Education majors must maintain a high standard for GPAs to successfully complete their program. Education majors must maintain a 3.0 GPA in Professional Education coursework and a 2.5 GPA in Content Area coursework. ***This course must be passed with a grade of “C” or higher depending on the student’s GPA in Professional and Content Area courses. Receiving a grade lower than a “C” will mean that this course must be repeated.***

B. The Bible as Required Textbook

The Bible is a required textbook in every course at Calvary University. To facilitate academic level study, students are required to use for assignments and research an English translation or version of the Bible based on formal equivalence (*meaning that the translation is generally word-for-word from the original languages*), including any of the following: New American Standard (NASB, English Standard Version (ESV), New King James (NKJV), or King James (KJV). Other translations and versions based on dynamic equivalence (*paraphrase and thought-for-thought translations like NLT and NIV*) may be used as supplemental sources. Please ask the professor if you have questions about a particular translation or version.

C. Academic Honesty

Plagiarism is defined as copying any content without identifying the source. This also includes taking another person’s or AI entity’s ideas or constructs and presenting them as your own. Plagiarism of any kind will not be tolerated.

Most assignments at Calvary require the student to produce original work. Therefore, unless specifically permitted by the instructor, the use of AI-generated content is prohibited (even if cited) as it does not represent original work created by the student and is an unreliable aggregate of ideas from other sources.

AI, however, may be utilized in cases where the instructor has explicitly permitted its use to accomplish specific tasks. It is only in these cases that AI-generated (or modified) content may be submitted by the student. If there are any questions as to the permissibility of AI use for an assignment, please ask your instructor for clarification.

Additionally, submission of work for this class must express original thought and should be written in the voice of the student. Research should be conducted using academic, peer-reviewed sources (not blogs or other opinion/editorial sites). However, even when citing sources, students must explain the ideas/concepts presented in their own words. Extensive copying of source material is not permitted, even if the source is cited on the reference page.

D. Class Participation & Field Experience Attendance Policy

At all times, Calvary students are reminded that they are guests in any external school and classrooms they may visit. Field Experience II participation is a privilege, not a right. Pre-service teachers are expected to conduct themselves in a mature, respectful, and business-like manner consistent with Calvary's high standards. Pre-service teachers are expected to be alert, attentive, and actively engaged in their classroom duties and responsibilities. Cell phones must be turned off and stored in a book bag or purse. Students may not use the Internet or send text messages during a field experience unless specifically assigned to do so by their cooperating teacher. Working on other, non-Field Experience II assignments during a field experience is strictly prohibited.

Special Field Experience Attendance Policy: You are required to attend and be on time for all scheduled observations. Absences are restricted to serious illnesses or crisis situations only and must be limited to no more than two full days (16 hours). Any days missed for an emergency absence must be made up. When an absence is necessary, the student must notify both the cooperating teacher and the university supervisor in advance (i.e., no less than two hours before the school day is scheduled to begin).

E. Accommodations Statement

Students with disabilities have the responsibility of informing the Accommodations Support Coordinator (aso@calvary.edu) of any condition that may require support.
