are omitted. Cumulative hours attempted and earned at Calvary as well as the cumulative Calvary grade point average are listed following each semester's listing of courses and grades.

### Transcript Requests

Federal law requires that all transcript requests be made in writing and signed by the student. Transcript Request Forms are available in the Registrar's Office or can be downloaded from the Calvary website ([www.calvary.edu](http://www.calvary.edu)). Requests submitted by FAX are acceptable if they bear the student's signature and include payment information to cover the fee.

A fee of \$5.00 is charged each time an academic transcript (official or unofficial) is requested from Calvary. Payment must accompany the request. Official transcripts bearing Calvary's seal are sent directly to the institution or organization designated by the student. Faxed transcripts are not considered as official by Calvary University or by most institutions or organizations receiving them. Only unofficial transcripts are issued to students. Transcripts are issued in their entirety, and no partial transcript will be issued. Transcripts, official or unofficial, will not be released if the student's financial account is not current.

Current students have access to prior grade reports through the online registration system. The system is password protected and available to all students who are not on either Business or Academic hold. These reports do not fulfill the requirement of an official transcript. The Registrar's Office can supply students with a verification of enrollment letter which will provide needed information for family insurance companies (health and auto).

Requests for transcripts should be sent well before the date that they are due to other institutions or organizations. The Registrar's Office attempts to mail transcripts within two business days of the date they are received. Reception of transcripts by receiving parties depends upon the accuracy of information found on the request form, the handling of mail by the receiving institution or organization, and the accuracy of payment information received by the Registrar's Office. Incorrect information will produce delays.

### APPEAL PROCESS

Appeals for exceptions to academic policies and regulations are to be submitted in writing to the Academic Office for consideration. The Academic Office will direct the appeal to the proper office for review and/or feedback about any additional forms or information needed.

**Elementary Education Program Director:** Mrs. Karen Hange, M.S. Ed

**Description:**

Calvary University has been preparing teachers for private and international schools for over forty years. In 2010, the Education Department began offering Missouri State Certification, which has expanded its sphere of impact.

Teachers prepared at Calvary serve as effective teachers in public, private, and international schools.

**Mission:**

The mission of the Education Department is to prepare highly effective teacher candidates who are capable of meeting the diverse learning needs of students in the 21st century classroom.

**Programs:**

Calvary University Educator Preparation Programs have been approved by the Missouri State Board of Education in the following certification areas:

Baccalaureate Degrees

- Elementary (Grades 1-6)

*(see Music Department guidelines)*

Successful completion of one of these Educator Preparation Programs will position the student to be eligible to apply for Missouri State Teacher Certification and Association of Christian Schools International (ACSI) certification.

**Faculty:**

**Objectives:**

The Education Department will:

- Deliver instruction for teacher candidates to develop and refine a biblical philosophy of education formed through a foundational understanding of the Scripture.
- Provide teacher candidates with the content knowledge and pedagogical skills necessary to teach students in the 21<sup>st</sup> century.
- Arrange multiple opportunities for teacher candidates to practice and develop their professional and pedagogical skills through practice teaching sessions in the university classroom, field experiences, and student teaching.
- Value human diversity and provide instructional opportunities to practice analyzing and evaluating different points of view while learning to relate to others in the places in which they live, work, and serve.
- Equip students to utilize formative and summative assessment strategies to evaluate academic progress and implement instructional technology strategies to improve learning outcomes.
- Furnish teacher candidates with the information, resources and support necessary to achieve the Missouri state standards for teacher certification and complete required steps and assessments throughout the program.

**Teacher Education Departmental Theme Statement:**

The Educator Preparation Program at Calvary promotes the development of teachers within a distinctly Christian environment grounded in a Biblical philosophy of education. The program emphasizes pedagogical skills, differentiated learning, diversity appreciation, instructional technology and a search for truth while setting standards for professionalism and character for each teacher candidate. Students should graduate with a desire to be lifelong learners and servant leaders.

**Guidelines for Education Majors**

Completing a major in Education requires two sets of specifications: (1) completion of the degree, and (2) meeting Missouri certification requirements. A student can declare the major at any time, but in order to enroll in upper division education coursework, the student must first be admitted to the Educator Preparation Program. Declaration of a major DOES NOT constitute admission to the teacher education program.

**Admission to the Educator Preparation Program:**

- Application to an Educator Preparation Program (EPP) is a requirement of the State of Missouri. Application forms for admission to the EPP may be obtained from the Education Department Chair or CANVAS.

- At the time of application, the Education major must meet multiple standards for admission including grade point average requirements, Missouri state examination requirements, and Calvary Education Department requirements. Further information on the application/admission process and specific requirements can be found in the EPP student Handbook.
- Students may not enroll in 300-level education coursework until they are admitted to the Educator Preparation Program. Students who fail to complete all requirements for certification within a seven-year period must re-apply for admission under the policies and regulations that are in effect at the time of the new application.

### **Transfer Students / Change of Majors:**

The Educator Preparation Program is a professional organization regulated by the Missouri Department of Elementary and Secondary Education (DESE) in addition to the policies of the Education Department and Calvary University. Historically, DESE has continually raised its academic standards and requirements for teacher certification. As a result, the program requirements are beyond what is expected of most college majors. Education majors must work closely with their academic advisors and Calvary's Certification Officer.

Students who transfer into or change their major to an Educator Preparation Program will often need one or more additional semesters beyond a traditional course of study to complete the program.

Coursework completed at other institutions will be considered on an individual basis. Decisions regarding transfer credit will be made based on alignment with the current standards of Calvary's Educator Preparation Program. The majority of coursework for each program must be completed at Calvary, especially in the areas of Field and Clinical Experiences.

### **General Requirements for Teacher Certification Programs:**

All education majors must meet the General Education and Bible Education requirements of Calvary University. In addition, the students must meet the following certification requirements:

- Elementary Education (Grades 1-6) students must satisfactorily complete content courses related to the elementary curriculum consistent with Missouri certification requirements. Additional information on current requirements can be found in the EPP Student Handbook.
- All education majors must demonstrate competence in English composition and research. They are required to satisfactorily complete EN112 College Composition I, EN113 College Composition II, and COM110 Written Research Practicum or the equivalent. If the student does not demonstrate writing competence, the department will require the student to seek assistance from The Clark Academic Center and file a Tutorial Form (see Handbook) to receive tutoring/advising.
- All education majors must demonstrate competence in oral communication. This requirement is met by completing COM220 Oral Communications or the equivalent. The student must continue to show strong oral presentation skills in education course work. If

the student does not display these skills, the department will complete a Tutorial Form and the student will receive tutoring/advising.

- All education majors must demonstrate competence in basic mathematical operations. In addition to completing the General Education requirements for mathematics, the student must exhibit continued mathematical skills in education coursework. If a student does not show these competencies, the department will complete a Tutorial Form and the student will receive tutoring/advising.
- State monitoring of the Educator Preparation Program requires that all Teacher Education majors must develop and meet rigid qualifications and maintain the highest academic and professional standards at all times.

### **International students interested in Teacher Education:**

- International students are allowed to complete an undergraduate degree in Education.
- International students are allowed to be certified in the state of Missouri.
- Students must have a social security number (SSN) to apply for a Missouri teaching certificate.
- Students who are not U.S. citizens will need to work with the Social Security Administration to obtain an SSN. More information about the process of applying for an SSM is located at: <https://www.ssa.gov/ssnumber/cards.htm>.
- Calvary University cannot guarantee that students who are not U.S. citizens will be able to obtain an SSM at the time of graduation. The United States Social Security Administration has the authority to grant SSN numbers.
- Calvary University strongly recommends that international students who are Education majors pursue state certification. Departments of Education in most countries require government certification for individuals to be employed as teachers.

### **Continuation in the Educator Preparation Program:**

Students are required to apply for admission to the Educator Preparation Program, and application is followed by a personal interview by the Teacher Education Committee. The student is responsible for monitoring his/her own progress toward completion of the Educator Preparation Program at Calvary University. The Education Department faculty will assist the student by providing advising, notices of deadlines, testing requirements, etc. However, the student must monitor and meet the requirements.

Admission to, or completion of the Educator Preparation Program does not guarantee retention in the program and/or eventual Missouri certification. The same criteria considered for admission are monitored each semester. To be retained in the Educator Preparation Program, students must maintain appropriate grade point averages (see Handbook). Notification of education students whose grade point averages have fallen below the required level will be given to the program advisor.

- If the student's Professional and Content GPA falls below the required level, but not lower than 2.7, he/she will be notified that he/she has one semester to regain good standing in the Educator Preparation Program. If not, the student will be excluded from the Program.
- If the student's GPA falls below the required level and/or is placed on academic probation, he/she will automatically be excluded from the Educator Preparation Program and will be so informed by the Education Department Chair.

