About Calvary University

Since 1932, Calvary University has been equipping men and women to live and serve in the church and the world according to the biblical worldview. Offering accredited undergraduate, graduate, and postgraduate education, Calvary integrates God's Word into every discipline. Committed to excellence and affordability, Calvary is nationally recognized for graduating students with little or no debt. Our vibrant campus community blends academic rigor, discipleship, and hands-on ministry experience, preparing students for lifelong impact in their professions and ministries.
