## TEXTBOOKS

The Bible is a required textbook in every course at Calvary University. To facilitate academic level study, students are required to use for assignments and research an English translation or version of the Bible based on formal equivalence (*meaning that the translation is generally word-for-word from the original languages*), including any of the following: New American Standard (NASB, English Standard Version (ESV), New King James (NKJV), or King James (KJV). Other translations and versions based on dynamic equivalence (*paraphrases, and thought-for-thought translations like NLT and NIV*) may be used as supplemental sources. Please ask the professor if you have questions about a particular translation or version.

## REQUIREMENTS

- A. Review past coursework in Systematic theology I, II, III to prepare for the project.
- B. Write a doctrinal beliefs statement (a paper of 10 single spaced typed pages).
- C. This first draft will be submitted to the Program Director at least one cycle prior to their graduation (by the end of cycle 2 if the student anticipates graduation at the end of cycle 3 and by the end of cycle 4 if the student anticipates graduation by the end of cycle 5).
- D. The first draft will be submitted through Canvas.
- E. The student will then meet with the Program Director to defend his/her doctrinal belief statement (in cycle 3 if the student anticipates graduation in December and in cycle 5 if the student anticipates graduation in May). Failure to complete this assignment will lead to a delay in graduation from Calvary University.
- F. The final draft of the Doctrinal statement will be submitted through Canvas.

## METHODS OF ASSIGNMENT

- A. Independent work and study
- B. Consultation with instructor (if needed)
- C. The student will submit the complete first draft to the Department Director. This draft should be well proofed and in excellent form. This draft will be read prior to the oral defense. - D. Defend doctrinal belief statement to Department Director. The student will be questioned on all areas of doctrine covered in their statement. Areas of possible weakness and areas that need clarification will be probed.

- E. Submission of the final, polished product. **Plagiarism:** *Plagiarism is defined as copying any content without identifying the source. This also includes taking another person's or AI entity's ideas or constructs and presenting them as your own. Plagiarism of any kind will not be tolerated. Most assignments at Calvary require the student to produce original work. Therefore, unless specifically permitted by the instructor, the use of AI-generated content is prohibited (even if cited) as it does not represent original work created by the student and is an unreliable aggregate of ideas from other sources. AI, however, may be utilized in cases where the instructor has explicitly permitted its use to accomplish specific tasks. It is only in these cases that AI-generated (or modified) content may be submitted by the student. If there are any questions as to the permissibility of AI use for an assignment, please ask your instructor for clarification. Any assignment that includes plagiarism will receive a zero (0) grade.*