- If the student has been excluded from the Educator Preparation Program because of a low Professional and Content-Area GPA, reapplication for admission to the program may occur when the required GPA has been retained at Calvary.
- If the student has not demonstrated professional dispositions for teaching as recommended by Missouri Department of Elementary and Secondary Education and as measured by the Professional Disposition form (see Handbook) and as evidenced by lack of progress, the student may be dismissed from the program.
- A student may appeal his/her exclusion or dismissal from an Educator Preparation Program. The appeal must be dated, typed, and provide a clear explanation for the reason(s) for the appeal. Appeals are to be submitted to the Chief Academic Officer (CAO) for review, who will then present it to the Accreditation and Curriculum Committee (ACC). The CAO will notify the student and the Education Department Chair of the ACC's decision in writing.

### Student Teaching:

All Education majors must pass the Missouri Content Assessment (MoCA) in their content area prior to Student Teaching. All Education majors should study for and take the Missouri Content Assessment (MoCA) early in the semester prior to Student Teaching.

## **S.T.E.M. DEPARTMENT** **(SCIENCE, TECHNOLOGY, ENGINEERING, & MATH)**

**Department Chair:** Mr. Chris Basel, M.S.

### **Description:**

The STEM Department develops students who are well-grounded in the basic sciences and math taught from the biblical worldview. Students will be able to solve applied science and math problems, use the scientific method, and learn to critically evaluate recent scientific studies. They will learn how to defend their faith in the areas of science and math. These objectives are accomplished through completing courses in biology, chemistry, physical science, nutritional science, and math.

### **Teaching Faculty:**

Mr. Chris Basel, Mr. Jim Briggs, Dr. Meredith Perhne, Mr. Kurt Bricker, and other Adjunct Faculty

### **Job Opportunities:**

Chemical Technician, Chemist, Biological Technician, Biologist, Biochemical Technician, Environmental Technician, Environmental Biologist, Forensic Scientist, Laboratory Research Assistant

### **Potential Professional / Graduate Schools:**

Medical School, Osteopathic School, Pharmacy School, Physician Assistant School, Veterinary School, Chiropractic School, Biochemistry, Biology, Chemistry, Ecology, Genetics, Microbiology, Molecular Biology

### **Objectives:**

STEM students will:

- Demonstrate an understanding of the fundamentals of science and math and apply this knowledge to practical applications.
- Distinguish between the naturalistic and biblical worldviews of science and formulate an accurate and effective defense of their faith.
- Develop an understanding of the scientific method and be able to create properly designed studies and evaluate data from these studies.
- Be able to analyze the shortcomings and strengths of popular science-related news to determine its validity.
- Be able to solve complex math equations and apply mathematical equations to common problems.

### **PDS Programs Offered:**

- PDS: Chemistry
- PDS: Mathematics
- PDS: Computer Science
- PDS: Pre-Medicine

**Placement Tests:**

Placement tests are needed to ensure that students start in the correct course. Students who have taken college credit STEM courses at another institution will be placed according to the next course in the normal sequence. Students with no college credit in a STEM discipline, who want to complete a minor in that discipline (biology or chemistry), should take the placement test appropriate for the discipline of the class they want to take. This also applies to those wanting to take a math course higher than MA100. Tests will be available as password-protected tests in Canvas. Students will be placed in the appropriate class based on their score. Students not scoring high enough for the lowest level course can obtain training via book publisher's non-credit practice courses.

Our Interdisciplinary Biology & Chemistry degree is a pre-professional combination of minors to prepare students for application to a medical, dental, or other health-related school.

## INTERDISCIPLINARY STUDIES

### Description

This major is formed by choosing two of the minors listed below. Both minors are considered equal. The focus is upon the integration of two distinct disciplines.

### Objectives:

### PROMOTIONAL MATERIALS

From time to time, candid, posed, or staged photographs and/or videos of students are taken. Students are asked to release Calvary University from any and all claims of use of these so that the College or Seminary may, at its discretion, use them in promotional materials such as publications, brochures, and press releases.

### THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal act that prohibits the release of any educational records except those listed as Directory Information (see below) as defined by the act without the express written authorization of the student involved. Forms are available in the Registrar's Office to allow the release of information to the person(s) designated on the form.

#### Inspect and Review

The student has the right to inspect and review the student's education records within 45 days of the day Calvary receives a request for access. Students should submit to the Registrar, Chief Academic Officer, head of the Academic Department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The Calvary official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Calvary official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

#### Request Amendment

Students have the right to ask Calvary to amend any part of their education record that they believe is inaccurate or misleading. They should write the Calvary official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If Calvary decides not to amend the record as requested by the student, Calvary will notify the student of the decision and advise the student of his/her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

#### Consent to Disclosures

The student has the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by Calvary in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom Calvary has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing

his/her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility.

### File a Complaint

The student has the right to file a complaint with the U.S. Department of Education concerning alleged failures by Calvary to comply with the requirements of FERPA. The name and address of the office that administers FERPA is listed below.

Family Policy Compliance Office  
U.S. Department of Education  
600 Independence Avenue, SW  
Washington, DC 20202-4605

### Directory Information

The following information is considered to be directory information by Calvary and, therefore, information that is generally not considered harmful or an invasion of privacy if disclosed.

- Name, address, and telephone listing
- Date and place of birth
- Dates of attendance, degrees, and awards
- Most recent previous school attended
- Field of study (major)
- Participation in officially recognized activities and sports

If the student does not wish any one or all of the above items to be released to anyone who does not have an authorized and/or legitimate need to know the above information, the student must notify the Registrar's Office in writing of this desire, and the noted information will not be released. (Note: specifying that your address and phone number not be released will prohibit even friends and relatives from being able to obtain that information from Calvary.)

**Any person violating this policy will be subject to disciplinary sanctions including, but not limited to, warnings, probation, expulsion, loss of employment, referral to law enforcement and/or prosecution.**

Any person under the legal age for consumption of alcohol that is unlawfully using, consuming, possessing, or distributing alcohol will be subject to disciplinary sanctions including, but not limited to, expulsion. Any student over the age for legal consumption of alcohol that is using, consuming, possessing, or distributing alcohol may be subject to disciplinary sanctions as described in the Disciplinary Sanctions Section of this policy. Any employee over the age for legal consumption of alcohol that is using, consuming, possessing, or distributing alcohol on College property or at any college sponsored or sanctioned events, may be subject to administrative review and appropriate action, up to and including dismissal.

In addition to any punishment imposed by the University, any person suspected of violating any federal, state, or local law proscribing the use, possession, or distribution of the unlawful consumption or possession of alcohol will be referred to the appropriate law enforcement agency.

The display of any advertising of alcoholic beverages, including containers, is not allowed at the University. This includes but is not limited to: clothing, signs, lamps, posters, etc.

#### **Legal Sanctions for Use, Possession, or Distribution of Alcohol**

Missouri laws prohibit people under 21 years of age from purchasing, attempting to purchase, or possessing alcoholic beverages. The federal law makes it unlawful for any person to manufacture, distribute, create, or dispense or to possess with the intent to manufacture, distribute, create, or dispense controlled substances. Title 21 of United States Code provides terms of imprisonment and fines for violations of this Act. The nature of the offense and whether the person has committed any previous unlawful acts under this statute will determine the term of imprisonment as well as the amount of the fine.

### Disciplinary Sanctions

In determining appropriate institutional disciplinary sanctions two major factors will be considered, 1) if the infraction was opposed to local, State, or Federal laws, and 2) if the infraction was opposed to University standards and the seriousness of the impact of the violation. To determine the impact of the violation it will be evaluated if the offense was illegal, if it was on-campus or off-campus, if there is a personal history of drug or alcohol abuse, and the impact on campus and student life. Depending on these determining factors, disciplinary action may range from a warning to expulsion. If illegal activity was involved, Law Enforcement will also be informed of the incident.

### Federal Student Financial Aid Penalties for Drug Law Violations

**Health Risks Associated with the Use of Illicit or Illegal Drugs or Alcohol**

Medical studies indicate that users of illicit or illegal drugs or alcohol can suffer from a wide range of medical and psychological problems. Those problems can be as mild as depression or as severe as permanent brain damage or death. At the very least, use promotes poor application to academics and work as shown by poor study habits, lack of concentration, and loss of self-esteem. Additional information on the health risks associated with the use of illicit or illegal drugs or alcohol is available at <https://www.drugabuse.gov/drugs-abuse> or through the Student Services Department.

**Drug and Alcohol Programs**

All individuals are informed of Calvary’s Zero-Tolerance Policy: the standards of conduct, applicable legal sanctions, a description of the related health risks, resources for counseling, treatment, rehabilitation, and re-entry, and a clear description of the disciplinary sanctions.

