Other translations and versions based on dynamic equivalence (*paraphrases, and thought-for-thought translations like NLT and NIV*) may be used as supplemental sources. Please ask the professor if you have questions about a particular translation or version.
- D.** All class papers must follow the Turabian style according to *A Manual for Writers of Research Papers, Theses, and Dissertations*, 8th edition. Unless otherwise indicated book reports and study questions may be in non-research format, interviews and other research papers should be in research paper format. A copy of the Turabian Style Guide is available on the Clark Academic Center page of Calvary's website.

- E. Late Assignments:** Assignments will be penalized according to the professor's late policy as explained in Canvas.
