- C.** The Bible is a required textbook in every course at Calvary University. To facilitate academic level study, students are required to use for assignments and research an English translation or version of the Bible based on formal equivalence (*meaning that the translation is generally word-for-word from the original languages*), including any of the following: New American Standard (NASB, English Standard Version (ESV), New King James (NKJV), or King James (KJV). Other translations and versions based on dynamic equivalence (*paraphrases, and thought-for-thought translations like NLT and NIV*) may be

used as supplemental sources. Please ask the professor if you have questions about a particular translation or version.

- D.** All class papers must follow the Turabian style according to *A Manual for Writers of Research Papers, Theses, and Dissertations*, 8th edition. Unless otherwise indicated book reports and study questions may be in non-research format, interviews and other research papers should be in research paper format. A copy of the Turabian Style Guide is available on the Clark Academic Center page of Calvary's website.
- E. Late Assignments:** Assignments will be penalized according to the professor's late policy as explained in Canvas.
- F. Plagiarism:** Plagiarism is defined as copying any content without identifying the source. This also includes taking another person's or AI entity's ideas or constructs and presenting them as your own. Plagiarism of any kind will not be tolerated. Most assignments at Calvary require the student to produce original work. Therefore, unless specifically permitted by the instructor, the use of AI-generated content is prohibited (even if cited) as it does not represent original work created by the student and is an unreliable aggregate of ideas from other sources. AI, however, may be utilized in cases where the instructor has explicitly permitted its use to accomplish specific tasks. It is only in these cases that AI-generated (or modified) content may be submitted by the student. If there are any questions as to the permissibility of AI use for an assignment, please ask your instructor for clarification.

Any assignment that includes plagiarism will receive a zero (0) grade. Students should note that papers will be submitted in Canvas via "Turn-It-In". This program automatically gives the student's work a plagiarism score, students should strive for a score less than 20.
- G. Disabilities:** Students with disabilities have the responsibility of informing the Accommodations Support Coordinator (aso@calvary.edu) of any disabling condition that may require support
- H. The Clark Academic Center** (learning@calvary.edu), located in the library building, is dedicated to providing free academic assistance for all CU students.