Faculty/Staff members who become aware of any Zero Tolerance Policy violations must report them to the Dean of Students or the appropriate vice president who will contact the appropriate authorities.

As there is no alcohol allowed on campus, Calvary offers a wide variety of alcohol-free events. The student lounge and the Warrior’s Café are relaxed places for students and faculty/staff to congregate. The lounge features a movie room and games (pool, ping-pong, etc.). The Warrior’s Café features a coffee shop, TV, and board games. Intramural sports, athletic events, theater, ministry opportunities, socials, and our variety of academic and personal enrichment activities are all healthy alternatives to drinking and drugs.

The following steps will be used for re-entry from drug/alcohol related issues that students must fulfill.

The student will:

- Be placed on Disciplinary Probation for a minimum of one year.
- Participate in regular counseling with an approved counselor specializing in drug/alcohol recovery.

Re-entry counseling may be done with either of the above resources.

- Allow open communication between the Counselor and the Student Services Department.
- Have regular meetings with the Student Services Department.

The Student Services Department will meet after one year to review the student's progress and status. At that time the department will decide on an appropriate course of action.

**GENDER-BASED MISCONDUCT POLICY****Introduction**

Calvary University students, employees, guests, and visitors have the right to be free from all forms of gender and sex-based discrimination, including sexual violence, sexual harassment, domestic violence, dating violence, and stalking. Actions that violate this right undermine the basic principles of biblical teaching, the community, and applicable laws. All members of the CU community are expected to conduct themselves in a manner that respects the rights, dignity and value of all other members of Calvary's community. Offenders may be subject to appropriate campus adjudication processes, disciplinary

action, and/or criminal proceedings. CU utilizes procedures that provide prompt, fair, and impartial investigation and resolution in cases involving domestic violence, dating violence, sexual assault, and stalking. These procedures are carried out by officials who have received specific training.

In these situations, CU is committed to providing crisis intervention measures for students, faculty, and staff, as well as appropriate administrative response for the complainant and respondent; referring individuals to criminal authorities; and educating and promoting discussion on interpersonal abuse and violence issues.

The policy herein defines expectations for the CU community and establishes a mechanism for determining when those expectations have been violated.

It should be noted that this policy specifically addresses sexual misconduct. Per other policies at CU, any sexual activity of any kind outside of defined boundaries may result in disciplinary sanctions.

**Title IX Coordinator**

The University's Title IX Coordinator oversees compliance with all aspects of the sexual harassment, discrimination, and misconduct policy. The Coordinator reports directly to the President of the University. Questions about this policy should be directed to the Title IX Coordinator. Anyone wishing to make a report relating to discrimination or harassment may do so by reporting the concern to the university Title IX Coordinator.

**Overview of Policy Expectations with Respect to Sexual Conduct**

For the purposes of this policy, sexual activity of any type without clear, knowing, and voluntary consent prior to and during the sexual activity is strictly forbidden. Consent is sexual permission. Consent can be given by word or action, but non-verbal consent is not as clear as verbally expressing what one wants and doesn't want. Consent to one activity does not constitute consent to another activity, and previous consent does not imply consent to future sexual activity.

**Sexual Misconduct Offenses**

A sexual misconduct offense is any unwelcomed conduct determined by a reasonable person to be so severe, pervasive, and objectionably offensive that it effectively denies a person equal access to the University's educational program or activity and/or constitutes one of the following:

- A. Sexual Harassment. Sexual harassment is defined as conduct on the basis of sex that satisfies one or more of the following:
  - a. an employee of the institution conditioning an aid, benefit or service of the institution on an individual's participation in unwelcome sexual conduct (*i.e. quid pro quo*);
  - b. any unwelcome conduct that a reasonable person would determine is so severe, pervasive, and objectively offensive that it effectively denies a person access to the institution's education program or activity; or
  - c. sexual assault (as defined in the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act), dating violence, domestic violence, or stalking as defined in the Violence Against Women Act ("VAWA").

Calvary University considers harassment a very serious matter. Any person found to be engaging in sexual harassment will be subject to disciplinary action, up to and including dismissal from Calvary University or termination of employment.

- B. Sexual Assault. Sexual Assault is any sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent.
  - a. Rape is the penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females.
  - b. Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity

- c. Incest is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
  - d. Statutory Rape is sexual intercourse with a person who is under the statutory age of consent.
- C. Dating Violence. Dating violence means violence committed by a person—
- a. who is or has been in a social relationship of a romantic or intimate nature with the victim; and
  - b. where the existence of such a relationship shall be determined based on a consideration of the following factors:
    - i. The length of the relationship.
    - ii. The type of relationship.
    - iii. The frequency of interaction between the persons involved in the relationship.
- D. Domestic Violence. Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- E. Stalking. Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—
- a. fear for his or her safety or the safety of others; or
  - b. suffer substantial emotional distress.

### Examples of Sexual Harassment

Sexual harassment can be directed toward a person of the opposite sex or same sex and can take many forms. Sexual harassment may occur regardless of the intention of the person engaging in the conduct. The following are some examples of conduct which, if unwelcome, may constitute a violation of the sexual harassment definitions above, depending upon the totality of the circumstances, including the severity of the conduct and its pervasiveness:

- Sexual advances (whether they involve physical touching or not);
- Requests for sexual favors in exchange for actual or promised academic or job benefits such as favorable grades or continued employment
- Unwanted interactions that are too frequent, intense, or durative.
- Sexual jokes
- Constantly following another student

- Use of sexual epithets, written or oral references to sexual conduct, gossip regarding one's sex life and comments on an individual's body, sexual activity, deficiencies or prowess
- Retaliation after a breakup
- Displaying sexual objects, pictures, written materials or cartoons
- Fondling another's breasts, buttock, groin, or genitals or touching another with these body parts
- Refusing participation in a campus event because the student filed a Title IX complaint.
- Leering, brushing against the body, sexual gestures or suggestive or insulting comments
- Sexual exhibitionism
- Invasion of sexual privacy
- Prostituting another student
- Unwanted Kissing
- Disregarding a non-contact order
- Intercourse with another who is under the influence of a substance so that they are unable to provide clear, knowing, and voluntary consent
- Intimidating another into allowing sexual contact
- Repeated badgering for sexual contact
- Sexual Penetration without clear consent
- Inquiries into one's sexual activities
- Exploitation, Cyber-harassment including non-consensual videos or audio tapings of sexual activity
- Sexual assault or coerced sexual acts.

**Definitions*****Consent***

Consent is an understandable exchange of affirmative words or actions that indicate a willingness to participate in mutually agreed upon sexual activity, sexually explicit touching, or sexual penetration. Consent must be informed and freely and actively given. It is incumbent upon each individual involved in the activity to either obtain or give consent prior to any sexual activity, and again, prior to sexual penetration. If at any time during the sexual interaction any confusion or ambiguity should arise on the issue of consent, it is incumbent upon each individual involved in the activity to stop and clarify, verbally, the other's willingness to continue. Consent must be given knowingly, voluntarily, and clearly.

- A verbal “no,” even if it may sound indecisive or insincere, constitutes lack of consent.
- When consent is requested verbally, absence of any explicit verbal response constitutes lack of consent.
- It is expected that, after consent has been established, a person who changes his/her mind during the sexual activity will communicate through words or actions his/her decision to no longer proceed.
- Past consent to sexual activity does not imply future on-going consent, and the fact that two persons are in an on-going relationship does not preclude the possibility that sexual misconduct or sexual assault might occur within that relationship.
- A student’s use of alcohol and/or other drugs does not diminish a student’s responsibility to obtain consent.

***Coercion***

Coercion is unreasonable pressure to take part in sexual activity or in any of the prohibited conduct listed in this document. Unreasonable pressure can be exerted through physical or emotional force, intimidation, persistent advances, misuse of authority, outright threats or administration of drugs or alcohol. When someone makes it clear that he or she does not want to engage in sexual activity or does not want to go beyond a certain point of sexual interaction, continued pressure beyond that point may be considered coercive. Ignoring or dismissing the objections of another person may also be a form of coercion.

***Force***

Force is the use of physical violence and/or physical imposition to gain sexual access. Force also includes threats, intimidation (implied threats) or coercion that is intended to overcome resistance to or produce consent. Sexual activity that is forced is, by definition, non-consensual. The presence of force is not demonstrated by a lack of resistance.

***Incapacity***

Incapacity is defined as a person incapable of giving consent because he/she is asleep, unconscious, losing or regaining consciousness or mentally or physically incapacitated. Signs of being incapacitated include, but are not limited to, difficulty walking, inability to speak in a coherent manner, and vomiting or the presence of vomit.

***Sexual Penetration***

Sexual Penetration is defined as any degree of insertion of a penis, hand, finger, tongue or any object into a person’s anus or vulva, or any degree of insertion of genitalia into the mouth.

