III. TEXTBOOKS

The Bible is a required textbook in every course at Calvary University. To facilitate academic level study, students are required to use for assignments and research an English translation or version of the Bible based on formal equivalence (*meaning that the translation is generally word-for-word from the original languages*), including any of the following: New American Standard (NASB, English Standard Version (ESV), New King James (NKJV), or King James (KJV). Other translations and versions based on dynamic equivalence (*paraphrases, and thought-for-thought translations like NLT and NIV*) may be used as supplemental sources. Please ask the professor if you have questions about a particular translation or version. My preferred translation is the NASB

Late Assignments: Assignments will be lowered **10%** if not turned on in on the due date.

Plagiarism: Plagiarism is defined as copying any content without identifying the source. This also includes taking another person's or AI entity's ideas or constructs and presenting them as your own. The use of AI generated content in student work is prohibited (even if cited) as it does

not represent original work created by the student and is an unreliable aggregate of ideas from other sources. Plagiarism of any kind will not be tolerated. Any assignment that includes plagiarism will receive a zero (0) grade.

Class Attendance:

Attendance accounts for 20% of your overall grade. I expect students to attend class regularly. My attendance policies are:

- **In class students:** there are 2 class sessions per week in the semester; each class session is worth 1.25% of your grade. I will deduct 1.25% from your grade for each unexcused absence.
- **For online students:** I will take attendance once a week. Attendance is based on academic activity, which includes weekly lecture attendance report, responding to discussion questions, submitting research papers, book reports or similar assignments, or taking an examination.