**Communication**

Clear communication is required by Calvary University's Sexual Assault definitions, which require each participant to obtain and give consent before engaging in any form of physical touch or sexual activity. Relying solely upon nonverbal communication is not sufficient. Communication is a foundational process that affects all of our relationships and interactions.

**Retaliation**

Retaliation is any materially adverse action taken as a result of a person's participation in a protected activity. This includes filing a grievance, acting as a witness, participating in the resolution process, or assisting in an investigation.

Reports of retaliation should be brought to the Title IX Coordinator immediately. Any individuals who are concerned about retaliation should inform the Title IX coordinator so that appropriate steps may be taken mitigate such occurrence.

**Consent and Communication**

Consent is an understandable exchange of affirmative words or actions that indicate a willingness to participate in mutually agreed upon sexually explicit touching or sexual penetration. Consent must be informed and freely and actively given. It is incumbent upon each individual involved in the activity to either obtain or give consent prior to any sexual activity, and again, prior to sexual penetration. If at any time during the sexual interaction any confusion or ambiguity should arise on the issue of consent, it is incumbent upon each individual involved in the activity to stop and clarify, verbally, the other's willingness to continue.

- A verbal "no," even if it may sound indecisive or insincere, constitutes lack of consent.
- When consent is requested verbally, absence of any explicit verbal response constitutes lack of consent.
- It is expected that, after consent has been established, a person who changes his/her mind during the sexual activity will communicate through words or actions his/her decision to no longer proceed.
- Past consent to sexual activity does not imply future on-going consent, and the fact that two persons are in an on-going relationship does not preclude the possibility that sexual misconduct or sexual assault might occur within that relationship.
- A student's use of alcohol and/or other drugs does not diminish a student's responsibility to obtain consent.

Sexually explicit touching is the unwanted touching of another person in a sexual manner. Examples of sexually explicit touching include, but are not limited to, the touching, either directly or through clothing, of another person's genitalia, breasts, inner thigh, or

buttocks of any person with a clothed or unclothed body part or object. Sexually explicit touching through the use of coercion or where the person is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity is considered sexual assault.

Coercion is the use of force, or the threat of force; the use of a threat of immediate or future harm; or the use of physical or severe and/or pervasive emotional intimidation to cause or attempt to cause another person to engage in or submit to certain activities. Coercion also includes the administration of a drug, intoxicant, or similar substance that impairs the faculties of a person.

Incapacity is defined as a person incapable of giving consent because he/she is asleep, unconscious, losing or regaining consciousness, or clearly mentally or physically incapacitated. Signs of being incapacitated include, but are not limited to, difficulty walking, inability to speak in a coherent manner, and vomiting or the presence of vomit.

Clear communication is required by Sexual Assault definitions, which require each participant to obtain and give consent before engaging in any sexual activity. Relying solely upon nonverbal communication is not sufficient. Communication is a foundational process that affects all of our relationships and interactions. Any sign of reservation or hesitation should be clarified verbally before proceeding.

### **Title IX Jurisdiction**

In order for Calvary's Title IX policy to apply the following jurisdictional qualifications must be met.

- The incident must have taken place in the United States.
- Calvary must have control over the Respondent (student, faculty, vendor, etc.)
- Calvary must have control over the context of the harassment (on-campus location, official CU activity, supervision on an event, CU provided funding for the activity, sponsorship, promotion, or endorses the event or circumstances, etc.)
- Complainant is a member or seeking to be a member of Calvary University
- Grievance must qualify under one or more of the aforementioned violations.

If an allegation does not meet these criteria it will be dismissed as a Title IX violation. Even if the allegation does not qualify as a Title IX violation it may still be a violation of other policies in Calvary's Student Handbook.

### **Discretionary Dismissal**

The Title IX Coordinator may dismiss a Title IX report or allegations at their discretion if :

- They are notified by the Complainant in writing that the Complainant wishes to withdraw the formal complaint or allegations
- The Respondent is no longer enrolled or employed by Calvary
- Specific circumstances prevent the Calvary from gather evidence sufficient to reach a determination.

**Amnesty Policy**

In exceptional cases, amnesty may be offered to witnesses in the course of a Title IX investigation. Amnesty provides protection from disciplinary sanctions for infractions to those who have material information in an investigation. Amnesty may be granted in full or in part at the discretion of the Investigators, the Title IX Coordinator, and the Student Deans. Amnesty will be determined on a case-by-case basis.

**Sanctions**

The following sanctions may be imposed upon a respondent found responsible for sexual misconduct. They are listed below and defined in either the Student Handbook or the Employee handbook, respectively

***Student Sanctions:***

- Verbal Warning
- Written Warning
- Probation
- Expulsion

***Employee Sanctions:***

- Verbal Warning
- Written Warning
- Suspension without Pay
- Dismissal

**Reporting and Confidentiality**

All Calvary employees are expected to report actual or suspected discrimination or harassment to appropriate officials immediately. In order to make informed choices, it is important to be aware of confidentiality and mandated reporting requirements when consulting campus resources. On campus, some resources may maintain confidentiality and are not required to report actual or suspected discrimination or harassment. They may offer options and resources without any obligation to inform an outside agency or campus official unless a reporting party has requested this information be shared. If a reporting party expects formal action on their allegations, reporting to any employee can connect them with resources to report crimes and policy violations. Mandated reporters will immediately pass reports to the Title IX Coordinator, who will take action when an incident is reported to them.

***Confidential reporting***

If a reporting party would like the details of an incident to be kept confidential, the reporting party may speak with:

- Karen Hange, Victim Advocate

Education Building office  
Phone: (816)425-6186; Email: [karen.hange@calvary.edu](mailto:karen.hange@calvary.edu)

- Tim Hange, Victim Advocate  
Education Building office  
Phone: (816)425-6184; Email: [Tim.hange@calvary.edu](mailto:Tim.hange@calvary.edu)
- Aaron Heath, Victim Advocate  
Madison Hall office  
Phone: (816)425-6131; Email: [aaron.heath@calvary.edu](mailto:aaron.heath@calvary.edu)
- Off-campus individuals, not employees of Calvary University
  - Licensed professional counselors and other medical providers
  - Local rape crisis counselors
  - Domestic violence resources
  - Local or state assistance agencies
  - Clergy/Chaplains
  - Attorneys.

Reporting Parties need to be aware that the Victim Advocates above will maintain confidentiality except in extreme cases of immediacy of threat or danger or abuse of a minor. These individuals are employees of Calvary and are not licensed counselors nor do they act in the role of a counselor. Victim Advocates provide a confidential resource for students that can connect victims to professional help (both medical and counseling) and for guidance on Calvary’s Title IX policy. Victim Advocates will still submit anonymous statistical information for the Clery Act. Licensed counselors are available free of charge through Victim Advocates or the Student Dean’s.

***Mandated Reporting***

All Calvary employees with the exception of the Victim Advocates above have a duty to report harassment or discrimination of which they become aware. Employees must promptly share all details of the reports they receive. Reporting parties may want to consider carefully whether they share personally identifiable details with non-confidential employees as those details must be shared with the Title IX Coordinator.

In cases indicated a pattern, predation, threat, weapons and/or violence, Calvary may not be able to honor a request for confidentiality or for an informal resolution. In cases where the reporting party requests confidentiality and the circumstances allow the university to honor that request, the University will offer interim supports and remedies to the reporting party and the community but will not pursue formal action. If the reporting party elects to take no action, they can change that decision later if they decide to pursue a formal

process at a later date. A reporting party has the right and can expect to have reports taken seriously by Calvary when formally reported and to have those incidents investigated and properly resolved through this policy and Title IX procedures

Even with a formal report Calvary will afford as much privacy to the reporter as possible. Only officials who need to know will be told. Information will be shared as necessary with investigators, witnesses and the responding party.

### ***Formal Reporting***

If a Complainant wishes to file a formal allegation of sexual harassment against a Respondent requesting that Calvary investigate the allegation, they may do so by contacting the Title IX Coordinator. The report must be a written account of the allegation that has been signed (either physically or digitally) by the complainant. Reports to the Title IX Coordinator can be made via email, phone, or in person at the contact information below:

Samuel Tschetter: Title IX Coordinator

Phone: (816) 768-6975; Email: [samuel.tschetter@calvary.edu](mailto:samuel.tschetter@calvary.edu)

A formal Report may be withdrawn at any point prior to the hearing.

### ***Request for an Informal Resolution***

In addition to the option of filing a formal complaint that is resolved through the Judiciary Process, the Complainant has the option to resolve the allegation via an informal process. This requires signed agreement from both the Complainant and Respondent to proceed according to an informal process. An informal process may take many forms but may not involve a full investigation.

### ***Timeframe for Filing a Complaint***

Calvary University does not limit the timeframe for filing a complaint. The University encourages complaints to be filed as soon as reasonably possible following an alleged Policy violation because the University's ability to gather adequate information may be limited where a significant length of time has elapsed between an incident and the filing of a complaint. Further, with respect to those cases that will be reviewed by disciplinary bodies at the conclusion of the investigation, the University's ability to complete its processes may be limited with respect to Responding party who have graduated from or are no longer employed by the University.

### ***Federal Statistical Reporting Obligations***

Certain campus officials have a duty to report sexual assault, domestic violence, dating violence, and stalking for federal statistical reporting purposes (Clery Act).

All personally identifiable information is kept confidential, but statistical information must be passed along to campus law enforcement regarding the type of incident and its general location (on or off-campus, in the surrounding area) for the publication of the Annual Security Report. This report helps to provide the community with a clear picture of the extent and nature of campus crime, to ensure greater community safety. This reporting protects the identity of the victim and may be done anonymously.

**Federal Timely Warning Reporting Obligations**

Victims of sexual misconduct should also be aware that university administrators must issue immediate timely warnings for incidents reported to them that are confirmed to pose a substantial threat of bodily harm or danger to members of the campus community. The university will make every effort to ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger.

**Judiciary Process for Gender-based Misconduct*****Overview***

The following is a condensed explanation of Calvary University's Judiciary process and lays out the policy for Title IX Investigations. It is based on the Office of Civil Rights Investigative model. For further details regarding this process, please contact the Title IX Coordinator.

Calvary's Judiciary Process will be fair and impartial. All relevant evidence will be objectively evaluated, including inculpatory and exculpatory evidence. Credibility determinations are not based on a person's status as a Complainant or Respondent, or Witness. Respondents are not presumed to be responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process. All parties and Witnesses are prohibited from knowingly making false statements or knowingly submitting false information during the grievance process.

Both parties will have opportunities to provide their account of the alleged incident, respond to the other party's account and inspect and review evidence that is directly related to the allegations.

Each party may have an Advisor of their choice. Advisors may accompany the party to any meeting or proceeding. If a party does not have an Advisor for the Hearing, the Title IX Coordinator will appoint an Advisor for the party at charge.

The college strives to complete the judiciary process within 45 business days. Throughout the process Calvary will provide the parties with regular status updates and information regarding next steps.

**Notice**

Once Calvary University receives an initial report the Title IX Coordinator will reach out to the Complainant. In this meeting the Coordinator will:

- Discuss the availability of supportive measures and the Complainant’s wishes regarding supportive measures.

- Discuss the report and listen to the complainants account. The Title IX Coordinator will ask questions at this time to gain a better understanding of the nature of the alleged incident.
- Explain this policy and the definition of Sexual Harassment.

***Supportive Measures***

At the Complainant's request Calvary will implement acceptable measures to assist the Complainant and provide emotional and spiritual support. Measures may include, but are not limited to:

- Access to counseling
- Adjusted classes/schedules
- Modified attendance expectations
- Transfer from in-class to online educational format

***Initial Assessment***

The Title IX Coordinator will determine whether the alleged conduct is applicable under this policy. Alleged conduct that does not constitute a violation of this policy may still be redressable under another policy. In this case, the Title IX Coordinator will refer the complainant to the appropriate official.

In the event it is determined that the alleged actions do not meet the criteria for proceeding to an investigation the case will be dismissed. Determination of a lack of Reasonable Cause will be based on criteria in this policy.

If it is determined that Reasonable Cause exists, the Title IX Coordinator will appoint a team of investigators for the case. The Title IX Coordinator may serve as an investigator.

***Investigation***

The Investigation will involve the following:

- Gathering evidence
  - If a party wishes for their medical records, prior educational records, or other records that are external to Calvary to be considered in the grievance process they must provide written consent for those records to be released to Calvary and make arrangements for the records to be sent to Calvary.
- Interviewing the Complainant, Respondent, and any Witnesses
- Review and assessment of all related written statements, reports, and other relevant material.
- Synthesizing areas of dispute and agreement between the parties

- Preparation of an Investigative Report that organizes, assesses, and fairly summarizes the relevant evidence and synthesizes areas of dispute and disagreement between the parties.
- Review of applicable College policies.

If a party has not selected an advisor by the time the draft investigative report has been written the Title IX Coordinator will appoint one for them at this time.

The draft Investigative Report will be provided to the parties who will have 10 business days to submit a written response. This is an opportunity for each party to correct or clarify the evidence or provide additional information before the Report is finalized. A party's failure to respond will be taken as their confirmation that the investigative report and any additional evidence is accurate.

Following the receipt of the written responses the Investigation Report will be finalized, including the written responses. The completed Investigation Report and relevant evidence will be provided to the Parties and their Advisors for an additional 10 days prior to the Pre-Hearing conference.

### ***Pre-Hearing Conference***

The Hearing is not a part of the procedure for Calvary University Academy Students, and as such the Pre-Hearing Conference is also skipped in those cases. CUA faculty and staff will still be subject to the Pre-Hearing Conference and the Hearing procedures. For cases involving a CUA student, skip to "Determination for CUA Students".

Each party and their Advisor will attend a Pre-Hearing Conference with the Hearing Chairperson and the Title IX Coordinator. The Hearing Chairperson will chair this meeting. The purpose of this meeting is to prepare the parties for the Hearing and ensure they understand the procedures.

At this meeting Parties and their advisors will:

- Be notified of the date, time, and location of the Hearing.
- Review the list of witnesses the Hearing Panel wishes to call at the Hearing.
- Notify the Chairperson of witnesses they will call at the hearing.
- Submit in writing any evidence they intend to use and/or questions they intend to ask (through their advisor) of the other party and any Witnesses at the Hearing.

During the Pre-Hearing Conference the Chairperson will review the submitted questions and evidence and make a determination regarding their relevancy. If a question or evidence is not relevant, the Hearing Chairperson will explain and document their decision to exclude it from the Hearing in the Pre-Hearing Conference Summary. The parties may provide reasons why they believe the

question or evidence is relevant or not relevant and their rationale will be taken into consideration by the Chairperson.

Questions and evidence about the Complainant's or Respondent's prior sexual behavior are not relevant and will not be allowed to be asked at the hearing. There are three exceptions to this rule. The question or evidence will be considered if they:

1. Are offered to prove that someone other than the Respondent committed the conduct alleged by the complainant
2. Concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent
3. Concern specific incidents of the Respondent's prior sexual behavior with respect to the Complainant and are offered to prove consent

Questions that seek or constitute disclosure of information protected by a legally recognized privilege are not permitted at the Hearing, unless the person holding the privilege waives it.

The Parties and their Advisors will be informed that they may still resolve the matter informally.

The Hearing Chairperson will write a Pre-Hearing Conference Summary that includes documentation of relevancy-based exclusions of questions or evidence and the list of approved questions or evidence. The Hearing Chairperson will provide it to the Parties in writing before the Hearing and it will become part of the record provided to the Hearing Panel.

### ***Hearing***

Calvary will conduct a live Hearing to determine whether the Respondent is responsible for the alleged conduct and if so, what disciplinary measures or sanctions will be imposed. The Hearing Panel is the decision maker and will use the preponderance of the evidence standard, which means the greater weight of the evidence.

The Hearing Panel will consist of a minimum of three individuals who all have a vote. Students will not serve on the Panel. The Hearing Chairperson will preside over the hearing and the determination will be made by majority vote. At its discretion the college may employ a third party to conduct the hearing.

The Title IX Coordinator will be present at the hearing to answer questions or clarify information but will have no other role in the grievance process.

The Hearing Panel will be permitted to call witnesses.

Each party's Advisor will be permitted to present evidence and ask the other party and any witnesses all relevant questions and follow-up questions, including those that challenge credibility. Questions that were not submitted

during the Pre-Hearing Conference will be vetted through the Chairperson to determine its relevancy. Any decision to exclude a question or evidence as not relevant will be explained.

If a party or Witness does not submit to cross-examination at the Hearing, the Hearing Panel must not rely on any statement that party or Witness made during the Investigation and the Hearing in determining responsibility. However, the Hearing Panel cannot draw an inference about the determination regarding responsibility based solely on a party's or Witness's absence from the Hearing or refusal to answer cross-examination or other questions.

Either party may request to be located in separate rooms during the Hearing, with technology enabling the Hearing Panel and parties to simultaneously see and hear the party or Witness answering the questions.

Calvary will create and audio or audio/visual recording of any Hearing and make it available to the parties for inspection and review. After the Hearing is complete the Hearing Panel will convene in private within 48 hours of the end of the Hearing to vote on the outcome.

### ***Determination for CUA Students***

In cases that involve a CUA student the Hearing Panel will be replaced with a Decision Making Panel. The Decision Making Panel will consist of a minimum of three individuals and students will not serve on this panel. At its de

### ***Presentation of Findings***

The Hearing Chairperson will simultaneously provide the parties a written determination regarding responsibility and disciplinary action within 5 business days of the end of the hearing.

If the Hearing Panel determines the Respondent is Responsible and committed a violation of this policy, it will also detail sanctions. Any actions to remedy the effect on the victim and the community will also be included in the notification.

If the Hearing Panel returns with a finding of Not Responsible and No violation, no sanctions will be imposed.

Following notification of the determination the parties have five days to appeal the decision. If no appeal is received after five days the window for appeals closes and sanctions are enforced.

### ***Appeal Process***

Both Parties have the right to appeal to the President's Cabinet via the President regarding the finding or the College's dismissal of a Formal Complaint. Appeals must be submitted within 5 business days of determination of responsibility or dismissal of the Formal Complaint. In the event of an appeal

the Title IX Coordinator will provide the Cabinet with the Investigation Report and the recording of the Hearing.

When an appeal is filed the Title IX Coordinator will notify the other party in writing. Both parties will have five days to submit to the cabinet a statement supporting or challenging the outcome.

Permissible basis for appeals are:

- Procedural irregularity that affected the outcome of the matter
- New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the outcome
- The Title IX Coordinator, Investigator, or Hearing Panel member had a conflict of interest or bias for or against a party that affected the outcome
- The appropriateness of the sanctions.

The parties will simultaneously receive a written decision describing the result of the appeal and the rationale for the result. If an appeal is filed, the determination will become final and sanctions will be enforced on the date that the college provides the parties written determination of the result of the appeal.

Once the determination goes into effect, either of the initial determination or the result of an appeal, other non-Title IX policy violations that took place in the incident and not covered by the Amnesty policy will be referred to the appropriate administrative office.

### ***Informal Resolution***

At any point prior to reaching an initial determination regarding responsibility, Calvary may facilitate an Informal Resolution Process that does not involve a full Investigation and Hearing. An Informal Resolution may be pursued when, upon filing a formal report, *both* parties provide voluntary written consent to participate in the Informal Resolution Process.

Upon agreeing to the Informal Resolution Process, Calvary will provide parties with written notice disclosing the allegations, the requirements of the Informal Resolution process, and any consequences resulting from participating in the Informal Resolution Process, including any records that will be maintained or shared.

The Title IX Coordinator will present a framework of potential remedies to guide the parties in negotiation, but the parties themselves must come to an agreement. The Title IX Coordinator will facilitate this process and will use their discretion to ensure that the Informal Resolution is appropriate for the College. The parties may not bind the College to a resolution that the College does not deem appropriate.

Informal Resolution may be accomplished through mediation and other forms of facilitation. Parties may communicate through the Title IX Coordinator to minimize contact with each other or they may communicate directly with each other.

During an informal resolution an investigation may be done by the Student Deans Department. This investigation will not be as extensive as in the Formal Judiciary Process. This informal investigation is to determine violations of other policies and appropriate disciplinary sanctions for those.

At any time prior to agreeing on a resolution, any party may withdraw from the Informal Resolution process and the Formal Resolution process will resume. The Title IX Coordinator may use their discretion to determine if an Informal Resolution is not working (lack of good-faith effort by a party, at an impasse, etc.) the Title IX Coordinator may require the matter to be determined by a hearing.

### **Preventive and Intervention strategies**

#### **How to Be an Active Bystander**

Bystanders play a critical role in the prevention of sexual and relationship violence. They are individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it. We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some ways to be an active bystander. If you or someone else is in immediate danger, dial 9-1-1. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

- Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are OK.
- Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
- Speak up when someone discusses plans to take advantage of another person.
- Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
- Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

*(Bystander intervention strategies adapted from Stanford University)*

#### **Risk Reduction Tips**

With no intent to victim blame and recognizing that only rapists are responsible for rape, the following are some strategies to reduce one's risk of sexual assault or harassment.

- **Be aware** of your surroundings. Knowing where you are and who is around you

may help you to find a way to get out of a bad situation. Try to avoid isolated areas. It is more difficult to get help if no one is around.

- **Walk with purpose.** Even if you don't know where you are going, act like you do.
- **Trust your instincts.** If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be.
- **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.
- **Make sure your cell phone is with you** and charged and that you have cab money.
- **Don't allow yourself to be isolated** with someone you don't trust or someone you don't know.
- **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.
- **When you go to a social gathering, go with a group of friends.** Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
- **Trust your instincts.** If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 9-1-1 in most areas of the U.S.).
- **Don't leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, get a new one.
- **Don't accept drinks from people you don't know or trust.** If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
- **Watch out for your friends, and vice versa.** If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.
- **If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 9-1-1 in most areas of the U.S.).** Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).

### **If you need to get out of an uncomfortable or scary situation, here are some things that you can try:**

- **Remember that being in this situation is not your fault.** You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
- **Be true to yourself.** Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
- **Have a code word with your friends or family** so that if you don't feel comfortable, you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
- **Try to think of an escape route.** How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
- **If you and/or the other person have been drinking,** you can say that you would

rather wait until you both have your full judgment before doing anything you may regret later.

### How to Help a Survivor of Sexual Misconduct

Support for survivors can be essential in their ability to recover. Here are some suggestions for how to help:

- **Believe** the survivor. The greatest fear of a sexual assault survivor is that they will not be believed; accept what you are hearing.
- **Validate** the significance of the event. Do not minimize the trauma they experienced. Recognizing the impact of the assault on their life may be helpful in the healing process.
- **Listen** and be patient. Let her/him tell her/his story at their own pace.
- **Reinforce** that the sexual assault was not the student's fault. Whatever they did to survive the assault succeeded. Avoid questions that seem to blame them for their actions such as, "Why didn't you scream? Why did you go to his room?"
- Remind them that the **perpetrator caused the attack**, not the victim.
- **Allow** the student to share their feelings, especially those of anger, self-blame, or grief.
- **Accept** the survivor's reactions, whatever they might be. State that these feelings are normal and the recovery process takes time.
- **Avoid** comparing their experience to others' experiences. Everyone experiences trauma differently.
- Ask how you can help. **Be available**. Reassure the survivor that someone is available to them 24 hours a day.
- Let the survivor take **control** of the situation. Remember the survivor has been robbed of all sense of control, so letting them make decisions will be empowering. Support all of the survivor's decisions, even if you disagree with them.
- Offer to **accompany** the survivor in seeking medical attention, counseling, or contacting the police and/or the Title IX Coordinator or Investigators.
- Help identify a **support system** for the survivor-it can be a friend, family member, or counselor.
- Suggest they call a professionally trained sexual assault **resource** who can help her/him in all aspects of this crisis.
  - National Sexual Assault Hotline: 800-656-HOPE (4673)
  - [www.rainn.org/get-help/national-sexual-assault-hotline](http://www.rainn.org/get-help/national-sexual-assault-hotline)
  - Metropolitan Organization to Counter Sexual Assault (MOCSA) 24/7 crisis line (816)531-0233 or (913)642-0233  
[www.mocsa.org/ndhlp\\_sxa.php](http://www.mocsa.org/ndhlp_sxa.php)
- Help them organize their thoughts on how to proceed, but let them make their **own decisions** in order to regain the feeling of being in **control**.
- Be **patient** and let the survivor recover at their own rate. It may take weeks, months, or years. Survivors may never completely "forget" the attack.
- Provide protection by giving the survivor a **safe place** to go. Offer them companionship or suggest a friend return home with them.

- Encourage the survivor to **preserve evidence**. The sooner an assault is reported, the better the likelihood of charges being filed and the accused convicted. Caution the victim not to shower, eat, wash their clothes or brush their teeth. If they do go to the hospital, tell them to bring a change of clothes. The **PERK** exam requires all clothing to be examined at a police lab for evidence. Assure them that they will remain in control of decision making about judicial options.
- **Touch** or hug the victim only if you're sure they are comfortable with physical contact. If you are unsure, ask.
- **Do not** tell anyone else about the assault without the survivor's permission.
- **BE AVAILABLE** in the weeks and months following the assault. Recovery from sexual assault is a long, difficult process. Know when to ask for outside support to process your own feelings.
- **Confront** your own fears and prejudices about sexual assault.
- **Educate** yourself about the common myths and misconceptions.
- **Learn** about Rape Trauma Syndrome to know what to expect from the survivor.

### Student Bill of Rights

Calvary University desires students to not only thrive in their walk with the Lord but to succeed in their time here as students. Listed below are the rights of every CU student regarding the education they receive here.

1. Students have the right to live and learn in a safe campus environment and to be informed of the existence of known dangers and the location and nature of crimes committed on campus. Students have the right to accurate statistics regarding campus crimes. CU desires to provide this safety and keep the student informed of any danger at all times. Calvary's security ensures this by having a security guard on call 24 hours a day, 7 days a week. For more information on safety, please see the "Public Safety" section of this handbook.
2. Students have the right to freedom from discrimination or harassment in accordance with Calvary's non-discrimination policy.
3. Students have a right to accurate information relating to maintenance of acceptable academic standing, graduation requirements, program student learning outcomes, and individual course objectives and requirements. Every CU course provides this information in the syllabus given at the beginning of each course and in CU's catalog.
4. Student records will be maintained in keeping with the Family Education Rights and Privacy Act of 1974 and subsequent amendments and guidelines for implementation.
5. In all instances of general discipline, academic discipline, and academic evaluation, the student has the right to fair and impartial treatment.
6. Students have the right to discuss concerns with department heads/chairs. Academic department heads are expected to incorporate

student input into decisions affecting academic instruction, advising, and student learning assessment. This input usually takes form through departmental advisory committees and student evaluation of faculty members. Individual students, however, may make appointments with their department heads to discuss specific problems, plans, or suggestions. CU's faculty will always strive to encourage and help the student work through any concerns they may have.

7. Students have the right to file a grade appeal. Instructors are responsible for stating clearly the instructional objectives of the course at the beginning of each term and for evaluating student achievement in a manner consistent with these objectives. Students are responsible for maintaining standards of academic performance established for each course in which they are enrolled. Instructors are responsible for determining and assigning final course grades. Graded examinations, papers, and other materials used as a basis for evaluating a student's achievement will be available to the student for inspection and discussion. Students may appeal instructors' grading decisions by submitting a written appeal to the Registrar's Office. For more information on this process, please refer to the section "Academic Policy" in this handbook or CU's catalog. The burden of proof, however, rests with the student.
8. Students have the right to file a complaint. CU is committed to treating all students fairly and respectfully. CU's policies that apply to students are published annually in the Student Handbook and the catalog, in addition to those found in other resources from individual departments and offices. In an instance of perceived violation of a CU policy, a student may file a complaint in accordance with CU's Grievance Procedures found below.

### **Internal Grievance Procedures**

The University is committed to the scriptural principles found in Matthew 18:15-17. Therefore, the student should first attempt to discuss the matter privately with the person in an effort to resolve the matter. However, the University understands the difficulty inherent in discussing an offense with persons in a position of authority.

A student may wish to present a grievance against a faculty or staff member, or another student, when the issues cannot be resolved informally or by use of other regular University procedures. A grievance is a concern related to an alleged illegal or improper action not otherwise addressed in policies contained within the Student, Staff, or Faculty Handbooks. Calvary has set procedures for all students who wish to present grievances. These procedures are listed below.

Type of Grievance	Contact	Grievance Procedure
Academic	Registrar’s Office <a href="mailto:registrar@calvary.edu">registrar@calvary.edu</a> 816-425-6145	Submit appropriate grievance information (per the procedure below) to Registrar’s Office.
Student Life	Student Development Department <a href="mailto:student.deans@calvary.edu">student.deans@calvary.edu</a> 816-425-6162	Submit appropriate grievance information (per the procedure below) to Student Development Department.
FERPA Violation	Family Policy Compliance Office U.S. Department of Education 600 Independence Avenue, SW Washington, DC 20202-4605	See “Family Education Rights and Privacy Act (FERPA)” under <u>Campus Services of Calvary University Student Handbook</u> .
Gender-Based Misconduct (Title IX)	Lisa Haney Title IX Coordinator <a href="mailto:lisa.haney@calvary.edu">lisa.haney@calvary.edu</a> 816-425-6121	See “Procedures for Formal Complaints” under <u>Gender-Based Misconduct Policy (Title IX)</u> in <u>Appendices of Calvary University Student Handbook</u> .
Grievances against a VP	President’s Office <a href="mailto:president@calvary.edu">president@calvary.edu</a> 816-425-6149	Submit appropriate grievance information to the President’s Office.

If the student is in a situation where they are unsure how to proceed, the student is encouraged to seek counsel from the Student Deans Office. The Student Deans are always available to provide advice and support for students who are uncertain as to how they should proceed in response to grievances.

For FERPA, Gender-based misconduct, and VP grievances, please contact the person listed above. For Academic and Student Life grievances, use the following procedure:

1. Grievances should be submitted as promptly as possible, within 12 months of the occurrence of the incident, and should include the following information.
  - a. The date and place of the incident.
  - b. A description of what took place.
  - c. Why it is considered a grievance.

- d. The date on which the grievance was recorded.
  - e. The name and signature of the grievant.
2. A thorough investigation of the grievance will be conducted and, if warranted, appropriate action will be taken.
3. Should anyone be dissatisfied with an action taken as a result of the investigation, an appeal may be made to the appropriate VP, who will then submit the appeal to the appropriate committee for evaluation.
4. A committee will review and render a judgment for the appeal. Once the committee renders a judgment, no other appeals are possible at an institutional level.

Any students filing a written grievance may be required to meet with a staff member face-to-face or over the phone to answer questions and provide more contextual information related to the alleged incident. If the student chooses not to submit their grievance in writing and/or chooses not to meet with University staff when requested to do so, the University reserves the right to not respond to the filed grievance (except in gender-based misconduct), although a copy of the report will be left in the student's file.

When filing a complaint, it is important that the reporting party state the nature of the grievance, supply witnesses (if able), and be able to clearly state the facts, accusations, and situations. If the accusation against another student, staff, or faculty member is determined false or malicious, the student may be subject to discipline or expulsion. In all cases, confidentiality of the reporting party and responding party will be strictly adhered to except as required by applicable law. Any crimes violating federal, state, or local law will be referred to the appropriate enforcement agency.

### **External Grievance Procedures**

Calvary University students enrolled in online as well as on-campus courses should attempt to resolve complaints by following the Grievance Procedure in the CU Student Handbook. Students may also seek external assistance through the channels below.

#### **Online & Distance Students Outside of Missouri**

##### *State Authorization Reciprocity Agreement Grievance Procedures (SARA)*

Students enrolled in distance education courses (online classes) or online programs, who are residents of states other than Missouri, and when such state is a SARA participating state, may, after exhausting their options under Calvary's grievance procedures, appeal the institution's decision to the SARA Portal Agency, the Missouri Department of Higher Education (MDHE). Only complaints that do not involve grades or student conduct may be appealed within two years of the incident to the Missouri Department of Higher Education.

If MDHE receives a complaint about a Missouri institution, the complainant will be contacted by MDHE staff to determine if the complainant has exhausted the grievance process at Calvary University. If the institutional grievance process has been completed, MDHE will provide appropriate forms to file a formal complaint against the institution. If the complainant has not utilized the institutional remedies available, the individual will be directed to contact Calvary University to seek resolution.

The formal complaint must be submitted in writing using the form provided by MDHE. The complaint may be mailed or faxed and must include supporting materials as well as documentation verifying that all institutional remedies have been exhausted. MDHE staff will acknowledge receipt of the formal complaint in writing.

SARA-related complaints that fall within the jurisdiction of MDHE will be investigated and resolved as appropriate by MDHE. SARA applies only to those complaints resulting from distance education courses offered by participating institutions to students in other SARA states. It does not apply to distance education activity inside Missouri or to on-ground campuses. Complaints concerning criminal misconduct will be referred to local law enforcement authorities. Complaints relating to violations of federal law will be referred to the federal agency having jurisdiction over the matter in question.

Calvary University will provide a response to the complaint within ten working days of official notification by MDHE. All parties to the complaint will be notified of its resolution by mail. MDHE will keep a log of all complaints, record the date received, the name of the complainant, the institution against which the complaint is made, a brief description of the complaint, and the date and nature of its disposition.

**For Students in Missouri***Missouri Department of Higher Education*

The Missouri Department of Higher Education (MDHE) has been assigned to serve as the clearinghouse for complaints concerning colleges and universities.

The State of Missouri recognizes that, "many issues fall within areas that generally are within the sole purview of an institution and its governing

board.” Furthermore, “issues or complaints are generally more speedily and appropriately resolved within the grievance channels available at the institution.”

Missouri encourages students and prospective students with complaints to use all available informal means to resolve them. In other words, a complainant should first follow scriptural principles found in Matthew 18: 15-17, before proceeding to more formal steps. Calvary University’s Grievance Procedures can be found in our undergraduate catalog: <http://www.calvary.edu/university-catalog/>, starting on page 333.

According to the State of Missouri, “Exhaustion of all informal and formal institutional processes, including both campus processes and any applicable system processes, is a prerequisite to filing any formal complaint with the MDHE.” Simply stated, the MDHE expects you to have followed Calvary’s procedures, prior to contacting them.

In the event that, “a mutually agreeable resolution can’t be reached at the institutional level, the student or prospective student may proceed with the MDHE’s formal complaint process. Prior to initiating this formal process, complainants must first call the MDHE at 573-526-1577 to indicate their desire to file a complaint.”

The MDHE will screen calls to ensure that Calvary’s complaint process has been followed. If the MDHE accepts the complaint, a complainant will be sent a form to be filled out and returned. Supporting documentation should be included in the formal complaint.

The MDHE will acknowledge receipt of your complaint. “If there is no indication that institutional remedies have been exhausted, the complaint will be returned for that purpose.”

Complaints that fall within jurisdiction will be investigated and resolved by the MDHE. Some complaints may need to be forwarded to another State Agency, or Calvary’s accrediting body. “All parties to the complaint will be notified of its resolution by mail.”

### **Accreditation Complaints**

Students and prospective students of Calvary University may file complaints with our Accreditors:

HLC - <http://www.hlcommission.org/HLC-Institutions/complaints.html>, ABHE - <http://www.abhecoa.org/forms.abhe.org/webdocs/Policy%20on%20Complaints.pdf>, or the State’s designated agency.

## **PRESIDENTIAL TREATMENT OF STUDENTS**

With respect to interactions with students or those seeking to be such, the President shall not cause or allow conditions, procedures, or decisions that are unbiblical, unsafe, undignified, or unnecessarily intrusive.

Further, without limiting the scope of the foregoing by this enumeration, the President shall not:

- Request information for which there is no clear necessity.
- Use methods of collecting, reviewing, transmitting, or storing student information that fail to protect against improper access to the material elicited.
- Fail to operate facilities with appropriate safety, accessibility, and privacy.
- Fail to establish with students a clear understanding of what may be expected and what may not be expected from the service(s) offered.
- Fail to use biblical principles in regulating student conduct or in counseling and discipline of students.
- Fail to inform students of this policy as applicable, or to provide a way to be heard for persons who believe they have not been accorded a reasonable interpretation of their protections under this policy.
- Graduate any student who fails to possess a foundational understanding of the Holy Scripture and Calvary's Doctrinal Statement.

### **Procedure for Grievances**

Any grievances that a student would have regarding the president, faculty, or staff should be submitted in written form explaining the grievance. This appeal should be given to the Vice President of Student Development with explanation deemed necessary. The Vice President of Student Development will then submit the grievance to the appropriate vice president. Grievances will be submitted as follows: concerning staff to the Chief Operations Officer; concerning faculty to the Chief Academic Officer; concerning the President to a President's cabinet member; concerning a Vice President to the President.

## STUDENT IDENTITY VERIFICATION IN DISTANCE LEARNING POLICY

### Purpose and Scope

In compliance with the provisions of the United States Federal Higher Education Opportunity Act (HEOA) of 2008, Public Law 110-315, concerning the verification of student identity in distance learning, Calvary University has established and will periodically evaluate its process to confirm that a person who has accepted admission to CU is the person who is completing the enrollment form, that a student taking an examination is the student who registered to take the examination and that the student who is registered for an online course is the same student who participates in, completes, and receives credit for the course.

This policy applies to all credit-bearing distance education courses or programs offered by Calvary University, beginning with the application for admission and continuing through to a student's graduation, transfer, or withdrawal from study. The purpose of this policy is to ensure that Calvary operates in compliance with the provisions of the United States Federal Higher Education Opportunity Act (HEOA) concerning the verification of student identity in distance education.

The HEOA requires that institutions offering distance education courses or programs have processes in place to ensure that the student registering for a course is the same student who participates in the course or receives course credit. The Act requires that institutions use one of the following three methods:

- A secure login and pass code;
- Proctored examinations; and
- New or other technologies and practices that are effective in verifying student identification.

### Compliance

#### *Secure Login and Password:*

Each student at Calvary University is provided an email address with an initial password for secure access. Students are given user accounts to other systems (Education Management and Canvas) for which they are required to create their own password. New students are provided login information after acceptance into the university. Students are responsible for providing their complete and true identity information in any identification verification process. It is against University policy for a user to give someone his or her password or to allow others to use his or her account. Personally identifiable information collected by the university may be used, at the discretion of the institution, as the basis for identity verification.

**Responsibilities**

All users of the University's learning management system are responsible for maintaining the security of usernames, passwords, and other access credentials as required. An account is given to an individual for the exclusive use by that individual. Attempting to discover another user's password or attempts to gain unauthorized access to another person's files or mail is prohibited.

Access credentials may not be shared or given to anyone other than the user to whom they were assigned to for any reason. Users are responsible for any and all uses of their account. Users are responsible for all activity on their accounts. Users are responsible for changing passwords periodically to maintain security. Users are held responsible for knowledge of the information contained within the most recent University Catalog as well as the Student Handbook. Failure to read university guidelines, requirements and regulations will not exempt users from responsibility.

As technology and personal accountability are not absolute in determining a student's identity, faculty members are encouraged to use technologies and to design courses that use assignments and evaluations that support academic integrity. Changes in student behavior such as sudden shifts in academic performance or changes in writing style or language used in discussion groups or email may indicate academic integrity problems. Instructors routinely should use a variety of assessment instruments. As best practices suggest, faculty should routinely ask students to share in appropriate ways important ideas learned from texts and references, require research projects and paper assignments to be submitted in steps, and/or use Turnitin.com.

Calvary provides ProctorU for faculty to make use of for assessment purposes to verify student identity. Fees associated with ProctorU are paid for by the student as follows for the 2020 – 2021 school year:

- 60 minutes or less - \$8
- 61 – 120 minutes - \$10
- 121 – 180 minutes - \$12

Faculty teaching courses through distance education methods hold primary responsibility for ensuring that their individual courses comply with the provisions of this policy. Faculty are responsible for informing the Academic Office and Chief Academic Officer of any new technologies being used to verify student identity, so that published information on student privacy can be maintained appropriately, and so that that the university can coordinate resources and services efficiently. Because technology and personal accountability may not verify identity absolutely or ensure academic integrity completely, faculty are encouraged, when feasible and pedagogically sound, to design courses that employ assignments and evaluations unique to the course and that support academic integrity.

Deans and directors of college-level units are responsible for ensuring that faculty are aware of this policy and comply with its provisions. Deans, chairs and directors are also responsible for ensuring that academic awards and degree programs within their units comply with the provisions of this policy.

#### *Review*

The Academic Office is responsible for ensuring compliance with this policy and that deans, department chairs, and program directors are informed of any changes in the policy in a timely fashion, as well as ensuring that university-level processes remain in compliance with this policy (registrar, admissions, library, etc.).

### **SEXUAL OFFENDER INFORMATION**

The "Campus Sex Crimes Prevention Act" is a federal law enacted on October 28, 2000, which provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education, or working or volunteering on campus.

The Act amends the "Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act" to require sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student.

In the event Calvary University determines that an applicant for admission or existing student is listed on a Sex Offender Registry, the following procedures shall apply:

- The applicant will be denied admission to Calvary University. This is defined as:
  - Admission Denied/Revoked: Admission to the college, or to college functions or activities, may be denied or revoked to individuals who are unable to demonstrate safe and/or non-disruptive conduct.
- If the applicant registers for classes and/or becomes a student before the College receives notification that such student is a registered sex offender, the student will be immediately informed that he/she is being administratively withdrawn from classes and will receive a refund according to the refund schedule.
- An applicant may invoke his/her right to an appeal process.
- 

#### **Appeal Process for Denial of Admission or Withdrawal for Convicted Sex Offender**

When a convicted sex offender is denied admission to or is administratively withdrawn from classes at Calvary University, he/she may invoke the following appeal process:

- The applicant or withdrawn student will receive a letter from Student Development, stating his/her denial of admission or administrative withdrawal.
- The applicant/withdrawn student may write a letter of appeal to the President's Cabinet in which he/she provides the following information:
  - Disclosure of the nature of the offense for which he/she has been convicted.
  - Justification for consideration of admission/reinstatement.

- Statement acknowledging his/her understanding that his/her identity and status as a convicted sex offender will be publicized on the University campus in accordance with federal and state law if he/she is admitted or reinstated.

Note: If a student is appealing a denial of admission or an administrative withdrawal, he/she must submit the letter of appeal to the President's Cabinet within seven (7) calendar days of the denial of admission/administrative withdrawal.

A panel of the President's Cabinet and two other full-time faculty or administrators will review the information submitted and make a decision by a simple majority vote within fourteen (14) calendar days of receiving the letter of appeal. The Chief Academic Officer will serve as the convener of the panel.

The Chief Academic Officer will inform the applicant/withdrawn student by letter of the decision of the appeals panel. The decision of the appeals panel shall be final.
